# 12TH STREET COMMUNITY MEETING

Rosa Parks-Clairmount  
Framework Update

## COME JOIN US !

The City of Detroit invites you to see the results of the Rosa Parks - Clairmount Neighborhood Framework Plan. Over the past year, the City of Detroit and the community identified investments and priority projects that can strengthen the neighborhood's identity and vibrancy. The result of this work is called the "12th Street Community Plan". We hope you will join us for a presentation of near-term projects for City investment in your neighborhood, updates from local developers, followed by an open house for break-out discussions by topic area with City staff.
