

Gratiot/7 Mile

NEIGHBORHOOD FRAMEWORK PLAN

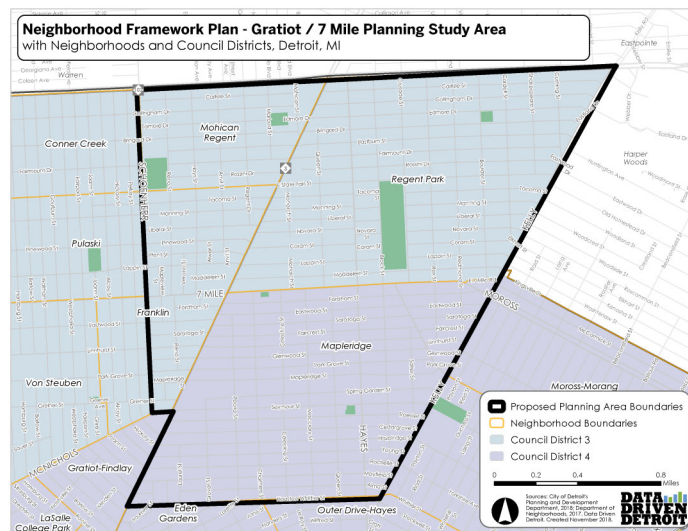

Spring 2019

COMING SOON: GRATIOT/SEVEN MILE NEIGHBORHOOD FRAMEWORK PLAN

City leaders and residents will be coming together this year to create a plan for the neighborhoods near Gratiot and 7 Mile in northeast Detroit. The Gratiot/7 Mile Neighborhood Framework Plan is a city-led plan of action, co-crafted by residents to guide future growth and investment in the neighborhood. Several plans are being conducted citywide, including in the Gratiot/7 Mile area. This project will be supported by the Strategic Neighborhood Fund, which is a \$130 million commitment to implementing the recommendations of this plan and those in nine other areas of Detroit.

The Gratiot/7 Mile planning area includes neighborhoods bounded by East 8 Mile Road, Kelly Road, Houston-Whittier Avenue, and Schoenherr Road. The plan will look at stabilizing single family neighborhoods, multi-family housing and retail opportunities, as well as park, greenway, and streetscape improvements. Planning activities will begin in spring 2019.

The mission of the Planning & Development Department (PDD) is to build a city secure in its future, grounded in its roots, and hopeful in its present state.

The vision that supports this mission is a healthy and beautiful Detroit, built on inclusionary growth, economic opportunity, and an atmosphere of trust.

Thank You!

The Planning & Development Department hosted community office hours every Wednesday in February and March to talk with residents about the plan. These meetings took place in the Gratiot/7 Mile community at Detroit Public Library, Franklin Branch and Heilmann Recreation Center. We spoke to 34 residents and stakeholders about the upcoming planning study. We look forward to hearing from more people once the planning study launches this year.

Missed the office hours? You can still share your feedback with us by completing our survey!
