RE: Ombudsman Budget Analysis FY 2017-18

Dear Council Members:

This is the second report that has been issued to your Honorable Body by this Ombudsman Office under new leadership. Of 5,139 complaints processed, the bulk of the complaints have come from the Building Safety Engineering and Environmental Department (BSEED) and the Department of Public Works (DPW). Combined they account for 54% of all complaints received. There is still a significant amount of work to do as we address blight in our city.

There are some thriving neighborhoods and areas of our city that we can applaud, but the bulk of the neighborhoods are not in good shape and require our immediate attention through policy changes as we attempt to shape our future. The recommendations that I have provided to you in this report highlight revenue generating opportunities that can assist in effort to clean and build up the neighborhoods. In addition to revenue, the recommendations place emphasis on our ability to secure accurate records, and ultimately position us for stronger code enforcement.

I submit this report on behalf of our residents, property owners, business owners and all persons who have contacted the Ombudsman Office during the time period of February 1, 2016 through January 31, 2017.

Respectfully submitted,

Bruce Simpson
City Ombudsman

Ombudsman Recommendations

- Requiring presale home inspections by the Buildings Safety Engineering and Environmental Department (BSEED)
- Securing contracts through either BSEED or DLBA to secure open and dangerous properties
- Providing a mechanism to ensure that Property Transfer Affidavits (PTAS) are filed by new property owners
- Providing tax payers with the ability to pay their property taxes via Kiosk
- Providing alley lighting for our citizens

Presale Home Inspection, BSEED

The reintroduction of mandatory presale home inspections conducted by BSEED will benefit our citizenry, as well as city hall in several ways. Our inspectors are poised to be the first point of contact for someone interested in purchasing a property within the city. This process can provide the buyer with the advantage; having all property maintenance issues identified for them by a qualified professional and ensures that the proper permits are secured, in order to bring the property up to code. Too often, buyers are not made aware of the condition of the property that they are purchasing, which results in preexisting issues that become a burden to the owner moving forward.

The benefit of this policy change allows the city to determine the intent (resident vs. investment) of the buyer and document that property appropriately. BSEED would increase its revenue, and have a more accurate property maintenance registry, through this change.

Securing Structures, BSEED/DLBA

Demolition has been the focus and the tool used most often to address dangerous and open-to-trespass structures. It is appropriate to demolish properties that are beyond repair. However, as the federal funding decreases, pivoting towards securing vacant properties should be the next step. As a city, we need to start with properties that we own and methodically work our way through the neighborhoods to secure all open structures through the use of contractors.

Property Transfer Affidavits (PTA's)

The General Property Tax Act (P.A. 206 of 1893) requires the filing of a property transfer affidavit with the Assessor's Office. Failure to file costs a penalty of merely \$200.00 for residential property, and \$1, 000 for commercial/industrial property. A new buyer not filing their PTA puts the city at a serious disadvantage in several ways:

1. We are not functioning with accurate records of ownership. Every collection effort issued by the city will face an uphill battle, due to this inaccuracy.
2. If the taxes are never uncapped and the tax rolls are not adjusted to reflect the change of ownership, we are not in a position to capture the property taxes associated with the true taxable value of the structure.

Providing a mechanism with accountability, that strongly encourages a new owner to file a PTA will be a revenue generator and significantly increase the accuracy of our records. This is a loophole often taken advantage of by many investors.

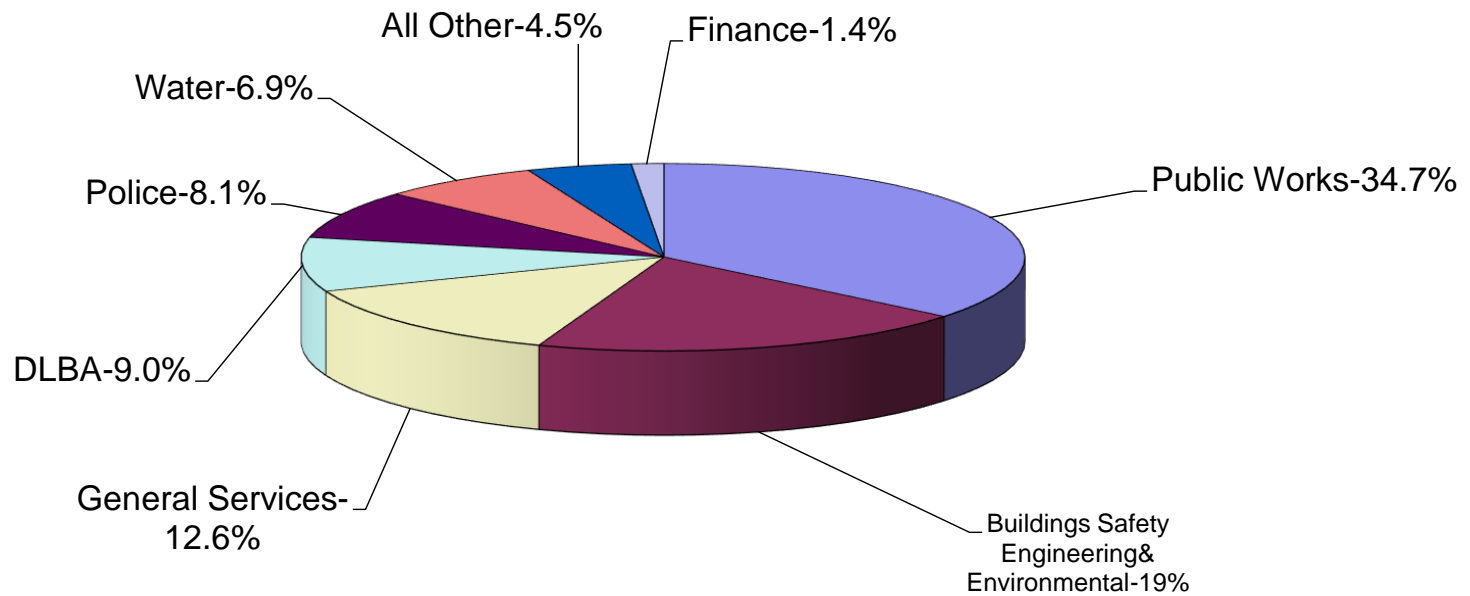

Property Tax Payment via Kiosk

As a matter of convenience, there is no reason that a citizen should not have the ability to pay their property taxes via a kiosk located in Rite Aid Stores and strategic locations throughout the city. The Wayne County Treasurer and DTE Energy currently take advantage of this payment option. DWSD will be poised to use this option to receive payment in the near future. Parking tickets are \$45.00 and it can be costly to park in a structure. This option falls in line with our push to collect more revenue through property taxes.

Alley Lights

We have made great strides by relighting the city in such a short period of time. However, the alley lights should be operational at no additional cost to the citizen. This ensures the heightened ability to provide safety for city residents.

Ombudsman Complaints by Department

“All Other” represents several departments with less than two percent of the total complaints and as a result they were combined for chart clarity purposes.

Total Referrals: 14,360

Since 2005, the Office of the Ombudsman has worked diligently to respond to every inquiry, including information that falls outside the purview of Charter-mandated responsibilities. Budget reductions in every area of the economy have left fewer staff to answer calls. Therefore, a system for documenting referrals was designed, and the results are shown in the grid above. In addition, examples of typical inquiries are listed below:

Social Services: Housing/homelessness, food assistance, aging, child care, heating assistance, rape counseling/child abuse, healthcare/dental assistance, wheelchair ramp construction

State of Michigan: Medical clinics, corrections, tax tribunal, victim assistance, education, mental health, unemployment, grants, job placement, WIC locations, foster care/guardianship

State Legislators: Vacant and dangerous properties, parks, illegal dumping

Wayne County: Meals on Wheels, home healthcare, probation/parole, gambling counseling, gun licenses, PPOs, drug treatment, Register of Deeds, marriage licenses, youth programs, tutoring

Utilities: Shut-offs, tree trimming, billing, heating assistance, down wires

Private Business: Landlord/tenant issues, eviction, labor unions, mortgage/foreclosure/fraud, towing companies, dog kennels, drivers' training, franchise start-ups, auto warranties, grocery markets, taxes, water bills, insurance companies, credit card companies

Federal Government: Immigration, medicare, social security, corrections, education, railroad safety

Our comprehensive database of referral agencies allows us to successfully reroute inquiries to the appropriate resources.
