Check the box on Line H of Page 1 if you are filing an amended return. If the amended return is a result of a Federal audit, complete Lines I and J on Page 1.

An amended Detroit return is required for any year that a determination is made by Internal Revenue Service that affects your Detroit tax liability. This return is due within 90 days from the date of the service's final determination. If you file an amended Federal tax return that affects your Detroit tax liability, you must file an amended city return.

An amended return is also used to correct errors on previous Detroit returns. List the explanation for the amendment on a schedule attached to the return.

For 1997 and subsequent years, the statute of limitations is four years. Beginning in 1997, the D-1040 form can be used as an amended return if the appropriate box is marked.

Include on Page 1, Line 12, payments made with the original return. If Line 15 of Page 1 computes to be an overpayment, it should be adjusted to reflect original refunds and credits as set forth below.
