As part of the **community benefits ordinance process** the City of Detroit invites you to attend the kickoff meeting for the Hudson's Site. **General selection of candidates for the Neighborhood Advisory Council (NAC) will occur at the second meeting, held Monday, September 25, 2017.**

Bedrock LLC is reaching out to the community to receive input on the redevelopment of the site of the former J.L. Hudson's Department Store, a two-acre site in the heart of downtown Detroit bounded by Woodward Avenue, Gratiot Avenue, Grand River Avenue, and Farmer Street. The mixed-use project will include over one million gross square feet of space, including commercial office, retail, residential, public space, and parking. This transformational development is expected to be a destination for residents and visitors alike, creating thousands of jobs and providing a unique experience that can't be found elsewhere in the region.

Construction is anticipated to begin in December of 2017.
