4 CHAIRPERSON BELL: Good evening. I want to  
5 say good evening again and get your attention, please.  
6 I want to extend a warm evening invitation to you and  
7 greetings for attending our monthly community meeting  
8 here at the Boys & Girls Club.

9 I am Willie Bell. I am your Chairperson on  
10 the Board of Police Commission and I'm going to ask our  
11 Board Secretary, Mr. George Anthony, to introduce the  
12 rest of the Board Members. Thank you. They just  
13 reminded me that I broke from my routine. I normally  
14 allow the commission to introduce themselves in their  
15 own way for the community meeting so we're going to  
16 continue with that pattern. So to my far left, we  
17 start to my far left.

18 COMMISSIONER SHELBY: Commissioner Richard  
19 Shelby, District 1.

20 COMMISSIONER CRAWFORD: Commissioner Reginald  
21 Crawford, District 3.

22 COMMISSIONER CARTER: Commissioner Lisa  
23 Carter District 6, and I'm vice-chair with the  
24 Commission.

25 COMMISSIONER MOORE: Good evening. Police

1 Commissioner Ricardo Moore from the number 1 district  
2 in the City of Detroit, District 7.

3 CHAIRPERSON BELL: Mr. Secretary, are we in  
4 order now?

5 SECRETARY ANTHONY: Mr. Chair, you do have a  
6 quorum, but I would like to do a roll call of those  
7 commissioners that did not identify themselves.

8 CHAIRPERSON BELL: Thank you.

9 SECRETARY ANTHONY: Willie Burton asked to be  
10 excused tonight. He has some other engagements.  
11 Commissioner Wendell L. Byrd. Commissioner Jessica  
12 Taylor, she's trying to get here, sir, so I think she's  
13 on the way. And Commissioner Donnell R. White has  
14 asked to be excused.

15 Mr. Chair you do have a quorum of five  
16 commissioners.

17 CHAIRPERSON BELL: Thank you, sir. And to my  
18 extreme left, he needs no introduction. That's why the  
19 meeting is here. Chief James E. Craig to the far left.  
20 Thank you for attending.

21 CHAIRPERSON BELL: Mr. Anthony, would you  
22 introduce the staff of the Board of Police  
23 Commissioners, please?

24 SECRETARY ANTHONY: Well we have recording  
25 our proceedings Sergeant Alan Quinn, Miss Mindy Womack

1 from Hanson Court Reporting Services. And that  
2 completes the introduction of staff. Okay.

3 CHAIRPERSON BELL: And I see on the front row  
4 our newly appointed attorney to the board in the  
5 processes Linda Bernard. Thank you for your  
6 attendance, and we're looking forward to interacting  
7 with you as the attorney to the Board, newly appointed  
8 as of last week. And I think you said yes, is that  
9 correct?

10 MS. BERNARD: Yes, sir.

11 CHAIRPERSON BELL: Okay. We are happy to be  
12 here at the Boys & Girls Club and we have a greetings  
13 from the director of the Boys & Girls Club and we thank  
14 you for your hospitality Director Jackie Banks. Would  
15 you please come forward if you're in the house. Just  
16 give a round of applause. Give us official greetings  
17 when I think about Boys & Girls I always think about  
18 Denzel Washington.

19 MS. BANKS: Thank you. First of all, on  
20 behalf of the NFL Youth Education Town Boys & Girls  
21 Club we welcome each and every one of you here today.  
22 As members of the community, we're honored that you  
23 made us your choice, and if there's anything that I can  
24 do for you, my name is Miss Jackie. I would be honored  
25 to accommodate you. If the room needs temperature

1 adjusting, we need a few more chairs, whatever I can do  
2 to make your stay with us comfortable, let me know.  
3 Thank you.

4 CHAIRPERSON BELL: Thank you for hosting.

5 MS. BANKS: You're welcome.

6 CHAIRPERSON BELL: Mr. Secretary, we have  
7 Commissioner Wendell Byrd joining us to our left.  
8 Let's give Mr. Byrd a round of applause. Recently  
9 elected on the east side, west, west side.

10 CHAIRPERSON BELL: Commissioner Moore is  
11 going to read the duties and responsibilities of the  
12 Board of Police Commissioners.

13 COMMISSIONER MOORE: Thank you, Mr. Chair.

14 In 1973, the Citizens of Detroit adopted a  
15 new form of governance for the Police Department by  
16 revising the Detroit City Charter and creating the  
17 Board Police Commissioners. The revised City Charter  
18 became effective on July 1st, 1974.

19 The 2012 City Charter provides for the Board  
20 to have 11 commissioners - 4 members appointed by the  
21 Mayor, subject to the City Council approval, and 7  
22 elected members, one from each non at-large Police  
23 Commission District. The 2012 Charter gives the Board  
24 "supervisory control and oversight of the Police  
25 Department" as set forth in the Charter.

1           The Board is required to meet at least once  
2 each week but may vote to recess during the  
3 Thanksgiving, Christmas and New Year's holidays.

4           The Board is responsible for the following  
5 specific duties: Establish policies, rules, and  
6 regulations for the Police Department in consultation  
7 with the Chief and approval of the Mayor; review and  
8 approve the department budget; receive and resolve  
9 citizen complaints except those alleging criminality;  
10 act as final authority in imposing or reviewing  
11 discipline of employees of the Department; make an  
12 annual report to the Mayor, the City Counsel, and the  
13 public of the Department's activities during the  
14 previous year, including the handling of crime and  
15 complaints, and of future plans.

16           The Board appoints a Board Secretary. It  
17 also appoints a Chief Investigator and such additional  
18 staff of investigators, as it deems necessary. All  
19 Board appointees serve at the Board's pleasure.

20           The Board is a liaison between citizens of  
21 the city of Detroit and the Detroit Police Department.  
22 Thank you, Mr. Chair.

23           CHAIRPERSON BELL: Thank you Commissioner  
24 Moore.

25           We would like to pause before we address the

1 agenda. Do we have a chaplain in the house from  
2 Detroit Police Department or deacon from one of the  
3 local churches in the house? If not, we're going ask  
4 Commissioner Wendell. You looking around? He was  
5 here? Okay, sir, pastor come forward here.

6 (Invocation given).

7 CHAIRPERSON BELL: That's Chaplain James  
8 Powell. Thank you, sir. I appreciate that.

9 Commissioners, you have before you the agenda  
10 for this meeting, and what I would like to do is ask  
11 you to modify the agenda and move to our prosecuting  
12 attorney being the first order of business that we  
13 conduct after we approve the agenda. What is your  
14 pleasure for the agenda with the modification that I  
15 spoke to?

16 COMMISSIONER: So Moved.

17 COMMISSIONER: Support.

18 CHAIRPERSON BELL: Been properly moved and  
19 supported. Raise the question. Those in favor aye.

20 THE COMMISSIONER: Aye.

21 CHAIRPERSON BELL: Those opposed. Motion  
22 carries.

23 Commissioners, you have before you the  
24 minutes from Thursday, November 6th, 2014. What is  
25 your pleasure.

1 COMMISSIONER MOORE: So moved.

2 COMMISSIONER: Support.

3 CHAIRPERSON BELL: Ready for the question?

4 Those in favor?

5 THE COMMISSION: Aye.

6 CHAIRPERSON BELL: Those opposed? Motion  
7 carries.

8 So next item of business would be our Wayne  
9 County prosecuting attorney. I'm going to ask  
10 Commissioner Crawford to introduce the prosecutor in  
11 some form.

12 COMMISSIONER CRAWFORD: Yes. I'd like to  
13 thank everyone for attending this meeting and Honorable  
14 Prosecutor Kym L. Worthy is here to give us a  
15 presentation, and it's a timely presentation due to  
16 what occurred a couple days ago, so if you'd like to  
17 step forward, ma'am.

18 PROSECUTOR WORTHY: Thank you for having me.  
19 It's my pleasure to be here. I want to start off by  
20 saying that despite the history of this, we at this  
21 point enjoy a very good working relationship with the  
22 Detroit Police Department. I'm going to talk more  
23 about that in a minute. And the basic facts are August  
24 the 8th I think of 2009 there were a cadre of untested  
25 rape kits found in the Detroit Police Department

1 Property Annex. And this was being done as a  
2 walkthrough was talking place by Michigan State Police  
3 crime lab personnel, and one of my assistant  
4 prosecutors who was managing at the time. And he  
5 noticed that there were what he knew to be rape kits  
6 because he had worked in the office for a long time  
7 estimated that there were about 10,000. And when I got  
8 the phone call, I was quite surprised. I thought that  
9 this was probably a Detroit, yet another Detroit only  
10 issue. I could not have been more wrong.

11 I went home that day and Googled what we  
12 thought was 10,000 untested rape kits and started  
13 getting hits all over the country and across the pond,  
14 as they say, in Great Britain. We found out that not  
15 only did New York, and L.A., and Chicago, and Quantico  
16 and other areas have this issue, there's an issue in  
17 almost every state in the United States.

18 The issue then became for us what to do about  
19 it because we later discovered there are 11,341. And  
20 we had at that time no nexus between the kits and the  
21 police report. So they were not computerized, and so  
22 we had quite a task. We didn't know what to do. We  
23 didn't have any money. We didn't have any resources.  
24 And the attitude that would later be shared by Wayne  
25 County Executive who's part of my office, my office is

1 not funded by the city, it's funded by the county, the  
2 county executive would later say that he didn't think  
3 that we should be wasting our time; that it was a low  
4 priority to prosecute the rapes coming from these kits.  
5 So we didn't know where to start.

6 So we started the fact that we knew, I knew  
7 that we wanted all these kits tested, even kits that  
8 were beyond what's called the statute of limitations.  
9 The statute of limitations basically is a time  
10 prescribed by law beyond which no prosecutions can  
11 occur. So let's just say the statute of limitations is  
12 ten years, if a crime was discovered ten years later,  
13 then under most circumstances, of course there are  
14 exceptions, you can't do anything with the case. But  
15 we and the law have different ways that we can deal  
16 with that so we knew we wanted them all tested because  
17 potentially we had over 11,000 victims of violent  
18 crimes right in the City of Detroit.

19 Now sexual assault or rape or by statute in  
20 Michigan is called criminal sexual conduct is among the  
21 lowest reported of crime across the United States, not  
22 unique to Detroit. The arrest rate across the country  
23 is low. Women who report, I say women, some men and  
24 some children as well, their percentage is quite low.  
25 So the small subset of women who go on to report the

1 rape deserve our full-time attention.

2 And so we started out by doing a collection  
3 of prosecutors and support staff and volunteers to come  
4 in and we went through each and every one of those  
5 boxes. It took us a total of nine months, basically,  
6 to go through each box and create our own database  
7 because the outside of a rape kit box -- does everybody  
8 know what a rape kit is? I shouldn't assume that you  
9 do. A rape kit is an invasive exam that a woman who  
10 has just been sexually assaulted goes through. It can  
11 take anywhere from four to ten hours where each and  
12 every orifice of that woman's body is poked and prodded  
13 and looked at and scanned and examined to see if any  
14 forensic evidence can be found from those orifices of  
15 her body, remember, she's just been sexually assaulted  
16 in the hopes that they'll be enough DNA material we can  
17 later identify a perpetrator. That's a very simplistic  
18 example. That's put in a box and hopefully taken to a  
19 lab and examined.

20 And so on the outside of the box is usually  
21 identifying information, the name of the victim, where  
22 it happened, the date that it happened, and some very  
23 very limited information like that.

24 So we created that database, and then we had  
25 to go and try to start finding files. This happened

1 five years ago. Chief Craig was not the chief then.  
2 And we had to start finding files that were attached to  
3 these kits as best that we could. It wasn't hard  
4 because there's not much material, not much information  
5 we had. That's what we had to start to do. Remember,  
6 it took us nine months. Prosecutor's were doing this  
7 on their own time despite the very heavy caseloads that  
8 Wayne County has.

9 In the middle of that, we started to kind of  
10 trying to figure out what we were going to do. We knew  
11 we couldn't just start with the first kit we found. We  
12 had to somehow figure out which kits we should test  
13 first. We knew we were nearing the statute of  
14 limitations on some kits, so we picked those first.  
15 And then we later categorized stranger rapes where the  
16 people didn't know each other, according to information  
17 that we had and so on and so on.

18 And so we later applied for a grant through a  
19 state agency called the Michigan Domestic Violence and  
20 Sexual Assault Prevention and Treatment Board, and the  
21 woman executive director is very learned and knows a  
22 lot of people in Washington. So we turned to the  
23 office of Violence Against Women in D.C..

24 Now just so happened Eric Holder, the  
25 attorney general, soon to be gone attorney general,

1           sadly, was very dedicated and one of his four missions  
2           of his tenure was sexual assault in the United States.  
3           And so his deputy, Bea Hanson, who's the head of the  
4           office of Violence Against Women provided some funds  
5           for us to do a pilot project so we could figure out  
6           what we had. And the researchers at Michigan State  
7           University told us if we picked 400 of these kits, that  
8           would give us a snap -- and analyzed them and  
9           investigated them, that would give us a snapshot of  
10          what we had. In other words, give us a basis to what  
11          we could look forward to in the future that we may  
12          have. So that took quite a while to do that. We did  
13          receive funds; we did do that.

14                        Later on down the road, we received about  
15          1.7, 1.8 million dollars from the Michigan -- from the  
16          Department of Justice in Washington, again run by Eric  
17          Holder, the arm of that called NIJ, the National  
18          Institute of Justice. It was a research project where  
19          we had two mandates, two main mandates. One was to  
20          figure out a blueprint or a protocol because there  
21          wasn't one, across the United States what was happening  
22          so jurisdictions won't have to start from scratch. It  
23          would have been nice to have that when we started. And  
24          two, to find out how sexual assault victims are treated  
25          from the beginning of their entry into the criminal

1 justice system all the way to the end.

2 So we found some very disturbing situations  
3 about cases and how law enforcement was treating them  
4 across the United States, we're really concerned with  
5 Detroit treating rape victims from the very beginning.  
6 And these rape kits remember at that time went back 25  
7 years. Now since we've been working on this project,  
8 they go back 30 years, some of them.

9 And so we started that. I want to give you  
10 just a few quick statistics from that particular  
11 particular project. We finished up the project. That  
12 money ran out. The three-year project ran out on  
13 September 30th of 2013, and so we were able to through  
14 that project, throughout all the other work that we  
15 did, test about 1600 kits. And through the 1600,  
16 remember I'm talking about the statistics I'm going to  
17 give you in a minute, I'm going to give you more  
18 updated ones, but from just the 1600 kits of the over  
19 11,000, 127 serial rapists were identified, 127.

20 And also we had issues because we knew that  
21 some people in the legislature and other places we  
22 turned to for help look at this as only a Detroit only  
23 problem, even though we knew it was a national problem.  
24 And so what we started telling people is rapists do not  
25 stop at Eight Mile Road, they don't stop at the city

1 line, they don't stop at the county line, the don't  
2 even stop at the state line. And these rapists just  
3 from the 1600 subsets, 1600 tested from that project,  
4 these rapists went on to rape in 23 other states and  
5 the District of Columbia. So these rapists just from  
6 1600 of over the 11,000, these rapists went on to rape  
7 in almost half of the states in the United States.

8 So there's your powerful argument that  
9 rapists are not -- they're transitory. They move.  
10 They don't stay. So they could come to anybody's town  
11 and offend. So we started working. Tonya is the head  
12 of the unit that works on these cases, works very hard.  
13 And she keeps stats, she's prosecuted cases and she has  
14 provided stats. But again, the problem we had was at  
15 that particular time was costing anywhere from 1200 to  
16 \$1500 per kit to test. \$1200 to \$1500 per kit to test.  
17 And we remember, I didn't get any support from the  
18 county. The city was having their financial issues,  
19 and so we really didn't know where to turn. And so I  
20 started talking about it to anyone who would listen,  
21 and even those that wouldn't. It started being picked  
22 up as a story and then Detroit Crime Commission stepped  
23 in. The Detroit Crime Commission served as our  
24 fiduciary so people from all over the country were  
25 sending in \$5, \$10, \$50 to help support, and it was

1 starting to add up. Two other things happened from  
2 Detroit Men's Business Women and Men stepped up, some  
3 to the tune of thousands and thousands, 50,000 to  
4 \$100,000 was donated to this project.

5 I also received a call very early on in this  
6 process from Congressman Conyers who called me and said  
7 you know, he was at the time head of the judiciary in  
8 the congress in the House of Representatives. He said  
9 well I heard what you're trying to do. I heard about  
10 the problem. I know we have to fix this. We cannot  
11 have this. We have to keep our women and children  
12 safe, in a safe Detroit. I want you to come to  
13 Washington. I've convened a panel. I want you to come  
14 to Washington to testify. Okay, congressman, anything  
15 for you. He said okay. I expect you here tomorrow  
16 morning at 9:00. So this was at 6:00 in the evening.

17 So I got there, and it's just like you see on  
18 TV. There's a table across and there's people that are  
19 there. I was on the end. And then there's a woman  
20 next to me who was a rape victim from Ohio, there are  
21 places in Ohio who had rape kit issues, who talked  
22 about her rape kit sat on a shelf for many many years.  
23 It was finally tested an her perpetrator is now in  
24 prison. And then next to her was a woman named Mariska  
25 Hargitay, who is the star of Law and Order SVU who

1 plays Olivia Benson. And so she told her story. The  
2 sexual assault victim told her story. I told about our  
3 dilemma and how we needed funding and how we needed  
4 help from the federal government to get this done. It  
5 was going to cost anywhere between 10 to 15 million  
6 dollars to get all these kits tested, and then more  
7 than that, not just getting the kits tested because  
8 that doesn't bring anybody to justice. We have to be  
9 able to investigate these cases and then prosecute  
10 them.

11 And so as Mariska at the end as she was being  
12 whisked out, I literally grabbed her and said -- her  
13 arm. I wasn't going to stalk her, I just grabbed her  
14 arm. We are having issues in Detroit, you've got to  
15 come help us and she said okay. And she did. She  
16 stepped up in a big way. She has a foundation called  
17 the Joyful Heart Foundation. Their foundation actually  
18 was a partner with us on our NIJ project and she's been  
19 very intimately involved sending untold dollars to the  
20 effort, her foundation, as well as having -- raising --  
21 having us to be a beneficiary of major dollars that she  
22 gives and we've gotten some major dollars from her as  
23 well. So this is how we funded it. I started  
24 traveling all over the country begging for issues and  
25 networking and it's really paid off.

1           And so at this point in time, we have, as I  
2           said, at that particular -- ran out last year and we  
3           still have a lot of work to do. But governor of the  
4           state stepped up, attorney general of the state stepped  
5           up. I don't remember exact date, year before last, and  
6           identified four million dollars from state settlement  
7           funds, tobacco companies that I guess they can use any  
8           way they see fit, and they provided us four million  
9           dollars to Michigan State Crime Lab to be able to test  
10          8000 more kits. So that means we had 10,000 kits  
11          accounted for.

12                 So right now as we speak, 4000 of those kits  
13          are being tested by a private lab called Sorenson and  
14          another 4000 being tested by another private lab called  
15          Bodie. And we're having literally hundreds of results  
16          coming in daily that we have to go through and analyze  
17          and have investigated so we can see if there's going to  
18          be prosecution comes out of these cases.

19                 So we have a sexual assault kit, a team that  
20          works on sexual assaults, the same prosecutor that does  
21          the warrant issues the charges. The same prosecutor  
22          the helps carry it all the way through.

23                 Recently we have two very stunning  
24          announcements and two things that have occurred. One,  
25          we have always said that if you can track a package

1 that you order from amazon.com and you can go on the  
2 computer and see where your package is, we ought to be  
3 able to track a rape kit as it goes through and  
4 traverses through the criminal justice system. So we  
5 thought well let's go to the people who do this for a  
6 living. As it stood, Dan Gilbert, who's company has  
7 been very helpful in this effort, his company provided  
8 \$25,000 to pay for a pilot program for us to be the  
9 first state in the nation that tracks rape kits  
10 electronically. Quicken Loans uses UPS so they put us  
11 in touch with UPS, and UPS in a matter of seems like  
12 days, but it's probably about a month put together a  
13 pilot program where Detroit Police Department officers  
14 and the SAFE nurses, the Sexual Assault Forensic  
15 Nurses, SAFE nurses are trained, and those are the  
16 nurses that do the rape kit exams in Wayne County, and  
17 they are going to be able to track these cases through  
18 the criminal justice system. Never been done in this  
19 country. The pilot program is just getting started.

20 Another thing that happened is we knew it was  
21 going to cost anywhere from 10 to 20 million dollars in  
22 order to be able to investigate and prosecute these  
23 cases after they were tested. We knew it was going to  
24 take us anywhere from three to five years to get it  
25 done. We were committed, as was Chief Craig, Detroit

1 Police Department, and our other partner, the nurses,  
2 the victim advocates that we worked with. We worked  
3 very closely with some cases knocking on the doors of  
4 women 10, 15, 20 years ago that happened 20 years ago.  
5 They may have a new life, they may have remarried, they  
6 may have married, they may have never told their spouse  
7 about what happened to them, and so we spend a good  
8 deal of time on victim notification and how to notify  
9 victims about what we're knocking on the door for, and  
10 we've had a great deal of success doing that.

11 And so now we need to know how we're going to  
12 raise this 10 to 20 million dollars. And actually a  
13 member of city counsel put me in touch with David  
14 Edner, who's the head of the Hudson Webber Foundation,  
15 and they put together a consortium, and this has also  
16 never been done, a consortium of non-profits, Hudson  
17 Webber, Kellogg's, Skillman, Ford Foundation, about  
18 eight foundations, and they formed New Detroit Economic  
19 Initiative. And they are funding the Michigan Women's  
20 foundation to raise 10 to 20 million dollars to fund  
21 this effort. And so we have the private sector  
22 stepping up and the nonprofit sector stepping up in a  
23 very very big way to support this effort. We want to  
24 make sure that every woman whose rape kit that we have  
25 that can be prosecuted will be prosecuted, and this

1 will be a safe, safer Detroit.

2 Now let me say what's important is that when  
3 you are able to get a forensic profile, when there's  
4 enough material to get a profile, I'm going to tell you  
5 what the numbers are in a minute, that also helps solve  
6 other crimes. It helps solve homicides, it helps to  
7 solve robberies, it helps to solve carjacking, it helps  
8 to solve breaking and entering, it helps to solve auto  
9 theft. When forensic evidence is taken in any crime  
10 and there's enough DNA material to get into the  
11 database, so any kind of populated database is going to  
12 help us solve crimes, not just sexual assault.

13 One other significant thing has happened as  
14 well. We knew that we were going to have to have  
15 legislation in the state to make sure this never  
16 happens again because it didn't make any sense to have  
17 this issue, deal with this issue, spend as much time,  
18 energy, and resources on it and then look around in  
19 five years and have it happened again. So with the  
20 help of everybody, every agency that I've mentioned  
21 already, including the Detroit Police Department, we've  
22 crafted legislation, and now that was signed by the  
23 governor a couple months ago, it passed both houses in  
24 record speed, it was a nonpartisan issue. We had tea  
25 party, democrats, republicans all supporting this

1 issue, and so it was a good thing to see because nobody  
2 wants to see their wives raped, their mothers raped,  
3 their daughters raped, their aunts raped, any woman  
4 raped, and so that's very helpful. So now we have time  
5 standards in which when a woman goes and, has a rape  
6 kit done with the forensic nurses, there's a period of  
7 time when the police department can cross the state,  
8 state law, not just Detroit, across the state have a  
9 certain number of days, 14, to pick them up, and then  
10 the police have a certain number of days to get them to  
11 the crime lab. And the crime lab has a certain number  
12 of days to get them processed, assuming that there are  
13 the appropriate resources to do so. We eventually want  
14 to have a system through the UPS model where victims  
15 can be on-line and see exactly where it is, but we're  
16 far off from that, but that's one of our hopes.

17 Before I end with the stats and any question  
18 you may have, I want to just give you a couple of  
19 examples of some of the cases that have been  
20 prosecuted. One case involved I think he was ten years  
21 old, nine years olds at a gas station, he was at a gas  
22 station trying to make a little pocket change asking  
23 people can I pump your gas for a little change. And he  
24 ran across one of the people who was later one of our  
25 defendants who told him he had some work he could do at

1 his house. And you can imagine what happened next. He  
2 took the boy to his house and then molested him for  
3 quite a period of time. At one point in time hung him,  
4 had ligature marks on his wrist. He was let go. He  
5 wasn't, thankfully, killed. He was let go and  
6 immediately went home and told his mother.

7 There was a breakdown in the case at that  
8 time. This happened I believe 12 years ago or 13 years  
9 ago I think, and the police did not investigate  
10 properly. Five months later there was a report to his  
11 teacher at school again, the police were called again,  
12 CPS, Child Protected Services were called again. There  
13 was no prosecution. His rape kit was one of the  
14 beginning ones that we got a hit on, and he was found  
15 immediately by our investigators. He told us that he  
16 wanted to prosecute. He always had wanted to  
17 prosecute, his mother also wanted to prosecute, and now  
18 I think 35 to 70 years he's doing in prison.

19 We had another case where we recognized when  
20 we saw the CODIS hit, we recognized the name Shelly  
21 Andre Brooks immediately. We had previously convicted  
22 him of raping and killing five women. And the rape kit  
23 that was on the shelf that caused us to get his profile  
24 in CODIS had predated these homicides.

25 So again, these are some very serious cases.

1 We have many many cases and stories to tell, and I want  
2 to just tell you a couple of update stats right now.  
3 Now remember I told you out of 1600 we had 127 serial  
4 rapists identified. We now have 188. We now have --  
5 the rapists have gone on to rape in 26 or 27 other  
6 states in the United States and some of these states  
7 have multiple hits in those states. We have closed out  
8 151 closed investigations for various reasons. We have  
9 some denied warrants. We have a number of kits where  
10 we have no or insufficient DNA so we won't have kits  
11 from all 11,000, obviously, and we have 760 forensic  
12 kits, CODIS kits that we have uploaded into CODIS.

13 So again, this is a very very interesting --  
14 interesting is the wrong word. This is a very very  
15 necessary procedure that we're going through. We've  
16 had some very good cooperation from our victims that  
17 should have been dealt with in the past. We have good  
18 cooperation with the police department, with the  
19 Michigan State Police crime lab, and with all the  
20 partners involved here. We are also to receive some  
21 more funds from the Michigan State legislature, which  
22 has been very helpful up front and outspoken on this  
23 issue. So I'm hoping that three years from now,  
24 hopefully just three years from now, we can put this  
25 all to bed and we know we'll have protocols so we know

1 it will never happen in this department ever again.

2 We are having -- we know that since our  
3 discovery in August of 2009 there have been thousands  
4 and thousands, 12,000, as a matter of fact, rape kits  
5 discovered in Memphis, Tennessee. I think 7 or 8000, I  
6 don't know how many found in Cleveland, thousands found  
7 in Cleveland, Ohio. We have kits that have been  
8 discovered in Seattle, Washington, Salt Lake City,  
9 Utah, Milwaukee, Wisconsin and other places that I'm  
10 just not thinking of at this point. Not all cities  
11 have stepped forward to do what I think they should do  
12 and have these kits tested, step out of the shadows and  
13 let's get these victims justice.

14 The last thing I want to mention is there's  
15 estimated be over 400,000 untested rape kits across  
16 this country, 400,000. We live in Detroit. We know  
17 how big the Big House, University of Michigan Stadium,  
18 the largest stadium for college or NFL ball. 400,000,  
19 and each of those kits represent a victim. So 400,000  
20 potential untested rape kits out in the United States.  
21 Enough victims to fill up the Big House four times. So  
22 if you can imagine, that's the kind of colossal issue  
23 we have here. I'm so glad we have the cooperation of  
24 the Department to make sure that we deal with these  
25 issues, get these victims justice, and also to work

1 together to make sure this never happens in the City of  
2 Detroit again. So thank you.

3 CHAIRPERSON BELL: Just pause for one minute,  
4 if you may. Before the Commissioners weigh in, and  
5 before we allow two or three questions, Chief Craig, he  
6 might want to respond, update reference to Detroit  
7 Police Department handling the process of rape kits any  
8 remarks you might want to make.

9 CHIEF CRAIG: The Detroit Police Department  
10 is committed to this effort. As the prosecutor pointed  
11 out, we've moved forward. Those untested kits have  
12 been and are being evaluated by two separate labs.  
13 We're committed that that will not happen again. I had  
14 to step out of the room for a moment. I'm excited  
15 about some of the technology, innovative technology  
16 that the prosecutor brought to us recently. That  
17 certainly would help eliminate any future occurrences  
18 that we realize.

19 As she pointed out, 2009 I was not here. I  
20 was in Los Angeles. I thought I'd get more laughter  
21 than that. The fact is we're not -- we're committed  
22 and we're going to stay committed to ensuring that the  
23 right thing is always done. Sexual assault is a  
24 violent crime. Like other violent crimes, we take that  
25 very seriously. And so that's the only comment I have

1 on that.

2 CHAIRPERSON BELL: Thank you, sir.  
3 Commissioners, any comments or questions for the chief  
4 or prosecutor? We can have some brief comments from  
5 the audience.

6 MS. BERNARD: I just want to make one  
7 comment, Madam Prosecutor. First of all, your  
8 presentation was outstanding. But Congressman Conyers  
9 also sponsored the Violence Against Women Act to allow  
10 his leadership on that issue without him putting forth  
11 that bill, we wouldn't even have it, he and the  
12 vice-president.

13 CHAIRPERSON BELL: Thank you. Congressman  
14 Conyers always been the focal point on issues impacting  
15 the community.

16 PROSECUTOR WORTHY: And I will say he  
17 consistently calls me. Not every day, but I'm just  
18 saying asking how it's going. President Obama, and  
19 this has never been done by anyone, President Obama put  
20 forth 41 million dollars in his budget. The budget now  
21 is being parsed back and forth for specifically for the  
22 investigation and prosecution of these rape kits.  
23 That's never been done before. There is federal money  
24 for testing as again we see some of that but no one's  
25 ever been so insightful to say well these prosecutors

1 and these investigators need money to investigate and  
2 prosecute the results of the testing. And so it's  
3 passed the house. It's tied in the senate though, and  
4 they attached climate control to it so we hope that  
5 that will pass anyway. So we're waiting for that  
6 because we intend to get a lot of that 41 million  
7 dollars to further our efforts whenever it gets out of  
8 congress.

9 CHAIRPERSON BELL: I just want to commend you.  
10 Are you aware just recently breaking news New Orleans  
11 Police Department conducting investigation of the  
12 sergeants are not investigating, mishandling and not  
13 investigating cases dealing with --

14 PROSECUTOR WORTHY: New Orleans is another  
15 place. I did know that.

16 CHAIRPERSON BELL: Yes. Thank you.

17 CHIEF CRAIG: In fact, Mr. Chair.

18 CHAIRPERSON BELL: Yes, sir.

19 CHIEF CRAIG: Specifically in New Orleans  
20 there was 1290 sexual crimes reported between 2011 and  
21 2013, and of that number, only 14% were followed up on.  
22 There were repeated reports where the detectives, there  
23 were no follow-ups, the cases were just simply closed.  
24 Some involved sexual assaults of children.

25 PROSECUTOR WORTHY: So not everybody's been

1 responsive as the Department that we have in Detroit,  
2 so we're very thankful for that.

3 CHAIRPERSON BELL: Yes. And thank you. Yes,  
4 ma'am.

5 MS. TONYA: Just one question, because  
6 there's a lot of confusion in the communities about the  
7 crime marital rape. Would you speak to that, please?

8 PROSECUTOR WORTHY: You can rape your wife.  
9 I don't know what else I can say. Every case we do  
10 fact specific. I can't tell you that every time  
11 there's an allegation made that there's going to be  
12 charges. For example, we do, not to change the  
13 subject, as an example, we do anywhere from 6 to 8000,  
14 depending on the year, domestic violence cases a year.  
15 I'm talking about the whole county, I'm not talking  
16 about the City of Detroit. And the issue about 3600 to  
17 3800 a year. So about half or a little under half we  
18 issue, but we have to investigate every one. And the  
19 ones that we don't issue charges on take longer in many  
20 cases to investigate and decide to be charged and the  
21 ones we do issue. So it's very fact specific. Some  
22 cases we will issue. We don't get a whole lot I don't  
23 think, Tonya, allegations. I'm not sure we get a lot  
24 of those, but when we do, we investigate fully and we  
25 investigate under the confines of the law.

1                   COMMISSIONER MOORE: Madam Prosecutor, why do  
2 you believe it's been such a low priority on rape?  
3 Rape next to murder is the most serious crime I can  
4 think of.

5                   PROSECUTOR WORTHY: Well it's, it's -- I have  
6 always called sexual assault the stepchild of other  
7 crime. Not just here, it's everywhere. It's not  
8 reported. A lot of times it's not reported because as  
9 we see, and this is something that's actually depicted  
10 very well on television, a lot of things aren't, how  
11 women are treated when they report rape. There's a  
12 presumption that a woman is lying and not telling the  
13 truth or making it up. And that doesn't even happen in  
14 other crimes. When someone reports a robbery, people  
15 don't presume that it's a lie. And I think it has a  
16 lot to do with the percentage of women that are victims  
17 because it's a high percentage of women overwhelmingly.  
18 I think it also has to do with old buried -- not yet  
19 buried stereotypical thoughts that some people have  
20 about women who are raped. I think it also has to do  
21 with the profession of some of our victims. I think it  
22 has to do with sometimes some of our victims have, as  
23 we do in all crimes, some victims have mental and  
24 substance abuse issues. But in our view, if a person  
25 is raped and we can prove the case beyond a reasonable

1 doubt, I don't care what your ethnicity is, I don't  
2 care what your occupation is, I don't even care if your  
3 occupation is legal. If you are raped and we can prove  
4 it beyond a reasonable doubt, we're going to prosecute  
5 that case. We don't make value judgements, or should  
6 not make value judgements, and we try really hard in  
7 our office not to do that. So that's why it's a very  
8 difficult case to prove to the jury as well.

9           When I was trying these cases, and this is  
10 disheartening, I think some of the women in the  
11 audience will agree, women are very hard on each other.  
12 Some of my toughest critics on these rape cases are  
13 women. I would try to get rid of all my women on rape  
14 case juries. And so there's not a presumption, for  
15 example, if you're walking down a street at night at  
16 2:00 in the morning wearing nice jewelry that you  
17 deserved to be robbed. But they will say if you're a  
18 prostitute or in the sex trade, you deserve to be  
19 raped. Or if you're a college student and you had a  
20 little bit too much to drink, then you deserve to be  
21 raped, or if you are whatever. I can give you a  
22 thousand different scenarios. But they need to start  
23 by believing. And believe you me, we will also  
24 prosecute and have recently prosecuted a woman who  
25 had -- who made a rape charge against a man that was

1 false and we charged her and convicted her, so.

2 COMMISSIONER MOORE: Thank you, Madam  
3 Prosecutor.

4 CHAIRPERSON BELL: I see one hand. Yes,  
5 ma'am. Go ahead and speak.

6 MS. GARDNER: My name is Judy Gardner. I  
7 want to thank you for your persistence and your  
8 courage. It's been a great pleasure to watch you over  
9 the years.

10 PROSECUTOR WORTHY: I thank you for that, but  
11 I have to tell you, I have a very hard working staff,  
12 has endured all kinds of, I don't know, it's been a war  
13 for the last two years for our very souls because we  
14 haven't been funded. We lost 117 people and almost  
15 half of my staff in the last two years because of the  
16 previous administration, because of Robert Fincano's  
17 administration. We really worked hard in having to  
18 work with these kinds of cases all the cases we do and  
19 trying to keep up has been damn near impossible. So  
20 there's some very very hard working public servants  
21 that work in my office with me that deserve most of the  
22 credit, frankly.

23 CHAIRPERSON BELL: One more hand. Please  
24 speak up. Give your name, please.

25 MS. TRILETY: My name is Paula Triletty. What

1 percentage of the rapes were committed by family  
2 members or known to the victim?

3 PROSECUTOR WORTHY: Of the rape kit cases?

4 MS. TRILETY: Yes.

5 PROSECUTOR WORTHY: I don't know. Tonya, do  
6 you know?

7 MS. TONYA: I don't have stats still from  
8 those.

9 PROSECUTOR WORTHY: We can't answer that. I  
10 should also tell you at the prosecutor's office we  
11 don't have a case management system. When we count  
12 stats, we're still doing (gesture). That's one of  
13 things we've been asking for since 2005, so hopefully  
14 we'll get something and we'll be dragged, not kicking  
15 and screaming, we'll run into the 21st century.

16 CHAIRPERSON BELL: I'll allow one last  
17 question. Thank you, sir. Give your name, please.

18 MR. CAMPBELL: My name is Dustin Campbell. I  
19 was just wondering with the new administration coming  
20 and the current county commissioner, do you foresee you  
21 getting some of that funding back? I know it's going  
22 to be very tough to get that amount of help back.

23 PROSECUTOR WORTHY: I am confident that the  
24 new county executive is committed to public safety and  
25 is committed to making sure that we get what we need in

1 our office. I am, I am convinced of that. I am  
2 hoping, and very hopeful that, and I have an open mind,  
3 that the commission will feel the same. And because we  
4 have, you know, reams of evidence now what happens when  
5 you don't fund a prosecutor's office. You know, I meet  
6 with large city prosecutors across this country  
7 quarterly, four times a year, and they use Wayne County  
8 as the way in their own budget presentations as the way  
9 not to fund a prosecutor's office. We're the lowest  
10 funded prosecutor's office in the country. And so Seth  
11 Williams is the Philadelphia DA is the second to last.  
12 He's way above where we are. There's us and then  
13 Philly and then everybody else. So it's, it's really  
14 bad. Are computers are nine-years-old. We're not  
15 paperless. So we hope that things will be better. We  
16 think that they will. I'm very optimistic about that.

17 MR. CAMPBELL: So the citizens should  
18 advocate to their commissioners?

19 PROSECUTOR WORTHY: Absolutely. It's not  
20 supporting me, it's really supporting yourselves. I  
21 would hope after all these years you might not like  
22 every thing we do, but I hope you feel we've done  
23 everything with integrity and character.

24 CHAIRPERSON BELL: Okay. Thank you audience  
25 for your participation, and thanks to the Chief for his

1 remarks in reference to DPD. And also his iPad brought  
2 up you all is right on target, so we appreciate that.  
3 And the Honorable Prosecutor Kym Worthy, we just want  
4 to thank you for coming out tonight and sharing this  
5 very important information with the community and the  
6 Board of Police Commissioner's meeting, and we want to  
7 recognize your effort in a small way by bringing forth  
8 a resolution that's going to be presented by  
9 Commissioner Crawford.

10 PROSECUTOR WORTHY: And we will get this  
11 done.

12 CHAIRPERSON BELL: Thank you.

13 COMMISSIONER CRAWFORD: Detroit police  
14 Commissioner's Resolutions honoring Wayne County  
15 prosecutor Kim L. Worthy. Whereas, Wayne County  
16 Prosecutor Kim L. Worthy received an undergraduate  
17 degree in economics and political science from the  
18 University of Michigan and her law degree from the  
19 University Notre Dame Law School.

20 1984 she began her legal career in Wayne  
21 County prosecutor's office.

22 PROSECUTOR WORTHY: 1994.

23 COMMISSIONER CRAWFORD: Okay. I'm sorry.  
24 Whereas, in 1994, Ms. Worthy was elected, I'm sorry.  
25 In 1984 she began her legal career at the Wayne County

1 prosecutor's office as assistant prosecutor and years  
2 later special assignment prosecutor handling high  
3 profile murder cases. And whereas, in 1994 Ms. Worthy  
4 was elected as a judge to Detroit Records Court and  
5 now the Wayne County Circuit Court and was re-elected  
6 to the bench twice by overwhelming majority,  
7 overwhelming.

8 Let's see. On January 6th, 2004 Judge Worthy  
9 returned to the prosecutor's office as the new Wayne  
10 County prosecutor and the first African-American and  
11 female to hold that position. And whereas in 2008  
12 Prosecute Worthy charged and successfully prosecuted  
13 former Mayor Kwame Kilpatrick as well as his chief of  
14 staff, Christine Beatty. Prosecutor Worthy was widely  
15 acknowledged for her courage, integrity in prosecuting  
16 this case. And whereas Prosecutor Worthy has been  
17 instrumental in getting funding for the witness  
18 protection program which started in 2007, continues  
19 today. And whereas, prosecutor Worthy conceived and  
20 implemented a change, the culture efforts to reduce gun  
21 violence in Detroit and Wayne County. And whereas, in  
22 2009 Prosecutor Worthy initiated the sexual kit project  
23 to test thousands of untested kits; to identify and  
24 prosecute the individuals responsible for these crimes.  
25 And whereas, Prosecutor Worthy is active in civic

1 causes and believes that the service is the rent you  
2 pay for living.

3 Ms. Worthy created the Alexandra Simone Fund  
4 for the neonatal intensive care unit at Henry Ford  
5 Hospital in memory of her deceased daughter. The funds  
6 provide services for the parents of premature birth  
7 infants. She is also an advocate for children and  
8 frequently speaks on the need for foster care and  
9 adoption of children who do not have permanent homes.

10 Ms. Worthy is a proud mother of Anastasia,  
11 Anderson, and Alexandria.

12 Now therefore be it resolved that the Detroit  
13 Board of Police Commissioners speaking on behalf of the  
14 citizens of Detroit and Detroit Police Department  
15 acknowledge the Honorable Kim L. Worthy for a lifelong  
16 commitment to justice, equality, and service. We thank  
17 you for helping to make our community a better and  
18 safer place to live, Detroit Board of Police  
19 Commissioners.

20 PROSECUTOR WORTHY: Thank you.

21 MS. SMITH: Mr. Chairman, please, one minute.  
22 I'm Bernice Smith. I will be brief. I consider Kim  
23 Worthy my surrogate daughter. I've gone through her  
24 trials and tribulations when she first started. I  
25 worked on her campaign when she first became the

1 prosecutor. She convicted the two policemen that had  
2 the problems with the young man. And also she went on  
3 up, and then she became the judge. I used to sit in on  
4 her court cases and she'd look over there and ask me  
5 did I want anything. I said no, I just want to watch  
6 you, that's all.

7 My last statement to everybody here, she  
8 never put her hand in the cookie jar, all right? You  
9 can always say that. She's been straightforward and  
10 she's been an honest young lady and I'm very proud of  
11 her, and to know that I've known her and wasted time  
12 not getting closer to her, but she's fine and she's  
13 going to do a good job. She's done it already. So I  
14 love her truly.

15 CHAIRMAN BELL: If you live in Wayne County,  
16 you can impact by contacting your commissioners and  
17 also contacting the newly elected county executive for  
18 budget for 2014. That's one way you can have a  
19 tremendous impact in terms of voter participation, so I  
20 think that's the key to making sure that the office is  
21 properly funded. We're going to move back to the  
22 agenda. I'm going to reserve my remarks at this time.  
23 I'm going to ask Chief Craig to introduce his staff and  
24 you have the floor, sir.

25 CHIEF CRAIG: Thank you. I will report out.

1 It's an honor to be here this evening, Mr. President,  
2 commissioners. First I want to start out by  
3 acknowledging a group of exceptional professionals that  
4 were promoted today. I want to start with our newest  
5 member of our executive team. Deputy Chief Charles  
6 Fitzgerald, will you stand and be recognized?

7 In addition to Chief Fitzgerald promoted was  
8 commander Marlon Wilson formerly of the 8th precinct.  
9 Promoted to captain, Captain Darin Szilagy could not be  
10 with us this evening. He's on a well deserved  
11 vacation. He's going to be assigned as our night  
12 chief. Captain Constance Slappey formerly of the 8th,  
13 9th precinct assigned to night captain. And last, but  
14 certainly not least, captain Jacqueline Pritchett, who  
15 was assigned to the 8th precinct as a lieutenant, now  
16 as commanding officer of the 8th precinct. If we could  
17 give them a round of applause.

18 Certainly my First Assistant Chief Lashinda  
19 Houser is here this evening. Assistant Chief White,  
20 Assistant Chief Dolunt, Commander Hall and so many in  
21 the back. Give all the commanding officers a round of  
22 applause.

23 I did want to report out an article, big news  
24 as it relates to, once again, Detroit has got this  
25 distinction of being in the year 2013 as one of the top

1 murder cities in the country. And I vigorously pushed  
2 back not to denounce the fact that our murder rate per  
3 one hundred thousand residents does exceed and is the  
4 highest in the country, but that doesn't tell the whole  
5 story. It's good news. It's good national news. It  
6 can also be good local news. But I want to tell you  
7 the other story because there were some statements made  
8 in the paper. Mr. President, this is certainly not a  
9 slam to you, but certainly when we talk about all of  
10 the work that's been done starting last year to present  
11 day, I have some remarks that I want to make. You  
12 know, especially as it relates to, you know, when we  
13 talk about people getting car-jacked, people getting  
14 robbed in their driveways, churches hiring security  
15 guards, I got to tell you, now being my fourth city,  
16 this happens in every city I've worked. And so this is  
17 not an anomaly. And so to say that maybe people don't  
18 want to move or are not moving to Detroit, certainly is  
19 not the spirit of Detroit. And so now I'm going to  
20 tell you what the true spirit of Detroit is. First of  
21 all, when we look at last year, we ended the year with  
22 333 homicides. The year prior 2012 we ended the year  
23 with 386 homicides. So we ended the year with a 13.7  
24 reduction in homicides. But it wasn't just homicides.  
25 When you talk about what drives fear in our city, we

1 look at all the violent crimes. And what makes us  
2 categories of violent crime, talking about sexual  
3 assault, robberies and aggravated assaults. I will  
4 tell you in my opinion, the crime of robbery,  
5 carjacking that really drives fear in our city.

6 And so when we started just 16 months ago, I  
7 set a very soft goal of a 5% reduction in overall crime  
8 in the City of Detroit. We exceeded that goal. We  
9 ended that year with a 7%. As I pointed out, in the  
10 area of homicide, we ended the year with 13.7 percent  
11 reduction. And then we talk about shooting incidents,  
12 another crime that certainly drives fear, we ended the  
13 year with an 8.1% reduction.

14 So starting with 2014, we wanted to continue  
15 to drive crime down, and here we are in the last  
16 quarter of the year. We set a very modest goal of a  
17 10% reduction in overall. Crime as of today we're  
18 sitting on a 19% reduction in overall crime in the City  
19 of Detroit.

20 Now I want to go into the specific  
21 categories. So when we look at the crime on homicide,  
22 we're poised this year to have the lowest number of  
23 homicides in the City of Detroit in 40 years. 40  
24 years. Year-to-date, we're sitting at 255 homicides  
25 with a 15% reduction year-to-date as compared to last

1 year, and we reduced homicides last year. In the area  
2 of robbery where we're seeing our steepest reduction,  
3 we're sitting on a 24% reduction in robbery  
4 year-to-date with an overall reduction in violent crime  
5 of 7%.

6 I also know that auto thefts certainly has  
7 been an issue in the City of Detroit for years, and one  
8 of the reasons why we're paying so much in auto  
9 insurance. Year-to-date, stolen vehicles were down  
10 18%, which translates into almost 3000 fewer autos  
11 stolen in the City of Detroit.

12 So our critics would say well, you know,  
13 Chief, the rest of the country is seeing a decline.  
14 You just show up and the crime goes down. Really? Do  
15 we really believe that? Here's what I hear each and  
16 every day I'm out in the street, I talk to community  
17 members. I talk to folks that don't even live in the  
18 City of Detroit. People who live across the water in  
19 another country. You say Chief, you and the men and  
20 the women who make up the Detroit Police Department is  
21 getting the job done. We have seen change. We see the  
22 dramatic decline. It's not a day that goes by that  
23 someone else tells me I live in a neighborhood I  
24 couldn't even walk down the street. And now I feel  
25 like I can walk my dog. I feel like I can go into a

1 community. Even in response to this report, the media  
2 went out, and I'm glad they did, went and talked to a  
3 couple residents and they said they don't care about  
4 2013, what they care about is what they feel right now.  
5 They feel safe in the City of Detroit. And I can point  
6 to the largest free jazz festival in Detroit incident  
7 free. I talk about the fireworks display, the best  
8 one, incident free. I'll talk about Angel's Night,  
9 incident free. Let's talk about the Consent Judgement  
10 that we're no longer in. Let's talk about a response  
11 time that's been shredded well beyond half.

12 Let's talk about a clearance rate to homicide  
13 that when we arrived here about a year and a half ago  
14 was at 11%. We exceeded the national average. We're  
15 sitting at about a 65% clearance rate. The homicide  
16 year-to-day, and people want to come back to Detroit.

17 So let me close out by giving you another  
18 part of the story. So we talk about all these places  
19 that are not considered violent. Let's talk about my  
20 home in Los Angeles, and yeah, they've seen dramatic  
21 decline using the same model we use here. I say to  
22 you, it's not by accident. Cops do count and the  
23 community counts. Los Angeles year-to-date is sitting  
24 on a 4.5 reduction in homicide. New York City is 6.6  
25 reduction in homicide. Philadelphia, 4% up. Dallas,

1 Texas 11% down. Detroit, Michigan, again 11% down.  
2 Boston, Massachusetts, 25% up. Atlanta, Georgia 14%  
3 up. St. Louis, Missouri 30% up, I say to you, not by  
4 accident. Let's talk about robbery, another crime that  
5 drives fear. New York City down 14%. Los Angeles down  
6 2.5. Chicago down 18%. Yes, Detroit is leading the  
7 group with a 24% reduction. 24% reduction.

8 And let's go over to auto theft. Los Angeles  
9 down 7.3. Detroit, Michigan 18% down in auto thefts.  
10 And oh, by the way, we're one of the top major cities  
11 with the lowest reduction in auto thefts.

12 Let's talk about shootings for a moment  
13 because all I say to a shooting, it's an unsuccessful  
14 homicide. New York City is up in shootings 5%. Los  
15 Angeles is down 8%. Chicago up 9%. And would it  
16 surprise you to know that Detroit has the steepest  
17 reduction in nonfatal shootings at 12%. And my former  
18 home since I've left Cincinnati, Ohio is up 17% in  
19 shootings. So if we must tell the story, I say that we  
20 tell the whole story. So my thanks go out to those men  
21 and women who wear that blue uniform, let's give them a  
22 round of applause.

23 So having said that, are there any questions?

24 CHAIRPERSON BELL: Hold on one second.

25 Commissioners, do you have any questions or comments?

1 COMMISSIONER CARTER: Through the Chair?

2 CHAIRPERSON BELL: Yes, ma'am. Go ahead.

3 COMMISSIONER CARTER: Chief, I know that a  
4 few months ago back in Southwest Detroit you spoke on  
5 domestic violence, and I know that that number is it  
6 keeps the stats on aggravated assaults high in the  
7 City. Has there been any plan to do anything about the  
8 domestic violence?

9 CHIEF CRAIG: Yes. In fact, we've had  
10 conversations with former counsel person, Seanteel  
11 Jenkins, Wayne State University. We're working very  
12 diligently to find some innovative ways to reduce the  
13 incidents of domestic violence. I must say, though,  
14 that when we look at domestic violence and we look at  
15 the calls that Detroit Police Department handles,  
16 Detroit handles anywhere between 5 to 575,000 calls  
17 annually. We also know through our research that there  
18 was a time where a low of maybe 65,000 calls or 75,000  
19 calls were put into a category that many veteran  
20 officers know as can 04. Now if you think about the  
21 can 04 category, simply put, some of the calls, some of  
22 the domestic related calls were not handled. So I'm  
23 not suggesting that that's the only reason why we show  
24 an increase in domestic violence. We do know that  
25 every person that calls the Detroit Police Department,

1 we respond, and when necessary, we take reports. So  
2 it's going to show an increase. I'm surprised that we  
3 don't show increases in other areas. With that said,  
4 we still are taking a very critical look at domestic  
5 violence incidents, and we are moving forward.

6 Right now in the area of aggravated assaults  
7 we show a slight uptick of 4%, but again, when you look  
8 at our shooting incidents, which also drives that  
9 number, nonfatal shootings in Detroit year-to-date, 12%  
10 down. In fact, car-jackings, which is a subcategory of  
11 robberies, were down 31%.

12 CHAIRPERSON BELL: Any other questions or  
13 comments? Yes, sir.

14 COMMISSIONER CRAWFORD: I just have a comment  
15 in the stats. It was nothing given in terms of arrests  
16 being up, but they have to be up because in Wayne  
17 County Jail Saturday night they didn't have 25 beds.  
18 It was only the inmates that came in there. We didn't  
19 have the bed space for them. Also too a couple nights  
20 ago, inmates that are brought in, people who are  
21 arrested coming from the Detroit Detention Center  
22 usually come into the jail at 7, 8:00 and they're up in  
23 quarantine by 10:00. So with so many arrests that they  
24 didn't get up to quarantine till like 5:00 in the  
25 morning. So it's arrests have to be up.

1           And also too when we talk about Detroit in  
2           some of the good things, you know, I noticed that this  
3           week in the Campus Martius there's going to be ice  
4           skating for three days, and also too there's an alley  
5           in to Downtown Detroit where the students, some world  
6           renowned graffiti artists, I guess today they were  
7           finishing up one of the Detroit schools with the entire  
8           alley with walls.

9           It's a lot of things going on in Detroit, and  
10          I do agree with you Chief outside of the national media  
11          and even FBI statistics.

12          CHIEF CRAIG: Thank you. And through the  
13          Chair, in response to the arrest statistics  
14          specifically, our arrest numbers are down in every  
15          category. I know that arrests numbers don't  
16          necessarily relate to crime numbers. The key as the  
17          Detroit Police Department does each and every time is  
18          being very strategic, identifying those who are  
19          committing the crimes and you make the arrest. We know  
20          that just taking the crime of robbery, one person or  
21          one crew can be responsible for multiple robberies in  
22          an area. So we arrest one suspect who's good for say  
23          10, 15 robberies, it solves the problem, but it's just  
24          one arrest. It's not going to be 15 arrests. So when  
25          you look at our arrest numbers across the board, we are

1 down in every category, but our crime is down. The key  
2 is the way the police departments functioned in the  
3 past, I've taken a very firm stance, I don't believe in  
4 quotas. Quotas don't work. The strategies of police  
5 departments in '80s and '90s would throw a blanket over  
6 a community, and anything that moved, breathing in that  
7 community because it had high crime went to jail.  
8 That's the way it was done. That does not work. What  
9 does work is what you see those televised, high profile  
10 operations that we conduct, we specifically go into a  
11 neighborhood and identify those who are engaged in  
12 criminal active, we take them out of the equation,  
13 crime goes down and the community cheers the fact that  
14 we're there. And just on that note, there is an  
15 operation restore order coming to a neighborhood near  
16 you real soon.

17 CHAIRPERSON BELL: Okay. If there's no other  
18 comments, I just want to say as Chair in terms of that  
19 particular article, I, you know, we respond and I have  
20 no control over an interview, and they just take  
21 certain statements out of it. That's not an indictment  
22 on the department or this Chief, but you understand  
23 that sometimes they run with stuff that we have no  
24 control over. But the reality is that we have a city,  
25 there's crime. There's crime, the reality of people --

1 I live in a neighborhood, I attend neighborhood  
2 meetings, I know when people just the other night  
3 people, I had enough. I'm gone, you know. Those are  
4 the reality of what we deal with regardless of the  
5 stats. The reality is that the population is declining  
6 and the people look at public safety in the school  
7 system in terms of impact in the City of Detroit.

8 Those are the realities. And then I commend  
9 the department. We are working on it. That's why we  
10 here as Board of Police Commission moving forward in  
11 terms of addressing those concerns. The reality is  
12 what it is. There is a debate reference to downtown  
13 and the neighborhoods. Those are reality in terms  
14 of --

15 So but I understand that the media has  
16 changed somewhat. We have a new mayor, and new  
17 counsel, new chief. The image is changing somewhat,  
18 you know. There's investment, there's concern, and  
19 that's a good thing. Before that, we got all the  
20 negative press in the world and as we well know, if  
21 that was the case, we would not be here, we would all  
22 leave for Southfield. But don't quote me in terms of  
23 Southfield. I don't want to be like the stigma of  
24 Eight Mile Road. We can move on.

25 I just wanted to share briefly in terms of my

1 report that on November 18 at 10 a.m. on a Tuesday this  
2 Board has the opportunity to meet with city counsel in  
3 reference to our role in concerning Emergency Manager  
4 Order #42. They granted that interview and we should  
5 have that -- not interview but some dialogue. We  
6 should have that opportunity. So tune in. If you want  
7 to attend, it's 10 a.m. Expect to get there early. I  
8 guess they'll have heavy attendance and we're going to  
9 have the opportunity to address those issues.

10 As you well know, we met with the mayor two  
11 weeks ago. It was somewhat of a good meeting, but we  
12 have some major charter issues that we must deal with,  
13 and one of the things the mayor said, since he's over  
14 the police department, that he wants the Chief and the  
15 Board to work more closely together, so I would  
16 encourage that type of dialogue that we must have  
17 engage with the Chief of Police, not in terms of this  
18 meeting here, but in terms of informal meetings that we  
19 have a meaningful dialogue in reference to the process  
20 of dealing with the police department. So I'm looking  
21 forward to more engaging efforts in terms of this Board  
22 and the Chief of Police. I just want to share that  
23 with you that the mayor desires that we work closely  
24 together, and that's the intent of this Board here to  
25 properly engage that process.

1                   So on that note, we can move right on to the  
2 next point of business. Are we going to hear from the  
3 6th Precinct? Thank you, sir. And please bear with  
4 us. We're trying to try to process the agenda in a  
5 timely manner.

6                   CAPTAIN WALTON: Good evening. Steve Walton.  
7 My name is Steve Walton, I'm captain of the 6th  
8 precinct. I appreciate the opportunity to give a brief  
9 overview of the precinct report tonight.

10                   The 6th precinct is located at 11450 Warwick.  
11 It comes to approximately 14.31 square miles, has a  
12 population of approximately 80,700 residents. It's  
13 bordered on the north by Finkel, Schoolcraft's the  
14 northern boundary, the boundary east Evergreen. Ford  
15 Road to the south, Telegraph to the west, and  
16 Greenfield to the east.

17                   The 6th precinct is home to three high  
18 schools, five elementary/middle schools and four  
19 elementary schools. The precinct also contains  
20 approximately 320 businesses and 30 churches.

21                   The 6th precinct is one of the busier police  
22 precincts in the city as evidenced by the following  
23 statistics. So far this year these numbers are through  
24 November 2nd. We've answered approximately between  
25 21,400 police runs. We've arrested 3075, investigated

1 26,200 people, and impounded 1618 vehicles. The  
2 officers of the 6th precinct spearheaded by the  
3 Neighborhood Police Officers, and I'm assuming  
4 everyone's familiar with that program, Chief Craig  
5 implemented the Neighborhood Police Officers Program,  
6 which has really worked out well, well received by the  
7 community. But the Neighborhood Police Officers  
8 interact regularly with the organized community based  
9 organizations and block clubs and address neighborhood  
10 issues such as squatters, abandoned vehicles, illegal  
11 dumping and noise complaints.

12 Also in the 6th precinct we currently have  
13 five active citizen radio patrols with additionally  
14 five patrols soon to be up and running. The 6th  
15 precinct's Law Enforcement Explorers is a career  
16 arranging program for use between the ages of 14 and 20  
17 who have an interest in pursuing law enforcement as a  
18 career.

19 Senior Safety Awareness is a crime prevention  
20 program which informs seniors about staying safe and  
21 alert. The program also entails conducting seminars  
22 for seniors on cons and scams toward the elderly.

23 Operation safe passage is an early morning  
24 special attention where It's given to all bus stops,  
25 walking routes, and schools to ensure student safety.

1            Bridging the gap is a collaborative effort  
2            between the 6th and 8th precincts and corporate  
3            partners to host events such as movie in the park and  
4            the second annual Warm Coat Drive. If anyone doesn't  
5            know, that's currently ongoing. They accept donations  
6            of coats, and on November 22nd at Henry Ford High  
7            School they'll donate those coats to the families that  
8            need warm coats for the winter. The goal is to get I  
9            believe about 1500 coats. It's a great day, on that  
10          day, the 22nd, they have entertainment, they have  
11          lunches for them, so it's a very great program.

12            Lastly, the 6th precinct participates in the  
13          Cody Conference CompStat meeting, which is held once a  
14          month. It's a grant-funded program sponsored by the  
15          AmeriCorps Urban Safety Program along with Wayne State  
16          University. This initiative is intended to cut crime,  
17          increase public safety through using crime mapping and  
18          analysis, targeting policing focused on hotspot  
19          analysis, improve levels of neighborhood guardianship  
20          through block clubs. Commissioner Carter is active in  
21          that, and she's been a great help to us.

22            Some of the other organizations that  
23          participate in that and their overall commitment to  
24          improving safety in the 6th precinct I'd like to  
25          recognize. Just a few, Black Family Development, Cody

1 Rouge Alliance, Brothers on Patrol, Detroit 300, and  
2 Life Remodeled. And again, there's a ton more. The  
3 community in the 6th precinct is great, as you guys can  
4 tell by the turnout here tonight. They're very  
5 actively engaged and we certainly appreciate their  
6 help.

7 Lastly, I'd just like to publically thank  
8 Commissioner Moore. He's truly a partner with the 6th  
9 precinct. He's always offering his help to us. He's  
10 doing whatever he can to help us out with anything that  
11 comes our way. So thank you, sir.

12 CHAIRPERSON BELL: Commissioners, questions,  
13 comments for Captain Walton? Thank you, Captain.

14 Any standing committee reports? If not, we  
15 can move on to item 13 any new business, and we have  
16 resolutions for the first one is Mr. Bryan Ferguson.  
17 Mr. Bryan Ferguson. Mr. Ferguson. Commissioner  
18 Carter.

19 MR. FERGUSON: Good to meet you.

20 CHAIRPERSON BELL: Thank you.

21 COMMISSIONER CARTER: Resolution honoring Mr.  
22 Bryan Ferguson. Whereas, Mr. Bryan Ferguson is a  
23 dedicated and committed supporter of the City of  
24 Detroit's 6th precinct. He has been a Rosedale Park  
25 resident for several years. His commitment to business

1 service and leadership is exemplified through the  
2 community. And whereas, Mr. Ferguson a man dedicated  
3 to education is a product of the Detroit Public School  
4 System. Mr. Ferguson graduated from Central High  
5 School and later worked for over 20 years for the  
6 United States Postal Service as an automotive  
7 technician. And whereas, Mr. Ferguson is president of  
8 the Schoolcraft Improvement Association, SIA. Under  
9 his leadership and organization, the organization has  
10 grown from 12 to over 170 members. He is a graduate of  
11 the 2014 Detroit Citizens Police Academy, a moderator  
12 for the SIA crime alerts and was a volunteer of the  
13 month in Rosedale Park. He volunteers as a Little  
14 League baseball coach and mentors to children ages 7 to  
15 10. Mr. Ferguson works to strengthen his community by  
16 gathering other blocks within his neighborhood to focus  
17 on uplifting the area for a better and more attractive  
18 community. And whereas, Mr. Ferguson has volunteered  
19 his time and energy to assist the City of Detroit and  
20 the 6th precinct in any way possible and is considered  
21 a true pillar of his community.

22 Now therefore be it resolved that the Detroit  
23 Board of Police Commissioners speaking on behalf of the  
24 citizens of the City of Detroit and the Detroit Police  
25 Department acknowledge the giving spirit and community

1 service of Mr. Bryan Ferguson. His vision for Detroit  
2 and its citizens is unmatched and highly respected. We  
3 thank and congratulate you, Mr. Bryan Ferguson, signed  
4 by the Detroit Board of Police Commissioners, adopted  
5 by the Board of Detroit Police Commissioners November  
6 13, 2014.

7 CHIEF CRAIG: Mr. Ferguson, on behalf of the  
8 Detroit City Counsel with honor that I recognize you  
9 for your exceptional achievement, outstanding  
10 leadership, and dedication to improving the quality of  
11 life. And also from the Detroit Police Department I  
12 proudly provide you a certificate of recognition as a  
13 resident of the City of Detroit and the 6th precinct.  
14 Thank you for all you do.

15 MR. FERGUSON: First all, I want to thank  
16 everybody. I do this because I love my city and I also  
17 do this because I don't want to let anybody in here  
18 down. Some people have learned to grow and get  
19 mentorship from Mary C. It's just, it's just so many  
20 people in here. I just -- I'm -- thank you. That's  
21 all I can say. Thank you.

22 CHAIRPERSON BELL: Thank you Commissioner  
23 Carter. Retired officer, Police Officer John E.  
24 Hawkins in the room? Probably not. He's probably  
25 enjoying his retirement. Sure want to recognize the

1 resolution for retired Police Officer John E. Hawkins  
2 primarily because Mr. John E. Hawkins was appointed to  
3 the Detroit Police Department on January 23rd in 1978  
4 and I had an opportunity to interact with him, so he's  
5 part of the the '70s group and he retired from the gang  
6 squadron or gang enforcement, to be politically  
7 correct. On February 4th, 2013 he spent 35 years with  
8 the Detroit Police Department and he's been a  
9 distinguished young man.

10 Now therefore be it resolved that Detroit  
11 Board of Police Commissioners speaking for the citizens  
12 of Detroit and the Detroit Police Department award this  
13 resolution to retired police officer John E. Hawkins in  
14 recognition of his 35 years devoted and diligent  
15 service to our community and department Detroit Board  
16 of Police Commissioner's salute you Officer John E.  
17 Hawkins for a job well done. And he's probably in  
18 Florida, but we'll make sure he gets his resolution.

19 And the next resolution is for Deputy Chief  
20 Darryl Brown, and he's probably enjoying his vacation.

21 CHIEF CRAIG: I think there's someone going  
22 to accept. Sergeant, you want to step forward and  
23 accept on behalf of of the deputy chief. Step forward,  
24 please.

25 Resolution, honoring Deputy Chief Darryl S.

1 Brown. Whereas, Darryl S. Brown was appointed to  
2 Detroit Police Department on October 21st, 1985. Upon  
3 graduating from the Metropolitan Police Academy,  
4 Officer Brown began his career at the 16th precinct.  
5 His other assignments included Narcotics Bureau, 2nd  
6 precinct, Executive Protection Unit and the City Law  
7 Department.

8 On January 19th, 1999 officer Brown was  
9 appointed to the Tactical Service Section.

10 Now therefore be it resolved that the Board  
11 of Detroit Police Commissioners speaking on behalf of  
12 the Detroit Police Department, the citizens of Detroit  
13 recognize longstanding commitment to public safety and  
14 service of retired Deputy Chief Darryl S. Brown. His  
15 29 years of exemplary service to our community bears  
16 the highest admiration, respect, and appreciation. He  
17 is a consummated professional. We thank and  
18 congratulate you Deputy Chief Darryl S. Brown.

19 CHIEF CRAIG: Good evening Board, Mr. Chair.  
20 On behalf retired Deputy Chief Brown. He got caught by  
21 weather on his way back from Cleveland. He's  
22 attempting to make it. He said he would rather be a  
23 late Darryl Brown than the late Darryl Brown. He  
24 couldn't get back here on time. Thank you very much  
25 for presentation this evening and he sends his

1 gratitude.

2 CHAIRPERSON BELL: At this time, the Chair  
3 would enter to have a motion for all four resolutions,  
4 for Mr. Ferguson, Officer Hawkins, DC Darryl Brown, and  
5 Prosecutor Kym Worthy. So what is your pleasure?

6 COMMISSIONER SHELBY: So moved.

7 COMMISSIONER CRAWFORD: Second.

8 CHAIRPERSON BELL: Been properly moved and  
9 seconded. Ready for the question? Those in favor aye?

10 COMMISSIONERS: Aye.

11 CHAIRPERSON BELL: Those opposed? Motion  
12 carries. Outstanding for all four individuals.

13 Any old business? Announcements. The next  
14 meeting of the Board will take place on Thursday,  
15 November 20th, 2014 at 3:00 at Detroit Public Safety  
16 Headquarters 1301 Third Avenue in the Michigan Room.  
17 So if you have a chance to come down, come down 3:00  
18 and interact with the Board and the Chief's staff. So  
19 that's the announcements.

20 Oral communication from the audience. Please  
21 come forth to the mic. You have two minutes. First of  
22 all, give your name and be respectful because we're  
23 going to be respectful to you. So address your remarks  
24 to the chair and other commission or the Chief will  
25 respond in terms of the question.

1 MS. HARDING: Good afternoon. My name is  
2 Barbara Harding and my area is Grand River Greenfield  
3 Civic Association Area. And I am a member of the  
4 PCAAA. I have been working, and I'm sure other people  
5 too because I see some people I know been knowing for  
6 many years, helping the police department way back --  
7 only have two minutes. But way back when it was a mini  
8 station there on Grand River and Forrer, we help the  
9 officers there then. I worked at Ford Motor Company.  
10 I'm a senior now, okay? And our meeting I want to say  
11 this, I need help with this so please get prepared to  
12 do that if you can. We had our meeting last night.  
13 The liaison from the police department came and he said  
14 that it was a, I think, I don't want to get it wrong,  
15 like 145 jobs I believe, and I didn't -- know we didn't  
16 know anything about it. Nobody else had knew anything  
17 about it. So we of course the majority of the members  
18 they didn't like this because we feel like we had been,  
19 what would I say, slighted because we're special, very  
20 special, and if there was jobs out there available,  
21 then we should have been the ones that was told about  
22 it, okay? So the police liaison person said that it  
23 wasn't the police. They didn't know nothing about it  
24 either. That's what they said. It's members here  
25 that's in the same group I'm in. And so I don't like

1 it. I'm speaking for Barbara Harding right now because  
2 I put too much out into this community helping the  
3 police. In the 6th precinct I was on board too and all  
4 of that right over there on Winter for almost 40 years,  
5 okay.

6 So now what I need to know is who do I, since  
7 the police didn't know anything about it either, this  
8 was the City I understand, this is what they said.  
9 When I say they, I'm talking about the liaison for the  
10 Police Department.

11 Now I need to do something and make a  
12 complaint because I came from the old school, okay?  
13 And if it's something going on, if you don't say  
14 anything about it and let people know you're  
15 dissatisfied, well you won't get any results. They  
16 will do that again, okay? So I need to talk to someone  
17 to find out what should I do because all of the members  
18 there last night was pretty pissed off, I'm telling  
19 you. So I'll leave it at that and after the meeting  
20 maybe somebody can help me.

21 CHAIRPERSON BELL: Yes, ma'am.

22 MS. HARDING: Okay. Thank you.

23 MS. HOGAN: Hello Commissioners. Hello  
24 neighborhood. I bring you greetings from your Wayne  
25 County Clerk Cathy M. Garret, your Wayne County Clerk.

1 Thank you so much. I want to also -- okay, I'm done  
2 with that part, okay?

3 Commissioner Bell, thank you so much for  
4 letting me know about this particular meeting, but I  
5 just want no disrespect to anyone else, but I just want  
6 you to know, Chief, Chief Craig, that we in the 7th  
7 District have the best Police Commissioner and  
8 Commissioner Moore. There is no disrespect to you all.  
9 Like the officer said, I'm from the 6th precinct. He  
10 communicate with 6th precinct, but he also communicates  
11 with the community, and for that, we appreciate him.  
12 He keeps us in tuned to what's going on, and I think  
13 that's what commissioners are supposed to do. And we  
14 love him. We appreciate him and we salute him. And  
15 Chief Craig, is there any way that you can find in your  
16 budget to give him some money please. NPO officers  
17 from the 6th precinct I need to speak with you because  
18 I have coats in my car right now that I want you to  
19 take with you. So please, make it happen. God bless  
20 you.

21 CHAIRPERSON BELL: I just want to say, no  
22 more paid announcements. Yes, ma'am. Go ahead.

23 MS. GARDNER: Judy Gardner. I live in this,  
24 in this area, Warren Avenue Community Organization.  
25 I'm president of the Warren Avenue Radio Patrol and my

1 husband and I patrol together. And one of the things  
2 we see continuously is that there are places in the  
3 neighborhood where there might be only one house or no  
4 houses on the block or there might not be another house  
5 immediately contingent and they become dump sights.  
6 And I called our district manager and I told them, well  
7 one house that was particularly horrible, and he sent  
8 out somebody and they came and cleaned it up. I think  
9 a lot of this from it will be a pile of 50 tires. Now  
10 I don't believe there's anybody in our neighborhood who  
11 gets 50 tires at a time. I think a lot this stuff is  
12 being brought in from outside the community. My guess  
13 is a lot of it's being brought in from outside the  
14 city. And I don't know who to turn to with this  
15 problem, but I see you are right here and I say here  
16 are people who think about police problems. So would  
17 you think about this one? Thank you.

18 CHAIRPERSON BELL: Thank you, ma'am. I think  
19 we got it.

20 MR. EDGE: Good evening. My name is Arthur  
21 Edge. I'm president of the Far West Detroit Civic  
22 Association, vice-president of Friends of Rough Park,  
23 sit on the Chief's Advisory Board, Detroit 300 and a  
24 city worker. But it's not about me, it's about that  
25 gentleman sitting right there, Commissioner Moore. I

1 want to thank him for everything you've done. And also  
2 I want to thank Captain Walton down here in 6th  
3 precinct because when we call him, he gets things done  
4 and all the NPO's and police officers in this area. I  
5 want to thank everybody.

6 COMMANDER BEITTISON: Good evening.  
7 Commander Bettison. Everybody heard a lot about the  
8 NPO program so everybody should have a flier in their  
9 hand, and this Saturday at Greater Grace Temple we're  
10 going to have our Neighborhood Police Officer's  
11 Conference. So you're all invited out to attend the  
12 program. It's going to be from 9 a.m. to noon. So  
13 come out and learn more about the program, engage in  
14 the faith-based community, building stronger  
15 neighborhoods, the Lighthouse Project Program. It's a  
16 lot of exiting things that you will learn. You'll  
17 learn safety tips as well, radio patrol. You need to  
18 go on-line and register, but if you don't have access  
19 to a computer, Sergeant Collier is in the back with her  
20 laptop and we'll get you registered tonight. So thank  
21 you very much, and we look forward to seeing you out in  
22 the community.

23 CHAIRPERSON BELL: Thank you, Commander.

24 MR. WROBLENSKI: I'm Dan Wroblenski. I'm the  
25 president of the Far West CB Patrol. In the last

1 couple of years we had almost like a revolving door of  
2 commanders and captains of the 6th precinct so it's  
3 really hard to build any kind of rapport and establish  
4 any kind of relationship. Since Captain Walton has  
5 arrived, he's made himself available all hours. He  
6 returns all my calls, my e-mails. He's attended our  
7 meetings when he's been asked. And on one occasion he  
8 actually showed up when we had a situation on a street  
9 resulted ended up was called squatters and we didn't  
10 get satisfaction from maybe the officers that first  
11 respond. Called Captain Walton, I don't like to go to  
12 the well too many times, he showed up personally and we  
13 ended up with another car there and made two arrests  
14 and recovered a stolen car at the scene. So I just  
15 want to give Captain Walton a big adulation. And also  
16 while I'm on the subject add another one, Commissioner  
17 Carter.

18 CHAIRPERSON BELL: Yes, ma'am.

19 MS. GERMAN: My name is Joanne German. I  
20 belong to WCO. You're not going to like me because I'm  
21 going to tell you, I don't feel safe on my block. This  
22 past month we've had one person -- well two people they  
23 live in a house. They were sleeping upstairs.  
24 Somebody went around and opened every one of their  
25 screens and they got in, but he fixed his windows so

1 they wouldn't open. That's bad when you have to have  
2 your windows so they won't open. The guy across the  
3 street from me called me at 7:30 in the morning. He  
4 was on TV. He's a vet. He was injured in Iraq. He  
5 came home. He's still in the Reserves. He came home  
6 from his mostly active duty and his car was stolen.  
7 Then down the street they slashed somebody's tires.  
8 Now that might have been something personal, I don't  
9 know. And across the street from me a young couple  
10 moved in. She's had two kids. They've now got three  
11 kids. And there's three houses next door to me empty.  
12 They keep the guy and our old man down the street keeps  
13 pulling in to one of the house. I know they've been in  
14 there at least five times. The neighbors are call --  
15 I'm the one that the neighbors call if there's a  
16 problem. The neighbors are calling me constantly. I  
17 know there's no pipes in that house, they're plastic.  
18 So what are they doing in there? We've seen guys going  
19 in there, they come out and they're zipping up their  
20 pants and that's gross. I wouldn't go walking down my  
21 block in the middle of the night, no how, no way. I  
22 wouldn't go walking down my block when the street  
23 lights are on so --

24 CHAIRPERSON BELL: Ma'am, your time is up.  
25 I'm glad you shared your concerns with the Board and

1 your street, you made a good point.

2 MS. GERMAN: Yep, that's it.

3 CHAIRPERSON BELL: And thank you.

4 CHIEF CRAIG: Through the chair.

5 CHAIRPERSON BELL: Yes, sir.

6 CHIEF CRAIG: I want to respond. First of  
7 all, what precinct do you reside in?

8 MS. GERMAN: 6th.

9 CHIEF CRAIG: 6th? If I could get you to  
10 hook up with Captain Walton in the back. Let's find  
11 out who your Neighborhood Police Officer is.

12 MS. GERMAN: I know who he is.

13 CHIEF CRAIG: Have you had conversations with  
14 him about the issues in the neighborhood?

15 MS. GERMAN: About the people across the  
16 street that we're not sure, the squatters.

17 CHIEF CRAIG: What about the other issues?

18 MS. GERMAN: No, I haven't.

19 CHIEF CRAIG: Do you have an active  
20 neighborhood watch block? You sound like the  
21 president. They all call you, which is good news. I'm  
22 glad they call you.

23 MS. GERMAN: I'm the one that takes care of  
24 the Neighborhood Watch.

25 CHIEF CRAIG: Okay. I tell you what. Let's

1 see if we can handle some of those other quality of  
2 life issues there. I recognize how that can have an  
3 impact. We want you to feel safe, okay?

4 MS. GERMAN: Okay.

5 CHAIRPERSON BELL: Yes, sir.

6 MR. HARDY: Yes. My name is Garland Hardy,  
7 and I'm a resident of the Russell Woods area and  
8 Ricardo Moore is also my police commissioner, and I  
9 just want to commend him on the job he's doing and  
10 keeps me informed about the meetings. This is the  
11 first meeting I've been able to attend.

12 I also want to congratulate the Chief. When  
13 I heard on the news that he was going to be reappointed  
14 by the mayor, I was happy to hear that. I'm very  
15 pleased with the job that he's doing.

16 I did have an incident that happened to me at  
17 my home about a month ago in which an installer for  
18 Comcast Cable, and they were contract. The gentleman  
19 stole my Samsung receiver while he was in my house, and  
20 I was there as well in my basement, walked right out  
21 and put it in his truck, called someone else, they  
22 picked it up. I did call the Detroit Police  
23 Department. The first responders did not do an  
24 adequate job and investigation, and subsequently he was  
25 able to drive out of my driveway with my receiver

1 because they didn't do a thorough search of his  
2 vehicle.

3 Consequently in my frustration, I called some  
4 friends of mine. They made contact with Deputy Chief  
5 Hall. She was here. Is she still here? She did call  
6 me and she let me know that Detroit Police Department  
7 does not operate that way and it would not be  
8 tolerated. She did an excellent follow-up in  
9 contacting someone in the 10th precinct, and  
10 subsequently Sergeant Wagner came to my home along with  
11 another detective.

12 Hours later they did do a thorough  
13 investigation. They submitted a warrant package on the  
14 individual who I believe did steal my receiver. Went  
15 to the prosecutor's office. They did not file a case  
16 against the subject because there was no evidence of  
17 theft. They pulled out of my driveway. He told me  
18 that I didn't even know if it was in my own home, which  
19 really upset me. But the incident is over. I lost a  
20 receiver. It's done. But I do want to commend the  
21 officers that did a follow-up, the Deputy Chief as well  
22 as Sergeant Wagner and his partner. So I thank all of  
23 you for the job that you're doing. I hope Detroit  
24 becomes a safer city. I've been back here now about  
25 seven years from Los Angeles. And I love my city.

1 CHAIRPERSON BELL: Glad you came back, sir,  
2 from L.A.

3 MR. HARDY: I miss the warm weather and palm  
4 trees.

5 MS. TRILETY: Good evening. My name is  
6 Paula Trilety, president of West Outer Drive Civic  
7 Association and I also would like to thank Commissioner  
8 Moore and Captain Walton for their assistance with any  
9 request we have. We love them. You know, the Chief  
10 too. Everyone in city government these days just seems  
11 like people are cooperating and working together, and  
12 it just makes it so much easier to get things done.

13 One thing, and I'm going to say something  
14 that Arthur Edge said, I believe it was Arthur, it's  
15 really difficult as a community person to get to know  
16 your commander or captain, and we want to keep Captain  
17 Walton around for a little while. So I think there's  
18 people here will second that. Thank you.

19 CHIEF CRAIG: Through the Chair.

20 CHAIRPERSON BELL: Yes, sir.

21 CHIEF CRAIG: I know that's been a concern,  
22 it's been a concern by many community members in some  
23 instances the evolution of the department commanding  
24 officers being moved. Certainly Captain Walton may not  
25 like to hear this, but I have every intention on

1 leaving him at the 6th precinct with the exception of a  
2 promotion. So there have been a number of promotions  
3 in the Detroit Police Department, and when that  
4 happens, we do move folks out and we bring new people  
5 in, so that evolution does take place.

6 The other part of it is that I'm big on  
7 accountability. If in fact commanding officers are not  
8 serving you, and they're not providing the kind of  
9 service I believe they should be, they are subject to  
10 move. And many times, we won't go into specifics, but  
11 we are working very hard to create stability. We know  
12 how important it is. I'm pleased to hear all the  
13 accolades that have been directed to Captain Walton.  
14 We think he's doing a great job. Until he gets that  
15 next move up, we want to leave him in that position for  
16 now.

17 CHAIRPERSON BELL: Any other comments?

18 MR. DUMAS: Okay. I'm Raymond Dumas. I am  
19 vice-president and housing chair of the Warren Avenue  
20 Community Organization, which is basically this area.  
21 I'd like to thank Commission Ricardo Moore. He got  
22 things moving finally. However, I'd like to know  
23 what's going to happen with the disbanded gang task  
24 force. We have a lot of problems with gangs in our  
25 neighborhood, juvenile gangs. They're harassing

1 people. Personally call me names, names that I'm not  
2 happy about. I cannot represent what they call me.  
3 They're involved in drug activity. As a housing  
4 chairperson, most of the properties in the neighborhood  
5 that are problem properties are actually being rented  
6 or squatted by slum landlords, and it's a problem I'm  
7 working from the housing end. However, I need to know  
8 about secondary level crimes as robberies, and I don't  
9 even know, maybe I'm not classifying it right, gang  
10 activity, drug activity right in front of my house. We  
11 have videos of all this. I have submitted the  
12 addresses and I think Doris has submitted some  
13 addresses to the Commander Walton. I hope he's going  
14 to do something about it, and I'm pleading with you,  
15 please. When, I don't -- you know, I know you can't  
16 announce it, but when are we going to have a drug and  
17 gang sweep of this particular area here? You don't  
18 have to tell me, but please make it as soon as possible  
19 because it has been escalating. We've had people  
20 robbed with and threatened with crowbars in their  
21 houses. I had somebody on Abington Street here that  
22 lost 30 to \$40,000 worth of jewelry and guns, and he  
23 has his house pretty secure. But they kicked the back  
24 door. You see, that's what I'm trying to say. The  
25 second level crime, the quality of life issues is

1 actually burgeoning in our neighborhood. Is that in  
2 your statistics, all those crimes?

3 CHIEF CRAIG: Through the chair.

4 CHAIRPERSON BELL: Yes, sir.

5 CHIEF CRAIG: First, let me just start by  
6 saying that since we started this work now 16 months  
7 ago, we have initiated and started a gang impact team  
8 which is working now. I'm not certain I heard you  
9 mention Captain Walton. Every precinct has a special  
10 operation. It is my expectation that if we have that  
11 relationship, you are communicating, whether it's  
12 quality of life activities or crimes by dope dealing  
13 gang members that you are getting the adequate  
14 response. So what I'd like you to do is talk with  
15 Captain Walton and see what's going on with what you  
16 reported. And certainly what drives our monthly  
17 operations is really data driven. And certainly if  
18 your neighborhoods comes up as one that needs some  
19 special attention, we certainly will go there. But in  
20 the meantime, the precinct is still doing monthly  
21 operations. I would suggest you have that conversation  
22 with the Captain.

23 MR. DUMAS: I have called special ops unit.  
24 I'm still waiting three and a half months later. I was  
25 promised a call. I don't even know who he was. I

1 already forgot the name, it's been so long ago, and  
2 nothing was done.

3 CAPTAIN WALTON: We're currently working on  
4 the situation. I'll give you an update on it.

5 COMMUNITY MEMBER: Good evening everyone.  
6 Chief, I would like to say you have an excellent  
7 command staff you should be proud of each and every  
8 one and I would like to thank you and Commissioner Bell  
9 for coming out to the Veterans Day luncheon. It was a  
10 marvelous event, and also I would like to thank Captain  
11 Leach and Captain Hope for hosting this event. They  
12 did an awesome job. Thank you.

13 CHAIRPERSON BELL: I want to thank you for  
14 coordinating that. That was here in Detroit and Wayne  
15 County and Chief's remarks and Captain Leach and  
16 Captain Hope an outstanding luncheon. It was well  
17 attended, well fed, and we got gifts to take home. And  
18 I also identify some other folks in the police  
19 department who have military background, extensive  
20 military background, and I was impressed by that type  
21 of forum, so thank you.

22 MS. SMITH: Chief, I'm glad to see you. I  
23 see you have two new ones there so I just want to know  
24 so I can recognize them when I see them again.

25 CHIEF CRAIG: Ms. Bernice, what are you

1 talking about?

2 MS. SMITH: Your security there.

3 CHAIRPERSON BELL: You're not supposed to  
4 identify the security personnel. That's not good.

5 MS. SMITH: It's not good?

6 CHIEF CRAIG: They're not security, they're  
7 aids to the Police Chief.

8 MS. SMITH: You know I know. Are you  
9 serious?

10 CHAIRPERSON BELL: I'm serious.

11 MS. SMITH: You don't want me to tell you what  
12 I got to tell you?

13 CHAIRPERSON BELL: Can you do it in one  
14 minute?

15 MS. SMITH: No.

16 CHAIRPERSON BELL: 30 seconds?

17 MS. SMITH: That's even worse. Mr. Moore,  
18 I'm glad we're in your area here and you have such a  
19 good following here. I just want to let you know  
20 whenever you come to Midtown then we will show you the  
21 same to the Chief and the same commissioners, and I'm  
22 through. I won't even say anything else.

23 CHAIRPERSON BELL: Ladies and gents, I just  
24 want to thank you on behalf of the Board of Police  
25 Commission for your attendance, for your participation,

1 and for good dialogue. I'd just like for all the  
2 community leaders to just stand. If you're serving in  
3 an elected position, I heard several of you, I just  
4 want to acknowledge and give you a round of applause  
5 for your job well done.

6 And the Chair will thank the Commissioners.  
7 There was a little communication going on here, and one  
8 of our Commissions that we love, Commissioner Jessica  
9 Taylor, had an accident in the parking lot, and we hope  
10 that as well that's why the Board Secretary left to be  
11 with her at the hospital. We pray that everything goes  
12 well with her, so lift her in your prayers. So the  
13 meeting stands adjourned. Want to make a motion for  
14 that?

15 COMMISSIONER: So moved.

16 CHAIRPERSON BELL: Motion passed.

17 (The proceeding was concluded at 8:30 p.m.)
