CHAIRPERSON BELL: Good afternoon.

COMMISSIONERS: Good afternoon.

CHAIRPERSON BELL: I want to welcome you to the weekly meeting of the Board of Police Commissioners. As you well know, I don't see any strangers in the house, but I am the chair for 2014 and '15. And we are going to at this time call the meeting to order. I'm going to ask Mr. Anthony, the board secretary, to conduct a role call.

SECRETARY ANTHONY: Thank you, Mr. Chair. For the record, George Anthony, secretary to the board. Vice Chair Lisa Carter.

Commissioner Willie E. Burton.

COMMISSIONER BURTON: Present.

SECRETARY ANTHONY: Commissioner Wendell L. Byrd asked to be excused.

Commissioner Reginald Crawford.

COMMISSIONER CRAWFORD: Present.

SECRETARY ANTHONY: Commissioner Ricardo R. Moore asked to be excused.

Commissioner Richard Shelby.

COMMISSIONER SHELBY: Present.

SECRETARY ANTHONY: Commissioner Jessica Taylor.

1 Commissioner Donnell R. White.

2 COMMISSIONER WHITE: Present.

3 SECRETARY ANTHONY: Mr. Chair, you have a
4 quorum of five commissioners.

5 CHAIRPERSON BELL: Thank you. We're going to
6 have five -- I mean, six now.

7 SECRETARY ANTHONY: Yes, I think you're
8 right.

9 (Commissioner Taylor enters meeting.)

10 CHAIRPERSON BELL: You'll notice Commissioner
11 Taylor always make a grand entrance. It's good to see
12 you. And thank you. And it's good to see Commissioner
13 Shelby too attending the meeting this evening.

14 I'm going to ask commissioner Donnell White
15 to render prayer, if he would be so kind.

16 COMMISSIONER WHITE: If we could still
17 ourselves.

18 (Invocation given.)

19 CHAIRPERSON BELL: Thank you, Commissioner
20 White.

21 Sitting in for the chief is Assistant Chief
22 Steven Dolunt.

23 ASSISTANT CHIEF DOLUNT: Good afternoon.

24 CHAIRPERSON BELL: As I've stated in the
25 past, he's one of my favorite assistant chiefs.

1 ASSISTANT CHIEF DOLUNT: You've got to come
2 up with some better taste.

3 CHAIRPERSON BELL: And would you be so kind
4 to introduce the others that are a part of your staff.

5 SECRETARY ANTHONY: Thank you, Mr. Chair.
6 Oh, I'm sorry.

7 ASSISTANT CHIEF DOLUNT: My staff or his
8 staff? My staff?

9 CHAIRPERSON BELL: Yes, sir. I'm sorry. My
10 mistake.

11 ASSISTANT CHIEF DOLUNT: LeValley. That's
12 it.

13 CHAIRPERSON BELL: Mr. Anthony, would you
14 introduce the staff for the Board of Police
15 Commissioners.

16 SECRETARY ANTHONY: Thank you, sir.
17 Ms. Aliyah Sabree to my right is our attorney to the
18 board. Ms. Pamela Davis Drake is our chief
19 investigator seated in the front. Sergeant Allen Quinn
20 is recording our proceedings. And Ms. Trisha Houpt
21 from Hanson Court Reporting service is taking a
22 transcript. That completes the introduction.

23 CHAIRPERSON BELL: Thank you, Mr. Anthony.
24 Next order of business would be approval of the agenda
25 for the meeting today on September the 4th at 3:00. So

1 what is your pleasure, commissioners?

2 COMMISSIONER TAYLOR: So moved.

3 COMMISSIONER SHELBY: Second.

4 CHAIRPERSON BELL: It's been properly moved
5 and seconded. Ready for the question? Those in favor?
6 Aye.

7 COMMISSIONERS: Aye.

8 CHAIRPERSON BELL: Those opposed? Motion
9 carried.

10 Next order of business would be the approval
11 of the minutes from Thursday, August 28th, 2014. What
12 is your pleasure, commissioners?

13 COMMISSIONER WHITE: I move for adoption.

14 COMMISSIONER CRAWFORD: I move for
15 clarification or to correct the record. I believe my
16 statement was last week in reference to Ferguson Police
17 Department's personnel in terms of having 55 police
18 officers and 3 African American. I believe the record
19 states that the number was 33. But out of the 55,
20 there are only 3 African Americans in the Ferguson
21 Police Department.

22 COMMISSIONER WHITE: I move for adoption with
23 the noted correction.

24 CHAIRPERSON BELL: Those in favor? Aye.

25 COMMISSIONERS: Aye.

1 CHAIRPERSON BELL: Opposed? Motion carried.

2 Thank you, Commissioner Crawford, for that
3 correction. We would not want the record to continue
4 to show that many African Americans with the Ferguson
5 Police Department.

6 As far as the next item of business would be
7 the chairperson report. I just want to report out that
8 I had the opportunity on the east side of Detroit, East
9 English Village, my neighborhood across the street from
10 here -- from my house, I had the pleasure of meeting
11 and interacting with the vice president, Joe Biden.
12 That was hosted by William Barlage about three weeks
13 ago, the president of EEV, and also Mayor Duggan,
14 deputy mayors, and others. It turned out to be a
15 really worthwhile opportunity because he was all about
16 Detroit. As you know, he spoke at Tiger Stadium that
17 morning for the labor movement and the UAW. He gave us
18 some background. But the most important thing, he said
19 that labor has always had his back, and the City of
20 Detroit, the D, is something that they are really being
21 supportive of. It's the come back city. And that's
22 why he wanted to take time to see what's involved.
23 He's seen the village. It was so kind of the mayor to
24 invite him to our neighborhood. And we all had
25 interaction with him in that 40 minutes or so. And I

1 get the impression that he really was down to Earth.
2 So I have shaken the hand that is close to our
3 president, President Obama. And I just want to say it
4 was such a historic moment for me and for others to
5 have that type of interaction so he can see that we are
6 on the way back. We are back in the way the trial has
7 gone on. But the vice president was really upbeat
8 about Detroit. So he understands the landscape and
9 what has happened in the past. And I had the newly
10 elected president of the UAW. I forgot his name. And
11 Jimmy Hoffa Jr. I know his name. Junior was there,
12 among others. So it was a great interaction for me.
13 And I introduced myself naturally as Commissioner Bell
14 from the District 4. So he was like okay. That was
15 great. I just wanted to share that in terms of
16 reporting.

17 Also, a week ago, I had opportunity to visit
18 City Wide. Mr. Whitmore is president of City Wide.
19 And that was a great exchange there. And I have some
20 concern in reference to my encounter and interaction
21 with the police community relation group in the 5th
22 precinct. I shared those comments. And we hope we can
23 perhaps work on that in terms of making sure that --
24 there's a tendency to think that we still into district
25 concept, but we are no longer in districts. We have

1 moved out to precincts. And the precinct and the
2 people want to be supportive of their captain and their
3 particular precinct. There was some resistance to
4 that. But the majority of people clearly understood
5 and we had the support of Councilman Spivey and
6 Councilman Benson there and the deputy manager. So
7 that was a good dialogue. And Captain Bliss; is that
8 correct?

9 ASSISTANT CHIEF DOLUNT: Yes.

10 CHAIRPERSON BELL: He was very informative
11 and engaging in terms of the people there. So it was a
12 good opportunity to interact on behalf of the board of
13 commissioners to witness that type of forum and make
14 some suggestion. And I think they are going to be
15 receptive and the president would want us -- we're
16 going to do some follow up in reference to. All they
17 need now is the building. But the precincts are
18 operating and that's what the captain was explaining in
19 terms of his job and the MPO. So it was a good
20 exchange in terms of people needing that type of -- but
21 they need to know the correct boundaries. So that was
22 a concern. It was not clear on that. I think in the
23 future, next meeting, they're going to have the maps to
24 give them a further understanding of that. So that
25 basically is my report.

1 Assistant Chief, on behalf of the Chief of
2 Police, you have the floor.

3 ASSISTANT CHIEF DOLUNT: I have a few things.
4 Thank you. I'm Chief Dolunt through the chair. A
5 couple of things. This morning we had the nationwide
6 protest on the minimum wage, raising the minimum wage.
7 Approximately 30 people showed up this morning at the
8 McDonalds at Mack and Canyon. Excuse me. I take that
9 back. Approximately 100 people showed up. We had to
10 arrest, detain 30 individuals. 24 were issued
11 ordinances for disorderly conduct. 6 were arrested on
12 various warrants. They were peaceful protests, and the
13 only reason they were arrested is because we asked them
14 to get off of the street and they refused.

15 If you're on the east side, Mack is under
16 construction so it's only one lane both ways.
17 Unfortunately, they were blocking traffic so people
18 could not come to or from St. John's Hospital. At 6:00
19 in the morning we ended up pulling units from
20 throughout the city that were supposed to be focused on
21 the school patrol to handle the influx of arrests. So
22 while I understand and I appreciate the activists
23 protesting, because without that you can't get the word
24 out, they picked the wrong time of day because the
25 safety of the children was affected. That was one

1 thing that bothered me. Again, they were peaceful and
2 they left, all but 30. But there was no uses of force
3 so we're good on that. And, again, just pick a better
4 time that doesn't affect the kids. That was No. 1.

5 No. 2, we're getting ready for Monday.
6 Monday is a big day down here. Tigers are in the
7 pennant race. The Lions have a football game. So they
8 are not going to drop the Woodward bridge -- they're
9 supposed to drop the bridge over 75 on Monday. Luckily
10 they're not. They're going to do it the 19th. So it's
11 letting traffic egress out of the city. The Tiger game
12 is at 4:00. The Lions at 7:30. They're having a major
13 party in Grand Circus Park, Little Caesars. They're
14 also having a major party at Campus Martius. That's
15 going to be Rock Financial. So we're going to have
16 more people than normal down there. Sort of beefing up
17 our patrols for traffic because it's huge. So it's a
18 good thing for the city. With the M-1 rail, Woodward
19 closed down, it's kind of hard.

20 From 5:00 to 8:00 across from the 6th
21 precinct is Jazz in the Park.

22 A few other things. Recently it was on the
23 news that we solved a homicide of a French citizen. We
24 have people in custody. We just got a letter from the
25 French Embassy asking if they could come and help us on

1 the case. So we're going to reply that they can still
2 come, but we solved it. So that was really good. It
3 was a high profile case.

4 We had the kidnapping last night of the seven
5 week old. Yeah. I don't know why the mother gave the
6 baby to the other woman because she didn't know her
7 that well. The other woman obviously had some mental
8 issues because she took the baby and told her boyfriend
9 it was theirs. Apparently she lost a child and was
10 going through some traumatic stress.

11 And this is -- oh, because of the shootings
12 last week on the east side, we changed our restore
13 order. It was going to be on the west side. Moved it
14 to the east side. Effectively shut down crime on the
15 east side on Thursday and Friday. Unfortunately we had
16 six homicides on the west side. Based on that, the
17 chief ordered Deputy Chief Darryl Brown to come up with
18 a plan. He's coming up with a plan to kind of
19 reorganize the gang squad, maybe gain intelligence I
20 should say, and increase their manpower a little bit so
21 it's balanced on both sides and shut these gangs down.
22 The goal is to get below 300 homicides for the first
23 time since the '60s, I believe. Some of the senior
24 members of the board may remember that. So we'd like
25 to do that. And that's the goal, to be below 300.

1 We're at 197 with 118 days to go. So it's very
2 possible.

3 Again, before I came in --

4 One other thing before I go there. Is now
5 the time to address the complaint from the audience
6 last week, or is this not the right time? We had an
7 individual that had a concern and we addressed it. Do
8 I do that now, or do I do that later?

9 CHAIRPERSON BELL: I'm sorry?

10 ASSISTANT CHIEF DOLUNT: Last week a young
11 lady came up and she had a complaint and we addressed
12 it. Do I do that now or later? I'm not really sure.

13 CHAIRPERSON BELL: Now is okay.

14 ASSISTANT CHIEF DOLUNT: Okay.

15 CHAIRPERSON BELL: Thank you.

16 ASSISTANT CHIEF DOLUNT: So this concerned a
17 Ms. Kimberly White.

18 CHAIRPERSON BELL: Yes.

19 ASSISTANT CHIEF DOLUNT: Okay. The complaint
20 was regarding the manner in which a report was
21 classified along with a lack of service. This is from
22 Captain Marlon Wilson. The officer who generated the
23 report was a new officer who entitled the report as
24 information. That was wrong. However, the correct
25 crime classification was entered on the report. The

1 report was correctly designated as a crime report. The
2 report was generated on July 10th. It was assigned to
3 a sergeant on July 11th. His office was made aware of
4 the fact that Ms. White was arrested on a cross
5 complaint. So they immediately notified the
6 investigative operations unit, and the sergeant
7 attempted to contact Ms. White on July 14th. The
8 sergeant ultimately typed two warrants regarding this
9 matter with Ms. White being listed as the victim. And
10 both of the warrants were denied by the prosecutor's
11 office. Per the sergeant, the APA, Barb Smith, did not
12 find Ms. White to be credible. The sergeant also made
13 further attempts to get this matter resolved for
14 Ms. White. He personally went to the prosecutor's
15 office and expressed his concern about the incident.
16 The case against Ms. White was adjourned by the court
17 for further review. The court ultimately held an exam
18 against Ms. White where she was bound over for trial on
19 police assault and felony firearm. So we did address
20 it, but for whatever reason the prosecutor didn't find
21 her credible. That was that.

22 Then the last thing, as I was caught by
23 George Hunter of the Free Press -- or The News on the
24 way in about a remark I made this morning at our
25 COMPSTAT meeting. The remark was this: Since I've

1 been assistant chief, I've been encouraging officers to
2 make traffic stops. Traffic Stops. Not arrests. Not
3 tickets. So today I said every patrol officers will
4 make one traffic stop a day. Not necessarily write a
5 ticket. Not necessarily lock anyone up. But as
6 members of the board and the police, you know that if
7 you don't utilize certain skills, you lose it. Due to
8 the recent pay cuts, some officers decided to for
9 whatever reason slack off. Some officers get a 20
10 percent pay cut and still go out there and do their
11 job. They're the real police. You have some that used
12 to be the real police but are discouraged or
13 disgruntled by the pay cuts. And other people you can
14 give a 20 percent pay cut, no matter what field they're
15 in, and they're not going to increase productivity.
16 This is more for safety issues. Those members of the
17 board of police can understand this. When you make a
18 traffic stop, you have to worry about the citizen
19 you're stopping and yourself. If someone is coming up
20 to back you up and they haven't done this for a while
21 and they're rusty, now you have to worry about not only
22 you and the citizen but about the safety of them.
23 Unfortunately when you've been out of traffic stop mode
24 for a while, you develop tunnel vision, and all you see
25 is the car in front of you and you're oblivious to

1 what's on your right or left, and that could actually
2 be a threat. So the purpose of me instituting one
3 traffic stop is for the officer's safety. We've had
4 several incidents throughout the country and here where
5 I would make a traffic stop and another officer would
6 come from the front and try to box the car in.
7 Unfortunately we lost an officer last year because of
8 that. And it's happened again here where another
9 officer was shot. The chief has instituted, has
10 demanded that the units in the 30 series and the
11 tactical response unit go through mandatory traffic
12 stop training for their safety. It wasn't mandated for
13 the patrol officers. I did that for their safety and
14 the citizens' safety because if I never made a traffic
15 stop and if I get panicky, bad things could happen to
16 both the citizen and the officer. I don't want that to
17 happen.

18 So, George, there's your answer. Okay?

19 It's a safety issue. There is no quota
20 except for the fact that they will make a traffic stop
21 for their safety, the citizens' safety. And if nothing
22 else, it shows the police presence out there. Some
23 people might actually slow down. We discussed all the
24 fatal accidents we've had. Usually people slow down
25 when they see a police officer with the lights on.

1 So is that good enough? That should be on
2 page 5, not page 1. That's all I've got. Thank you.

3 CHAIRPERSON BELL: Assistant Chief, I just
4 want to respond to your last remark. And you made
5 reference to -- I don't know about the other former
6 retired police officers on this panel here, but I
7 support that position 100 percent, 110 percent. I
8 cannot see how you can function as a patrol officer and
9 not make traffic stops. If I had the opportunity to
10 make traffic stops in this position now, I would make a
11 lot of traffic stops. And at one time I was not a
12 pro-ticket person. You know, but I am a pro-traffic
13 enforcement. It is out of hand in terms of, as you
14 stated in the past, some of the residents complaining.
15 But they are the ones speeding in our neighborhoods.
16 So traffic stop is basic police work. And I spent most
17 of my career in the rank of sergeant lieutenant. And
18 as a working person, I made traffic stops. So I just
19 encourage -- it's just basic police work in terms of
20 traffic stops. If not, you're not earning your pay.
21 And I just cannot see -- whatever politics is going on,
22 I always take the position that you are a police
23 officer first, first and foremost for your protection,
24 also for your fellow officers. I know at one time they
25 were advocating a slow down. But we advocated. That's

1 not going to happen on my watch. I think that's the
2 position we should take in this day and age that you've
3 got a paycheck and you should do your job and protect
4 the citizens of Detroit. And traffic enforcement is a
5 main stay of policing. It's just like a doctor saying
6 I'm not going to monitor your heart. Come on. Let's
7 be for real. Commissioner Crawford.

8 COMMISSIONER CRAWFORD: Yes. Through the
9 chair. I just think it's ironic that we're at this
10 point that the Assistant Chief or anyone in this
11 department has to ask the officers to make a traffic
12 stop. I mean, one would think that they're making
13 traffic stops. And in my driving getting here today
14 and throughout the city, I see five to ten traffic
15 stops when I'm to and from. So I echo Commissioner
16 Bell's comments. I don't know where we are today in
17 terms of whether or not the officers have slowed down
18 on doing their jobs out here now. But it's really a
19 sad day when you have to ask officers just to make one
20 traffic stop a day, especially in lieu of all the
21 accidents and fatalities that have occurred recently in
22 the City of Detroit.

23 And I just have one question. Obviously
24 traffic stops are down.

25 ASSISTANT CHIEF DOLUNT: Obviously.

1 COMMISSIONER CRAWFORD: Yes, sir.

2 ASSISTANT CHIEF DOLUNT: Through the chair.
3 The biggest complaint is well, we're short of help. I
4 understand that. However, it's more of a novelty when
5 an officer spends eight hours going run to run to run.
6 There is some down time. Again, I'm not asking you to
7 write a ticket. I want you to let the people know they
8 can't -- like you said, you see five or six traffic
9 stops potentially you could do a day. It's for their
10 safety and the citizens and for visibility. That's
11 all.

12 COMMISSIONER CRAWFORD: Yes, sir.

13 CHAIRPERSON BELL: Any other comments?

14 COMMISSIONER WHITE: Mr. Chair, if I could.
15 AC, before I actually make my comments or remarks, can
16 you help enlighten me how that was communicated to the
17 members of the department? Was that a directive? Was
18 that a communication at role call? How was that
19 communicated.

20 ASSISTANT CHIEF DOLUNT: At a COMPSTAT
21 meeting today. The meeting started out and it was --
22 we were talking about traffic stops and a lack thereof.
23 And I've been telling individuals for a while you need
24 to make a traffic stop for all the reasons I just
25 stated.

1 Deputy Chief LeValley leaned over and said
2 why don't we just make it mandatory. We shouldn't have
3 to. I agree.

4 I'm going to throw you under the bus, Dave.

5 But I agree with him completely because we
6 all did it, all of us that were ever on the job. And
7 those that haven't been on the job or were ever having
8 road rage have thought more than once why doesn't
9 someone pull that person over. So I don't think asking
10 for one a day -- again, there's a lot of officers that
11 go above and beyond. But some have become complacent,
12 and I don't think it's asking too much for one traffic
13 stop a day.

14 COMMISSIONER WHITE: And with that being
15 said, I certainly applaud your efforts. And
16 unfortunately I was not a previous member, as you
17 stated, of the department, and may offer a variance of
18 opinion coming from a civil rights background. And not
19 that this may be the case or potentially could be the
20 case, but I think we could potentially foster an
21 environment where we are encouraging officers to make a
22 stop for me from the outside looking in, the assumption
23 would be that if an officer saw a violation of the law,
24 they would act upon that. And if I'm hearing that's
25 not the case, there may be some other disciplinary

1 actions that are needed. But if we are, in fact,
2 instructing individuals to make a traffic stop, the
3 concern I would have is that some members may take that
4 to mean well, I'm not seeing a traffic violation, but I
5 need to make a stop because I've been mandated to make
6 at least one stop a day. And it's kind of -- it's
7 almost parallel to what we saw in New York quite a bit
8 when we went through a lot of the stop and frisk
9 conversations. There were members of the department
10 who were stating that the rank and file of the
11 department had issued directives for us to make certain
12 stops throughout the day. And I think if we're going
13 to ask a member of the department to do something, that
14 one, it should be between constitutionality and
15 policing. But, two, it also should be done in the form
16 of a directive so there is no ambiguity in terms of
17 what the rank and file is asking its members to do on a
18 day-to-day basis.

19 ASSISTANT CHIEF DOLUNT: Through the chair.
20 I understand your concerns. There are actually
21 departments out there that stop people and say thank
22 you for being a safe driver. Thank you for wearing a
23 seatbelt. I don't necessarily want you to -- you don't
24 have to lock them up and write a ticket. You can say
25 here's a thought, put a seatbelt on your child. Here's

1 a thought, turn your music down. I'm not asking them
2 to lock anyone up or issue an order. I'm asking for
3 more visibility. It's -- we've already added one
4 individual to the fatal squad because there's been such
5 an increase in critical and fatal accidents. I
6 understand your concerns. I think my officers are more
7 professional than that than just pull people over
8 randomly. I'll talk to the chief. It shouldn't have
9 to be a directive like Commissioner Bell said. That's
10 what we always did. It shouldn't have to be a
11 directive. But I will talk to our legal advisor and to
12 the chief and we'll do it.

13 CHAIRPERSON BELL: I just want to make one
14 little -- I acknowledge Commissioner White's concern.
15 But I come out of a civil rights concept too, the
16 Guardians Police Association with the National Black
17 Police Association, and we discussed this issue across
18 the country. But when you look at it in this day and
19 age the way people are driving, Stevie Wonder could see
20 there's an issue here when you're talking about the
21 hit-and-run, the accidents, the kids, and the
22 neighborhoods. People are soliciting, asking for more
23 traffic enforcement from East English Vision to
24 Jefferson Chalmers to the east side of Detroit.
25 They're asking for more enforcement because they are

1 concerned. And I can't recall ever in my police career
2 that this department has asked for a ticket a day.
3 There's never been a ticket quota. But traffic
4 enforcement is basic police work. They do traffic
5 enforcement with one-man cars in Memphis, Tennessee,
6 all hours. So it's something that you have to
7 appreciate the concern of the community. When you
8 listen to them and interact with them, they want more
9 traffic enforcement. But as you well know, it's
10 selective. In fact, some people want the old traffic
11 enforcement unit. Is that still out there?

12 ASSISTANT CHIEF DOLUNT: Yes, it is.

13 CHAIRPERSON BELL: We won't even talk about
14 the freeways because there's very little State Police
15 enforcement in the City of Detroit. So I just want to
16 say that we need to really -- I appreciate Assistant
17 Chief's remarks.

18 (Vice Chair Lisa Carter enters meeting.)

19 CHAIRPERSON BELL: I want to acknowledge our
20 vice chair, Lisa Carter, joining us. And I see Deputy
21 Chief Washington joining us and some others.

22 So we can move on as far as the agenda.
23 Something else, Assistant Chief?

24 ASSISTANT CHIEF DOLUNT: No, sir. That's it.
25 I think that's plenty.

1 CHAIRPERSON BELL: Okay. Okay. That's it.
2 Standing committee. I guess --

3 ASSISTANT CHIEF DOLUNT: Body camera.

4 CHAIRPERSON BELL: At this time we can
5 address that. Thank you, sir.

6 Deputy Chief LeValley, right?

7 DEPUTY CHIEF LEVALLEY: Yes, sir.

8 CHAIRPERSON BELL: Thank you.

9 DEPUTY CHIEF LEVALLEY: I understand there
10 was a question or issue that came up last week with
11 regard to the body cameras. The department conducted a
12 pilot program in June, May and June -- I'm sorry.
13 April and May of this year. 20 officers from the 2nd
14 precinct participated in a program. There was no cost
15 to the department for this. TASER company provided a
16 body camera to each officer. They wore them for a
17 month, provided some feedback to the department on what
18 they thought of the camera use, as well as some of the
19 supervisors provided some feedback as to what their
20 thoughts were on reviewing the videos and how it worked
21 as far as that went. And then we ended the program, I
22 returned the cameras, and we had an evaluation. So I
23 -- I understand there was some questions about cost.
24 Cameras -- the camera that we tested costs about \$499 a
25 camera. The cameras -- similar cameras -- they all

1 have slightly different features. But similar cameras
2 range anywhere from \$200 to \$1,000 a camera. But
3 assuming the camera that we tested, since that's the
4 only one we have accurate information on, if we were to
5 outfit the department with that, it would be \$500 an
6 officer. So just roughly 2,000 cameras is the cost of
7 \$1 million. We haven't made any decision yet as to
8 whether it's something that we would go forward with.
9 There are a lot of other factors that we're going to
10 take into consideration with regard to implementing
11 this. We would have to develop a policy. We'd have to
12 come up with training. We'd have to find the funding
13 source to spend \$1 million dollars on the cameras. And
14 then also figure out how these cameras would integrate
15 with our in-car video camera system, which is actually
16 an area we've had a little bit of difficulty with.
17 Most of the department is being recorded on patrol.
18 But we still -- that's one of the paragraphs in the
19 recent consent judgment that we never came into full
20 compliance with. So it's one that we're going to
21 continue to be evaluated with over the next 18 months
22 with. So that's a consideration to determine how this
23 camera integrates with the cameras that were in the
24 cars.

25 Some of the feedback from the officers is

1 that utilizing this camera in addition to that camera
2 was too much. When they got out of the car, they had
3 multiple microphones on, cameras on them, cameras here.
4 And mind you, all of the officers that participated in
5 this, actually the officers themselves brought forward
6 the ideas. Said we'd like to try out these body
7 cameras. These were not officers that were resistant
8 to using cameras. These officers wanted to use it.
9 But what they found is once they started getting out of
10 the car, it was a concern for them that they had to
11 turn two different microphones on, make sure everything
12 was pointed in the right direction, where kind of like
13 AC Dolunt was mentioning, there are other environmental
14 considerations. They felt it was a little bit unsafe
15 to have all that going on. So like I said, we haven't
16 made any decision yet as to whether or not we would
17 proceed with these body cameras because there's a lot
18 more we have to take into consideration.

19 CHAIRPERSON BELL: Commissioner Crawford.

20 COMMISSIONER CRAWFORD: Yes. Through the
21 chair. Total cost of the department is about
22 \$1 million. Probably a little more?

23 DEPUTY CHIEF LEVALLEY: Probably a little
24 more. That would be just the basic \$500 times 2,000
25 officers. I'm sure we would have unrealized costs like

1 training and -- that we would handle ourselves but
2 still have to dedicate that.

3 COMMISSIONER CRAWFORD: The reason the cost
4 is so important to me and probably others is police
5 litigation payouts last year were \$4.4 million.

6 DEPUTY CHIEF LEVALLEY: Yes, sir.

7 COMMISSIONER CRAWFORD: So that's
8 \$4.4 million versus \$1 million cost in body cams.

9 DEPUTY CHIEF LEVALLEY: I guess that would be
10 assuming that spending a million on cameras would make
11 litigation zero.

12 COMMISSIONER CRAWFORD: It wouldn't make it
13 zero, trust me.

14 DEPUTY CHIEF LEVALLEY: But I do understand.

15 COMMISSIONER CRAWFORD: And perhaps it would
16 lower the cost. And also litigation from 1987 to the
17 year 2000 was \$142 million. That's an average of
18 \$8.9 million per year. I do recall one year when -- a
19 couple years when I was tracking this and Sheila
20 Cockrel was on the Detroit City Council, it was
21 \$40 million we paid out. I think that was a two-year
22 period in litigation. Also too there's this national
23 call since what has occurred in Ferguson, Missouri, for
24 body cams and in terms of the federal government
25 justice department looking not only at Ferguson but

1 other police departments across the country. And
2 congress and perhaps senators are looking at this issue
3 too, versus your military gear, so to speak.

4 DEPUTY CHIEF LEVALLEY: Right.

5 COMMISSIONER CRAWFORD: And cutting the
6 funding and how departments are able to obtain surplus
7 federal military gear for the departments. So that
8 whole pitcher is going to be looked at, whole issue is
9 going to be looked at in its totality. And my
10 prediction is down the road that this is going -- it's
11 calling for -- this calling for body cams is going to
12 pick up. Detroit has always been on the cutting edge
13 in terms of policing America. I think we were the
14 first with the prep radios, the motorcycles, mini
15 stations. So it's just important. And also I believe
16 there's going to be something coming from the federal
17 government in terms of a call for departments to
18 acquire body cams, if possible. And I certainly hope
19 there's some funding to go along with it.

20 DEPUTY CHIEF LEVALLEY: Correct. And that
21 will be part of the search for funding too. It doesn't
22 mean we have to pay all the bills. There may be grants
23 available, ways that we can get a portion of the
24 funding paid from other entities outside the city. And
25 we'll explore that.

1 With regard to the cameras, there was
2 positive feedback from the officers. The only negative
3 was from the officers themselves was the -- having too
4 much equipment on them to be able to manage it all.
5 But as far as cameras themselves, I agree and the other
6 command staff that I've talked to agree that there are
7 a number of benefits to having a camera on the officer
8 versus just mounted on the car. As soon as our
9 officers leave the site path of the camera that's on
10 the car right now, they're out of site. So recording
11 what goes on in front of the car assumes all their
12 interactions are going to take place in front of the
13 car. We know they don't. Officers go in houses. They
14 go get in foot chases, go around corners, etcetera.

15 COMMISSIONER CRAWFORD: I think this will be
16 a major contributing factor to the transparency of this
17 department to -- but, like I say, getting back to the
18 -- and you talked about grant monies and funding. I
19 don't know if you heard, but there may be something
20 coming from the federal government, justice department,
21 congress, senate calling for the defunding or taking
22 away of grants because of what happened to Ferguson in
23 terms of how the military gear was being used by some
24 of these departments. So I don't know if that's going
25 to happen, but that's just another issue to think about

1 too.

2 DEPUTY CHIEF LEVALLEY: I understand. I know
3 that -- I know the chief agrees in the conversations
4 that I've had with him about the military type
5 equipment. There's a certain setting for it in certain
6 situations. Obviously patrolling streets in it is not
7 the situation we're talking about. It's barricaded
8 gunmen type situations where you need that type of
9 equipment for the safety of everybody concerned. And
10 we do benefit from the military reallocation program.
11 I mean, we have a helicopter right now that we got from
12 the military and a variety of other equipment we got
13 from the military.

14 COMMISSIONER CRAWFORD: Excuse me. I know
15 about the helicopter. But some of the other stuff
16 we're not so transparent on as to the cost and what we
17 really have.

18 DEPUTY CHIEF LEVALLEY: Okay.

19 COMMISSIONER CRAWFORD: That's all.

20 DEPUTY CHIEF LEVALLEY: But overall, I would
21 say we're in agreement. There are a lot of benefits to
22 the body cameras. There are a lot more steps we would
23 have to take before we get to the point where we're
24 actually ready to make a statement that we would be
25 outfitting officers with cameras.

1 COMMISSIONER CRAWFORD: Yes, sir. Thank you,
2 sir.

3 CHAIRPERSON BELL: Any other comments from
4 the commissioners?

5 COMMISSIONER SHELBY: Through the chair. I
6 worked for a department for three years and they had
7 body cameras. It's a great asset. When you get in
8 critical situations or a situation where -- whether you
9 have to -- the officers have to take action or they're
10 answering complaints, a video is worth a thousand
11 words. It tells what the officer did, what the officer
12 said. I highly recommend the cameras.

13 CHAIRPERSON BELL: Yes, sir.

14 COMMISSIONER CRAWFORD: I'm sorry. I had one
15 further comment. When you ran your pilot program, I
16 understand there was an incident where one officer was
17 wearing a body cam and there was a complaint filed or
18 something.

19 DEPUTY CHIEF LEVALLEY: It was not a
20 complaint. According to the captain's report on the
21 assessment of the cameras, he reported that there was
22 one use of force incident.

23 COMMISSIONER CRAWFORD: Yes, sir.

24 DEPUTY CHIEF LEVALLEY: It was actually
25 recorded. It wasn't -- it would not have been recorded

1 because it occurred outside of the scout car's view.
2 So there was a use of force incident that was actually
3 captured and it showed that the -- according to the
4 report, that the force was appropriate.

5 COMMISSIONER CRAWFORD: I see.

6 DEPUTY CHIEF LEVALLEY: So in those
7 situations, you know, normally it would be just
8 statements. Like Commissioner Shelby said, the camera
9 speaks volumes.

10 COMMISSIONER CRAWFORD: Yes, sir. Thank you,
11 sir.

12 CHAIRPERSON BELL: Deputy Chief, it appears
13 that that issue came up last night at the 5th and 9th
14 precinct community meeting and people were, you know,
15 about it in terms of the body camera. They're looking
16 forward to that. They think that would really be
17 something that is positive in reference to the
18 interaction with the citizens and the police. So I
19 note the chief investigator proudly nodding her head
20 too. That would be very, very helpful. So hopefully
21 like Commissioner Crawford said, down the road that
22 funding is -- we're in a transition period. I know the
23 attorney general is encouraging -- in reference to
24 what's happening in Ferguson, they're looking at other
25 cities surrounding Ferguson. So maybe out of this

1 something would happen in reference to funding of such
2 a program of this nature.

3 And other than that, any other comments? Any
4 other comments? Thank you, sir. I appreciate it.

5 DEPUTY CHIEF LEVALLEY: Thank you.

6 CHAIRPERSON BELL: Standing committee
7 reports? New business? Unfinished business?
8 Unfinished business.

9 MS. SABREE: Good afternoon to the board.
10 Last week we heard a disciplinary appeal for Officer
11 Tymisha Pheasant. And there were five commissioners
12 present, and we had a quorum to hold the meeting and
13 vote. However, for a suspension without pay or when a
14 police officer's benefits or pay is at jeopardy or
15 could be forfeited, the charter requires a two-third
16 majority vote be in concurrence in order for the vote
17 to go through. So I'm asking the chair today to
18 revisit the issue so that the four commissioners that
19 were not present last week can vote today. The
20 commissioners would be Commissioner White, Commissioner
21 Taylor, Commissioner Shelby, and Commissioner Carter.
22 They were provided the minutes from last week as well
23 as my recommendation. I just want to put it on the
24 record again what my recommendation was. It was that
25 the board uphold the trial board's decision as a whole

1 and suspend Officer Pheasant for six days for a guilty
2 charge for specification 1 and specification 3. So I
3 ask that the chair open it up for voting for the four
4 commissioners that were not present last week.

5 CHAIRPERSON BELL: The chair at this time
6 would entertain the commissioners to hopefully -- we
7 received this case about three or four weeks ago, two
8 to three weeks ago.

9 MS. SABREE: Yes.

10 CHAIRPERSON BELL: And we voted. The
11 majority voted except for one abstained because there
12 was a past work experience. That was Commissioner
13 Moore.

14 MS. SABREE: Correct.

15 CHAIRPERSON BELL: But the others voted in
16 favor of your recommendation. So at this time, in
17 order to get the two-thirds vote, the chair would
18 entertain a motion to that effect. We can pretty much
19 revisit the motion if there's -- is that something
20 appropriate, have all the commissioners vote again?
21 You know, would that be proper?

22 MS. SABREE: I don't think that the
23 commissioners that already voted need to vote. Just
24 the ones who did not. And the record shows their votes
25 from last week.

1 CHAIRPERSON BELL: Mr. Anthony, would you
2 call a role for the commissioners not present last week
3 and give them opportunity to vote at this time so
4 the --

5 SECRETARY ANTHONY: Commissioner White.

6 COMMISSIONER WHITE: I vote in favor of the
7 recommendation.

8 SECRETARY ANTHONY: Commissioner Shelby.

9 COMMISSIONER SHELBY: I vote in favor of the
10 recommendation.

11 SECRETARY ANTHONY: Commissioner Taylor.

12 COMMISSIONER TAYLOR: I vote in favor of the
13 recommendation.

14 SECRETARY ANTHONY: Commissioner Carter.

15 COMMISSIONER TAYLOR: I vote in favor of the
16 recommendation.

17 SECRETARY ANTHONY: Mr. Chair, I would say
18 you have a two-thirds majority vote in favor of the
19 recommendation based on this vote and last week.

20 CHAIRPERSON BELL: Does that satisfy the
21 attorney to the board?

22 MS. SABREE: Yes. Thank you.

23 CHAIRPERSON BELL: So thank you. And thank
24 you for bringing it to our attention.

25 MS. SABREE: Thank you.

1 CHAIRPERSON BELL: Okay. I'd like to pause
2 to -- for another introduction.

3 If Commissioner Crawford would introduce this
4 young man that is attending the board meeting.

5 COMMISSIONER CRAWFORD: Oh, I'm sorry. My
6 son.

7 CHAIRPERSON BELL: He's related to you.

8 COMMISSIONER CRAWFORD: Yes, he's related to
9 me. My son is here. You can stand up. He's in the
10 yellow shirt over there. He's here from Atlanta,
11 Georgia. He's a police officer there. He decided to
12 move out of the City of Detroit years ago. I don't
13 know why he'd want to become a police officer in
14 Atlanta and not Detroit. But, you know, he has a
15 unique experience with this commission because when he
16 was young, we used to -- I used to come to the
17 commission for the meetings, and he also stood there
18 with me on the other side of the podium at the mic, he
19 and his sister. So --

20 CHAIRPERSON BELL: Perhaps, would you care to
21 come to the mic and introduce yourself properly for the
22 record? And we still recruiting you. Going to
23 probably make an offer for a lateral movement from
24 Atlanta to Detroit.

25 OFFICER REGINALD CRAWFORD: Yeah. I'm

1 Officer Reginald Crawford for the Atlanta Police
2 Department. I've been there for about five years, and
3 I enjoy it. I miss home a lot. I may be back sometime
4 in the near future. I'm thinking about it.

5 CHAIRPERSON BELL: Thank you. You are the
6 quiet spirit in the family because your father is not.
7 Thank you for coming out to the meeting. And once
8 again, to see your father on the other side of the
9 table, it's sorts of a different experience; is that
10 correct?

11 OFFICE REGINALD CRAWFORD: Yes, it is.

12 CHAIRPERSON BELL: Okay. Thank you.

13 OFFICE REGINALD CRAWFORD: Thank you.

14 CHAIRPERSON BELL: Okay. Any other
15 unfinished business?

16 Announcement. The next meeting will be held
17 on next Thursday, September 11th, 2014, at 6:30 p.m.,
18 at the 3rd precinct, Boy Scouts of America, 1776 West
19 Warren in Detroit, Michigan. That is an evening
20 meeting, not a community meeting, at 6:30 p.m.

21 And I'd like to share with some of the board
22 members, we probably will make the announcement
23 officially since I'm just exploring this, that we would
24 not meet on September the 18th, which is the week
25 afterwards, because we will be attending a training

1 session in Kansas City, Missouri. So we would formally
2 address that since -- at the next meeting. The proper
3 name of the organization is -- Mr. Anthony, would you
4 identify the training?

5 SECRETARY ANTHONY: It's the National
6 Association of Civilians Over Law Enforcement. That's
7 the organization NACOLE.

8 CHAIRPERSON BELL: So it should be quite
9 informative, and it's a four-day forum. So on that
10 point, we would probably just cancel that meeting and
11 would meet the week afterwards. But the board has to
12 approve that. So we're not ready at this time. I just
13 wanted to share that with you in terms of a
14 preannouncement, if I may.

15 And the next point of business would be oral
16 communication from the audience. And you have the
17 opportunity for two minutes. And please give your name
18 and please be respectful because we are respectful to
19 you and this is your opportunity to speak to the board.
20 Thank you.

21 MR. WELBORN: Bill Welborn, from City Wide.
22 I just want to go back on what the chair said about the
23 changing of the precincts into -- the changing of the
24 districts into precincts. And he's right. Every time
25 I get a call, they say Central District, Northwestern

1 District, something like that. And I thought it was
2 correct. I say it's precincts from now on, nothing
3 more. But the thing that I have -- and he saw it
4 firsthand last night. I've had a problem at the 9th
5 precinct for years, and nobody wants to change.
6 Everybody wants to stay in power. And I've got ways
7 that -- I come up with ways that I wanted to separate
8 these precincts. The 9th precinct and the 5th
9 precinct, they've got a president for the 9th precinct
10 and vice president for the 5th precinct. They go their
11 own way. The president for the 9th precinct stays
12 there and runs the 9th precinct. The vice president
13 goes to the 5th precinct and remains as president until
14 elections, until they're having election. To me that's
15 the only way to do it. There's no other way to do it
16 at all. That's the way we did it at the 12th a long
17 time ago and it worked beautiful. But a lot of people
18 fighting. They don't want to go along with it. And
19 I'm going to put my foot down and say we going to do it
20 anyway. There's no other way. I'm used to doing it --
21 the buck stops with me. And I'm going to say it's
22 going to be done. It's going to be done. That's it.
23 I'm tired of arguments, tired of everything. Last
24 month we had a few arguments last month at my City Wide
25 meeting and the argument is over. Said he's going to

1 work on getting these people to try to see the change
2 because Captain Houghton, she's already trying to help
3 people already. She's working her people. And Captain
4 Bliss too is working her people to get them to spread
5 out and start the transition now. So when they move,
6 everything be in place. And that's the only way to do
7 it as far as I'm concerned. Thank you.

8 CHAIRPERSON BELL: Thank you, sir. Yes,
9 ma'am.

10 TONIA WELLS: Good evening. Investigator
11 Tonia Wells. I have a number of issues that need to be
12 addressed. First and foremost, I see that the Chief of
13 Police is not in his seat again today. He had
14 delegates at the budget and finance committee meeting
15 yesterday with City Council and provided documentation.
16 I have a copy of it, but I'll need my copy back. There
17 were -- it was a 361 percent rise in ticket -- tickets
18 given to cab drivers. The Chief of Police is a part of
19 that committee that has not met yet. And I'd like to
20 see from this board a recommendation go to City Council
21 because they have 15 days to commence that commission.
22 They have not done that yet. I'm kind of disappointed
23 that the chief is not again in his seat.

24 The second thing is I have a copy of the
25 vehicle for hire information. Again, I will need my

1 documentation back. I have a copy of the report he
2 gave to that one yesterday saying there were 4 -- I'm
3 sorry. 574 citations issued this year so far as
4 opposed to last year 159. I don't think I like the
5 fact that the officers are writing a ticket a day. I'm
6 not the initiated in the room. But being stopped by a
7 police officer, what they do is they hit those lights,
8 and what in the world is the emergency. Also, in the
9 10th precinct, I was told to make a phone call if I saw
10 the -- if I saw the fire department on the corner
11 soliciting for change. And I did that. But I have not
12 heard anything from the 10th precinct or 911. I was
13 told to call 911. There are people in the district
14 that are blocking off streets without enforcement.
15 And, again, we need a code enforcement officer to
16 actually be doing that job. I don't think traffic
17 enforcement is really an issue because if an officer
18 sees somebody doing something wrong, according to the
19 Kansas City study of 1975, visibility does work. So to
20 see them riding around is a good thing. But if they're
21 harassing people because they need to make a quota,
22 I've got a problem with that. I do.

23 And my final thing, stop and frisk is
24 illegal. You can't stop somebody unless there is an
25 equipment violation, failure to comply with traffic

1 laws. And with respect to your comment about the state
2 police, they're just on the state highways, sir, not in
3 the City of Detroit, contrary to what they're doing on
4 Belle Isle. Black people don't like to go around them.
5 No. They go to jail literally because their job is to
6 enforce state law. The city police officers' job is to
7 enforce city code. And this, again, is a part of the
8 city code that I'd like the commissioners to take into
9 consideration. And it's also been brought to my
10 attention that people come to this meeting and breach
11 security by not showing ID. When my identification was
12 asked for downstairs I provided it. They put my number
13 inside of the computer. And I don't think that's
14 appropriate. People should feel free to come into the
15 building. And if they're asked to comply with showing
16 identification, each and every person who is not a law
17 enforcement officer is supposed to do that. So please
18 let's not break the law. Let's not break the law while
19 trying to get down to the bottom of what we need to do
20 as far as this commission is concerned. And it's also
21 been brought to my attention that a high ranking
22 investigator has a brother who is soliciting patrons to
23 take to the airport who does not have a bond plate of
24 which I am discussing.

25 CHAIRPERSON BELL: Thank you, Ms. Wells.

1 MS. WELLS: Yes, sir. Do you want me to pass
2 those --

3 CHAIRPERSON BELL: Thank you. Just pause one
4 second. Commissioner Crawford wants to address --

5 COMMISSIONER CRAWFORD: Yes. Through the
6 chair. Yes, Ms. Wells. There was no call for a ticket
7 a day. No one said anything about issuing a ticket a
8 day. It was a traffic stop, not issuing a ticket a
9 day. I just wanted clarification for the record.

10 MS. WELLS: It's still disgusting, sir. They
11 should be doing something a little different. Maybe
12 informing people of what they should do to be lawful in
13 the community. Stopping with those nice cars that we
14 couldn't afford I think is disgusting.

15 COMMISSIONER CRAWFORD: Ma'am, have you
16 talked with the other cab drivers who were -- and
17 people associated with the cab association who had a
18 meeting last week? Because I do strongly suspect that
19 there's movement on -- I believe the department can
20 elaborate on that in terms of a meeting that was
21 supposed to be set up.

22 MS. WELLS: It was my understanding the cab
23 driver's association -- there are 2,000 cab drivers.

24 COMMISSIONER CRAWFORD: Yes.

25 MS. WELLS: Not 15. I'm not a part of that

1 association because they are operating illegally and
2 they want preferential treatment. They're not going by
3 the code. The code says a certain thing. And I have a
4 copy for the board.

5 COMMISSIONER CRAWFORD: But their issues was
6 basically some of your issues in terms of the ticketing
7 of the cab drivers. That's what they were here about
8 last weekend -- last Thursday. I'm sorry. Correction.

9 MS. WELLS: I was here last Thursday.

10 CHAIRPERSON BELL: Well, you were here? You
11 heard their presentation when they came before --

12 MS. WELLS: No. But it's my understanding
13 from the meeting yesterday at council, the budget and
14 finance meeting, the cab drivers association was to be
15 meeting with the chief.

16 COMMISSIONER CRAWFORD: Yes.

17 MS. WELLS: I found that to be very
18 precarious because I wasn't invited for the meeting.
19 I've been coming before you all for about three months
20 now trying to tell you what we all should be trying to
21 do. I wasn't even invited.

22 COMMISSIONER CRAWFORD: I'm sure, Ms. Wells,
23 that you'll be invited to the meeting.

24 MS. WELLS: I haven't been. I'd like to be.

25 COMMISSIONER CRAWFORD: Thank you, Ms. Wells.

1 MS. WELLS: Who should I give the
2 documentation to?

3 CHAIRPERSON BELL: You can submit it to us.
4 But if there's an issue with us getting it back to you,
5 I would suggest you make your copy, submit it at a
6 later date and time. Feel free to submit it at this
7 time. But the board will get it back to you with the
8 proper address, mailing it to you, whatever. But
9 whatever your pleasure.

10 MS. WELLS: Okay. I have a copy that I can
11 leave with you because I have the entire code at home.
12 I paid for it. But this is a part of my private
13 record. And I did leave my number on the top. I
14 understand if you're not familiar with it, you need it.
15 So you guys will know what we're talking about because
16 the chief is supposed to be in the seat according to
17 the code.

18 CHAIRPERSON BELL: Yes, ma'am. I understand
19 that. If you want to submit it, it's up to you. If
20 you want to hold on to it, submit it at a later date
21 with your own copies, that would be fine too. Whatever
22 your pleasure.

23 MS. WELLS: If you could have the chief's
24 office give you a copy of the report that he submitted
25 to council yesterday.

1 CHAIRPERSON BELL: Yes, ma'am. We can handle
2 that part of it. Yes, ma'am. Thank you.

3 Any other response from the audience?

4 MR. MAYFIELD: Good evening board. I'm
5 Roscoe Mayfield, concerned citizen in the City of
6 Detroit. I've got a couple of issues. One, I don't
7 know if I heard correctly last week, the assistant
8 chief made a comment about not responding to robbery
9 armed cases. I think they should -- they should
10 continue to --

11 SECRETARY ANTHONY: Excuse me, Mr. Chair.
12 Could you ask the speaker if he would speak into the
13 mic for the reporter.

14 CHAIRPERSON BELL: Yes, sir. Thank you.

15 MR. MAYFIELD: The assistant chief made a
16 comment regarding not responding to robbery armed
17 reports on the streets, like Chicago. That's what I'm
18 trying to get some clarification on, that. I don't
19 know if that was the case or not.

20 CHAIRPERSON BELL: Last week?

21 MR. MAYFIELD: Yes.

22 CHAIRPERSON BELL: The chief was here last
23 week.

24 MR. MAYFIELD: The assistant chief made a
25 statement.

1 CHAIRPERSON BELL: I'll let him respond.

2 ASSISTANT CHIEF DOLUNT: Through the chair.

3 Assistant Chief Dolunt. The remark was despite the
4 fact that they have 12,000 more officers in Chicago,
5 they're not responding to robbery runs. We weren't
6 sure if it was robbery report or robbery one. The
7 chief wanted to assure everyone that we still are
8 responding to robbery one, despite the fact that we
9 have less officers.

10 MR. MAYFIELD: That's what I wanted to know.

11 ASSISTANT CHIEF DOLUNT: That's all it was.

12 No. We're going to be there.

13 MR. MAYFIELD: I just wanted to get some
14 clarification on that.

15 ASSISTANT CHIEF DOLUNT: No. We're going to
16 be there.

17 MR. MAYFIELD: All right. Also I think it's
18 a good idea to have the officers, you know, stopping
19 cars because I'm telling you, traffic in the city is
20 off the hook in the city. You have people running red
21 lights, speeding, you know, disregarding traffic
22 altogether.

23 Also, I have a concern in the area down by
24 Schoolcraft, Six Mile, Southfield, and Evergreen.

25 There seems to be a rash of cars being stolen in that

1 area. They seem to be Ford motor vehicle cars and also
2 Chrysler vehicles.

3 ASSISTANT CHIEF DOLUNT: I'm sorry. Can you
4 repeat that. Schoolcraft, Six Mile --

5 MR. MAYFIELD: Schoolcraft, Six Mile,
6 Southfield, and Evergreen.

7 ASSISTANT CHIEF DOLUNT: Okay. Thank you.

8 MR. MAYFIELD: Right. It seems to be in the
9 evening, late evening up until about 6:00 in the
10 morning. I don't know if -- I'm quite sure you should
11 be aware of it. The area I live in, they make
12 notification of this all the time, people's cars
13 getting stolen out of their driveways, being stripped.
14 My niece's car just got stolen and they found it a
15 couple blocks over stripped and everything like that.
16 So I'm concerned that the department need to be --

17 ASSISTANT CHIEF DOLUNT: These are straight
18 steals or carjackings?

19 MR. MAYFIELD: Straight steals. They stole
20 her car right out of the driveway. And it seems to be
21 a rash of -- seems to be picking up for some reason. I
22 don't know why. That's all I have. Thank you.

23 CHAIRPERSON BELL: Thank you, sir.

24 Young lady, give your name and speak into the
25 mic clearly.

1 MS. SMITH: Good afternoon. Bernice Smith.
2 Chief, commissioners, glad to see. Ms. Taylor.

3 MS. TAYLOR: Thank you, ma'am.

4 MS. SMITH: Mr. White. And I'm very glad
5 that we have our guest here. I've known him since he
6 was a little guy. But anyway, what I wanted to tell
7 you -- not little. But you know what I mean, what
8 Reggie said about him coming to the meetings.

9 I have one comment. The chief was here last
10 week. My feelings are this. Whatever problems that
11 you have, when he's here sitting at that seat, you
12 should get up off your behind and come on up to the mic
13 and let him know what you think. That's one of the
14 reasons why he come here. He doesn't come all the
15 time, and I know he has schedules. But the fact is you
16 have a competent chief here also. So either one of
17 them can answer any questions that are being presented
18 to the commission. And I don't think it's fair for you
19 to come here and say what you have to say in regards to
20 the police not doing this, the police is not doing
21 that. But anyway, that I have off my chest.

22 I witnessed an accident at the CVS over on
23 Warren across from the museum. The lady got her car
24 hit from behind. She took my name and number because I
25 was a witness to it. It wasn't that much, at least I

1 thought. But anyway, she called me the day before I
2 come to the meeting and she stated -- she said,
3 Ms. Smith, the lady didn't have any insurance, which I
4 wasn't surprised. But anyway -- because she was in an
5 outdated car. In the meantime, she wants to know --
6 she only has \$1,000 deductible. And she wants to know
7 what would be her position in regards to getting her
8 car fixed, which was a total of \$700. I told her to go
9 to -- and file for -- to an attorney. She can't afford
10 an attorney. And she would like to know should she go
11 to small claims court in regards to that. So I don't
12 know if that's in your realm or what she should do.
13 She did make a police report.

14 All right. The next thing was my church,
15 Tabernacle Missionary Baptist Church, we're interested
16 in having a session which would include people who
17 would like to get their records expunged. I spoke with
18 Reverend. He was on his way from North Carolina and he
19 called me and he said whenever we would want a date, he
20 would be willing to cooperate with us. Now, what I'm
21 asking from the commissioners, if they ever have the
22 time -- this is not going to be no one session. We
23 want to have a lot of the neighborhoods to do this
24 because you'd be surprised, there's a lot of people
25 that would like to get information in regards to

1 expunging their record. One in my church, he has nine
2 years and he had a DUI and he hasn't been drinking
3 since. But he would like to know how he can get his
4 record expunged. I think this would be really nice if
5 the commissioners have time to give their input to the,
6 -- you know, to the people whenever we have these
7 meetings, you know, if you have the time. So it would
8 be very interesting to let them know that the police
9 commissioners are interested in talking to them and
10 letting them know what -- the right way of keeping a
11 good record because this is important because you'd be
12 surprised, so many people that really need to get their
13 records expunged and they're ashamed to come before the
14 public and let anybody know. So that's what I'm asking
15 the chief, if he has the time. And congratulations on
16 getting the baby. I saw it on the TV.

17 ASSISTANT CHIEF DOLUNT: Thank you.

18 MS. SMITH: The baby was recovered at a gas
19 station. So you guys are doing a hell of a good job.
20 I'm really proud of you. And whenever you're doing
21 bad, I'm going to tell you about it. But you're doing
22 good so far. I thank you for your time.

23 CHAIRPERSON BELL: Ms. Bernice, as far as
24 expunging, I think the Wolverine Bar Association and
25 the National Conference of Black Lawyers would be very,

1 very helpful in that arena. And also the Legal Aide
2 Defendants would be very helpful, those three
3 organizations. But we probably would be more than
4 willing to come talk about issues that impact our
5 community. We all have a background in that area, you
6 know, and I --

7 MS. SMITH: I do have Judge Thomas. She's
8 been doing it for the longest. So I approached her.
9 She said just get the facility, and she'd be willing to
10 come.

11 CHAIRPERSON BELL: Commissioner Crawford
12 wanted to respond.

13 COMMISSIONER CRAWFORD: Yes, sir. I have
14 attended numerous, Ms. Saunders.

15 MS. SMITH: Did you call me Saunders? How
16 many years you know me? I'm Smith, Mother Bernice. Go
17 ahead.

18 COMMISSIONER CRAWFORD: Mother Bernice, I'm
19 sorry. With all due respect. I have attended numerous
20 programs, particularly with Judge Deborah Thomas. So
21 just if you want to -- when you facilitate that, just
22 get some of the dates. If I'm available, I'll come.

23 MS. SMITH: That's what I intend to do
24 within the next two weeks. Hopefully it will be before
25 you guys go on your trip. And I hope you let it be

1 known to the public that it's not being paid for by the
2 city so you won't have no problem with that, you know.

3 You know, or whoever's paying for it, make it public --

4 CHAIRPERSON BELL: Thank you.

5 MS. SMITH: -- that you're not doing it on
6 the city.

7 CHAIRPERSON BELL: Thank you, Mother Bernice.
8 Thank you. Any other oral communication from the
9 audience? Yes, sir.

10 MR. WELBORN: I forgot to announce something.
11 Can I make one announcement, please.

12 CHAIRPERSON BELL: Yes, sir.

13 MR. WELBORN: Okay. This is -- this weekend
14 -- Bill Welborn again. Out to Selfridge, the Selfridge
15 is having the air show out there this weekend Saturday
16 and Sunday. And it's going to have the Blue Angels out
17 there. So if anybody want to go, they can go out
18 there. And it's starting at 7:00 in the morning and
19 they start lining up out there for the Blue Angels.
20 Blue Angels are -- they're the best in the game. I'll
21 put it that way. Even though I was in the Air Force
22 and flew F-16s and everything, they're still better
23 than we were. So that's Saturday morning. But when
24 you go out there, tell everybody when you go out there
25 make sure you park in the area that you're supposed to

1 park in. You go to the wrong area, you're going to be
2 in trouble. You'll find yourself on the ground spread
3 eagle. So don't park over there. That's all. If
4 anybody -- if you want to find anymore information
5 about that, you can go to 927alumni@yahoo.com if you
6 need anymore information about that.

7 COMMISSIONER BELL: Thank you, sir. Any
8 other comments from the audience? So we at the verge
9 of adjournment.

10 I just want to -- since the media is here, I
11 want to clarify that I think this board -- I know I am
12 a supporter of NAACP. And I just respect Mr. White. I
13 just want to clarify that they continue to play a major
14 role in reference to monitoring issues of stop and
15 frisk and the rights of African Americans and other
16 minorities. So I'm a life member and a former board
17 member of the NAACP. I just wanted to make sure
18 there's no difference in terms of we all concerned
19 about civil rights. And I want to make sure that's in
20 the forefront of why we as a board elected and
21 appointed here are making sure that our primary
22 interest is the community. And that's basically how it
23 goes. And the objective is the community. I don't
24 want people to misunderstand because sometimes there's
25 a tendency that we somewhat bias, that we are former

1 police officers. That is some of the -- that's true.
2 But the bottom line is that I think you hear and see
3 the people have a broad background, and it's just not
4 police officers. And this commission has been well
5 represented since 1974 of people from all walks of
6 life. And so I just want to make sure Mr. White and
7 the public and the media understand that they are the
8 largest and the most well-respected organization in
9 America and the world. So at this point, I wanted to
10 close on that note.

11 So the chair would entertain adjournment.

12 MS. TAYLOR: So moved.

13 COMMISSIONER WHITE: Support.

14 CHAIRPERSON BELL: It's been properly moved
15 and seconded. Those in favor?

16 COMMISSIONERS: Aye.

17 CHAIRPERSON BELL: Those opposed? Motion
18 carried. And thank you for coming out. And we'll see
19 you next week at the Boy Scouts of America on the west
20 side of Detroit.
