5 CHAIRMAN WARFIELD: Good afternoon, ladies and  
6 gentlemen, and welcome to the Board of Police  
7 Commissioners meeting. My name is Jerome Warfield,  
8 chairman of the Board of Police Commissioners. Serving  
9 with me today is the vice chairperson, Commissioner  
10 Jessica Taylor and certainly our Chief of Police is  
11 here, Chief Chester Logan. Sir, good to have you.

12 INTERIM CHIEF LOGAN: Good to be here.

13 CHAIRMAN WARFIELD: Also sitting at the table,  
14 Mr. George Anthony, board secretary. I'm going to ask  
15 if Attorney George Anthony will introduce of staff  
16 that's here and present.

17 SECRETARY ANTHONY: Thank you, Mr. Chair. For  
18 the record, George Anthony, secretary to the Board.  
19 Seated in the front is Miss Pamela Davis-Drake, our  
20 chief investigator; Miss Lolitha Porter-Coleman who is  
21 our director of police personnel and Miss Celia Banks  
22 Washington who is the attorney to the Board. We also  
23 have Mr. Robert Brown standing in the back who is our  
24 office manager. We have Officer Dan Donakowski who is  
25 recording our proceedings and Miss Wendy Boer from

1 Hanson Court Reporting Service. That completes the  
2 introduction.

3 CHAIRMAN WARFIELD: Thank you, Mr. Anthony.  
4 At this time, we want to ask if Chaplain Myatt will come  
5 and lead us into our devotion. Come up at this time,  
6 sir.

7 CHAPLAIN MYATT: Thank you, sir. We do honor  
8 your chair, and thank God for our Chief as well,  
9 everybody in their respective office. Let us pray.  
10 Heavenly Father, we thank you again for this opportunity  
11 to come before you. We acknowledge your presence. We  
12 know that because you are here that order exists. We  
13 thank you, God, that you're moving our city of a place  
14 of health, that you're causing us, oh God, to see dreams  
15 and visions that have been laid dormant. I bless you  
16 for this council, this Board. And I thank you, God,  
17 that you're causing them to have wisdom beyond their  
18 years. Bless everybody that is here. And it is in  
19 Jesus name we pray, amen.

20 AUDIENCE: Amen.

21 CHAIRMAN WARFIELD: Thank you, Chaplain. We  
22 appreciate you, sir. Right now, we do not have a  
23 quorum, but we are anticipating a quorum. So we will  
24 get to our voting matters and come back and vote on  
25 those issues that we have to vote on once a quorum is

1 established.

2 Chairperson's report, just a very brief  
3 report. As we said last -- I believe we said it last  
4 week, but we did turn over all of the names that the  
5 search committee had recommended during their search  
6 process for chief of police to the mayor and to the  
7 emergency manager. So, the ball is basically in their  
8 court. And once, you know, the emergency manager and  
9 the mayor come to terms as relates to their selection,  
10 then the public will know, you know, who is being -- who  
11 will be selected for the next chief of police spot.

12 There are a number of statistics that we would  
13 like to share with the public. But we believe it's  
14 appropriate to share those statistics at the time of the  
15 announcement, whenever that is. And so, you know,  
16 hopefully, you know, once the mayor and the emergency  
17 manager do their due diligence, that information will be  
18 shared. But we turned that information over to them  
19 Monday before last. So, it will be two weeks Monday  
20 that they would have had those names just for point of  
21 information for you all, that you all know that.

22 Outside of that, certainly I want to thank  
23 those members of the Second Precinct and the citizens  
24 who came out Saturday for the cleanup and the board up.  
25 I couldn't stay, but we did have an opportunity to drop

1 by before my function on Saturday and just a great great  
2 community involvement, great community spirit. I want  
3 to thank Miss Pannell who was there. The Chief  
4 certainly was there as well and others from the  
5 department, Inspector Yost. I forgot the lieutenant's  
6 name, Coles, Lieutenant Coles who was over there, Chris  
7 Coles. Thank you. Just did an outstanding and  
8 excellent job. That's all I have right now. We will  
9 turn it over to the Chief's office.

10 INTERIM CHIEF LOGAN: Sir, through the Chair,  
11 Chief Logan. Just for the community's edification, I'd  
12 really like the community to know that I did not apply  
13 to be chief of police. So, if you heard my name, it's a  
14 bad rumor. I am not a candidate for the chief of  
15 police. I just wanted the community to know that.

16 We've got two presentations. I'm going to  
17 give you some Nip-It statistics after Commander Brian  
18 Stair makes his presentation. So, I call forward  
19 Commander Stair and whoever is assisting him.

20 COMMANDER STAIR: Good afternoon, Board,  
21 Chief, citizens, fellow members of the Department. My  
22 name is Commander Brian Stair, and I'm in charge of  
23 internal controls. Internal controls consists of five  
24 smaller entities, internal affairs, force investigation,  
25 financial audit team. And we are also -- there's also a

1 preliminary investigation squad. And we also have  
2 members from internal affairs assigned to the Detroit  
3 area public corruption task force. Our mission is to  
4 insure the public's trust and confidence in the Detroit  
5 Police Department by conducting thorough and impartial  
6 investigations into allegations of criminality and  
7 serious misconduct lodged against members of the  
8 Department and City of Detroit employees who abuse their  
9 position of trust.

10 We investigate all allegations of criminality  
11 against police officers. And the last part, when we  
12 talk about the other City of Detroit employees, an  
13 example I'd like to give is if a member of say the water  
14 department is arrested for domestic violence, that's not  
15 something that internal affairs would investigate.  
16 That's something that the regular command or precinct of  
17 jurisdiction would investigate. But if they were  
18 misusing their position of public trust like stealing  
19 materials from the water department or their plumbing  
20 business, that would become an internal affairs case.

21 We accept all allegations, whether they are  
22 made by telephone, written communication, e-mail,  
23 anonymous complaints, even third-party complaints. We  
24 don't turn away any complaints. We document them. If  
25 they are not something that we investigate, we make sure

1 it gets to the proper entity within the Department,  
2 either OCI or the individual investigative unit.

3 One of the first things we do when we get a  
4 complaint is we have to classify it. We have to triage  
5 it and figure out where it belongs, if it's something  
6 that's criminal or administrative. We have to determine  
7 if there's a need for immediate action based on the  
8 allegations, if it's something that I need to notify the  
9 Chief about, something that requires that the member  
10 should be suspended immediately for or any other change  
11 in duty status such as put them on administrative duty  
12 status, restricting their right to carry a firearm,  
13 whether or not it requires that they go see a  
14 psychiatrist for a psychological evaluation and also to  
15 measure and just decide whether or not this person may  
16 have been involved in a number of incidents and they  
17 pose a significant risk to the Department through  
18 liability.

19 Preliminary investigations. I mentioned that  
20 we have a preliminary investigation squad. When we  
21 receive information that is not enough for us to open a  
22 case, let's say information comes in that a citizen  
23 believed that they were robbed by a police officer but  
24 the police officer is driving a Buick and they saw a  
25 badge but it didn't look like a Detroit police badge,

1 those are the kind of cases that we will assign to our  
2 preliminary investigation squad. The preliminary  
3 investigation squad will go out and they will canvass  
4 the area. They will grab any video tape, talk to any  
5 witnesses that they can and try to determine whether or  
6 not there's enough for us to develop an internal affairs  
7 case or whether or not we should close it as a  
8 preliminary investigation pending additional  
9 information.

10 We have to determine whether or not it's a  
11 violation of federal law. If it is, we have to call our  
12 federal partners in, FBI, because we don't have access  
13 to the U.S. Attorneys Office just without going through  
14 a federal law enforcement agent. Question of  
15 impartiality. We do at time investigate some incidents  
16 that may not be criminal and may not even be that  
17 serious where there is a question of impartiality.  
18 Let's say a commander at a district, his clerk is  
19 alleged to have done something. And, you know, just so  
20 that there's no appearance that the commander is showing  
21 favoritism; therefore, we may take investigations if  
22 asked to do them.

23 We also determine, you know, based on the  
24 allegation that we get in, the information we get in,  
25 whether or not it's something that can be handled at a

1 command level. Throughout our investigation, we consult  
2 with the Wayne County Prosecutor's Office, U.S.  
3 Attorney's Office. One of the points I wanted to touch  
4 on is confidentiality. There's been a lot of miss  
5 information put out there in the public as relates to  
6 like internal affairs leaks, like it's something  
7 salacious. For the most part -- well, we have a small  
8 number of investigations that are covert and secret and,  
9 you know, lot of them dealing with our federal partners  
10 where that information is kept as secret as possible.

11 But for your average internal affairs  
12 investigation, it's going to be a citizen making an  
13 allegation against a police officer. We're going to  
14 have to call down witness police officers. We are going  
15 to have to call down that police offer. There's no real  
16 way that we can keep all internal affairs cases  
17 confidential because we are basically calling people  
18 down and asking questions about an incident. At that  
19 point, those people know that there's an internal  
20 affairs investigation going on.

21 Impartiality. That's the most important  
22 thing. We report directly to the chief of police. And  
23 that is -- that gives us the flexibility and the right  
24 to go to any command, demand any records or anything  
25 that we need to further investigate. And the only

1 person that I have to report it to is the chief. So  
2 that's where the impartiality is displayed. Skip the  
3 next two. After we complete our investigations, all  
4 sustained allegations are forwarded to disciplinary  
5 administration for adjudication. Not sustained  
6 allegations are maintained at internal affairs and used  
7 to detect trends.

8 And we also -- by detecting trends, we also  
9 help to hold supervisors and officers accountable. We  
10 use a number of the cases, whether they're sustained or  
11 not sustained, as training material for training to take  
12 a look at and decide whether or not they need to  
13 implement some new training if we see a deficiency. And  
14 we also -- you know, as we use it for trends, we're also  
15 trying to mitigate our liability through risk  
16 management, minimize I should say.

17 Internal affairs is one of the two main  
18 entities. They're responsible for discovering,  
19 investigating and prosecuting criminal misconduct on the  
20 part of department members, prosecuting city employees  
21 who abuse their position of trust, prosecuting those who  
22 falsely report that a member has committed a crime in  
23 preparation and adjudication of the administrative case.  
24 We handle the entire criminal investigation. And in  
25 addition to once the criminal investigation is

1 adjudicated, we also handle the administrative  
2 investigation, which means the person we are looking  
3 for, whatever legal punishment they are facing.

4 And secondly, we also handle the  
5 administrative case that goes before a trial board to  
6 try to have the person disciplined or terminated,  
7 depending on the severity.

8 Here is a three-year comparison of internal  
9 affairs cases. You can see we have had a significant  
10 drop off in cases in the last three years. Actually, I  
11 believe we are down 42 percent from last year at this  
12 time. Preliminary investigations, we've also seen a  
13 significant drop in preliminary investigations from  
14 2011, 2012 to 2013. 2013 is year to date I should say  
15 involved with those. So, but the 2011, 2012 were the  
16 entire year.

17 Force investigation. Force investigation is  
18 the second main entity under internal controls. And  
19 they investigate category one uses of force. Category  
20 one use of force includes fatal and non-fatal shootings,  
21 shots fired, unintentional discharges, allegations of  
22 excessive force, in custody and cell block deaths,  
23 vehicular pursuits resulting in injuries, broken bones  
24 or injuries requiring hospital admittance.

25 Force investigations is also responsible for

1 facilitating and directing the command level use of  
2 force review team board meetings. That is on any  
3 critical part on discharge, after force has completed  
4 their entire investigation, they're not signed off on.  
5 It also goes to what's called a command level force  
6 review team made up of legal advisors, several deputy  
7 chiefs who all review the facts and circumstances  
8 surrounding the firearm discharge. And we all have to  
9 come into agreement whether or not this officer is  
10 acting in accordance with department policy before we  
11 present that to the chief for his final approval.

12 We also monitor, review and track all command  
13 level uses of force investigations. We are the  
14 repository for all of the command level uses of force  
15 investigations, not the allegations. The allegations  
16 either come to -- I should explain the difference from  
17 the allegation. An allegation is when an officer does  
18 not admit that he used force, but a citizen comes in and  
19 says an officer used force. And that's an allegation.

20 When an officer comes into the station with an  
21 arrest and says hey, Sarge, I had to use force, that's  
22 an admitted use of force. Those admitted uses of force  
23 are usually handled by the individual commands. Once  
24 they are completed by the commands, they are forwarded  
25 to force investigation where we review them, make sure

1 they are correct. If we find any deficiencies, we send  
2 them back to the individual commands. And we also  
3 monitor the progress and how they are doing as far as  
4 completing these in a timely fashion and completing --  
5 we also prepare an annual report, which by May 30th, we  
6 will have completed the annual report for 2012. It  
7 should be completed. And everybody on the Board, once  
8 the chief signs off on it, I'm sure you will be  
9 furnished a copy.

10 Here's a breakdown of incidents investigated  
11 in 2012 as compared to 2013 by force investigation. And  
12 you can see we also have a big drop off in the number of  
13 critical firearm discharges year to date, 2006 to 2013.  
14 2013 is year to date now. But we can see from 2006 to  
15 2012, we cut it almost 50 percent. Any questions,  
16 comments, suggestions?

17 CHAIRMAN WARFIELD: Ma'am, do you have any  
18 questions? Sir, first of all, thank you for your  
19 presentation. You had mentioned within the presentation  
20 that you report now directly to the chief.

21 COMMANDER STAIR: Yes.

22 CHAIRMAN WARFIELD: When did that change  
23 because weren't you reporting to -- your office  
24 reporting to Tolbert at one time?

25 COMMANDER STAIR: Historically internal

1 affairs has always reported to the chief. There have  
2 been a couple of times -- they were short periods --  
3 where I believe when Assistant Chief Walter Martin was  
4 here, where we reported to him for maybe three to  
5 six months, and then switched back to the chief. And I  
6 believe under chief -- former Chief Godbee, he had had  
7 me reporting to civil rights integrity bureau, Deputy  
8 Chief Tolbert, for I'd say a period of four to six  
9 months maybe. And it switched back.

10 CHAIRMAN WARFIELD: Switched back, okay. How  
11 many in your department? How many investigators do you  
12 have in your department?

13 COMMANDER STAIR: Doing regular cases, force  
14 cases and IA cases?

15 CHAIRMAN WARFIELD: Yes.

16 COMMANDER STAIR: Fifteen.

17 CHAIRMAN WARFIELD: I noticed in the report as  
18 relates to use of force, broken bones or injury  
19 requiring hospital admittance -- so, when OCI, Office of  
20 Chief Investigation receive reports that someone either  
21 has broken bones or went into the hospital, should that  
22 case be then turned over to IA or what is the protocol  
23 there?

24 COMMANDER STAIR: If they have a broken bone,  
25 absolutely. And if they went to the hospital and they

1           were admitted, yes.

2                         CHAIRMAN WARFIELD:   Would there be any reason  
3           for an OCI investigator to investigate a case at all  
4           when there is a broken bone?

5                         COMMANDER STAIR:   They should not.   They  
6           should refer to us.   But there are times where not just  
7           OCI but the individual commands will do an investigation  
8           and complete a good and thorough investigation.   And  
9           then when we receive it or we're notified about it, we  
10          tell them, you know, hey, we should have handled that.  
11          But in reviewing this, we will take their investigation,  
12          review it.   And if there's any deficiencies, we'll make  
13          sure they're corrected.   If it's a good solid  
14          investigation, we'll just file it and put our cover  
15          letter on and endorse it.

16                        CHAIRMAN WARFIELD:   For members who are  
17          investigated but it is not found that they -- or nothing  
18          is sustained on the case, does that go into their record  
19          or not?

20                        COMMANDER STAIR:   It does not go in their  
21          personnel record.   It does not go on their disciplinary  
22          history.   But we keep records of all allegations just  
23          so -- on a card.   So, you know, we may see -- we keep  
24          the allegations, and then we also list the outcome of  
25          the case.   So, you know, at times, you may see

1 individually there may be two or three allegations  
2 against an officer where they are unfounded. But you  
3 start to see patterns and say, you know, hey, this  
4 officer has got three different people at different  
5 times saying the same thing. Even though we weren't  
6 able to prove each one of them, that puts them on our  
7 radar.

8 CHAIRMAN WARFIELD: Got you. The last  
9 question from me I believe. Of course there is a  
10 scheduled move into the new public safety headquarters.  
11 And I know where you all are located now. Maybe this is  
12 a conversation, Chief, we might need to have off line as  
13 to -- because we know typically across the country, very  
14 seldom do you see internal affairs in the actual  
15 headquarters building. However, I am concerned that the  
16 proposed place where internal affairs is moving right  
17 now is not adequate from the standpoint that I believe  
18 it's costing a significant amount of money to build it  
19 out.

20 And maybe we can talk about that later, how we  
21 can possibly maybe even carve out some space or look at  
22 where they are and where we are because OCI has the same  
23 issue right now, you know. We are scheduled to be in  
24 the new police headquarters. And I don't think that's a  
25 good place for OCI to be given the nature of what they

1 do.

2 So, maybe we can again talk off line about  
3 that because I think, you know, you're certainly -- you  
4 get into some civilian stuff. But mostly your stuff is  
5 dealing with the department. And we do almost the same  
6 type of work on the civilian side. And being able to  
7 just be in an environment that's not threatening or  
8 hostile to those who are making reports, you know,  
9 allegedly against the department I think would be a  
10 better environment than being there. So, we can talk  
11 again off line on that. Ma'am, any questions?

12 COMMISSIONER TAYLOR: You covered it on use of  
13 force.

14 CHAIRMAN WARFIELD: Thank you, sir.  
15 Appreciate your time.

16 COMMANDER STAIR: Thank you.

17 CHAIRMAN WARFIELD: Anything else? Yes, sir.

18 INTERIM CHIEF LOGAN: Through the Chair,  
19 Interim Chief Logan. Again, I was going to give you a  
20 breakdown of last week's Nip-It totals, and also to let  
21 you know that this current week, starting tonight, we  
22 are operating in the Western District, Miss Pannell,  
23 Western District. So, we will be in your neighborhood.  
24 But anyway, last week, we were in Northwestern and  
25 Eastern. Again, last week we made a total of 77

1           arrests; 35 of those were felonies, 37 were  
2           misdemeanors, investigated 1,122 persons, a total of  
3           936 vehicles. We confiscated 18 handguns, seven long  
4           guns and six assault rifles for a total of 31 guns.

5                       Narcotics conducted 44 raids at locations and  
6           had nine street enforcements. We did 51 miscellaneous  
7           warrants, 1,997 moving violations. We towed a total of  
8           193 vehicles. We had a significant seizure of cocaine  
9           last week, 4,381 grams. That has a street value of  
10          almost 2 million dollars. Also, we did 1,300 -- I'm  
11          sorry, 10,318 grams of marijuana, which is a lot  
12          cheaper. That had a total of \$103,000. The street  
13          value of all the narcotics that we confiscated last week  
14          in a three-day initiative was almost 2 million dollars.  
15          And we also took in \$13,461 in cash. And that's the  
16          stats on Nip-It from last week.

17                      CHAIRMAN WARFIELD: Thank you, sir.  
18          Excellent. And let me say this, sir, because I have  
19          heard from some citizens -- as a matter of fact, a  
20          colleague of mine was pulled over. But after it was --  
21          you know, he was you know checked out, he was let go.  
22          But just an outstanding job I think the department is  
23          doing with that visibility. The visibility of the  
24          troops out there is making a tremendous difference in  
25          the neighborhood. Excellent program. It's great. And

1 it's getting out into the other areas now. Outstanding  
2 job. Anything else, sir?

3 INTERIM CHIEF LOGAN: No. That's all I have.

4 CHAIRMAN WARFIELD: Okay. Anything, sir?

5 SECRETARY ANTHONY: Just through the Chair,  
6 Chief, did you want to advise about the interfaith  
7 service?

8 INTERIM CHIEF LOGAN: Without a doubt. I was  
9 going to ask the DC if he had any flyers for it.  
10 Tomorrow at 9:00 in Old St. Mary's Church right on  
11 Monroe and St. Antoine, we are going to have our 40th  
12 annual police memorial service. I'm urging the Board  
13 members if they can make it, and especially the  
14 community. I think it should be uplifting. And we  
15 would like to see you there if you can.

16 CHAIRMAN WARFIELD: Absolutely. All right.  
17 New business, presentation, office of inspector general.

18 SECRETARY ANTHONY: That should be next week  
19 at the community meeting, sir.

20 CHAIRMAN WARFIELD: All right. Because we  
21 don't have the quorum, can we do the Resolutions next  
22 week as well?

23 SECRETARY ANTHONY: That's correct, yes, sir.

24 CHAIRMAN WARFIELD: We will vote on those next  
25 week. The SOP, we will save that all for next week too

1 because of lack of quorum. Our next meeting will be  
2 Thursday, May 9, 2013, at 6:30 p.m. We will be at -- in  
3 the Northwestern District at the Westminster Church,  
4 which is at 17567 Hubbell in Detroit, Michigan. The  
5 agenda now calls for oral communications. If you wish  
6 to address the Board of Police Commissioners, you can  
7 come to the podium right there. Please give us your  
8 name for the record. And if you can abide by our  
9 two-minute time limit, our staff person, Robert Brown,  
10 is keeping time. We want to hear from as many people as  
11 possible. Good afternoon, sir.

12 MR. WELBORNE: Good evening to the Board,  
13 Chief, everybody here. My name is Bill Welborne,  
14 W-e-l-b-o-r-n-e. I'm the president of city wide police  
15 community relations. I had a number of calls concerning  
16 the disasters we've had around the country and also the  
17 one that occurred down I think it was Fort Street.

18 CHAIRMAN WARFIELD: One second. I'm going to  
19 ask if we will please keep our voices down while other  
20 citizens are talking. Thank you.

21 MR. WELBORNE: I have had a number of calls  
22 about which I don't know the answer to, people asking me  
23 questions I don't know the answer to about all the  
24 disasters we've had around the country and one --  
25 particularly about the one down on Fort Street, the gas

1 company that had an explosion down there. They were  
2 talking about the evacuation plan where they had to  
3 evacuate 3,000 people. And anybody know when you  
4 evacuate 3,000 people in a hurry, you got a real big  
5 problem. I understand they evacuated them to  
6 Melvindale. We asked homeland security who should make  
7 out a plan for this. They said the police department  
8 should make out a plan, which I can't see it that way.  
9 I think they should make out the plan for this, for an  
10 evacuation plan. And I was going to ask the Chief if he  
11 knows anything about this, about a plan, who should make  
12 this out.

13 CHAIRMAN WARFIELD: Thank you, sir. Chief?

14 INTERIM CHIEF LOGAN: Through the Chair, Chief  
15 Logan. Sir, we do in fact have an evacuation plan for  
16 most disasters if not all disasters. Homeland security  
17 now falls under the police department as well as we  
18 already had our own homeland security. Plus now we have  
19 the city's homeland security. So, we do try to prepare  
20 for every eventuality. We work hand in hand. And we  
21 think that, you know, without divulging all the things  
22 that we have got going for us, I feel -- my command  
23 staff feels that we are prepared to deal with just about  
24 any eventuality.

25 MR. WELBORNE: Thank you. The reason I asked

1 this, because I don't know if anybody been in the  
2 service, they had a plan where things explode, half the  
3 people in Detroit would die. They don't know what to  
4 do. They run towards the explosion instead of running  
5 away. And they got to be told and learn what to do  
6 because it becomes a big mess.

7 INTERIM CHIEF LOGAN: Yes, sir. One of my --  
8 and I share your concern. But one of my big concerns is  
9 a tornado, some kind of severe thunderstorm, a hot  
10 summer night in June or July, August, you got 50,000  
11 people on Belle Isle. We have come up with an orderly  
12 system to get those people off and get them sheltered.  
13 So, we are working on that.

14 MR. WELBORNE: Thank you very much.

15 CHAIRMAN WARFIELD: Thank you, Mr. Welborne.

16 MS. BROUGHTON: Hello. My name is Theo  
17 Broughton, co-founder of Hood Research. I'm coming here  
18 to ask about a whistleblower complaint that was put in  
19 on October the 25th. I'd like to know if there's an  
20 update because we have been monitoring it. But there  
21 has been no movement. And I'd like to know where you  
22 are with it.

23 CHAIRMAN WARFIELD: I am not -- Miss  
24 Broughton, first of all, good to see you. I'm not  
25 aware -- Chief, are you aware of a whistleblower

1 complaint?

2 INTERIM CHIEF LOGAN: No, sir.

3 CHAIRMAN WARFIELD: I'm not aware of a  
4 whistleblower complaint. Was it against the department?  
5 I mean, was it a department member that -- I'm not sure.

6 MS. BROUGHTON: Yes, Sergeant Miller.

7 CHAIRMAN WARFIELD: Without going into too  
8 much detail, our -- we have our chief investigator right  
9 here. We also have I think someone from legal that can  
10 talk to you privately about it. And we can get some  
11 information. We can report back to you privately. On  
12 some personnel matters that have not come before the  
13 Board and dealt with publicly, we kind of do either a  
14 closed door session just to protect the names of those  
15 who are involved because there are allegations that are  
16 out there. But we certainly can get you the information  
17 though. And so, our chief investigator will talk to you  
18 as well as someone from the department. Chief? DC  
19 Tolbert from the department would also talk to you today  
20 about it.

21 MS. BROUGHTON: Okay.

22 CHAIRMAN WARFIELD: Thank you, ma'am. Yes,  
23 sir, good evening.

24 MR. WASHINGTON: Good afternoon, everyone. My  
25 name is Clark Washington. And I'm here to represent the

1 Detroit Action Commonwealth. We are the new DAC in  
2 town. Everybody is invited also. But I'd like to tell  
3 you a little bit about the Detroit Action Commonwealth.  
4 We are a non-profit, non-partisan community organization  
5 of indigent and homeless individuals. The mission of  
6 the DAC is to organize indigent and homeless persons and  
7 families, provide opportunities and workshops to help  
8 them improve their lives, develop leadership  
9 capabilities, advocate for better and more human service  
10 and educate and immobilize around issues of social and  
11 economic injustice.

12 There are three Detroit Action Commonwealth  
13 chapters, one based out of Connors Capuchin Soup  
14 Kitchen, the second is the Meldrum Capuchin Soup Kitchen  
15 and the third as at St. Leo's Soup Kitchen in Detroit.  
16 We are an organization that is trying to help out the  
17 homeless people. And we go around the city to do  
18 different things. We have helped people get state ID's,  
19 birth certificates. We are the ones that are  
20 responsible for Ban the Box with the City of Detroit if  
21 anybody is well aware of that. You can go down to the  
22 City-County Building, put in an application. On that  
23 application, the question, have you ever been convicted  
24 of a crime is no longer there. We are responsible for  
25 that. We also responsible for street outreach court,

1 Detroit. That one is not public yet. And we are going  
2 public with it in June, where we help people get their  
3 license back through a court where we have judges from  
4 36th District Court come out to a soup kitchen once a  
5 month and hold court. And I was responsible for that  
6 myself personally. So, but that's the main things,  
7 things that we do around the city to help out.

8 And we also help people in shelters and stuff  
9 to try to get the shelters back on line and right. And  
10 I have this here I'd like to leave for you so you can  
11 see.

12 CHAIRMAN WARFIELD: Does that have your  
13 contact information on it?

14 MR. WASHINGTON: Yes, it has each chapter on  
15 there.

16 CHAIRMAN WARFIELD: It has your contact  
17 information?

18 MR. WASHINGTON: I can give you mine.

19 CHAIRMAN WARFIELD: I need to talk to you  
20 about getting that program in some more soup kitchens.

21 MR. WASHINGTON: Okay, great.

22 CHAIRMAN WARFIELD: That's great, outstanding.

23 MR. WASHINGTON: I will get you my  
24 information. I have it right back there.

25 CHAIRMAN WARFIELD: Thank you, Mr. Washington.

1 I appreciate you sharing that information.

2 MS. BELL: Hi. I'm Cynthia Bell. I too am a  
3 member of the DAC. And I'm here to present --

4 CHAIRMAN WARFIELD: Miss Bell, can you give me  
5 what DAC means?

6 MS. BELL: Detroit Action Commonwealth. We  
7 represent the homeless. And I am here to -- I'm a  
8 little nervous. I'm here to give this to Chief Logan,  
9 just a letter for Chief Logan.

10 CHAIRMAN WARFIELD: Give it to me or to Deputy  
11 Chief right there. Thank you. So glad to have you  
12 here. Please come back and see us again.

13 MS. REED: Good afternoon, everyone. My name  
14 is Pamela Reed. I'm a member of St. Leo's and a member  
15 of the Detroit Action Commonwealth. We also with that  
16 letter, we have also placed some questions that we are  
17 interested in you replying with us on those questions.  
18 And, you know, this is basically concerning the right --  
19 I understand there's a problem with panhandling. But  
20 after the situation with the UCLA -- I'm sorry. After  
21 the situation is resolved, have you came up with a plan  
22 to handle the situation in a more feasible manner.

23 CHAIRMAN WARFIELD: Chief?

24 INTERIM CHIEF LOGAN: Through the Chair, Chief  
25 Logan. That's still under investigation. From my

1 vantage point where I sit, I think the Detroit Police  
2 Department does as much for the homeless as probably any  
3 department in the country. We have officers dedicated  
4 to helping the homeless. We have identified a number of  
5 shelters in the downtown area and around the city where  
6 we actively try to get people help. We have officers  
7 who essentially do nothing else but try to help the  
8 homeless. So we have to wait until our investigation  
9 gets through. One of the things I'm going to be asking,  
10 I was going to ask Commander Stair to give the Board an  
11 update. But I'd probably rather wait. He tells me it's  
12 going to be about another week or two before we complete  
13 our investigation. And we will be making the  
14 presentation to the Board at the end of that  
15 investigation.

16 But everything that we can do, we do for  
17 homeless. I've got family members who are homeless, who  
18 have been homeless. So, it's not like we are, you know,  
19 it's them and us. We try to do everything that we can.  
20 We just had a homeless gentleman right down here on --  
21 at the side of the building. He sleeps out there all  
22 the time. We were able to get him some shelter. But he  
23 is going to be back, we know that. But you need to know  
24 and the community needs to know that everything that we  
25 can do for the homeless, we do.

1 MS. REED: I understand that. I have seen you  
2 guys at work with that. But will you or a  
3 representative communicate with us concerning the  
4 investigation? And if so, who would that person be?

5 INTERIM CHIEF LOGAN: Yes, ma'am, we will. I  
6 got this yesterday. I got this yesterday. There were  
7 probably about six or seven pages. And I gave it to  
8 DC Tolbert. We will be preparing you a response.

9 MS. REED: Okay. Last question. Okay. With  
10 that being said, seeing that beginning September, there  
11 is a 90-day sentence for persons caught panhandling,  
12 have you come up with a plan to do prevention before  
13 that 90 days become, you know -- it's like a process.  
14 You get 90 days in jail if you caught panhandling. But  
15 is there something in place for prevention so that just  
16 to give them a chance to --

17 INTERIM CHIEF LOGAN: The short answer is no.  
18 However, this will be something we will take a look at.  
19 And we will also be consulting with you and your group,  
20 okay?

21 MS. REED: Okay. Thank you.

22 MR. SLOAN: Thank you. My name is Dennis  
23 Sloan. I'm the lead on the ride committee for the  
24 Detroit Action Commonwealth. And I'm also wearing a  
25 second hat because I'm also investigating abuse of the

1 homeless by way of the Detroit Police Department.  
2 First, Chief Logan, let me thank you for allowing us the  
3 opportunity to speak with Deputy Chief Tolbert. He was  
4 very professional. He was an active listener and took  
5 ownership when he felt he could. And when he didn't  
6 feel he could take ownership, he was honest enough to  
7 say let me get back with you on it. And that I really  
8 appreciate.

9 Deputy Tolbert did inform us that prior to  
10 this meeting, he was drafting a letter at your request  
11 and, you know, responding to our request. So thank you  
12 so very much. Now, let me put on my investigator's hat.  
13 Now, my personal investigation, because I used to sleep  
14 in a chair next to one of the persons who made the  
15 allegations at the neighborhood services organization at  
16 the Tomani (phonetic) Center, maybe about five years  
17 ago. And so I did a personal investigation. And my  
18 investigation produced very credible witnesses, now  
19 people that I trust to be honest law abiding citizens  
20 who have confirmed it to be true through personal  
21 experiences. So, now, this is me putting on my personal  
22 hat now. From my personal advantage, it is what it is.  
23 But I can appreciate your situation and your position.  
24 And you can't -- so we will just leave it at that.

25 Now I'm going to put back on my investigator's

1 hat, okay, my investigator's hat because they wanted me  
2 to respond a message to you. The homeless does have the  
3 audacity to exist. The homeless are children of God.  
4 We bleed red blood of Christ. Our spirits can be  
5 crushed by the oppression of inhumane treatment. And no  
6 one deserves to be treated like a dog. All citizens  
7 deserve respect, even those who are down on their luck.  
8 Let me apologize for being aggressive or sounding angry.  
9 But I wanted to make sure that the spirit of the message  
10 I received to give to you was received. Thank you.

11 CHAIRMAN WARFIELD: Thank you, sir. We  
12 appreciate it. Thank you. Miss Pannell?

13 MS. PANSELL: Good afternoon. First of all, I  
14 wanted to say thanks for coming out Saturday. We had a  
15 good turn out. Chief Logan, my problem got solved on my  
16 street. And I just personally want to say thank you.

17 INTERIM CHIEF LOGAN: You're more than  
18 welcome, ma'am.

19 CHAIRMAN WARFIELD: Thank you.

20 MS. ROBINSON: Good afternoon. I'm Katrice  
21 Robinson, K-a-t-r-i-c-e Robinson, president of Midwest  
22 City Council Block Club. I was here a couple weeks ago  
23 and you made mention about how you were doing the sweep  
24 on the east side trying to clean that area up. And then  
25 our area being block club president, we cover the area

1 of Warren and Livernois to Grand River and Livernois.  
2 And we made national news as being one of the hardest  
3 hit homicide areas. What do you expect that we are  
4 going to do about that and are you going to beef up the  
5 patrol for that area because it is a high commercial,  
6 low resident area? And can you please find something  
7 else to say about when people call in to 911, that it is  
8 not a high priority call because that sends a message  
9 that you're not coming out. And I'm tired of the  
10 residents calling me as if I'm 911. I do not carry a  
11 weapon. I do not hold a weapon. I do not possess a  
12 weapon, and there's nothing that I can do other than  
13 relay the message that you give to me.

14 CHAIRMAN WARFIELD: Thank you, Miss Robinson.  
15 Chief Logan?

16 INTERIM CHIEF LOGAN: Chief Logan. That's  
17 something with regard to the 911, I will get with the  
18 communications to see exactly what message they are  
19 sending. I'm not aware of they're telling people that  
20 that's not a high priority. So, that's something I'm  
21 going to have to look into.

22 MS. ROBINSON: Not when they call 911. But  
23 every time the media covers an incident that someone has  
24 reported and they say that these certain calls are not a  
25 priority. And it should be noted that all calls are a

1 priority. It's just that the manpower is not available  
2 to get to them within a certain amount of time because  
3 it's causing people to not want to call 911 or have  
4 trust in our police.

5 INTERIM CHIEF LOGAN: I guess I'm not  
6 understanding who is telling the community?

7 MS. ROBINSON: Media.

8 INTERIM CHIEF LOGAN: It's the media saying  
9 that?

10 MS. ROBINSON: Yes.

11 INTERIM CHIEF LOGAN: We'll get with our  
12 public information and see if we can pass that message  
13 on. I believe when you talked about the parameters of  
14 the neighborhood that you live in, that you represent,  
15 that was Warren/Livernois?

16 MS. ROBINSON: Yes, Warren/Livernois to Grand  
17 River/Livernois and then west of Livernois over to  
18 Alpine Street.

19 INTERIM CHIEF LOGAN: Okay. We're going to be  
20 in your neighborhood now. We are there tonight, okay?

21 MS. ROBINSON: Yes. Now, my last request is  
22 our block club meeting is the fourth Sunday of every  
23 month. However, this month we are doing the third  
24 Sunday because it is the holiday. Can you schedule an  
25 appointment to come out and share this so that the

1 message that I am relying is correct?

2 INTERIM CHIEF LOGAN: Well, if I were here, I  
3 would say that. But chances are I won't be here. And I  
4 don't want to speak for the next chief.

5 CHAIRMAN WARFIELD: We can send somebody.

6 INTERIM CHIEF LOGAN: Somebody can be sent.  
7 DC will get the address. And we will make sure somebody  
8 will be there. I thought it was a personal invitation.  
9 But we will make sure that somebody is there.

10 MS. ROBINSON: I appreciate it. Thank you all  
11 for your time.

12 CHAIRMAN WARFIELD: Thank you, ma'am. Good to  
13 see you again, Miss Robinson. Are there others? Are  
14 there others? Miss Smith?

15 MS. SMITH: Yes, sir. Good afternoon.  
16 Bernice Smith, political activist. As most of you know,  
17 this past week we have been really in the news. And I  
18 called in to a couple of stations to verify that we are  
19 not the only city who has this high rate of crime. And  
20 I'm sick and tired of Jack McGoff (phonetic) always  
21 saying that we are the -- Channel 2. I'm sorry. I got  
22 the wrong one. Who did I say? Channel 2. You know who  
23 I'm talking about. I tried to hit him upside the head  
24 when I see him.

25 But anyway, we all know there's crime. We

1 don't need to have it broadcast the way that they have  
2 done. My hometown is Chicago. And Chicago is worse  
3 than we are. Those kids out there on 95th Street out in  
4 Altgeld Gardens, they got gangs on top of gangs out  
5 there. So, I mean, come on, give us some news that is  
6 going to make us feel good because we do have areas  
7 where people take care of their property and they do not  
8 tolerate crime coming into the area because I know some.  
9 I think Theo lives in one of them.

10 I'm just saying most of us -- and of course we  
11 know mid town is really safe. So we don't have to worry  
12 about that because the fact is I noticed the other day  
13 in my building, there is some unscrupulous people coming  
14 in and out when I pulled out. So, I been watching them.  
15 They doing anything as far as drugs in my building, you  
16 better believe it you will be told about it.

17 In the meantime, my main concern is what the  
18 EM said the other day. He wants to reduce the police  
19 department. Come on. Now, we can't tolerate that. And  
20 I don't know whether you're aware of that, Chief, that  
21 he made that statement. He is going to reduce or he's  
22 thinking about it, one way or the other. I don't like  
23 the response that he has not been given by the mayor.  
24 Yes, he did say he is going to reduce the police  
25 department.

1                   Now, myself, being one of the candidates, I  
2 will not by no means tolerate that in any way. I will  
3 fight that to the end. And I am still looking forward  
4 to seeing him. But I understand they take him out of  
5 the basement door and go out the -- so I can't catch up  
6 with him. He's not going out the same door that the  
7 mayor is going out. So, I'll get him one of these days.  
8 He's going through the basement. That's where he's  
9 going through the tunnel. So, in other words, we do not  
10 want them to touch the police department.

11                   Now, I mean, Chief, fight for that before you  
12 leave us, all right?

13                   INTERIM CHIEF LOGAN: Yes, ma'am.

14                   MS. SMITH: If you need help, I will tell  
15 the mayor also, you know, we are not going to tolerate  
16 that. I understand he's running for office. I don't  
17 know why. But anyway.

18                   CHAIRMAN WARFIELD: Thank you, Miss Smith.

19                   MS. SMITH: You have a blessed day. There's  
20 so much going on in this city, it's a shame.

21                   CHAIRMAN WARFIELD: Thank you, ma'am.

22                   MS. SMITH: I didn't get to see him at the  
23 dinner. I wanted to ask him why. That's all I wanted  
24 to say. He moved on. So, we will see him again. Thank  
25 you.

1 CHAIRMAN WARFIELD: Thank you, ma'am.

2 CHAIRMAN WARFIELD: Are there others? Are  
3 there others? Hearing or seeing none, we'll close this  
4 section of our meeting. Sir, we can talk afterwards.  
5 You can only come to the mic once. We can talk  
6 afterwards though. Thank you, sir. Since there are no  
7 others, we'll close this section of our meeting. Again,  
8 our next meeting will be held Thursday, May 8, 2013, at  
9 the Northwestern District at Westminster Church of  
10 Detroit, 17567 Hubbell Street. We will see you then.  
11 Thank you.

12 MS. SMITH: We're honored with a state rep  
13 here.

14 MR. YOUNG: I can't follow the great  
15 Miss Smith. So, I just want to say I thank you so much  
16 for all that you guys do for the community, you know.  
17 You give voice to the voiceless, a lot of people who  
18 feel powerless, feel this is a place they can express  
19 themselves. I want to thank the Chief for all that  
20 you've done, your exemplary work in trying to keep us  
21 safe. And you carry the honor and pride of the City of  
22 Detroit at your back every day. So I just want to come  
23 and say we love you, we appreciate you. Thank you.

24 CHAIRMAN WARFIELD: We are adjourned.
