5 Welcome to the Board of Police Commissioners,

4 COMMISSIONER CARTER: Thank you. At  
5 this time Commissioners, you have before you the  
6 agenda for Thursday, July 13, 2017. What is your  
7 pleasure?

8 COMMISSIONER VANN: Move adoption,  
9 Madam Chair.

10 COMMISSIONER SANDERS: Second.

11 COMMISSIONER CARTER: It's been moved  
12 and supported that we adopt the agenda for July  
13 13, 2017. Is there any discussion?

14 Those in favor?

15 COMMISSIONERS: Aye.

16 COMMISSIONER CARTER: Those opposed?  
17 The motion carries. At this time, Commissioners,  
18 you have before you the approval for the minutes  
19 for July 6, 2017.

20 COMMISSIONER SHELBY: So moved.

21 COMMISSIONER VANN: Supported .

22 COMMISSIONER CARTER: It's been moved  
23 and supported that we adopt the minutes from July  
24 6, 2017. Is there any discussion? Those in  
25 favor?

1 COMMISSIONERS: Aye.

2 COMMISSIONER CARTER: Those opposed?  
3 The motion carries and I'm going to pause for a  
4 second. Mr. Executive Secretary, do we have a  
5 quorum?

6 SECRETARY HICKS: Yes, Madam Chair, you  
7 have seven members present and therefore have a  
8 quorum.

9 COMMISSIONER CARTER: Thank you, just  
10 wanted to make sure that was on the record.

11 At this time if Ms. Patrice Dickens is  
12 available, I'd like -- oh, hi, Ms. Dickens.

13 And I'd like you to step up to the  
14 podium and we'd like to say thank you for having  
15 us today and any opening remarks that you would  
16 like to have for us.

17 MS. DICKENS: Well, on behalf of the  
18 Boys and Girls Club of Southeastern Michigan I'd  
19 like to thank you for selecting us and also  
20 welcome to our club.

21 For those of you who are not familiar  
22 with the Boys and Girls Club, we are a youth  
23 development agency and we service kids aged 6  
24 through 18.

25 This particular site has been here for

1 roughly 50 something odd years. We were set up  
2 right after the riots, so I just really want to  
3 say that we appreciate being in partnership with  
4 the police in helping to develop and foster good  
5 charactership and leadership in our youth, so  
6 thank you so much for choosing us and please let  
7 me know if there's anything I can do and thank  
8 you.

9 COMMISSIONER CARTER: Thank you, ma'am,  
10 and thank you for your hospitality. At this  
11 time, Mr. Hicks, would you please introduce the  
12 rest of the staff.

13 SECRETARY HICKS: Thank you, Madam  
14 Chair. Of course to my immediate right is  
15 Mr. Brown and just before I get to the balance of  
16 the staff I do want to indicate that the meeting  
17 tonight is being taped by Media Services, they're  
18 doing the audio-video work. Sgt. Quinn is, of  
19 course, taping the meeting. Dale Rose is the  
20 court reporter this evening.

21 And then if you draw your attention to  
22 the first row, we have representing the office of  
23 the Chief Investigator Abdullah Nelson. We then  
24 have Ms. Blossom seated next to him, Ms. Johnson,  
25 our fiscal person next to her and then our

1 attorney who I think this is his first community  
2 meeting for sure, Attorney Wirick who is seated  
3 here and I think that is it. I don't think  
4 there's anyone else from the Office of Chief  
5 Investigator's Office and Chief Drake indicates  
6 that she would be absent this evening.

7 COMMISSIONER CARTER: Thank you. And  
8 to my left sitting in for the chief is Assistant  
9 Chief James White. Good evening, sir.

10 ASST. CHIEF WHITE: Good evening,  
11 esteemed Board. The Chief sends his regrets. He  
12 had a previous commitment tonight.

13 I would like to introduce staff, but I  
14 almost need two pairs of glasses, one for up  
15 close and one for far away. I would ask that  
16 they stand and introduce themselves.

17 (DPD STAFF WAS INTRODUCED.)

18 ASST. CHIEF WHITE: We'll have a  
19 further report when time permits.

20 COMMISSIONER CARTER: Thank you, Asst.  
21 Chief White. At this time are there any elected  
22 officials or representatives of elected officials  
23 in the audience?

24 If not, we'll move on to the  
25 resolutions that we have. The first is Senate

1 Bill 223 from -- and it would be read by  
2 Ms. Teresa Blossom. Thank you, ma'am.

3 MS. BLOSSOM: Good evening, Teresa  
4 Blossom, coordinator -- community and media  
5 coordinator.

6 This resolution is in support of Senate  
7 Bill 223 to establish the Law Enforcement Officer  
8 Separation of Service Act.

9 WHEREAS, the Detroit Board of Police  
10 Commissioners exercises its role of civilian  
11 oversight through several charter-mandated  
12 functions including the appointment of the  
13 director of Human Resources of the Detroit Police  
14 Department and the administration and operation  
15 of the Office of Chief Investigator which  
16 receives and independently investigates citizen  
17 complaints against any employee of the Detroit  
18 Police Department; and

19 WHEREAS, the Board strives through its  
20 appointment of an HR director to ensure that the  
21 best candidates are recruited, trained and  
22 deployed for service as sworn and civilian  
23 members of the police department. Through our  
24 role with citizen complaints the Board is able to  
25 help ensure professional service to the citizens

1 and the community.

2 The Board is also able to utilize  
3 citizen complaint data to help identify concerns  
4 for appropriate follow-up by the department and  
5 its command team which might include training,  
6 counseling, discipline or in some cases criminal  
7 review by its Bureau of Professional Standards  
8 which includes Internal Affairs and Force  
9 Investigation; and

10 WHEREAS the Board of Police  
11 Commissioners through the years has seen the  
12 finest men and women serve as Detroit police  
13 officers and perform exemplary throughout their  
14 careers. However, the Board also at times have  
15 suspended from duty police officers and has  
16 rejected or protested the promotion of officers  
17 who Board members did not believe adhered to the  
18 community policing standards that honored the DPD  
19 badge or the Detroit community. The Board knew  
20 and the Consent Degree process reinforced that  
21 vigilance to the details of practices and  
22 procedures followed by police officers helps  
23 establish the culture of law enforcement and that  
24 the small number of officers who do not perform  
25 according to standards might not belong at DPD or

1 in the profession of law enforcement.  
2 Unfortunately there have been cases when officers  
3 deemed unfit by DPD remained in law enforcement  
4 in other communities, sometimes with detrimental  
5 outcomes to citizens as highlighted in a recent  
6 special report by The Detroit Free Press.

7 WHEREAS, Senate Bill 223 will establish  
8 a new process to address the problem of unfit  
9 police officers moving from city to city to join  
10 other police agencies. The bill also known as  
11 the Law Enforcement Officers Separation of  
12 Service Record Act requires all law enforcement  
13 agencies to establish and maintain as part of  
14 their HR or employment databases a record that  
15 states the reason an officer resigns, retires or  
16 is fired from service and

17 WHEREAS Senate Bill 223 requires the  
18 Michigan Commission on Law Enforcement Standards  
19 or MCOLES to create the release form for such  
20 employment records which underscores their  
21 importance due to the vital role MCOLES has in  
22 setting and regulating professional standards.  
23 Overall, the bill ensures that the official  
24 employment record follows an officer whenever he  
25 or she seeks another job in law enforcement, a

1 requirement that will help keep unfit officers  
2 off Michigan streets, so

3 THEREFORE BE IT RESOLVED that the  
4 Detroit Board of Police Commissioners supports  
5 the full passage and enactment of Senate Bill  
6 223, the Law Enforcement Officers Separation of  
7 Service Act. Such a new law would help  
8 communities by ensuring a more consistent  
9 application of professional standards for law  
10 enforcement officers and by providing municipal  
11 leaders with a better method to identify and  
12 deter unfit officers.

13 That completes the reading of the  
14 resolution.

15 COMMISSIONER CARTER: Commissioner  
16 Crawford?

17 COMMISSIONER CRAWFORD: Madam Chair, I  
18 move for adoption of this resolution. Also too,  
19 on the record that a copy be sent to the Michigan  
20 Senate, all the senators in the state and also to  
21 the Governor, of the resolution.

22 COMMISSIONER CARTER: Thank you. It's  
23 the moved and supported --

24 COMMISSIONER SANDERS: Support.

25 COMMISSIONER CARTER: -- that we adopt

1 the resolution in support of Senate Bill 223. Is  
2 there any discussion? Those in favor?

3 COMMISSIONERS: Aye.

4 COMMISSIONER CARTER: Those opposed?  
5 The motion carries.

6 COMMISSIONER CRAWFORD: Thank you.

7 COMMISSIONER CARTER: Thank you. At  
8 this time I'm going to ask is Ms. Trevor Roslann  
9 Epps available? You can step right up here,  
10 ma'am, and Commissioner Dewaelsche is going to  
11 come. This is a resolution Ms. Trevor --

12 COMMISSIONER DEWAEELSCHÉ: I have the  
13 pleasure of reading the resolution honoring Ms.  
14 Trevor Roslann Epps.

15 WHEREAS Ms. Trevor Roslann Epps has  
16 been a resident of the 10th Precinct for the  
17 majority of her life, she graduated from Detroit  
18 Central High School and attended the University  
19 of Michigan in Ann Arbor, obtaining a BA in Urban  
20 Development, Sociology and Sustainability with a  
21 background in architecture and

22 WHEREAS Ms. Epps has been an active  
23 member of the 10th Precinct Community Relations  
24 Team for the past four years she was the founder  
25 of the 10th Precinct Annual Community Coat Drive

1 for children within the 10th Precinct alongside  
2 the neighborhood police officers and

3 WHEREAS Ms. Epps has always been  
4 interested in police community relations and has  
5 always contributed her efforts toward the quality  
6 of life for the community. Ms. Epps served as  
7 the chief of staff for two terms for the Michigan  
8 House of Representatives District 3 State  
9 Representative and was a consultant in state  
10 political campaign and government community  
11 outreach Ms. Epps is a member of AmeriCorps  
12 (non-military) also referred to as the Domestic  
13 Peace Corps in Detroit serving two years with the  
14 State and serving one year federally and

15 WHEREAS Ms. Epps participates in moral  
16 supports programs such at taking candy and treats  
17 to police officers in the 10th and 11th Precincts  
18 as well as numerous programs. When Ms. Epps is  
19 not at the 10th Precinct she's busy working as a  
20 graphic design and brand manager for her  
21 business, Trevor Design Labs.

22 Ms. Epps always has a welcoming smile  
23 on her face and truly enjoys spending time at the  
24 10th Precinct, not only as a resident, but as an  
25 honorary family member to the men and women of

1 blue and

2 NOW THEREFORE BE IT RESOLVED that the  
3 Detroit Board of Police Commissioners speaking  
4 for the citizens of the city of Detroit and the  
5 Detroit Police Department acknowledge the  
6 generous spirit of Ms. Trevor Roslann Epps. Her  
7 public service and dedication to improving the  
8 quality of life for all citizens in her community  
9 and throughout the city of Detroit merits or  
10 highest regards.

11 And it's signed by all members of the  
12 Detroit Board of Police Commissioners. Thank you  
13 so much.

14 (APPLAUSE).

15 ASST. CHIEF WHITE: We have two more.  
16 I'd ask for the Commander and Captain come up,  
17 please.

18 As they approach, we have two awards,  
19 one is the Spirit of Detroit award, presented  
20 herewith as an expression of the gratitude and  
21 esteem of the citizens of the city of Detroit to  
22 Ms. Trevor Roslann Epps in recognition of the  
23 exceptional achievement outstanding leadership  
24 and dedication to improving the quality of life  
25 and it's signed by all members of City Council.

1 (APPLAUSE).

2 CAPTAIN SLAPPY: The Detroit Police  
3 Department Certificate of Recognition to  
4 Ms. Trevor Roslann Epps, city of Detroit, in  
5 recognition for the following outstanding service  
6 and cooperation.

7 Your involvement in the community and  
8 services to the city of Detroit demonstrate a  
9 spirit and commitment that is worthy of  
10 recognition. July 13, 2017 signed by James E.  
11 Craig, Chief of Police.

12 (APPLAUSE).

13 MS. EPPS: So good evening. I thank  
14 you. I didn't -- some of this I expected, a lot  
15 of it I did not and it's mostly because -- I mean  
16 I feel like we have the resources to do  
17 something, why not do it.

18 I did it for years growing up, my  
19 grandmother and my mother, and then took it with  
20 me when I worked with the State because, you  
21 know, the bottom line is, you know, we're here to  
22 serve, right.

23 So with that being, why not do it where  
24 you stay, where you live. So as I stay here and  
25 I take care of my grandmother in addition to the

1 work that I do in general, why not do something  
2 that I enjoy doing and, you know, why not?

3 So I'm not really big on like speeches  
4 and all that other stuff in regards to this  
5 because it's something that I feel like we're all  
6 supposed to do, not necessarily just where we  
7 live, but, you know, that's kind of the rent that  
8 we pay for being here. So that's my two cents.

9 (APPLAUSE.)

10 COMMISSIONER DEWAELESCHE: Madam Chair,  
11 I make a motion that we approve this resolution.

12 COMMISSIONER VANN: Supported.

13 COMMISSIONER CARTER: It's been moved  
14 and supported that we adopt the resolution for  
15 Ms. Trevor Roslann Epps.

16 (APPLAUSE.)

17 COMMISSIONER CARTER: Any discussion?  
18 Those in favor?

19 COMMISSIONERS: Aye.

20 COMMISSIONER CARTER: Those opposed?  
21 The motion carries. Thank you, Ms. Trevor Epps  
22 for all that you do and your record speaks for  
23 itself through your volunteer -- the things that  
24 you've done in the past, so keep up the good  
25 work; thank you.

1 All right, at this time we're going to  
2 have the report from AC white.

3 ASST. CHIEF WHITE: Again, good  
4 evening, esteemed Board. There will be a  
5 presentation from the 10th Precinct, but prior to  
6 that I will give you the stats for the week.

7 Homicide is down 2 percent, sexual  
8 assault down 16 percent, robbery down 10 percent,  
9 carjacking is slightly up 3 percent, aggravated  
10 assault down 5 percent, non-fatal shootings --  
11 and this is for the same time compared to last  
12 year, down 2 percent and overall violent crime is  
13 down 7 percent.

14 And although we're very happy with the  
15 trajectory of crime in the city of Detroit, we  
16 certainly are not patting ourselves on the back.  
17 These numbers reflect the hard work of the men  
18 and women of the city of Detroit Police  
19 Department, but one crime is one too many for our  
20 citizens, so we continue to work diligently to  
21 eradicate the crime problem that is present in  
22 the city, but those are the statistical data for  
23 this week.

24 An update to our injured officers.  
25 Officer Johnson from the 2nd Precinct continues

1 to struggle, but fight a valiant fight. He's  
2 recovering at the Dearborn Beaumont Hospital from  
3 a gunshot wound. He's still in critical  
4 condition.

5 Officer Keith Baker suffered a heart  
6 attack last week, so keep him in your prayers.  
7 He is recovering at home and is doing very well.

8 Officer Winqest of the 12th Precinct  
9 is in rehab in Big Rapids and he continues to  
10 work towards his recovery, and hopefully one day  
11 return to the police department.

12 We're excited to announce the opening  
13 of the 8th Precinct scheduled for July 24 at 11  
14 AM. Everyone is welcome to attend the ribbon  
15 cutting. We are really excited to be open a  
16 precinct in really a very densely populated area  
17 of the city of Detroit which unfortunately I  
18 think we should have never left, but I'm glad to  
19 be returning.

20 The community is excited, we're excited,  
21 the officers are excited, so please join us if  
22 your time and schedule permits. Again, that's  
23 July 24 at 11 AM.

24 And, once again, we have graduation  
25 exercises scheduled for Friday, July 21 at 10:30

1 AM at Greater Grace Temple located at 23500 Seven  
2 Mile Road in Detroit for our next academy  
3 graduation.

4 And then lastly there is a follow-up.  
5 A question came from the Commission regarding  
6 vehicle radios for the OCI vehicles and there was  
7 some concern raised with regards to the expense  
8 associated with the radios for those vehicles.

9 We have minimized the installation of  
10 technology to the OCI vehicles. In comparison  
11 the average technology package for a like vehicle  
12 in the police department is approximately  
13 \$18,000. The technology package for the OCI  
14 vehicles n comparison is \$3,000 and we sharpened  
15 our pencil on that and got it as low as we  
16 possibly could, but the two key pieces that we're  
17 putting in that vehicle is the radio system which  
18 I think s imperative. We're not using a new  
19 radio in that vehicle, we're using the previous  
20 design of the radios that we're taking out of  
21 vehicles, so we're going to use that radio.

22 From a safety standpoint we think  
23 that's important, and then the other piece that  
24 we're putting in the vehicle is a GPS locator.  
25 If you look at the police cars, you'll see this

1 black -- it looks like a hockey puck on the back  
2 of the trunk. That's about \$1,000 or \$1,200 and  
3 that's a vehicle locator and it gives us the  
4 opportunity to know where the vehicles are  
5 throughout the city or wherever they're located  
6 throughout the state.

7 Two key important issues with that. A,  
8 if there's ever an issue with a member where  
9 they're in any type of trouble, out of radio  
10 range, we need to find them, that gives us the  
11 opportunity to do that very quickly for safety  
12 reason, and then the other thing that it gives us  
13 -- or affords us the opportunity to do is if the  
14 vehicle is stolen is to locate the vehicle.

15 COMMISSIONER CARTER: Thank you.  
16 Commissioners, any questions, comments for AC  
17 White?

18 COMMISSIONER SANDERS: When you made  
19 that decision, whoever made that decision to put  
20 these in there, and I will hope that they will  
21 keep us in mind and let us know, we're the last  
22 ones to find out to know about it once the budget  
23 go through and we purchase these vehicles.

24 So if we ever have to go through this  
25 again I just hope we be hands on together with it

1 because we're really like the last ones to know.  
2 They decided to put equipment in there that we  
3 did not really want it in there, we just wanted  
4 the vehicle itself so -- which is good, this  
5 equipment is good, but I would like to make sure  
6 that we know what's going on too instead of just  
7 being at this Board finding out about this  
8 equipment.

9 ASST. CHIEF WHITE: Well, through the  
10 Chair, that is not how that occurred at all. In  
11 fact, when we programmed those vehicles we sat  
12 down -- we received a request for vehicles. The  
13 vehicles come in through the Detroit police  
14 fleet. Those vehicles have to be tagged and  
15 programmed through the Detroit Police fleet.

16 When you purchase a vehicle, you buy  
17 them under the state purchasing program which  
18 allows us to buy those vehicles at a specific  
19 price which is outside of the price that we're  
20 able to purchase as a regular consumer, so we get  
21 them relatively cheap.

22 We talked about those numbers, we  
23 talked about the budget that the Board presented  
24 and the number of vehicles they could get. That  
25 budget presentation was made based on technology.

1 So, in other words if a vehicle is \$15,000 and a  
2 vehicle for BOPC will be \$18,000 because of the  
3 technology requirements, so every vehicle that is  
4 purchased through my office, there's an allotment  
5 for technology associated with that purchase, and  
6 that was sent over and discussed with the Board.

7 Also, as relates to vehicles coming in  
8 through the Detroit Police inventory, those  
9 vehicles are required to be registered, tagged in  
10 our inventory and equipped because if those  
11 vehicles are redeployed to the field they have to  
12 have a radio in them and all city vehicles, all  
13 of them, have to have GPS including lawnmowers,  
14 believe it or not, those riding lawnmowers have  
15 to have GPS on them.

16 But in the future, sir, I will make  
17 sure that I personally communicate up via e-mail  
18 as a layer of redundancy what we're doing with  
19 those vehicles.

20 COMMISSIONER SANDERS: I appreciate  
21 that. And on another note, Precinct 3, I was  
22 doing a ride-alone. I noticed that they did not  
23 have any cameras period, so is there a date and  
24 time that they will be getting body cameras on  
25 them?

1 ASST. CHIEF WHITE: Yes, there is and I  
2 did not bring that with me. We are in eight  
3 precincts so far. I cannot remember where we  
4 left off, but yes, they are date certain. Our  
5 full deployment is scheduled for December, mid  
6 December, and we are on target for that, but I  
7 don't know where they fit in the deployment right  
8 now, but they are scheduled.

9 COMMISSIONER SANDERS: Okay, thank you.

10 COMMISSIONER CARTER: Commissioner Bell.

11 COMMISSIONER BELL: Assistant Chief, I  
12 have a comment. In reference to our resolution  
13 addressing Senate Bill 223 and with the extensive  
14 Free Press article that's been highlighted it was  
15 well written and researched and etc.

16 I guess we played a prominent role.  
17 Unfortunately Highland Park played a more  
18 prominent role in term -- but could you at some  
19 point in time respond to these issues concerned  
20 in terms of officers who would be released from  
21 our employment in whatever capacity that might  
22 raise a red flag that I think that in responding  
23 to that article I think we have to look at in  
24 terms of the concerns of the community now with  
25 that type of high profile and I know that in most

1 instances the Chief of Police is the final  
2 authority somewhat in terms of we do not  
3 discipline, we make recommendations, not in terms  
4 of how the process works. And I think people  
5 need to know that the Chief of Police who's  
6 normally in this country of USA appointed by the  
7 Mayor and also the union play a significant part  
8 in this process too in terms of arbitration and  
9 representing these officers.

10 You hear about all these issues  
11 throughout the country in terms of FOPs, etc, but  
12 I think the DPOA is now taking a little bit  
13 different stance from the past involvement.

14 I know this Board took a serious stand  
15 in reference to not promoting individuals to the  
16 rank of sergeant in terms of involvement and it  
17 went through arbitration and he was able to be  
18 promoted, but I think we as a board need to  
19 address these issues too because as we -- high  
20 profile officers in terms of being promoted to  
21 sergeant and lieutenant with a high discipline  
22 record, then I think this board should take the  
23 approach that we are not going to promote them  
24 and they have to go through due process to be  
25 promoted, but we cannot casually continue to just

1 overlook their discipline record.

2 And I think you understand where I'm  
3 coming from, so I think as we research how we can  
4 approach it, but I want to commend Commissioner  
5 Vann and others who took those stand back --  
6 Commissioner Dewaelsche -- back in the day  
7 dealing with the particular officer and I think  
8 we all was concerned about that particular  
9 matter.

10 But I think as we move forward in 2017  
11 with all the issues in law enforcement of  
12 officers being able to move on to further their  
13 career that we should be doing everything  
14 possible. I think this bill would have an  
15 impact, but I think I would also call upon the  
16 Chief of Police and police unions to weigh in on  
17 these issues too because they play a valuable  
18 part in the process. Thank you, Madam Chair.

19 COMMISSIONER CARTER: Thank you,  
20 Commissioner Bell. Mr. Crawford?

21 COMMISSIONER CRAWFORD: Yes, through  
22 the Chair, and just in reference to what  
23 Commissioner Bell said in referencing the Free  
24 Press article which is very extensive. I think I  
25 read that they had spent a year doing the

1 research. There are a number of areas that I  
2 took some notes from that particular article and  
3 also too for the last two or three years sitting  
4 on this board I've also called for some sort of  
5 state oversight in terms of MCOLES or -- and this  
6 Senate Bill 223 is a good thing in terms of  
7 referencing how officers can just move between  
8 department, leave one department and go to  
9 another department.

10 A good example of some real issues is  
11 Highland Park Police Department which is  
12 highlighted in that article too as what was  
13 stated in -- or what was called in the editorial  
14 piece from the Free Press was do more to stop bad  
15 cops from being hired elsewhere, and it talked  
16 about police commissions are the citizen  
17 representation of police oversight should be the  
18 vehicles for reforming the system.

19 Also, the State's responsibility for  
20 overseeing local officials to ensure that the  
21 safety and well-being of all of our Michigan  
22 citizens are protected.

23 And it talks about the responsibility  
24 of the officers themselves, those of us who even  
25 currently work -- I currently work for a police

1 department, but also too those who work in the  
2 Detroit Police Department as police officers.

3 We have a responsibility to more or  
4 less expose and deal with some of the bad  
5 officers. There are thousands and thousands of  
6 good police officers in the state of Michigan.  
7 In this very department there are thousands and  
8 this very department, the Detroit Police  
9 Department that are good police officers, but as  
10 we well know some of those who were highlighted  
11 in that article had a history here and  
12 unfortunately the officers that didn't really --  
13 I mean, no one really spoke up, no one really  
14 called them out and that should have been done  
15 also too not only by the officers, but the system  
16 itself.

17 And also too, I hold some of the -- I'm  
18 putting some of the responsibility here and it is  
19 direct on MCOLES. There was a former director of  
20 MCOLES David Harvey who stated in that piece  
21 MCOLES doesn't know how many problem officers  
22 there are in Michigan, let alone how many jump  
23 from job to job.

24 And this is the former director of  
25 MCOLES and MCOLES is the Michigan Commission of

1 Law Endorsement and the hypocrisy as far as I'm  
2 concerned with MCOLES today is -- and I checked  
3 the website earlier today before I came to this  
4 meeting to see if Mark Diaz was still on the  
5 board.

6 On that website Mark Diaz who is the  
7 president DPOA, he's a commissioner on the  
8 MCOLES, so the hypocrisy in that is MCOLES as you  
9 well know law enforcement standards in the state  
10 of Michigan.

11 Currently he's charged with a felony.  
12 As I sit here on this commission if I was charged  
13 with a felony, if I was charges with a felony,  
14 the Police Chief, the Mayor, everyone in the city  
15 of Detroit elected officials, even those in the  
16 community, would be calling for my resignation,  
17 or at least to be suspended from this commission.

18 But yet and still Mark Diaz sits on  
19 that board and also too unfortunately he was  
20 suspended with pay from the Detroit Police  
21 Department, so those are just some of the  
22 highlights of that article, which ring so true  
23 today in that it's incumbent upon not only those  
24 on the state level but also the local level  
25 elected officials, us as police officers, and

1 even and more importantly this oversight, the  
2 civilian oversight board which is the Detroit  
3 Police Commission which was established in 1974  
4 to actually stand up and do what we know we're  
5 supposed to do, have the courage to do the right  
6 thing and to just do it; thank you.

7 COMMISSIONER CARTER: Thank you,  
8 Commissioner Crawford.

9 ASST. CHIEF WHITE: If I can just  
10 comment just briefly. I read the article as well  
11 and I was happy to see -- I mean, very disturbing  
12 article. One of the things that I did highlight  
13 was the fact that the Detroit Police Department  
14 took action, immediate action, on one of the  
15 members that was highlighted. Certainly we  
16 cannot prevent another agency from making  
17 whatever decisions they wanted to make and the  
18 decision to hire that member, but we took the  
19 action necessary to remove that member from this  
20 agency.

21 We also have a very strict policy on  
22 promotions when you are within a certain time  
23 frame of receiving discipline and we will  
24 continue to use our management awareness system  
25 to identify officers that are problematic that

1 need to be retrained that need additional  
2 training, and we look at things from a risk  
3 management perspective.

4 Certainly we find that there are some  
5 officers unfortunately who may need to look at  
6 another career and as managers that's a very  
7 difficult decision for us to arrive at, but I  
8 think it's our responsibility.

9 So with that, I think that the  
10 responsibility with this issue lies solely with  
11 the agency. MCOLES, yes, they should -- and they  
12 have taken a more active aggressive stance as  
13 relates to licensing and that's coming down the  
14 pike very quickly, whereas if you're charged with  
15 certain crimes in the near future you will lose  
16 your law enforcement license.

17 So you will be seeing a lot of activity  
18 from MCOLES in the near future on that issue, but  
19 that does not alleviate the responsibility of the  
20 individual agency to hire the best people for the  
21 job.

22 And I'm proud of our record in the  
23 Detroit Police Department when you look at the  
24 numbers that we have and we continue to try to  
25 recruit the best members for this agency.

1                   COMMISSIONER CRAWFORD: I just want to  
2 expound on that too because I agree with you in  
3 terms of the agency and I think the Detroit  
4 Police Department does a good job hiring and  
5 doing this background investigation.

6                   But my issue was as not only on the  
7 state level, but on the national level too there  
8 needs to be a national compository of names of  
9 officers who may have some issues.

10                  And even in that article this was talks  
11 about states with more authority than Michigan,  
12 the 25. We're at 50/50 here. There are 25  
13 states that have more authority and those 25  
14 states that have more authority can revoke a  
15 police officer's certification for misconduct  
16 even, not -- et alone a charge or criminal, even  
17 if it's not criminal charges.

18                  Unfortunately what occurred last year  
19 was two officers left the Detroit Police  
20 Department, one was hired by Novi I believe it  
21 was, the other one was hired by Oakland County  
22 Sheriff's Department, and at the time they left  
23 they were -- there was an investigation that was  
24 turned over to the prosecutor's office.

25                  Ultimately they were charged by the

1 Wayne County Prosecutor's Office, so then the  
2 onus was on Novi and also Oakland County  
3 Sheriff's Department for doing the better  
4 background investigation and looking into these  
5 individuals that left Detroit Police Department  
6 because, I mean, even I think their statement in  
7 the media, they didn't know what they were  
8 supposed to do at this point because you had two  
9 officers who left Detroit Police Department,  
10 within months were hired by those other two  
11 agencies and thus charged by the Wayne County  
12 Prosecutor's Office with felonies.

13 So you're right, the onus is on those  
14 agencies and I think Detroit Police Department  
15 does a good job in their background  
16 investigations.

17 But what is needed is something on the  
18 state level, something like this, which would  
19 give you more teeth in terms of officers who may  
20 engage in such, even though they're not charged  
21 with a crime or a felony, but their conduct is so  
22 egregious that the department has to let them go,  
23 that automatically MCOLES could decertify more or  
24 less.

25 ASST. CHIEF WHITE: Agreed.

1                   COMMISSIONER CARTER: Any other  
2 questions or comments, commissioners? Thank you  
3 for that dialog, commissioners and Asst. Chief  
4 White.

5                   At this time we're going to have the  
6 presentation from the 10th Precinct.

7                   COMM. KYRIACOU: AC, Commissioners, good  
8 evening everybody. If you will indulge me, I'd  
9 like to re-introduce my staff. I know we went  
10 through introductions already.

11                  So Constance Slappy whom I partner with  
12 to run the 10th Precinct. And back in the back  
13 we have Sgt. Craig Schramick from Special  
14 Operations. Next to him Sgt. Jordan Hall,  
15 neighborhood policing. Neighborhood police  
16 officer Donald Parker, our newest neighborhood  
17 police officer Robert Barber.

18                  And trying to hide in the corner there  
19 neighborhood police officer Della Brown.

20                  (APPLAUSE).

21                  COMM. KYRIACOU: And I'd like to  
22 mention Alvin Stokes, president of our Community  
23 Relations Council and say thank you to everybody  
24 who showed up from 10th Precinct Community  
25 Relations, appreciate you.

1                   As you know, the 10th Precinct is  
2                   located at 12000 Livernois at the corner of  
3                   Elmhurst. The boundaries of the precinct roughly  
4                   start at Wyoming and the Lodge Freeway going  
5                   eastbound on the Lodge where it hooks south,  
6                   becomes the east border of the precinct going  
7                   south down to West Grand Boulevard roughly.

8                   Coming west along West Grand Boulevard  
9                   to where it becomes Warren Avenue all the way  
10                  over to Livernois which becomes the west border  
11                  of the precinct. And then you come northbound on  
12                  Livernois where it hooks a little bit to the west  
13                  and you get that little chunk of Wyoming which  
14                  becomes the western border up again to where we  
15                  intersect with the Lodge Freeway, so that's the  
16                  rough dimensions of the precinct.

17                  It comprises as of the 2010 census 10.3  
18                  square miles with approximately 46,000 residents  
19                  as of that census.

20                  So now have I've bored you with all  
21                  this boring statistical information, proud to be  
22                  able to turn this over to my partner, Capt.  
23                  Slappy who is going to tell you about some  
24                  initiatives we have going on in the 10th  
25                  Precinct.

1                   CAPT. SLAPPY: Again, good evening,  
2 everyone. So the 10th Precinct has undertaken  
3 the following.

4                   First of all, since January 1, 2017 the  
5 10th Precinct has answered approximately 13,728  
6 calls for service, so we've been little busy.  
7 Probably not busy as most, but we're doing our  
8 fair share.

9                   The 10th Precinct is deploying our  
10 mountain bike officers. Some from of you in the  
11 precinct have probably seen them in the  
12 Dexter-Waverly area. They have been doing great  
13 over there taking care of the Dexter-Waverly  
14 Market and the citizens seem to be very receptive  
15 to have them over there and they're definitely  
16 keeping an eye on Zusmen Park.

17                   On April 2 the 10th Precinct executed  
18 the Dexter-Waverly Tyler Operation in conjunction  
19 with AmeriCorps and Job Corps which yielded one  
20 felony arrest, we had one handgun recovered, 18  
21 vehicles impounded, 14 ordinances and three  
22 houses boarded up, so that was pretty much the  
23 first initiative in order to take care of the  
24 Dexter-Waverly and then putting the bike officers  
25 was the second layer and then Sgt. Schramick and

1 30-Series, they pick it up on afternoons and  
2 nights and in that area -- from my understanding,  
3 we have not had zero complaints in that area  
4 since we have done that, so that's a very huge  
5 turn-around as it relates to the previous years.

6 Year to date AmeriCorps' Urban Study  
7 Team, we have leafletted 2,484 leaflets regarding  
8 car theft protection, crime reporting and conduct  
9 community patrol surveys and they also assisted  
10 the Dexter-Linwood-Davison area in establishing  
11 their block club, so we're happy to have another  
12 block club in the 10th Precinct.

13 On Tuesday, August 1, 2017 everyone in  
14 the Detroit Police Department, we are looking  
15 forward to National Night Out and the 10th  
16 Precinct, we're trying to up our ante a little  
17 bit this year, so we're hoping to have a small  
18 carnival, so we're going to be doing it over that  
19 at the 10.

20 So I have been out hustling -- yes, I  
21 did say hustling funds for businesses so I have  
22 to say I'm going to brag a little bit, Sgt. Hall,  
23 because in one day I yielded \$2,200 so.

24 COMM. KYRIACOU: In two hours one day  
25 she went back and came back with \$2,200 in

1 donations and just slammed -- well, I shouldn't  
2 say shammed -- she beat the neighborhood policing  
3 effort, so we're very proud of that.

4 She's actually being humble un here.

5 (APPLAUSE).

6 CAPT. SLAPPY: Another initiative that  
7 we undertook, the Commander was so gracious to  
8 allow us to adopt Central High School. That was  
9 something that was near and dear to my heart, so  
10 on Tuesdays myself and Officer Dudley, we went  
11 into Central High School and we talked to the  
12 at-risk high schoolers and it was a phenomenal  
13 problem.

14 We're hoping that De. Vede will allow  
15 us to come back in at the beginning of the school  
16 year because it was really great. We talked to  
17 them about conflict resolution, addressed quality  
18 of life issues with them, and it was great just  
19 to bridge the gap between the young people and  
20 law enforcement. So hoping we can continue that  
21 at the beginning of the school year.

22 The 10th Precinct was utilized to film  
23 the movie that will be coming "Detroit", so we  
24 were proud of that and from my understanding, AC,  
25 I think it's due for release on August 4.

1 ASST. CHIEF WHITE: That's correct.

2 CAPT. SLAPPY: So we're happy that our  
3 precinct was old enough to be utilized in the  
4 movie. Yeah, AC, I said it.

5 ASST. CHIEF WHITE: We're trying.

6 CAPT. SLAPPY: Lastly, when I came to  
7 the 10th Precinct a little bit over a year ago we  
8 had two Green Lights, so every day I would go to  
9 Sgt. Hall and I was like, "We only have two Green  
10 Lights," so I'm proud to say that Sgt. Hall and  
11 the NPOs within a year we've gone from two to 16,  
12 we have 16 currently.

13 (APPLAUSE).

14 CAPT. SLAPPY: A tiny bit about our  
15 crime. Our total Part 1 offenses overall we are  
16 down 5 percent and year-to-date the 10th  
17 Precinct, we have had 46 non-fatal shootings.  
18 However, we are carrying a 46 percent closure  
19 rate.

20 We are the second highest closure rate.  
21 No. 4 is Number 1 with 47 percent, so we are  
22 chasing that 1 percent, so I'm going to side eye  
23 them a little bit and let me know we coming for  
24 them, but I think as a 46 percent closure rate  
25 our precinct detective unit, they are doing bar

1 none, they're doing a very very good job, so we  
2 are extremely proud of them, and that's all I  
3 have.

4 COMMISSIONER CARTER: Thank you,  
5 Captain.

6 COMM. KYRIACOU: I just wondered if  
7 there's any questions.

8 COMMISSIONER CARTER: Any questions,  
9 commissioners.

10 COMMISSIONER VANN: I just had a  
11 comment, Madam Chair. I have been very familiar  
12 with the 10th Precinct for many many years. I  
13 lived in the 10th Precinct many years ago.

14 The 10th Precinct has not always been  
15 led and managed in the way that you have done it,  
16 sir. I want to thank you for your leadership  
17 along with Capt. Slappy and the rest of the team  
18 of the 10th Precinct. This is a very refreshing  
19 to hear the kind of report that you're giving to  
20 us today.

21 COMM. KYRIACOU: A humble thank you.

22 (APPLAUSE).

23 COMMISSIONER CRAWFORD: Yes, through the  
24 Chair, I just also had to comment somewhat to  
25 echo Bishop Vann is I too want to thank you and

1 particularly for the holistic things that you're  
2 doing in the precinct and working with the youth  
3 and also too the schools that are now rec centers  
4 for the summer, do you know the ones that are in  
5 the 10th Precinct? I don't have the list with  
6 me. There was a list of like 27 -- there's going  
7 to be 27 rec centers. Some of the schools are  
8 turning into rec centers, which is something that  
9 the community activists have called for some 10  
10 or 15 years ago and of course the schools are in  
11 better condition then too.

12           Whereas some of the schools are  
13 designated across the city in each of the  
14 precincts would be turned into rec centers for  
15 the youth to play basketball, swim, etc, even  
16 some educational things that were going to be  
17 done for the summer.

18           The Mayor has opened up or turned those  
19 schools into rec centers now and I'm glad to see  
20 that has occurred, but do you know of the ones in  
21 the 10th Precinct that are open.

22           COMM. KYRIACOU: Not off the top of my  
23 head. Oh, yeah, that's right, Sampson-Weber down  
24 on Tireman. That's the one in No. 10 is  
25 Sampson-Weber and we will be checking in there to

1 makes sure things are going well.

2 We didn't know this until this  
3 afternoon. One of the things we didn't mention  
4 on our list of initiatives we're doing in No. 10,  
5 because you mentioned outreach to kids and  
6 whatnot.

7 We had Young Ladies With Purpose  
8 which was a little outreach program that was  
9 spearheaded by admin staff at the 10th Precinct.  
10 The women, sworn and non-sworn female personnel  
11 at the department had decided they wanted to  
12 reach out to some young ladies in the  
13 neighborhood and do a structured mentorship  
14 program and they did it out of their own pockets  
15 on their own time.

16 We just found out -- I don't think  
17 Capt. Slappy even knows -- we just found out this  
18 afternoon they got a \$1,500 grant from the  
19 Skillman Foundation for next time, we're going to  
20 start this September.

21 So they won't have to go into their own  
22 pocket. they were so engaged and wanted to do it  
23 so much that these officers and civilians went  
24 into their own pockets for the food and the other  
25 supplies to do this outreach and mentorship to

1 these young women from the neighborhood, so that  
2 will start again in September.

3 COMMISSIONER CRAWFORD: Thank you,  
4 Commander.

5 COMMISSIONER CARTER: Commissioner  
6 Shelby?

7 COMMISSIONER SHELBY: I want to thank  
8 you, Commander. They're doing a fantastic job at  
9 the 10th Precinct.

10 As you know, some of the old-timers  
11 though, the 10th Precinct is near and dear to my  
12 heart, haven't worked there for money years.

13 So, again, thank you for your efforts  
14 in keeping the 10th Precinct safe.

15 COMMISSIONER CARTER: Thank you,  
16 Commissioner Shelby.

17 COMMISSIONER SANDERS: I'd just like to  
18 make a comment. I haven't been to the 10th  
19 Precinct yet, but I am coming. The precincts  
20 that I have been to, 2 to 9, one thing that I  
21 noticed at each precinct from the Captain to the  
22 Commander is the way that they train the young  
23 officers just out there and ones that comes out  
24 of the academy, I mean I sit there and I just  
25 witness the way they really take them under their

1 wing and train them, and just seeing that I know  
2 we're going to be in great shape as the officers  
3 get older, because you taking raw talent and you  
4 shaping it and to take the time to do that,  
5 especially with trained officers, is excellent,  
6 so I gave kudos out to all the prevents that I  
7 have been through and seen it firsthand.

8 COMMISSIONER CARTER: Thank you,  
9 commissioner.

10 COMMISSIONER DEWAELESCHE: Madam Chair,  
11 I have a question for the Chief. What is the  
12 plan for upgrading and renovating precincts and I  
13 ask this because the 10th Precinct is probably  
14 one of the older precincts.

15 ASST. CHIEF WHITE: It is.

16 COMMISSIONER DEWAELESCHE: And I drive  
17 down Livernois every day when I go home from work  
18 and I just think they need to have some tender  
19 care. They're doing such an important job in  
20 this community, what is the plan for helping to  
21 renovate precincts and where is No. 10 on that  
22 list?

23 ASST. CHIEF WHITE: So, No. 10 is on  
24 the list, it has been stabilized, but let me  
25 answer your first question first.

1                   What's the plan to revitalize the  
2                   precincts. As you know, there was no  
3                   infrastructure improvements for over 10 years in  
4                   these buildings, there just wasn't. Compounded  
5                   by the fact that we took precincts that were  
6                   designed for one group, one precinct, and made  
7                   them into districts, so we put in essence two  
8                   precincts into one.

9                   So that put a tremendous strain and  
10                  then add in the fact we went through a  
11                  bankruptcy, so no money is coming in to maintain  
12                  these precincts.

13                  So now we're stabilized. The City is  
14                  turning around, the money has returned to making  
15                  investments into infrastructure and we have  
16                  begun. So by way of first getting out of  
17                  districts into precincts. As you know, we built  
18                  a brand new 5th Precinct. We put some money into  
19                  11. We are finishing an 8 Precinct. We built a  
20                  temporary 7. We've got a long-term plan for 7.

21                  And then there's a number of other  
22                  little small projects inside of that, so right  
23                  now 3, 8 are on line and being completed, 3 is  
24                  being completed. We just did the locker room at  
25                  3, we're moving to the first floor, the money

1 just got approved last week to move to the first  
2 floor and build out a lobby.

3 No. 8 finishes off next week and then  
4 we complete the Realtime Crime Center and then we  
5 complete the Communications Center which is very  
6 important because what the Communications Center  
7 gives us is a backup should the primary go down.  
8 We didn't have that before, and in order to be  
9 what's called a PSAP which is a public safety  
10 point, you have to have a redundancy that doesn't  
11 go down at all.

12 We will do that in a matter of a few  
13 weeks, so what you saw in the past when the  
14 radios go down, we didn't have a backup, we had  
15 to work off of PREP. Now we'll have a fully  
16 functional backup from Homeland Security and  
17 things like that.

18 Then we move into the more older  
19 precincts and bigger projects. No. 10 we put in  
20 -- we've got windows coming, we've done some --  
21 what did we do, we did the porch, we did some  
22 windows, some painting, kitchen.

23 So what you don't see when you drive by  
24 is that. You see that old building that's been  
25 there since 1967. So -- but I will tell you that

1 as part of our long-term plan that is scheduled  
2 to launch this year they are in the buildout, so  
3 you will see construction trucks there very very  
4 soon. I can't promise before snow hits the  
5 ground, but we are trying very hard. You will  
6 have new windows there before snow hits the  
7 ground.

8 COMMISSIONER DEWAELESCHE: And I just --  
9 the reason why I even bring you that point is a  
10 lot of times when you do some outside facade  
11 improvement, it also has an impact on community  
12 interaction. When it looks like, there's  
13 flowers, you have landscaping, windows --  
14 important -- all of those things really help I  
15 think.

16 COMM. KYRIACOU: I can touch on that.  
17 We're going to do a little bit of an exterior  
18 renovation. What happened is last year Capt.  
19 Slappy when deep into her own pocket, put a lot  
20 of effort into doing some very nice flowering on  
21 the front of the precinct. I don't know if you  
22 remember that last summer.

23 Fortunately, but unfortunately at the  
24 same time we had the circumstance where the movie  
25 filming coming to the 10th Precinct. That

1           afforded us the opportunity to get a lot of  
2           improvements made to the building based on them  
3           having to return the building back to his it  
4           looked in 1967 which unfortunately didn't take a  
5           lot of effort.

6                         But that being the case, they basically  
7           undid everything that Capt. Slappy had put into  
8           place to the fact that if you happen to come to  
9           the 10th Precinct and look at the back garage her  
10          bricks that she bought out of her own pocket were  
11          cautiously piled up back there because I told the  
12          people from the movie, "Don't you lose her  
13          bricks", so we're going to put that all into  
14          play, but we've looked at layers of opportunities  
15          to where we could get things bettered at the  
16          precinct.

17                        What was mentioned about the little  
18          break area, Home Depot did us a solid and came in  
19          and had their little grant program and fixed up  
20          our report room and our little break area for the  
21          officers behind the front desk.

22                        If you come in, be glad to give you the  
23          nickel tour and show you where some painting was  
24          done and some structural improvements were made  
25          based on the movie.

1           Simple things like they put in doors  
2           and things that we wouldn't have been able to get  
3           budget for simply so they didn't have certain  
4           hallways in a shot and whatnot. So it was kind  
5           of interesting, so we benefitted from the movie,  
6           we benefited from Home Depot and now, like the AC  
7           says, there's programmed finances from the City  
8           to do some heavy duty improvements.

9           ASST. CHIEF WHITE: And if I can just  
10          add one more thing, ma'am, through the Chair, so  
11          to your question -- and I want to be clear --  
12          there is a capital plan allotment to restore the  
13          10th Precinct.

14          The business case has been completed,  
15          it has been reviewed and they are in line to get  
16          the precinct redone. So that will be  
17          accomplished within the next year and I want to  
18          just really compliment the Captain who is very  
19          modest. She beats me up all the time about that  
20          precinct, all the time, and -- but she's very  
21          innovative and she's done a tremendous amount of  
22          work. And as you've seen -- yeah, let's give her  
23          a big hand.

24          (APPLAUSE).

25          ASST. CHIEF WHITE: We really are

1 fortunate, we have a lot of people-centered  
2 captains in this department. Capt. Stewart,  
3 Capt. Hope who is here and I'm not not mentioning  
4 someone because they're not people centered, but  
5 we are very fortunate to have those people who  
6 are working very hard, doing programs that we  
7 don't really hear about, but like the mentoring  
8 program that Capt. Slappy is doing. That's just  
9 one of many things that -- Capt. Slappy calls me  
10 once a month with something crazy that she's  
11 doing because she cares and I love having a  
12 captain that you got to slow down, and not one  
13 you have to start up.

14 So she's outstanding. So thank you for  
15 your work.

16 (APPLAUSE).

17 COMMISSIONER DEWAELSCHÉ: And I just  
18 want to close by saying the commission is very  
19 concerned as well about our police officers and  
20 making sure that we help recruit new police  
21 officers and that you're working in very good  
22 precincts and under good conditions as well;  
23 thank you.

24 COMMISSIONER CARTER: Thank you and I'd  
25 like to also add that sometimes when we know

1 about things we can participate because I'd love  
2 to be a part of the mentoring program.

3 CAPT. SLAPPY: I will definitely let  
4 you know because we did partner with Pastor  
5 Pinson and he was there on Thursday to talk to  
6 the children who were at suicidal risk so he  
7 tried to cover it from both ends and, again, we  
8 will try to kick back in in September with the  
9 funding.

10 COMMISSIONER CARTER: Thank you and the  
11 mentoring with the young ladies --

12 CAPT. SLAPPY: We'll take care of that  
13 too.

14 COMMISSIONER CARTER: Sometimes a  
15 financial donation is okay too from us, so just  
16 -- sometimes we don't know what we don't know and  
17 it doesn't hurt to ask.

18 Not just AC White, you can ask us too.  
19 Thank you. Any other comments or questions,  
20 commissioners. Thank you.

21 At this time are there any outstanding  
22 BOC standing committee reports, ad hoc committee  
23 reports or standing committee reports? No, okay.

24 At this time we will have the report  
25 from the Board Secretary.

1                   SECRETARY HICKS: Thank you, Madam  
2                   Chair. I'm going to call your attention to the  
3                   board agenda and there are nine items that are  
4                   listed on the agenda and, again, these items  
5                   reflect information coming into the office,  
6                   they're not set on the agenda for action in  
7                   tonight's meeting.

8                   I did want to indicate that what had  
9                   been distributed and hopefully, commissioners  
10                  have had an opportunity to review is the  
11                  disciplinary reports that's come from the Office  
12                  of the Chief Investigator.

13                  That has been circulated as well as in  
14                  this nine, there were also two requests for the  
15                  use of the commission's subpoena power. We  
16                  executed those consistent with the rules that had  
17                  been developed by the commission and as you can  
18                  see there are several other items that are listed  
19                  in the report.

20                  Having said that, I wanted to just  
21                  simply make one other clarification and that is  
22                  as it relates to the cars. Some of the confusion  
23                  is the cars is where those cars are going. The  
24                  cars are cars that go to the Board of Police  
25                  Commission, it is not -- they're not cars at OCI

1 as such, so there was some confusion in terms of  
2 communications in that regards, but those are  
3 cars that were essentially paid for by extracting  
4 surplus from the Board of Police Commission in  
5 order to generate the funds to support that.

6 So when those cars come in, the  
7 deployment of those cars, once they're released  
8 from your office, would be to the Board of Police  
9 Commission.

10 COMMISSIONER CARTER: Thank you, Mr.  
11 Hicks.

12 COMMISSIONER CRAWFORD: Through the  
13 Chair, when you say Board of Police Commission,  
14 let's emphasize that not the commissioners.

15 COMMISSIONER CARTER: Not the  
16 commissioners, no.

17 COMMISSIONER CRAWFORD: We don't get  
18 cars. We're not supposed to get cars.

19 SECRETARY HICKS: In fact, you don't  
20 even get rides.

21 COMMISSIONER CARTER: Any other  
22 comments, commissioners? Is there any old  
23 business?

24 New business?

25 COMMISSIONER CRAWFORD: Yes, Madam

1 Chair, through the Chair. Yesterday the Governor  
2 of the state of Michigan signed the police  
3 bodycam law was signed into law by the Governor.  
4 It takes effect January of 2018.

5 I'd like for research to be done in  
6 terms of if it in any way conflicts with what we  
7 have in terms of a bodycam policy.

8 Just to note that the bill that was  
9 signed exempts recordings from public records  
10 requested under certain circumstances including  
11 if the recording is made in a private place. I  
12 do understand about private places, people's  
13 homes, etc, but the words "certain circumstances"  
14 maybe kind over broad.

15 Also too the activists and myself even  
16 as a commissioner I question the transparency of  
17 this. It also states that the video must be kept  
18 for 30 days unless there some sort of  
19 investigation or something outside of just the  
20 normal. One might say the video is supposed to  
21 be retained for 30 days. However, it exempts the  
22 recordings from private -- public record requests  
23 under certain circumstances including recordings  
24 made in private places.

25 So this bill -- and I don't have the

1 bill number because I just -- when I grabbed this  
2 it was sort of in a rush. Basically, like I  
3 said, I don't know what the ACLU is going to say  
4 about this, and other organizations, but just so  
5 -- just a matter of record just so that it's  
6 noted that it may somewhat limit the transparency  
7 now.

8 And speaking of bodycam video, I just  
9 also too must go on the record to state that  
10 certainly I hope it's not a pattern with Detroit  
11 Police Department because two years ago there was  
12 some bodycam -- I'm sorry, there was some dashcam  
13 footage which had 16 minutes that was missing  
14 for whatever reason and it was dropped in the  
15 media involving the stop of Adolph Mongo.

16 Most recently Bishop Vann was stopped.  
17 There's no footage of that whatsoever and so then  
18 there was another incident recently which was  
19 really -- which was dropped in the media, the  
20 bodycam footage and appropriately so because the  
21 other individuals involved in that incident in  
22 Southwest Detroit, it was really a very dangerous  
23 situation that occurred where an individual  
24 tasered a police officer.

25 And that footage was released in the

1 media and now the issue -- I have no problem with  
2 that and I know there's FOIA, etc, but is that  
3 footage being released in its entirety given I  
4 know the evening news is only going to do a  
5 minute or two minutes and a sound bite on all  
6 this, but I just want to make sure that there's  
7 no pattern of it -- some things being cut on the  
8 floor so to speak.

9 ASST. CHIEF WHITE: May I respond to  
10 that? Through the Chair, the last video that  
11 you're speaking of with the tasered incident, we  
12 obviously have no control over which portion the  
13 media chooses to release when they do their  
14 editing, but we don't have a practice of  
15 releasing and editing video before we release it.

16 If the decision is made to release,  
17 generally speaking the release is complete unless  
18 it compromises an investigation, releases  
19 information that compromises a suspect, victim or  
20 area, so that's the only time you'll see any type  
21 of edit.

22 Right now as we transition to the  
23 SunGard system there are times when we will run  
24 into instances where we are not fully  
25 implemented, so we've got two systems out there.

1           We've got the SunGard and I can't think  
2 of the other name -- Data911 is the second  
3 system. So the older victims have the Data911  
4 system. It is not as reliable as the SunGard  
5 system and that's why you see some sporadic use  
6 with that system, but it's in the older cars.

7           The reason being is the technology for  
8 the cars, it makes no sense to put new technology  
9 in old vehicles because you're going to replace  
10 the old vehicles, but we have a number of old  
11 vehicles on the street.

12           And lastly, as relates to what was  
13 signed by the Governor over the past 24 hours,  
14 the department -- we did take a look at it this  
15 morning. We're going to request a legal opinion  
16 on that. There are aspects of it that are more  
17 restrictive than the current policy and there are  
18 aspects that are not, so it does somewhat  
19 conflict with the current policies that we have.

20           I think that we can introduce more  
21 restrictive guidelines for officers than that  
22 policy asks for. And as relates to the saving of  
23 the video, there are videos that we tagged that  
24 we will save until the case is disposed of. So  
25 those areas that we're going to be looking into

1 and once we get those answers we will have a  
2 report for the Board.

3 COMMISSIONER CRAWFORD: Yes, sir, thank  
4 you very much.

5 SECRETARY HICKS: Excuse me, Madam  
6 Chair. If I could also add, we likewise, our  
7 Policy Division had pulled the law and we're  
8 conducting a review of that and we're going to  
9 supply the commissioners with a summary first of  
10 all of the law.

11 We are mindful that municipalities are  
12 creatures of the State and as the State sets a  
13 policy we clearly cannot be in conflict with the  
14 policy, but if, for example, it sets a minimum --  
15 I mean, sets a standard of 30 days on the  
16 retaining the record, there's no particular  
17 reason why you could not as a local municipality  
18 expand that under your authority.

19 But clearly we can't be in conflict  
20 with State law and we're conducting such a review  
21 and will supply the commissioners with that.

22 And, Chief White, we like could share  
23 that with you and any helpful review that you can  
24 assist us with in that regard we'd be more than  
25 happy.

1 ASST. CHIEF WHITE: Thank you. Your  
2 Board and your work has been very helpful with  
3 drafting that policy, at least the draft form of  
4 the policy, so I would appreciate that as we go  
5 forward.

6 COMMISSIONER CRAWFORD: Thank you, Mr.  
7 Hicks.

8 COMMISSIONER CARTER: Thank you. Any  
9 other new business? Announcements, our next  
10 Board of Police Commissioners meeting will be  
11 Thursday, July 20 at 3 PM at the Detroit Public  
12 Safety Headquarters located at 1301 Third Avenue.

13 Our next community meeting will be in  
14 the 5th Precinct at Kerns Marina located at 100  
15 Meadowbrook south of Jefferson west of St. Jean  
16 on the east side.

17 At this time we'll have oral  
18 communication from the audience. Please give  
19 your name and limit your comments to two minutes,  
20 please.

21 MR. BROWN: The first speaker is  
22 Mr. Otis Mathis followed by Ms. Yolanda Wells.

23 MR. MATHIS: Yes, my name is Otis  
24 Mathis from Southwest Detroit, District 6. How  
25 are you doing, Ms. Dewaelsche.

1 I just want to say I'm glad you cleaned  
2 up that car thing because we was thinking man,  
3 y'all getting free cars. Everybody want to run  
4 now.

5 But I been knowing Mr. Hicks a long  
6 time, we've sat on several boards together, he's  
7 a good guy.

8 COMMISSIONER CARTER: Proceed.

9 MR. MATHIS: Yeah, one think I wanted  
10 to ask about, one thing and the term of Ms. Lisa  
11 Carter and her husband Tyrone Carter is going a  
12 great job in the Southwest Detroit where we live  
13 at in that 48217, we fighting about a company  
14 want to open up a trucking company, semi trucks,  
15 to come into the heart of our neighborhood and I  
16 know that we have trucks that park on the  
17 streets. We never really thought about them, but  
18 I know if we'd start complaining about that  
19 company, we got to take all the semi trucks  
20 that's illegally parked in our neighborhood in  
21 consideration.

22 I was wondering how the police officers  
23 -- are they the one to give the tickets and how  
24 can we come together and have a discussion, at  
25 least notify, because some of those semi trucks

1 that parked in the neighborhood is residents,  
2 friends and family, but we can't make an  
3 exception, now we going after one company, but  
4 you need to notify them. Thank you very much.

5 COMMISSIONER CARTER: Assistant Chief  
6 White, do you want to respond to that?

7 ASST. CHIEF WHITE: Yes. Sir, can you  
8 restate the issue for me, I apologize.

9 MR. MATHIS: There's a building that  
10 sits on Schaefer in the 4821 zip code  
11 neighborhood of Southwest Detroit on the other  
12 side of the Rouge River. At one time the  
13 McFaddens built a large building to put semi  
14 trucks and repair and they were stopped because  
15 it wasn't zoned for it.

16 Now there's a company, a gentleman and  
17 his partners, from outside the city of Detroit  
18 want to have it rezoned M4 so they can bring in  
19 these big semi trucks and repair them.

20 And we're saying no, it wasn't done  
21 back when Mary Mahafey was on the board. They  
22 tried to find a place for the McFaddens, but we  
23 do realize we have community people that have  
24 semi trucks and they park them in the  
25 neighborhood.

1           If we say go after them who want to  
2           come in and park and repair semis, we got to be  
3           fair and people, our friends, families that are  
4           parking their own trucks illegally in the  
5           neighborhood, we can't make an exception, so we  
6           need to have opportunity to find out who's going  
7           to give tickets, how do we let our family and  
8           friends know that this is coming before they get  
9           tickets, and we need to sit down and come up with  
10          an idea in the police department who provides the  
11          tickets for illegal parking of those big huge  
12          semi trucks.

13                 ASST. CHIEF WHITE: I got it and I do  
14                 apologize.

15                 MR. MATHIS: No problem. Can I say one  
16                 other thing. And we also, like I say, very heavy  
17                 polluted and one thing I found out, I had bladder  
18                 cancer last year which was my third time and  
19                 found out that that type of cancer primarily  
20                 comes from emission of trucks, and if you know  
21                 that area, we have a lot of trucking already in  
22                 there.

23                 ASST. CHIEF WHITE: Yes. Well, I'm  
24                 glad you're recovered and God bless you with  
25                 that.

1 (APPLAUSE).

2 ASST. CHIEF WHITE: With regards to  
3 your question, we have a number of complaints  
4 regarding 18-wheelers, big trucks, n residential  
5 neighborhoods and the enforcement in that is  
6 significant. The tickets are very significant.

7 What I'd like for you to do after the  
8 meeting is meet with my lieutenant and we will  
9 follow up with you, but we do not offer a  
10 provision for residential parking, so if we're  
11 going to prohibit it, we have to prohibit it for  
12 all trucks across the board, so there would not  
13 be -- yeah.

14 COMMISSIONER CARTER: I don't think  
15 we'd have a problem with that, not in a  
16 residential area. Thank you.

17 MR. BROWN: Ms. Wells, followed by Mr/  
18 Perry.

19 MS. WELLS: Hi, my name is Yolanda  
20 Wells. I have a problem with -- I got robbed  
21 twice. I was on Channel 4 and until Channel 4  
22 the police came out. I was told by 9-1-1 that I  
23 was a priority case. My neighbor, one who is 73,  
24 caught the young men. It was a police officer on  
25 Schoolcraft and he told them it wasn't his

1 problem.

2 So I have a personal problem with that  
3 because when do the police come for me. I waited  
4 six hours, five to six hours later for a police  
5 to come get a report.

6 The police also told me they knew who  
7 they were. With the pictures my neighbors took  
8 they should have been arrested yesterday. I  
9 shouldn't have had to walk on Schoolcraft and see  
10 them. I shouldn't have to live in fear.

11 So that meant I got robbed by them and  
12 robbed by the police department. When do the  
13 police work for the citizens?

14 COMMISSIONER CARTER: Thank you, ma'am.  
15 I'm going to ask Mr. Nelson -- ma'am, Mr. Nelson  
16 is going to talk to you in the back of the room;  
17 thank you.

18 ASST. CHIEF WHITE: I'm also going to  
19 ask Lt. Lewis to get some information on that too  
20 so we can follow up.

21 COMMISSIONER CARTER: Okay.

22 MS. PERRY: Hi, my name is Niani Perry.  
23 I live in the same community as Ms. wells. I  
24 actually met her because of her interview she did  
25 on social media with the Channel 4 News which was

1 posted because I recognize the assailants that  
2 were in her video because they came into my  
3 neighbor's house 11 times in one week.

4 I called the police, they would show up  
5 10, 12, 16, 24 hours later and then as a public  
6 servant and me being a concerned citizen I would  
7 ask them why are you late, why did you show up so  
8 late and they would get irritated, sarcastic and  
9 very rude and just disrespectful to me as a  
10 citizen who took the time to be like Ms. Trevor  
11 and dial 9-1-1.

12 I have videotaped this illegal  
13 activity, stolen cars being in my house, the  
14 abandoned house now because the young lady had to  
15 move because they took the hot water tank, the  
16 furnace and then set it on fire at 5 o'clock in  
17 the morning.

18 My concern is to this response time  
19 for the police. There are other citizens in the  
20 neighborhood, it's just not us, we're just the  
21 ones that came to this meeting today. I have  
22 plenty more. As to why we're not having, like  
23 the 10th Precinct, and it's very discouraging for  
24 the citizens that are in our community to want to  
25 call the police because like she says we see

1 those assailants and those perpetrators every  
2 day. They live right down the street from me.

3 COMMISSIONER CARTER: Ma'am, I'd like  
4 to thank you for coming out to let us know your  
5 concerns in your neighborhood and I'm going to  
6 ask AC White if you could have someone follow up.

7 ASST. CHIEF WHITE: I will and let me  
8 say to you that that is unacceptable. We will  
9 look into it and we will follow up on these two  
10 cases to the Board. I think it's important to  
11 present what we find, unpack these issues and  
12 present to you our findings.

13 So if we can give us two weeks on this  
14 to get to the bottom of it, if you have video we  
15 will get that video from you and we'll find out  
16 what happened with your case, okay?

17 MS. PERRY: Absolutely.

18 ASST. CHIEF WHITE: Deputy Chief  
19 Bettison, could you please get some information  
20 so we can start an investigation, please.

21 MS. PERRY: Thank you.

22 MS. PANNELL: Sharon Pannell. I have a  
23 good report. I'm from 2nd Precinct, but I'm  
24 honorary 10. They forgot to tell you what they  
25 do for the senior citizens. We go to the movies,

1 they take us down to the park, they take us out  
2 to the -- what was that museum over on -- off of  
3 Woodward, Historical Museum. We've been a lot of  
4 places with them and I just want to say thank  
5 you.

6 COMMISSIONER CARTER: Thank you.

7 MS. McKISSIC: Hi, I'm Mary McKissic.  
8 I'm the former president of Detroit Citizen  
9 Police Academy Alumni Association. I have two  
10 questions.

11 Do you still have senior representation  
12 for hiring of police? I used to serve on the  
13 Oral Board as a citizen and I just wondered if  
14 you still do that.

15 ASST. CHIEF WHITE: I do not know. I  
16 remember we had that program in place. I can't  
17 tell you if it's still in place or not, but I  
18 will find out.

19 MS. McKISSIC: I thought it was very  
20 effective for giving input for police coming on  
21 board instead of having some of the problem  
22 police serve and then catch them later on.

23 ASST. CHIEF WHITE: So it's not in  
24 place any longer? Okay.

25 MS. McKISSIC: My other question is I

1 want to say in addition to what Sharon Pannell  
2 said I want to say thank you to the 10th Precinct  
3 for taking us seniors to the movies. I'm one of  
4 their main people that go every time we go. I  
5 think it's a wonderful program, but I know we are  
6 being taken in vans, but I'd like to see a van  
7 since you have money.

8 (APPLAUSE).

9 MS. McKISSIC: Yeah, his is the time to  
10 get it.

11 COMM. KYRIACOU: If I could touch on  
12 that, I want to give credit where credit is due.  
13 The AC has mentioned a lot of our challenges  
14 post-bankruptcy. One of the challenges that we  
15 had is the ability to transport citizens to these  
16 things that we'd like to take them to. So last  
17 year at our National Night Out I have a  
18 conversation with the gentleman from DDOT and  
19 Sgt. Hall will help me out on his name -- Dan  
20 Dirks, I'm sorry.

21 Mr. Dirks, we had a conversation about  
22 our challenges with vehicles and he indicated  
23 that he had a budget for ancillary  
24 transportations services that could help out. We  
25 partnered up and for the last year since then it

1 has enabled us to transport these citizens and  
2 other -- senior citizens and other people to  
3 events that we otherwise would not have been able  
4 to do if we didn't partnership with this other  
5 part of city government.

6 So you need to know we're all working  
7 together very well to make these things happen.

8 COMMISSIONER CARTER: That's wonderful,  
9 thank you, Commander.

10 MS. McKISSIC: I hadn't quite finished,  
11 but God bless the child that has his own. I also  
12 want to invite all of us to Jazz in the Park on  
13 Sunday, July 16, featuring Charles and Glenn  
14 Scales. Its from 6 to 8 in Russell Woods Park  
15 right here in our 10th Precinct.

16 Here's a flyer for anyone who's  
17 interested and thank you for -- and it's free and  
18 it's very very nice. Come out.

19 COMMISSIONER CRAWFORD: What time,  
20 ma'am?

21 MS. McKISSIC: It's from 6 o'clock to 8  
22 o'clock. Bring your chairs.

23 COMMISSIONER CARTER: If you could give  
24 that to Mr. Brown so he can send it out to all of  
25 the commissioners electronically, that would be

1 great; thank you.

2 MS. McKISSIC: And thank you for  
3 allowing me to address you.

4 COMMISSIONER CARTER: Thank you.

5 COMMISSIONER DEWAELSCHÉ: Madam Chair,  
6 if I could make a comment. I know that  
7 Commissioner Bell and our OCI director Director  
8 Drake go to the academy for each new class that  
9 comes on board, and I know that they talk about  
10 the different challenges that officers are going  
11 to face, but they also talk about diversity and  
12 different groups that have to have special  
13 attention or have special needs.

14 And I think it would be a great idea to  
15 have a senior citizen go to the academy when they  
16 go and talk about some of the unique issues or  
17 concerns that they have as residents of Detroit.

18 I don't know if that's something, Ms.  
19 Pannell, that they cover in the community  
20 relations -- the Community Academy -- Citizens  
21 Academy.

22 MS. PANNELL: You'll have to contact  
23 Yolanda McCann because I can't tell you anything  
24 on that. She's the new president, you have to go  
25 through her. I can give you her number.

1                   COMMISSIONER DEWAELESCHE: But I think  
2                   that that's something that our new officers need  
3                   to know and if they're not being -- if they're  
4                   not a part of the Oral Board, then maybe they can  
5                   be a part of the academy and helping train our  
6                   new officers and so I would like to put that idea  
7                   out there and see if that's something we could  
8                   consider.

9                   ASST. CHIEF WHITE: Through the Chair,  
10                  the recruiting process does not come through my  
11                  chain with regards to the Oral Board, but  
12                  fortunately the training does report to me.

13                  I love that idea. I think we do a  
14                  community service portion in the academy now  
15                  where each academy student has to take on a  
16                  community project where they go out, they clean  
17                  up parks, they work in the community.

18                  We just did some work at the Northeast  
19                  Guidance Center with that special population  
20                  there, so this just adds to that. I think that's  
21                  an outstanding idea and that's something I will  
22                  add almost immediately.

23                  I think picking a day where the  
24                  community can come in, seniors can come in and  
25                  talk to the staff and talk to the new recruits

1 that will be serving them will be very  
2 beneficial.

3 So thank you for that.

4 COMMISSIONER DEWAELESCHE: Thank you and  
5 please let us know when that happens because I  
6 would like to be there as well.

7 ASST. CHIEF WHITE: Will do.

8 COMMISSIONER CARTER: Thank you.

9 MR. BROWN: Our next speaker is  
10 Ms. Theo Broughton followed by Mr. William Davis.

11 MS. BROUGHTON: Happy Thursday to  
12 everyone. Again, my name is Theo Broughton and  
13 I'm co-founder of an organization called Hood  
14 Research. I was listening to the issue of the  
15 old police cars that don't have radio equipment  
16 and TV equipment, recording equipment I guess I  
17 should say.

18 How many cars are in that number,  
19 Number 1, and Number 2, I was told that the  
20 experiment of body cameras was in certain  
21 precincts, but those body cameras, experiment or  
22 not, need to be on the officers that are in these  
23 old cars you keep referring to.

24 I think that there needs to be some  
25 consideration about the state streets and county

1 streets with the policing of the Sheriff's  
2 Department, those roads, Eight Mile, Seven Mile,  
3 you know, they're county roads.

4 Woodward Avenue, Grand River, there are  
5 others that are state roads. Since we have such  
6 a small number of police officers as we are told,  
7 then maybe there should be some cooperation for  
8 them to patrol their own streets. I noticed  
9 there's plenty of cooperation with cops coming --  
10 coming from the other cities like Dearborn coming  
11 to Detroit, other cities coming to Detroit to  
12 arrest, ticket, etc, so that would be helpful if  
13 they would do that.

14 Can you tell me about the number of old  
15 cars you're referring to?

16 COMMISSIONER CARTER: Sure, Assistant  
17 Chief White?

18 ASST. CHIEF WHITE: We have a  
19 comprehensive plan for deployment. Approximately  
20 30 percent of our vehicles have the older systems  
21 in them, but that number drops as we go week by  
22 week to full deployment of our new system.

23 MS. BROUGHTON: So is there any reason  
24 why you cannot equip the officers with body  
25 cameras? You seem to have some issues with

1           disrespect as was shared earlier.

2                       ASST. CHIEF WHITE: Through the Chair,  
3           that's a very good point. And the plan as it  
4           stands today is if we find ourselves at full  
5           deployment which is in December, but not fully  
6           outfitted with new vehicles, the plan would be to  
7           have those officers still have the body camera  
8           even though those cars may not have the in-car  
9           system.

10                      MS. BROUGHTON: And they should be  
11           checked each time the officers go out on their  
12           patrol.

13                      ASST. CHIEF WHITE: Absolutely and  
14           that's part for our policy and we do have our  
15           supervisors evaluate the policy. Every officer  
16           on patrol will have the body camera.

17                      MS. BROUGHTON: Okay, now lastly, we're  
18           expecting at the 2nd Police Precinct this coming  
19           Saturday at 2 PM to have information on the new  
20           election machines from the Election Department  
21           for anybody who's not familiar with them; thank  
22           you.

23                      COMMISSIONER CARTER: Thank you, ma'am.

24                      MR. DAVIS: Good evening. My name is  
25           William Davis. I am the president of the Detroit

1 Active Retired Employee Association. I would  
2 like for you to know that the Detroit NAN as a  
3 group and organization who frequently organizes  
4 and protests against injustice looks forward to  
5 working more closely with the Detroit Police  
6 Department, but we will continue to point out  
7 when we think things look wrong or are being done  
8 unjustly to our people.

9 Also as Ms. Broughton was indicating Z  
10 the meeting Saturday at the 2nd Precinct, the  
11 neighborhood association, I'm on the Executive  
12 Board, so we welcome everyone to come out and  
13 have a good time and learn a little bit more  
14 about what's going on over in the 2nd Precinct.

15 COMMISSIONER CARTER: Thank you.

16 MR. DAVIS: Which is one of the best  
17 ones.

18 MR. BROWN: Ms. Connie Mitchell  
19 followed by Ms. Johnson and Mr. Harderman.

20 Ms. Mitchell.

21 MS. MITCHELL: Hi, my name is Connie  
22 Mitchell. I'm the recording secretary for the  
23 10th Precinct Community Relations organization  
24 and this will be our second year.

25 In September we're going to have a

1 community picnic and it's also a historical  
2 picnic of the 10th Precinct.

3 We'd like to get some information about  
4 the 10th Precinct so that we can present it to  
5 the community.

6 So my question is, where do I look and  
7 who would I talk to. I tried to reach some of  
8 the retired police officers and I thought maybe  
9 you all would know where I could find some  
10 information.

11 I've talked to Capt. Slappy, she's  
12 going to help me and Sgt. Hall, they're going to  
13 help.

14 COMMISSIONER CARTER: AC White.

15 ASST. CHIEF WHITE: Yes. Through the  
16 Chair, you're in luck. Comm. Kyriacou, where did  
17 he run off to? So Comm. Kyriacou knows people  
18 and one person HE knows is a personal friend of  
19 his who keeps a lot of memorabilia and I don't  
20 know why I can't think of his name because he  
21 retired from Communications, Danny Allen. He has  
22 everything you will need, so -- and then we've  
23 got the museum at headquarters that you're more  
24 than welcome to attend and we'll get you what you  
25 need from there as well.

1 MS. MITCHELL: All right, thank you.

2 COMMISSIONER CARTER: Thank you, ma'am.

3 MR. BROWN: Ms. Johnson.

4 MS. JOHNSON: Hi, everybody, good  
5 evening. First of all, I'd like to thank you for  
6 coming to this particular community. It happens  
7 to be all of us. This is all of our community  
8 and to my very dear friend and -- I just can't  
9 say enough about Capt. Slappy.

10 She is -- she is awesome. I mean I  
11 just -- I love you. I love her because she  
12 really loves the community, she loves the people,  
13 she loves what she does. And then -- are you a  
14 Commander? You're Commander? Commander K, he's  
15 another one. We don't always agree on a whole  
16 lot of things, but he loves the community, he  
17 loves the people and I just thank good for No. 10  
18 because it is my little bitty old thing and No.  
19 10 is truly the best.

20 When I walk into -- if there's an  
21 issue, walk into the precinct and I won't go off  
22 into -- it was just recent, and they got -- it  
23 wasn't because I was Cynthia A. Johnson. I'm  
24 seen them get on issues immediately just for  
25 anyone. This No. 10, they are a group of people

1 who truly truly loves and don't tell me okay,  
2 okay, I'm just saying what is on my heart.

3 Also, finally for those of you who  
4 don't know, I am a candidate for Detroit City  
5 Clerk.

6 COMMISSIONER CARTER: Thank you, this  
7 is not the forum for that, thank you.

8 MS. JOHNSON: Okay, thank you.

9 MR. BROWN: Mr. Harderman followed by  
10 Ms. Walters.

11 MR. HARDERMAN: Good evening, Board of  
12 Police Commissioners and the administrative  
13 staff, Assistant Chief. My name is Garland  
14 Harderman and I'm also president of the Russell  
15 Woods Defenders Association which is located here  
16 in the 10th Precinct.

17 And I want to thank the leadership as  
18 well as all the officers and sergeants for the  
19 10th Precinct for the work they've been doing.

20 The Commander talked about the Waverly  
21 Project and I was one of the community leaders  
22 that brought that to their attention and have  
23 worked with them very carefully to address that  
24 issue.

25 And we have made some phenomenal

1 process, but there's still a ways to go and we  
2 are -- now there's about 17 properties on Waverly  
3 between Dexter and Homer, but only about eight of  
4 them are occupied and they're all multiple-family  
5 units.

6 And so the proposed plan for that  
7 street between that block is to make it a one-way  
8 street going eastbound from Homer to Dexter  
9 because from Homer to Petosky is only Jehovah  
10 Witness church building there and parked on the  
11 other side.

12 So people still come and congregate  
13 there at night and it's a big problem. The  
14 police would have more police powers if there was  
15 no parking on the north side of Waverly after  
16 park hours are closed and that they could come  
17 and ticket or tow or warn people to move from  
18 that area, because we still have a problem with  
19 different gangs that assemble there in the  
20 evenings.

21 And I'd like to say that the community  
22 does give back to the police too. We have a  
23 great working relationship. Our association has  
24 brought a coffee pot to the 10th Precinct, we  
25 bring fruit there each month, fresh fruit for the

1 officers to partake in, so we have a great  
2 relationship.

3 The Commander, the captain, Sgt. Hall,  
4 Sgt. Braddock, the other members of the Special  
5 Operations Team, we all have a good relationship.

6 And one last thing is that I know what  
7 these people speak of in terms of being  
8 intimidated by people in your neighborhood who  
9 are really negative people or bad actors.

10 I had that situation happen because  
11 I've been working with the 10th Precinct to  
12 eliminate some people who have occupied homes as  
13 squatters or some of the illegal activity and  
14 they called me home and tried to intimidate me  
15 and called me a bunch of names, told me they are  
16 going to going to kill me.

17 I made that known to the 10th Precinct  
18 command office. They sent a Special Ops Team  
19 out, they made an arrest on the individual the  
20 same day that I made the complaint.

21 And so I applaud them for their  
22 efforts.

23 (APPLAUSE).

24 MR. HARDERMAN: And we're going to  
25 continue working with the police and I'm not

1 going to be intimidated in my own neighborhood.

2 Thank you very much.

3 (APPLAUSE) .

4 COMMISSIONER CARTER: Thank you, sir,  
5 for your comments.

6 MS. WALTERS: Good evening, my name is  
7 Pam Jackson-Walters and I'm in the 10th Precinct.  
8 I've lived in my neighborhood for 59 years, I'm  
9 63. I have seen my neighborhood go from sugar to  
10 -- uh-huh and I'm concerned now with just little  
11 things. I know some of our people need to be  
12 pushed into doing the right thing.

13 Everybody wants a nice neighborhood to  
14 live in, but if they feel like the City don't  
15 care, nobody else cares, then they stop caring.

16 Only thing I'm concerned with right now  
17 is to start with one little thing, the garbage  
18 cans. If your trash has been picked up on  
19 Thursday, you're supposed to put it out the night  
20 before or 7 o'clock in the morning, and then when  
21 you come home from work or after the garbage man  
22 has picked up your can, you take it back to the  
23 back of the house.

24 Our garbage cans sit out for three or  
25 four days. Sometimes they never go back to the

1 back. I would like to see these homes ticketed,  
2 not put a lien on the house because most of these  
3 people are renters, they don't care, but put the  
4 ticket on them, make them have to show up to  
5 court and pay the fine and maybe they will care  
6 just a little bit more about how they're living.

7 COMMISSIONER CARTER: AC White, do you  
8 want to address that? I know that neighborhoods  
9 do get tickets and the NPOs usually handle that.

10 ASST. CHIEF WHITE: Exactly.

11 COMM. KYRIACOU: What I'd like to  
12 promise you is, we like to try a little sugar  
13 first before we hit them with the ticket, so  
14 we'll get with Sgt. Hall will get a list  
15 together, the NPOs will go do some warning  
16 conversations and then if that doesn't work, then  
17 we'll drop some tickets on the people.

18 We also need to look at maybe we have  
19 some people that are elderly, having from  
20 problems moving the cans back and forth and we  
21 could help them out with that too.

22 ASST. CHIEF WHITE: And that's one of  
23 those programs that the academy students can do,  
24 so connect with the academy. If you've got an  
25 elderly group or population that can't more the

1 cans, we'll make that part of one of their  
2 community days as well.

3 MS. WALTERS: Thank you.

4 COMMISSIONER CARTER: Thank you, ma'am.

5 (APPLAUSE) .

6 COMMISSIONER CARTER: Thank you. At  
7 this time I'd just like to again thank everyone  
8 for coming out this evening and at this time is  
9 there a motion for adjournment?

10 COMMISSIONER SANDERS: So moved.

11 COMMISSIONER DEWAEELSCHE: Support.

12 COMMISSIONER CARTER: It's been moved  
13 and supported. Those in favor?

14 COMMISSIONERS: Aye.

15 COMMISSIONER CARTER: The motion  
16 carries, have a good evening everyone. We have  
17 refreshments in the back for everyone, anyone who  
18 wishes to participate. Thank you all for coming.
