PARK IMPROVEMENTS

Butzel Playfield and the Butzel Family Recreation Center are well-known and beloved community amenities in the Islandview/Greater Villages planning area. Situated on almost an entire neighborhood block, this community destination is a valuable resource that currently deserves more visibility and prominence as a community destination. The City will be redesigning and improving Butzel Playfield's street entrances, outdoor spaces, recreation amenities, and landscape design to enhance park beauty and promote positive community and intergenerational interaction.
