Neighborhood Advisory Council (NAC) Member

WHAT ARE THE NAC MEMBERS' ROLES AND RESPONSIBILITIES?

- Attend at least 1 initial meeting between the NAC and Herman Kiefer Developer.
- Continue to attend follow-up meetings with Herman Kiefer Developer to monitor progress and status of project.
- Review Community Benefits Report written by the Planning and Development Department and Compliance Reports

Neighborhood Advisory Council (NAC) Member

ELIGIBLE MEMBERS MUST BE:

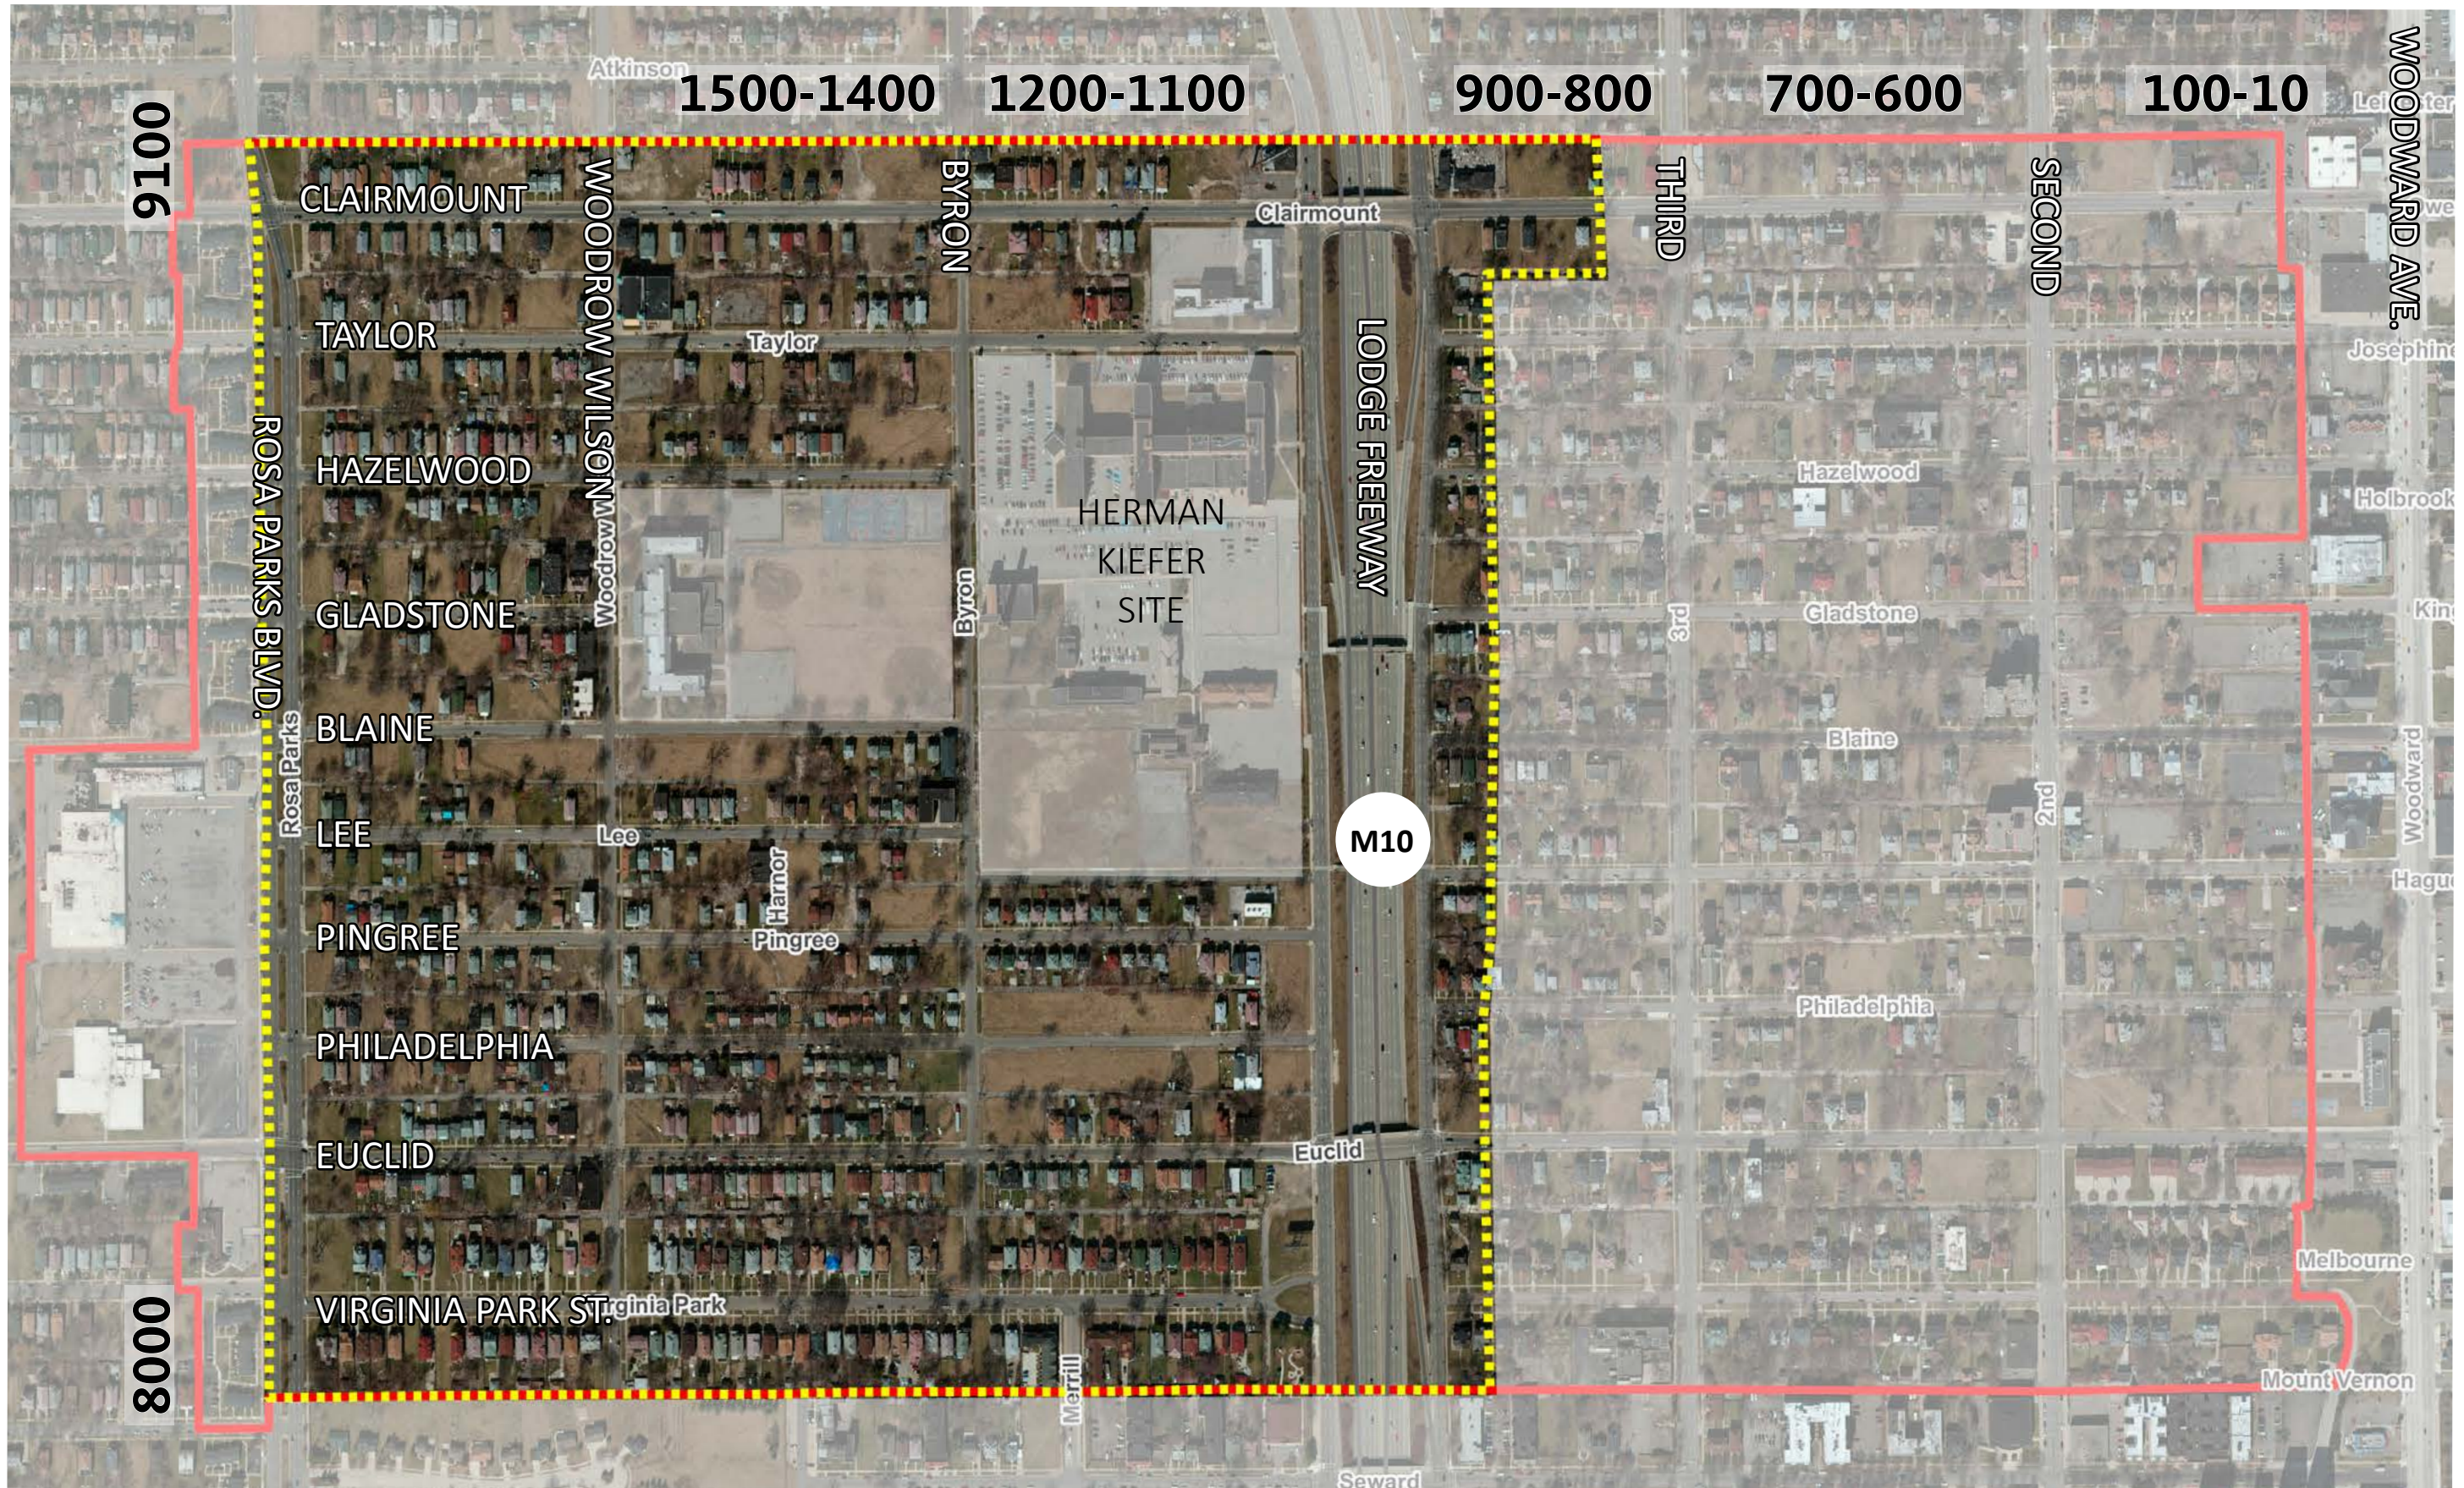

- Residents of the impacted area
- At least 18 years of age

How Is the NAC Formed?

THE NAC CONSISTS OF 9 MEMBERS, SELECTED AS FOLLOWS:

- **2 selected by residents** of the impacted area
- **4 selected by the City of Detroit Planning and Development Department** (preference given to residents expected to be directly impacted by project)
- **2 selected by the At-Large Council Members** (Council President Jones and Council Member Ayers)
- **1 selected by the local District Council Member** (Council Member Sheffield) whose district contains the largest portion of the Impact Area

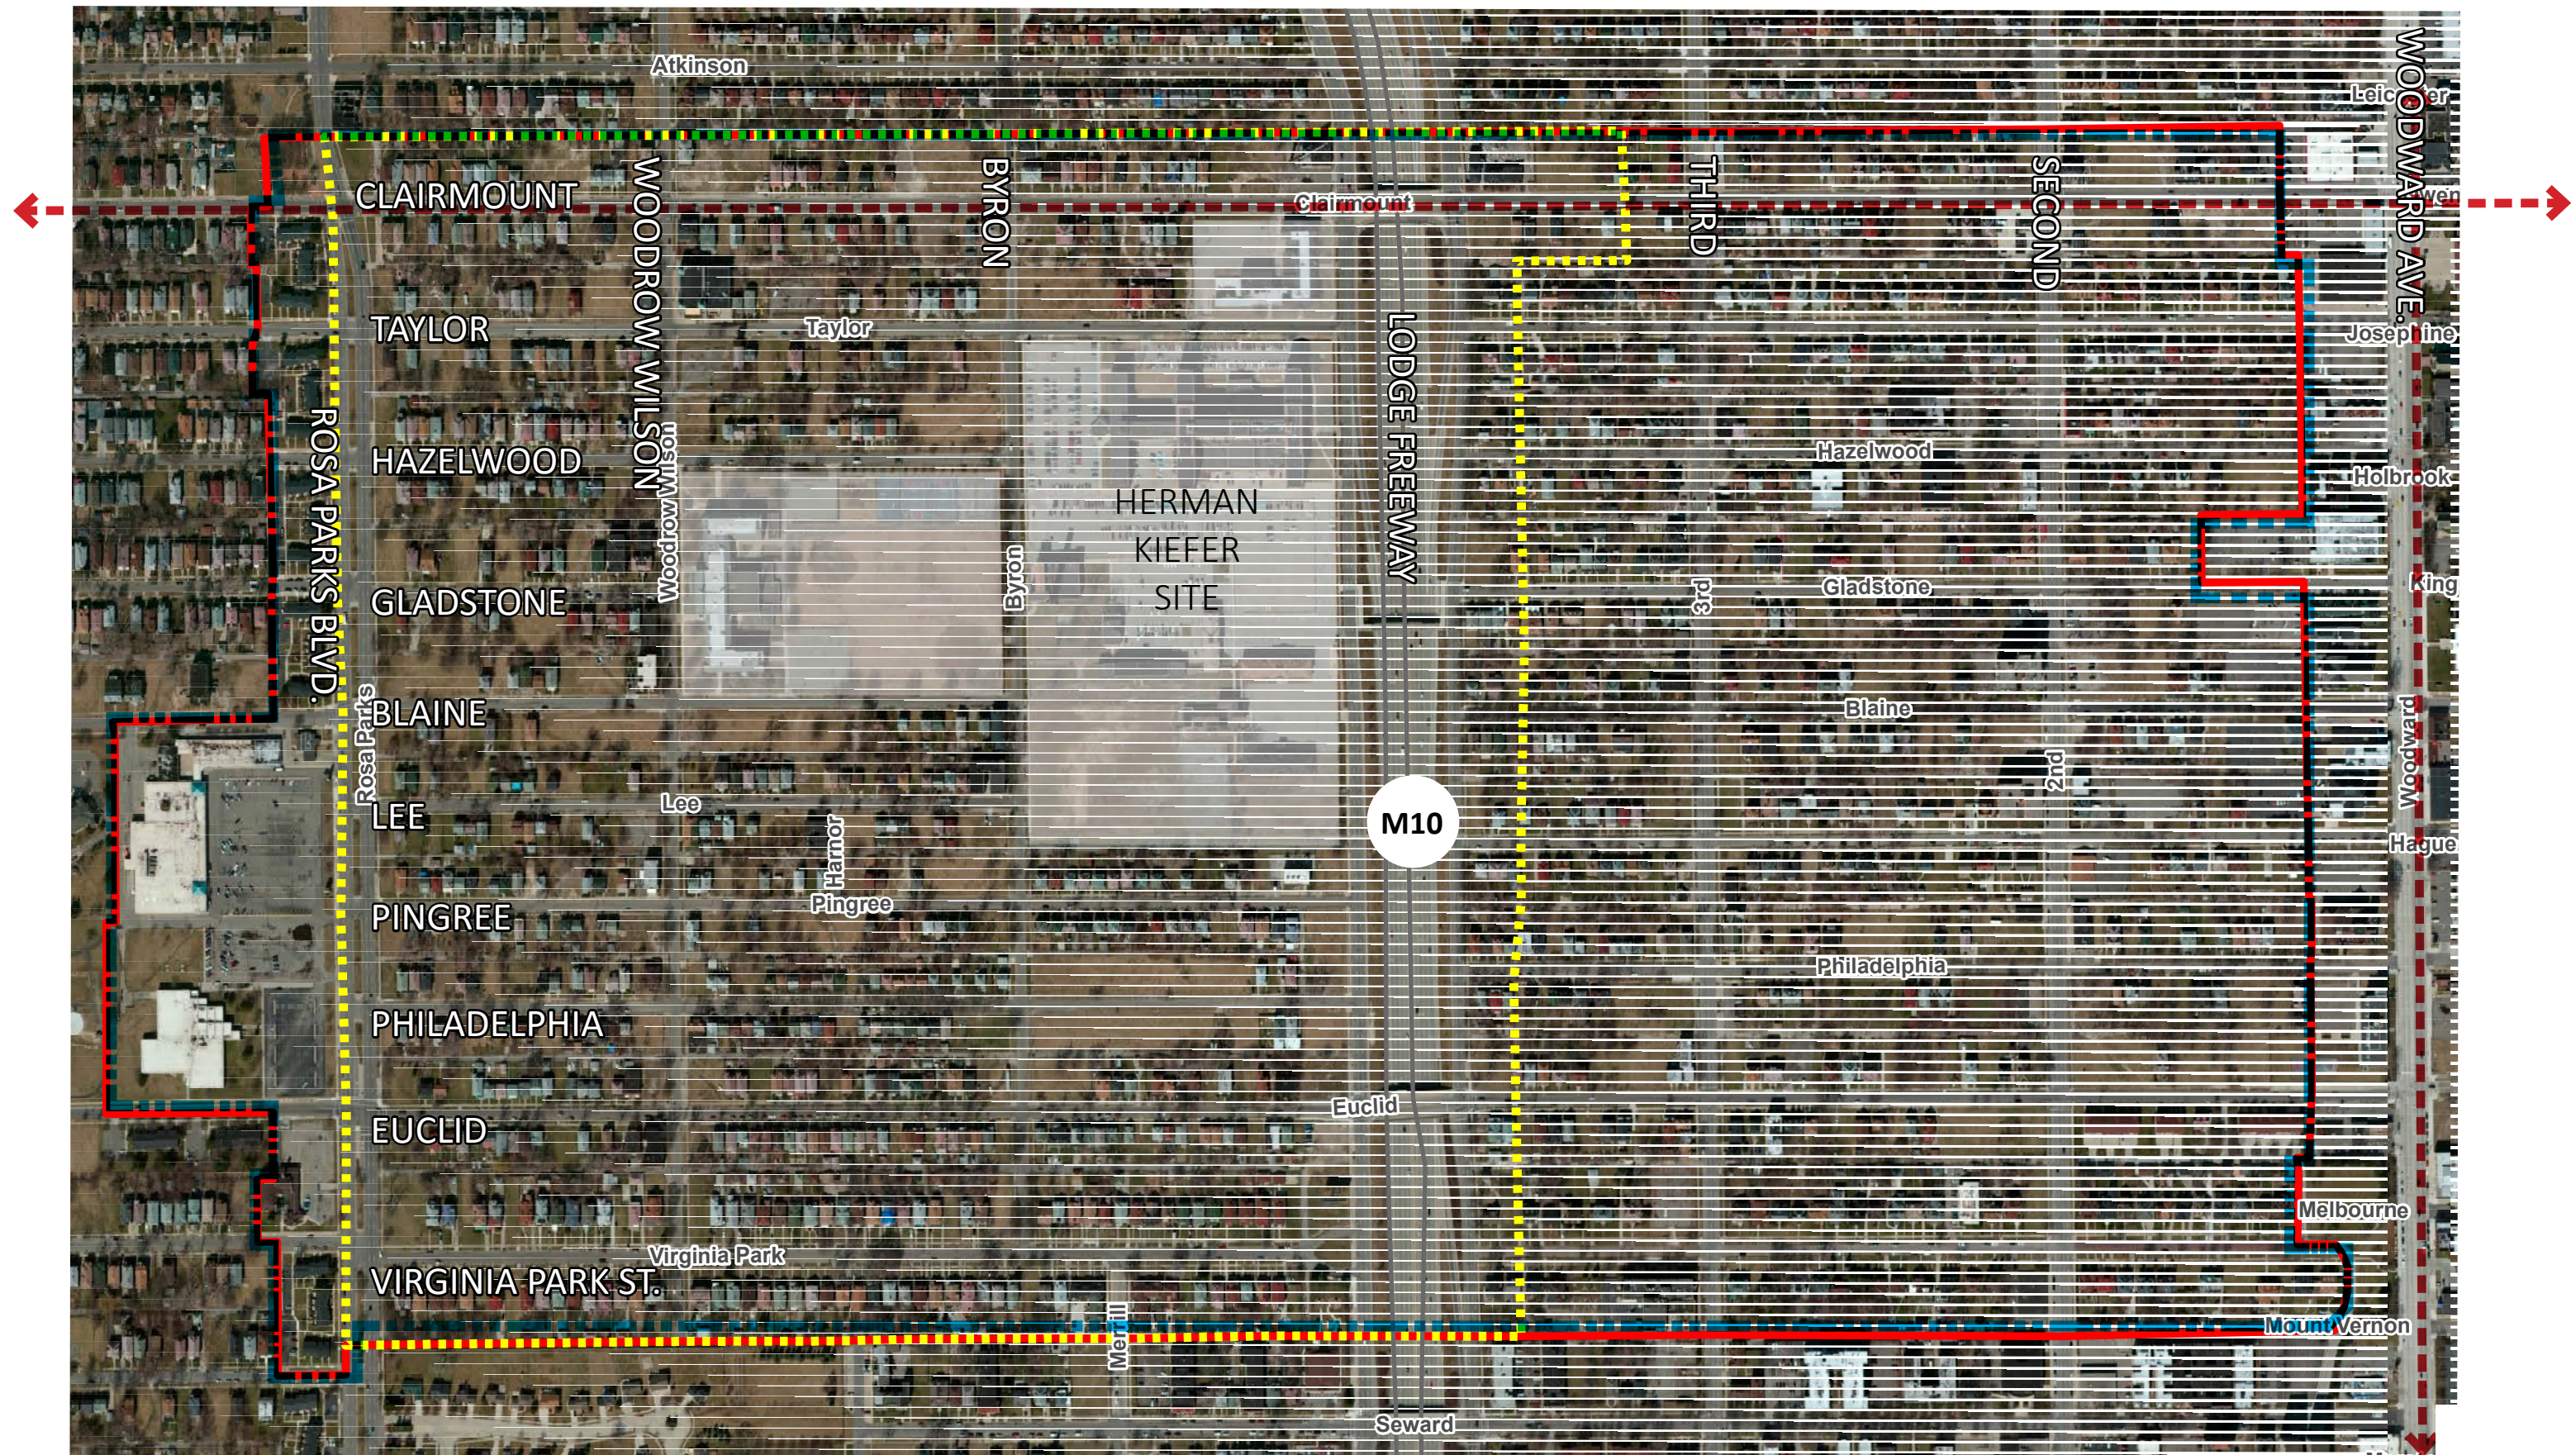

Impact Area

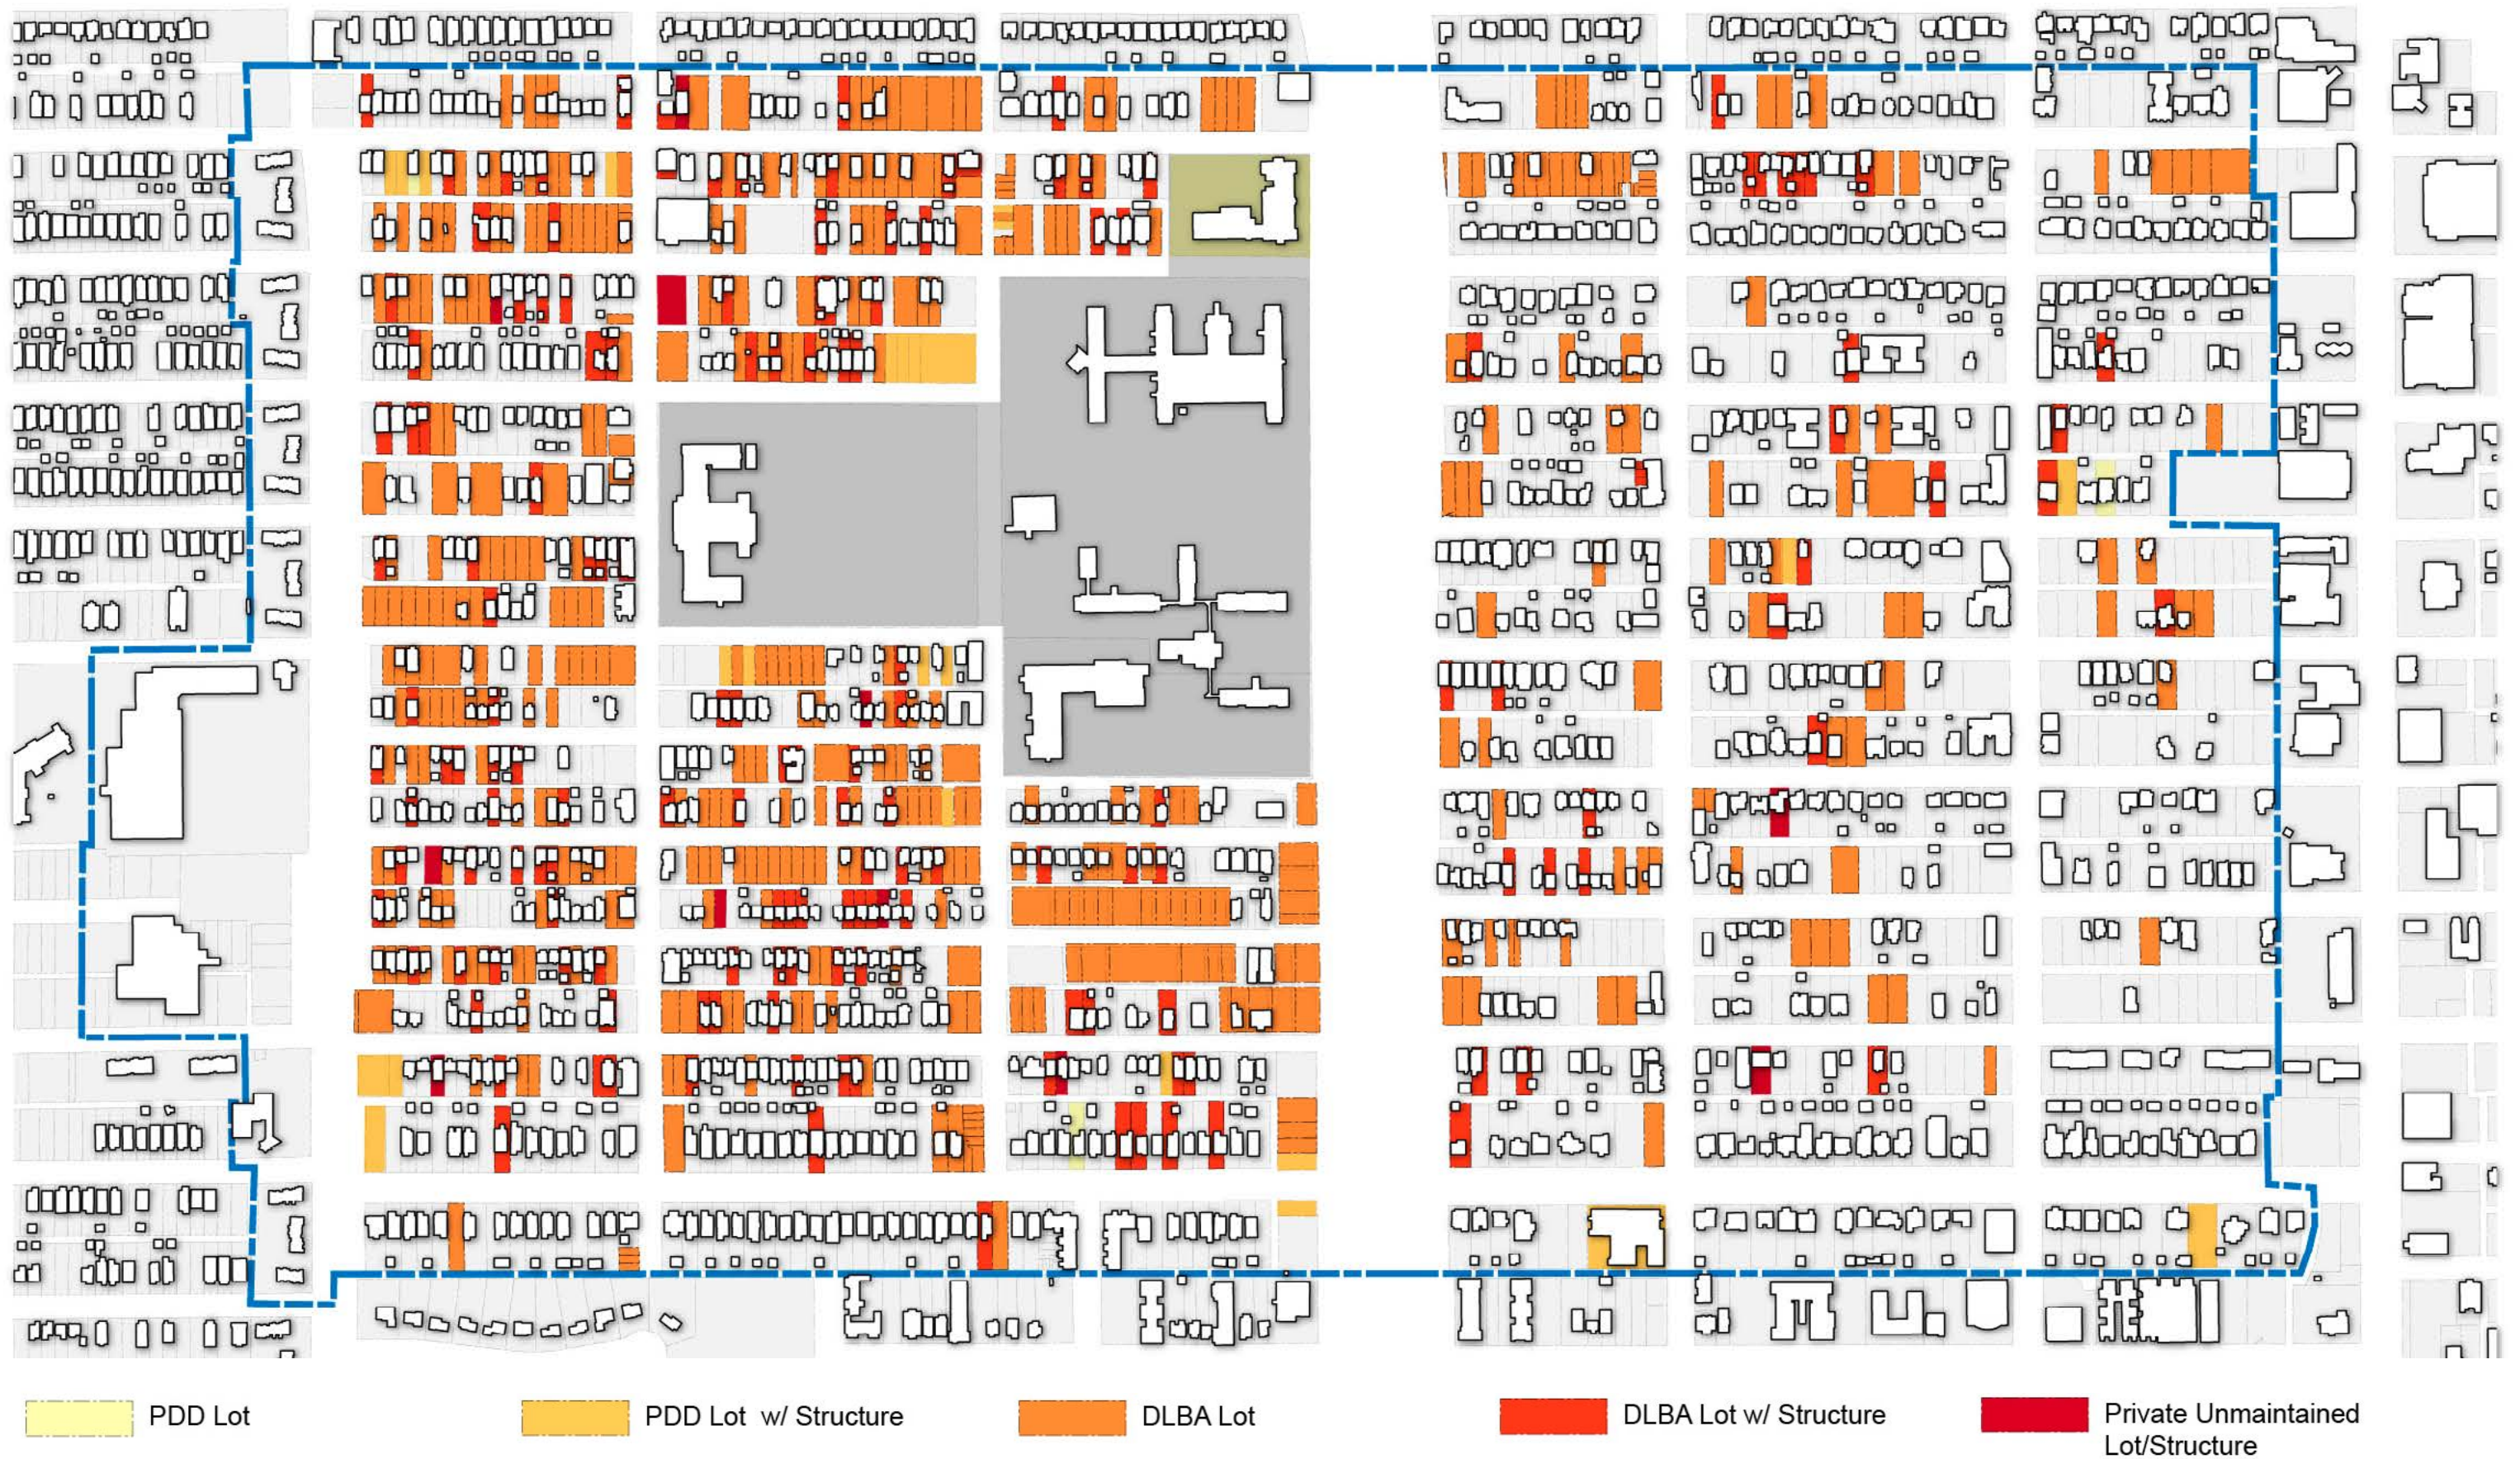

An aerial photograph of a residential neighborhood, likely in a hilly area, showing several brick houses with gabled roofs. The trees are mostly bare, suggesting a late autumn or winter setting. The lighting is warm, with a golden glow. A white rectangular box is superimposed over the center of the image, containing the text.

BREAKOUT CONVERSATIONS

A photograph of a row of brick townhouses in a winter setting, with snow on the ground and a teal overlay. The text "BREAKOUT SESSIONS" is centered in a white box.

BREAKOUT SESSIONS

What do you appreciate most about the area that you would like to **remain** in the future?

This could be places of cultural or personal significance, or characteristics about the neighborhood and/or the people.

What do you think of as the
three biggest challenges
facing the neighborhood now?

What fears do you have, if any,
when you think about the future
of the neighborhood?

What do you think is **missing**
from the neighborhood?

This could be physical elements, such as new retail development, community gardens, pocket parks, etc., or other characteristics about the neighborhood and/or the people.
