11 CHIEF CRAIG: Madam Chair, board, good

6 CHAIRPERSON CARTER: Any others? If not,  
7 I'm going to introduce right now but we're not getting

9 sitting before me, Chief Ricky Brown from the DDOT

11 CHIEF BROWN: Good afternoon everyone.  
12 Thank you, Madam Chair.

13 CHAIRPERSON CARTER: Thank you. And then we  
14 have the esteemed Mister -- Chief Tony Holt from Wayne  
15 State Police Department.

16 CHIEF HOLT: Good afternoon. Pleasure to be  
17 here. Thank you, Madam Chair.

18 CHAIRPERSON CARTER: Thank you. Before I  
19 start the Chairman's report, I want to repeat some  
20 information that I shared with the audience at our last  
21 meeting. I want to call the attention to the change in  
22 our procedure. Typically, we create an opportunity for  
23 the public to address the board under public comments at  
24 the end of our meetings. The practice is consistent  
25 with the Open Meetings Act. Last week I introduced two

1 changes to our practice. If the board will be voting on  
2 an important policy recommendation, I will allow a  
3 special public comment period from the vote restricted  
4 to the policy under consideration. The normal public  
5 comments at the end of the meeting will remain as our  
6 standard agenda, however, if you would like to speak in  
7 public comments at the end of the meeting, you will have  
8 to provide a card to Mr. Brown, who's seated here, no  
9 later than the end of the chief of police report.

10 Additionally, for clarification the board of  
11 police commissioners do not require people attending our  
12 meetings to show identification or identify themselves  
13 as a condition to participate in our meetings. However,  
14 the public safety headquarters does require  
15 identification. The board does not operate the  
16 building. The enhanced security of public facilities go  
17 back to the provisions in the Patriot Act that are  
18 implemented in all federal, state, and local  
19 governmental buildings. At our community meetings,  
20 which are normally held in nongovernmental settings like  
21 churches and community centers, we do not have security  
22 checks unless it is required by the host facility.

23 I also want to announce at the top of the  
24 meeting that the board will be considering changes to  
25 its bylaws. Our bylaws are intended to help the board

1 operate in the most effective and seamless fashion.  
2 While it is a good practice for boards to review their  
3 rules and amend the rules to meet new challenges, we  
4 will also be examining other rules from national  
5 oversight organizations and consider if we can apply  
6 some of their most innovative methods here in Detroit.  
7 Article 10 of our bylaws allow for amendments to our  
8 bylaws. In review of this section there are several  
9 steps that must be taken into consideration to amend the  
10 bylaws. Amendments to bylaws can be proposed by any  
11 commissioner. The proposed change must be written  
12 proposing the actual language to be considered. The  
13 amendments are to be submitted to policy committee for  
14 review and recommendations. The policy committee is  
15 under an obligation to submit its recommendations to the  
16 full board 30 days before the board is allowed to act on  
17 the recommendations. An affirmative vote of two-thirds  
18 of the body is required for adoption.

19           While these announcements and clarifications  
20 -- with these announcements and clarification I will  
21 continue with my normal Chairman's report. Before I  
22 start that I'd like to acknowledge the presence of  
23 Commissioner Davis who just arrived. And also  
24 Commissioner Willie Burton from District 5. Okay.

25           On behalf of the board I want to express our

1 concern and support for fallen and injured officers.  
2 Our concerns for officer safety and citizen protection  
3 is ranked as the two most important priorities of the  
4 board. Our board receives a weekly report from the  
5 department listing injured officers. I would ask that  
6 the chief please during your remarks to provide us any  
7 additional information related to injured and fallen  
8 officers. The board of police commissioners meets every  
9 week except for Thanksgiving and Christmas holiday  
10 periods. We meet at the public safety headquarters  
11 three weeks of the month on Thursday at 3 p.m. We also  
12 meet in the community every second Thursday of the month  
13 at 6:30 p.m. Under the Detroit city charter Article 7  
14 Chapter 8 the board of police commissioners is in power  
15 to provide citizen oversight of the police department.  
16 Our citizens are justified in asking how does police  
17 civilian oversight of law enforcement help you as a  
18 citizen within our community? Our answer is we protect  
19 the civil rights of citizens. Oversight organizations  
20 like the BOPC are at the forefront in reviewing and  
21 auditing individual cases of citizen complaints and  
22 patterns of operations by police agencies to eliminate  
23 misconduct, discriminatory police practices and  
24 unnecessary use of force by police. Our work is based  
25 upon developing and supporting effective policing.

1 Mutual trust and respect between the police department  
2 and the community is critical towards increasing the  
3 quality of life for residents and visitors to Detroit.  
4 The board of police commissioners exists to provide  
5 civilian oversight for the work of the Detroit Police  
6 Department. As a board we receive and investigate  
7 noncriminal citizens' complaints, monitor the operations  
8 of the department, and work with the mayor and the chief  
9 of police to make or modify police policy. I want to  
10 point to several items on -- for your consideration and  
11 information. The board of police commissioners received  
12 a modified version of the chief's proposed directive on  
13 facial recognition last Thursday after our board  
14 meeting. As I indicated last week when this matter  
15 arrives we will post it at our website and the policy  
16 committee will review the proposed directive. We will  
17 also notify the public of our attempt to vote on it as  
18 it will be added to action items on our agenda. Under  
19 the promise announced last week and repeated this week,  
20 I will allow for public comments on the proposed  
21 directive before the board votes on the proposed  
22 directive. The facial recognition vote will be clearly  
23 marked as an action item. I want to express that this  
24 is an important item for policing in Detroit and  
25 therefore, the board will take the necessary time for

1 full review -- for review and full consideration of the  
2 revised proposal. For commissioners a copy of the  
3 revised facial recognition directive was transmitted to  
4 each of you last Friday. A copy of the same proposed  
5 directive is in your package today. For the general  
6 public a copy of the revised directive on facial  
7 recognition is posted at the DPD and BOPC's website.  
8 You can access the revised proposal directive at  
9 [www.detroitMI.gov/BOPC](http://www.detroitMI.gov/BOPC). We continue to receive feedback  
10 on facial recognition related to issues and encourage  
11 our citizens to express their concerns directly to the  
12 board. You can send an e-mail, write a letter, talk  
13 directly with us or attend our meetings to express your  
14 concerns. I want to acknowledge a recent e-mail  
15 transmitted to our office by a collaboration of 12 local  
16 agency voicing their collective objection to the  
17 department's use of facial recognition. A copy of this  
18 communication is in the board package for the board's  
19 review.

20           Again, I remind the board we are continuing  
21 to work with the NACOLE, National Association of  
22 Civilian Oversight of Law Enforcement to host the  
23 national conference on September the 22nd through the  
24 26th, 2019 here in Detroit. We will be celebrating our  
25 45th year as a civilian oversight organization. We are

1 inviting law enforcement and other civic-minded  
2 individuals and organizations to join us at the  
3 conference. The planning process is well under way and,  
4 again, we invite your participation.

5 The board received a request from the chief  
6 of police to suspend without pay police officer Naim  
7 Brown. Information on the suspension has been shared  
8 with the full board. Mr. Wyrick has reviewed the  
9 request. The BOPC has notified the Detroit Police  
10 Officers Association and will take up this matter in  
11 closed session toward the end of the meeting.

12 Additionally, under new business I'm  
13 requesting to go into closed session to discuss the  
14 ratification of the chair's permission for Attorney  
15 Wyrick to prepare a response to and represent the board  
16 in a nonjudicial administrative hearing with the office  
17 of the inspector general regarding case number  
18 2018-00050. Board Attorney Wyrick will read into the  
19 record the actual motion for consideration at the  
20 appropriate time on the agenda.

21 Also I want to remind the board that  
22 payments to the board for reimbursements has changed.  
23 Before the board was treated like employees and we are  
24 not employees of the city of Detroit. We are volunteers  
25 who do not receive a wage or salary. The city has made

1 the decision to change our reimbursement and to treat us  
2 as contractors. We have requested several times for  
3 board members to complete the necessary documentation so  
4 that the city can fully implement its changes in the  
5 UltiPro (sic). For commissioners who do not want direct  
6 deposit I understand that special provisions will be  
7 made to accommodate your request, however, the switch to  
8 UltiPro is occurring and commissioners should expect to  
9 receive their reimbursement checks one check per month.

10 The next graduation for -- from the police  
11 academy for class 2019-D will be Friday August 2nd, 2019  
12 at 10:30 a.m. at Second Ebenezer Church. I encourage  
13 the board to attend and show your support to the new  
14 officers and their families who will soon be joining the  
15 police force.

16 Today we have one presentation scheduled.  
17 This is a presentation that the board has requested for  
18 some time. In Detroit we have a large array of police  
19 and agencies. Each police and agency has jurisdiction  
20 specific police work. Sometimes these jurisdictional  
21 responsibilities overlap or are shared. I have asked  
22 several heads of our local policing network to join us  
23 to discuss two things: One, their agency's jurisdiction  
24 and authority; and two, methods they use to notify and  
25 coordinate between each other. Our panel discussion

1 will include the following agency representatives which  
2 I've already introduced to you. Also we will have a DPD  
3 representative from Wayne County Community District  
4 Darrick Muhammad, Ricky Brown, Wayne State University  
5 public safety chief Tony Holt. DPS Chief Ralph  
6 (inaudible) was invited but will not attend. Under the  
7 chief report I'm requesting an update on crime  
8 statistics and any critical issues facing the  
9 department.

10           Again, at the mid point of the meeting we  
11 will have public comments from the audience. The agenda  
12 has been changed so the people attending will not be  
13 forced to stay until after the closed session on our  
14 agenda to address the board. I will also remind the  
15 audience that in compliance with the Open Meetings Act  
16 the board reconvene in public any actions it deems  
17 necessary following from the closed session. Please  
18 make sure you print your name on a speaker's card  
19 located at the back of the room, and make sure that  
20 Mr. Brown gets your card, he's seated up here to my  
21 right, before the end of the chief's report. And we  
22 will hold each speaker at the allotted two minutes and I  
23 ask that everyone turn off their cell phones and other  
24 electronic devices. This request does not include  
25 devices held by DPD personnel as many of you on

1 emergency standby. I ask that DPD personnel put their  
2 phones on vibrate so ringing phones will not interrupt  
3 our meeting. At this time I'd like to acknowledge two  
4 commissioners who came in during our report.

5 Commissioner Evette Griffie.

6 COMMISSIONER GRIFFIE: Thank you, Chair.

7 CHAIRPERSON CARTER: And Commissioner Darryl  
8 Brown.

9 COMMISSIONER BROWN: Thank you, Madam Chair.

10 CHAIRPERSON CARTER: At this time we will  
11 have the chief's report.

12 CHIEF CRAIG: Thank you, Madam Chair.

13 Starting with crime for the first time this quarter we  
14 are up in homicides. We see there are 8 additional  
15 homicides, which reflects a 6 percent increase. Sex  
16 assaults are up 26, 5 percent. Aggravated assaults are  
17 up 26, zero percent, no change. Nonfatal shootings up  
18 25, 6 percent increase. Robberies are down by 73  
19 robberies as compared to this time last year, 5 percent  
20 reduction. And carjackings are down by 63, a 34 percent  
21 reduction as compared this time last year. And overall  
22 violent crime is at zero percent. As it relates to  
23 property crime we're down every category with an overall  
24 property crime reduction of 4 percent.

25 Second item I wanted to discuss I know that

1 in last meeting I invited many of the board members to  
2 attend the facial recognition demonstration in our  
3 realtime crime center. Some of you have attended. I  
4 appreciate that. The invitation is still open for those  
5 who haven't attended that. I will tell you over the  
6 last two weeks we have had probably now seven different  
7 groups. For example, today we had a group of high  
8 school and college students, roughly 50, that attended  
9 and they were very impressed and had additional clarity  
10 on how it worked. They had thoughtful questions. In  
11 fact of all the groups that have been through they  
12 probably had some of the most serious questions about  
13 what is this technology; how does it work. So it was a  
14 good exchange. We also had a group of Baptist ministers  
15 from their coalition and likewise they found a lot of  
16 the questions, a lot of information had been put out  
17 publically they could see that it was an error.

18 We also had Green Light owners this week as  
19 well, and Comcast 'cause we had learned that some of the  
20 salesperson for Comcast was putting information out  
21 relative to the cameras they were installing suggesting  
22 that the facial recognition was in some way imbedded in  
23 the cameras. We wanted to make sure that Comcast  
24 understood there is no facial recognition in cameras so  
25 it was insightful for all the owners, Comcast and so

1 we're going to continue with our tours. In fact we have  
2 another one set within the next hour as I indicated at  
3 the beginning. This is for the command staff who want  
4 to make sure that they have a full understanding of how  
5 it's used; and so, again, it was telling for me even  
6 when I went through early when this began to spin up  
7 that I had a different level of appreciation on how the  
8 technology was used. I saw at the beginning but after I  
9 went through it again and looked at some real work that  
10 goes behind as a few of you have gone through several  
11 the rigor associated with peer review, supervisor  
12 concurrence really makes a difference. So with that  
13 I'll open for any questions you might have.

14 CHAIRPERSON CARTER: Thank you, Chief.  
15 Commissioners, do you have any questions? Commissioner  
16 Holt.

17 COMMISSIONER HOLT: I'd like to make a  
18 comment. The real life center was indeed an  
19 enlightenment and what it is I believe I was most  
20 overwhelmed with was the fact that even though you have  
21 access to an array of visual activities, your challenge  
22 to combat crime is still hampered by I imagine the  
23 number of incidents. So to use facial recognition as a  
24 tool in the identification of perpetrators, I'm starting  
25 to see perhaps that as a tool, given we all understand

1 and I appreciate you allowing other organizations to  
2 come in and to take a look at the center. I don't know.  
3 We might want to revisit how then facial recognition  
4 with this various layers could be used in helping combat  
5 crime and perhaps even defer.

6 CHIEF CRAIG: Through the chair I appreciate  
7 your comments and, yeah, that's kind of the feedback  
8 that I've been getting. I think the best illustration  
9 of the rigor associated with it, so as I've reported out  
10 through the media and to the groups that have come in to  
11 realtime crime center we've used it 500 times roughly  
12 and of the 500 times, and these were all crimes  
13 involving violent crimes; it wasn't someone stealing a  
14 bag of chips. It was all associated with violent crime.  
15 You look at 500 times, so of the 500 times only 30  
16 percent of the time of that 500 did we move it to the  
17 next phase of the investigation, as you probably  
18 remember me saying which equates to 150. So when you  
19 see that, you look at the rigor associated with the peer  
20 review, supervisor review and often times, you know,  
21 some of the information is put out, well, isn't it true,  
22 Chief, that the software misidentifies persons of color  
23 more often? So imagine if 100 percent of the time every  
24 time that computer identified someone, the highest rank  
25 photograph more times than not is never the right

1 selection and so we don't rely on the computer.  
2 Computer is an aid and as you pointed out it's an  
3 investigative tool after the fact and even when an  
4 identification is made, that identification alone cannot  
5 and will not result in an arrest. Now with other  
6 evidence and other investigation of work that's going  
7 alongside with, that certainly that will happen but I  
8 guess the best example which I give through all my  
9 demonstrations is the one involving the five people shot  
10 at LBGTQ party. Three died as a result of that  
11 shooting. Suspect came into the party masked so the  
12 victims at the could not ID the suspect. However, the  
13 suspect made one mistake and went to a Green Light gas  
14 station; he met two of the victims that were victims of  
15 that shooting and that was where the investigators were  
16 able to identify; he was wearing the same clothing, same  
17 physical description and then once that was done we were  
18 able to place that suspect's image a photograph into  
19 facial recognition and we identified that suspect. He  
20 has since been charged. So that would have clearly been  
21 one of those cases would have been a whodunit, because  
22 nobody at that party could give a description that we  
23 could have made the arrest.

24 CHAIRPERSON CARTER: Any other questions?  
25 Commissioner Burton and then Commissioner Davis.

1 COMMISSIONER BURTON: Through the --  
2 question for the chief is that this techno-racism can't  
3 identify one black male from another. Criminalize those  
4 that living in poverty is wrong. What happens when it  
5 misidentifies a person that are living in a black and  
6 brown community that doesn't have the resources for a  
7 good legal defense? Who in the department have access  
8 to this facial recognition? Who outside the  
9 department's going to have access to it? We saw what  
10 happened with Edward Snowden who was a contractor with  
11 the NSA who leaked classified information. This right  
12 here criminalize those that are living in poverty. We  
13 are the blackest, poorest city in America. Detroiters  
14 have spoke very loudly at a police board of  
15 commissioners meeting as well as community meetings that  
16 we don't want it.

17 CHIEF CRAIG: Through the chair. I would  
18 encourage Commissioner Burton, as I have all of you, to  
19 attend one of the demonstrations. I think you'll be  
20 pleasantly surprised the safeguards that are in place.  
21 In fact often times as an example people have made  
22 reference to good old fashioned police work. Well,  
23 police departments across this country have been using  
24 sketch artists to create what they believe to be a  
25 suspect based on a victim. Sometimes based on

1 identification we get it right, sometimes we don't.  
2 That's just the nature of the sketch. The same thing  
3 goes with image that's placed on television and say we  
4 are looking for this suspect, we need the community's  
5 help and many times once again we get a number of tips;  
6 some of the tips are good, we follow-up on those tips,  
7 and some of them not so good. There's that risk of  
8 misidentification. The beauty of this is the peer  
9 review, supervisor concurrence and certainly there is no  
10 arrest just solely based on the identification. There  
11 has to be other factors. And certainly, if we identify  
12 someone and it's the wrong person, we're not going to  
13 follow-up and detain them but we will follow-up and look  
14 at other factors. That's why the demonstration is so  
15 important because when you look at what the computer  
16 does in comparison to what the human behind that does,  
17 that makes all the difference. It's just like an  
18 officer who gets a radio of a robbery in progress and at  
19 that robbery in progress there's a certain description  
20 that's giving out, clothing description, a physical  
21 description, complexion. Officers will patrol the area  
22 and if they see someone closely matching that  
23 description, they will stop, have reasonable suspicion,  
24 make a lawful stop and detain but through that  
25 preliminary investigation may make a determination that

1 they stopped the wrong person. That happens. But when  
2 we look at how we use this technology I really think  
3 Commissioner Burton, I would encourage you to do so.  
4 I'll personally narrate and take any questions you might  
5 have. I think it will dispel at least some of our  
6 concerns.

7 CHAIRPERSON CARTER: Commissioner Davis.

8 COMMISSIONER DAVIS: Chief, two questions:  
9 I see the criminal homicide and nonfatal shootings both  
10 of those are up 6 percent. Do you have any idea why or  
11 anything special going on?

12 CHIEF CRAIG: Through the chair nothing  
13 special other than, you know, when you look at last  
14 year's overall statistics we had the lowest number of  
15 homicide in 50 years. One thing we have seen recently a  
16 lot of our shootings, unfortunately, are argument based.  
17 And it's not typically gang and group type shootings.  
18 We've had shootings that have emanated out of block  
19 parties, parties and homes, some bar shootings. But  
20 what we're seeing is a significant increase in argument  
21 based and it's not isolated to an age group. In fact  
22 what we're seeing is covering a much wider range of age.  
23 For example, the tragic shooting, senseless shooting at  
24 an overnight eatery; it was a fast food, maybe it was a  
25 hot dog location, and suspects who were went in wanted

1 some fried mushrooms; they didn't make fried mushrooms.  
2 The suspects left. They returned shortly and shot a  
3 person and you ask yourself, why; why would you engage  
4 in that level of violence? Well, certainly the tragedy  
5 involving that three year old on the freeway where it  
6 was a road rage incident that erupted into violence very  
7 quickly. That's the kind of shooting. We have had a  
8 couple of narcotic shootings recently. That's been a  
9 problem and a couple of shootings have involved  
10 robberies. Even though our robberies are down those  
11 trends in the area of domestic violence, shootings,  
12 robberies is pretty much consistent with last year but  
13 really it's the arguments and then the shootings that  
14 involve multiple victims. We've had several of those as  
15 well.

16 COMMISSIONER DAVIS: Is that concentrate any  
17 special areas or distribute generally across the city?

18 CHIEF CRAIG: Through the chair it's all  
19 over the city. It's not -- we don't have -- usually if  
20 it's a concentration in a particular area, then that  
21 tends to suggest it might be gang and group violence and  
22 we've done fairly well in mitigating that. I think our  
23 cease fire has had some positive outcome in that area  
24 but again, it's this argument, spontaneous argument that  
25 erupts into violence that really is creating a

1 tremendous challenge.

2 COMMISSIONER BURTON: Chair?

3 CHAIRPERSON CARTER: Thank you, Chief.

4 Commissioner Burch.

5 COMMISSIONER BURCH: Does it have to be  
6 about facial recognition to the chief now?

7 CHAIRPERSON CARTER: No.

8 COMMISSIONER BURCH: Okay, thank you. Good  
9 afternoon. I wanted to share with you again as you know  
10 I'm from District 3 number 11 it's just one of my  
11 priorities just one is the speeding. Now what we found  
12 out today that Mark Street and State Fair there are  
13 speed cushions from State Fair to 8 Mile. That's a  
14 residential street. We as neighborhood people put in a  
15 request for speed cushions to go across two parks that  
16 are right across Dequindre, so I received a text saying,  
17 did you want speed cushions on Dequindre? We know,  
18 common sense tells you that people you can't put speed  
19 cushions on Dequindre. Our argument was that because we  
20 had said speed cushions mainly before were for parks and  
21 schools so these two locations were put in as a request  
22 and I'm just wondering how do they go about making  
23 residential areas priority before they do the schools?  
24 And then I want to ask you again with the speeding up  
25 and down Dequindre like we had shared before the people

1 many times come off the freeway because of the back up  
2 on the traffic and they use our street. It's still  
3 residential but it's houses on both sides, Chief. How  
4 could you explain to the citizens that ask me why don't  
5 we have the speed cushions where the parks are? That's  
6 just one thing. I hope you hold that.

7           The other thing is I want to commend Don  
8 Lemon because we learned a lot listening to that debate.  
9 In listening to what he said he bravo'd Detroit about  
10 the Fox theater, the beauty of the Fox theater. We know  
11 that; that's our theater since we've been little girls,  
12 kids growing up in the city, right? My thing is again  
13 like we do the news media I look at it how they don't  
14 elaborate on how our police force is doing a good job.  
15 They didn't go around and take that camera to show all  
16 the good sights around Detroit not just Fox, okay? So  
17 my heart is in that we meet the needs of the people in  
18 the neighborhood. And that's just where I am with that,  
19 Chief; and as far as the facial recognition I want the  
20 gentleman that just came into Detroit and became the  
21 pastor of Lomax Temple; I want him to be able to get his  
22 church members together so you can meet him so he can  
23 become a part of District 3 and bring him to your -- one  
24 time center, crime center. I plan on bringing a group  
25 so we can better understand and sometimes, Chief, we

1 just have lack of communication. I'm finished. Thank  
2 you.

3 COMMISSIONER GRIFFIE: Through the chair.

4 CHAIRPERSON CARTER: Commissioner Griffie.

5 COMMISSIONER GRIFFIE: I had a few things  
6 that I wanted to discuss. So my neighborhood there's  
7 been a rash of robber -- well, tentative robberies and  
8 I've been working with Commander Sims and I've been --

9 AUDIENCE MEMBER: Louder.

10 COMMISSIONER GRIFFIE: I've been working  
11 with Commander Sims; I had a great conversation with him  
12 yesterday around how we can work together to try to get  
13 a hold on this and he mentioned to me that there was --  
14 so I sent about ten videos. What's happening in  
15 District 2 is, and it's not just one neighborhood,  
16 there's actually probably about four or five that are  
17 being targeted. There seems to be two men that are  
18 walking around and they are attempting to break in cars.  
19 I was a victim. They got into my car; they came into my  
20 back yard, climbed a fence. So I started talking to the  
21 community; they're posting videos. So everybody has  
22 surveillance around their houses. And there is a  
23 website called neighborhood.com and community members  
24 are posting videos and they're catching either them in  
25 the act of trying or actually in some instances actually

1 going into the car and committing the act; and, you  
2 know, up until now we had no access. The police  
3 department wasn't involved or active I think just  
4 because they didn't know but I think that that's  
5 something that's going to be rolled out from what I  
6 understand to some of the police officers is access to  
7 the information. So I sent him about ten videos. And  
8 it seems to be the same people that are doing it; and  
9 it's getting a little bit -- I'm concerned because I  
10 don't want it to escalate into more violent crime. I  
11 happen to live across the street from the federal judge  
12 who was shot a few years ago and I know how these things  
13 work; they sometimes can escalate. He mentioned to me  
14 that in order to get -- that he might need permission of  
15 some sort to get extra patrol at the time of night they  
16 believe the people might be around the neighborhood.  
17 What is the process that they go through to work with I  
18 guess elevated or to get approval for bait cars or  
19 patrol when they know they have isolated incidents of  
20 rash outbreaks of crime?

21 CHIEF CRAIG: Through the chair and I  
22 appreciate your comments. I'm disappointed, to be  
23 candid, that the response frankly sounds lacking. It  
24 doesn't take permission by the chief of police or any  
25 other ranking member of this department to say it's

1 okay. If you talk to Commander Sims that is the  
2 decision maker.

3 COMMISSIONER GRIFFIE: Okay.

4 CHIEF CRAIG: So anytime they say, well, I  
5 got to get approval, that is not correct.

6 COMMISSIONER GRIFFIE: Or to try to see if  
7 they can.

8 CHIEF CRAIG: That's not correct. They have  
9 resources in their command. The expectation is make a  
10 decision and deploy the resources according to crime.

11 What's even more troubling is that your neighbors have  
12 some videos. Who's your neighborhood police officer?

13 COMMISSIONER GRIFFIE: I can't remember her  
14 name right now.

15 CHIEF CRAIG: So you have neighborhood  
16 police officer, a sergeant who oversees that and  
17 certainly, when I leave out to go for this other  
18 presentation my first conversation will be what are we  
19 doing and how long have we been sitting on this  
20 information? Particularly when we know that it's the  
21 same two suspects. So if we know that suspects are  
22 hitting a location at, say, between 1 and 3:00 in the  
23 morning, then that's easy. You put a patrol car out  
24 there every night until you find someone that matches  
25 that description. You have reasonable suspicion to stop

1 and investigate and maybe detain, maybe prevent a crime.  
2 Don't know but because your neighbors all have video  
3 that should make a difference. And so I'm listening to  
4 your concern; I'm deeply concerned that the response is  
5 frankly been lacking. When is the last time you spoke  
6 with the commander at the precinct?

7 COMMISSIONER GRIFFIE: Through the chair I  
8 talked with him yesterday. We were going to follow-up  
9 tomorrow; I expressed that so there's all these online  
10 social media type of activity that's happening. And my  
11 fear -- so some people aren't making police reports  
12 because sometimes nothing gets stolen or they don't  
13 think anything's going to happen, so I talked with him  
14 about the report and really following back and having  
15 some presence on some of these sites to make sure  
16 that --

17 CHIEF CRAIG: You said -- was it you  
18 Commander Sims? 'Cause Commander Sims --

19 COMMISSIONER GRIFFIE: I talked with him  
20 yesterday.

21 CHIEF CRAIG: -- is female. Captain Tucker?

22 COMMISSIONER GRIFFIE: No, it was a male  
23 that I talked to yesterday.

24 CHIEF CRAIG: Commander Sims is the  
25 commanding officer --

1 COMMISSIONER GRIFFIE: Yeah, I have an  
2 e-mail, Commander Sims. He called me back yesterday.  
3 12th precinct.

4 CHIEF CRAIG: 12th precinct. The commanding  
5 officer of the 12th precinct is Commander Sims and the  
6 Captain Joe Tucker. So I'm going to get to the bottom  
7 of that 'cause this certainly doesn't feel good  
8 especially since there's video.

9 COMMISSIONER GRIFFIE: I sent ten videos.

10 CHIEF CRAIG: It doesn't take permission for  
11 someone, even if it means taking special -- we have  
12 special operation use to just say your job for the next  
13 week and a half or two weeks get out there and then  
14 report back to the community what you have learned.

15 COMMISSIONER GRIFFIE: Exactly. 'Cause  
16 right now it feels like, through the chair I'm sorry, it  
17 feels like nothing -- it's been weeks, it's probably  
18 been about two months at this --

19 CHIEF CRAIG: That's not acceptable.

20 COMMISSIONER GRIFFIE: It feels like to the  
21 community based on what I'm hearing and talking to  
22 people in the neighborhood that they're posting these  
23 videos and we all know it's happening but then there's  
24 nothing -- he was out last night again, right? So every  
25 night I wake up to a new post about something that

1 happened.

2 CHIEF CRAIG: And it's not because you're a  
3 police commissioner 'cause I would have the same  
4 expectation if a citizen out here had the same issue and  
5 they've given video, had conversation with commanding  
6 officer of that station, the expectation is do  
7 something. You don't have to ask me for permission; if  
8 that's the case, what do I need people in those seats  
9 for? I can just run the whole department, flatten it  
10 out, get rid of captains and commanders and you call me  
11 directly but the expectation is -- and that's the issue  
12 that just -- reminisce of how things have been where we  
13 just sit back and wait for somebody else to make a  
14 decision.

15 COMMISSIONER GRIFFIE: That's why I brought  
16 it here today. I just want to find out how to help get  
17 resources.

18 CHIEF CRAIG: Well, I'll put you in contact  
19 with either Captain Tucker or Commander Sims. My  
20 expectation that as soon as this evening -- I don't know  
21 the hours that these crimes have been occurring.

22 COMMISSIONER GRIFFIE: Between 2 and 4 a.m.

23 CHIEF CRAIG: 2 and 4 a.m., so somebody will  
24 be out there between 2 and 4 a.m.

25 COMMISSIONER GRIFFIE: Thank you.

1 COMMISSIONER BURTON: Madam Chair.

2 CHAIRPERSON CARTER: Thank you, Chief.

3 Commissioner Burton.

4 COMMISSIONER BURTON: A couple questions for  
5 the chief. You know, if the Detroit Police Department  
6 has been using facial recognition for approximately two  
7 years, why the full board wasn't notified sooner? How  
8 come we have not heard from any experts from around the  
9 world to come before us to talk about the technology and  
10 what cities are using it and what success or problems  
11 that they may be having with facial recognition? We  
12 just saw in Massachusetts; Cambridge, Massachusetts has  
13 talked about banning it. We saw what San Francisco,  
14 Oakland and Berkley and I think there's a fourth city  
15 out in California. California is a technology hub.  
16 Detroit isn't. Why do you want to use facial  
17 recognition as far as combatting crime? Is this the  
18 direction we should be going in? The citizens have  
19 spoke loudly saying that they don't want it. They don't  
20 trust it. The city of Detroit just got out of  
21 bankruptcy. We just got underneath a 13 year federal  
22 consent decree. We cannot afford as a city to  
23 misidentify one single person.

24 CHIEF CRAIG: Through the chair. And I do  
25 appreciate your concerns and certainly concerns of some

1 of your constituents. I'm not dismissive of that. Let  
2 me just first start by saying this: This was never done  
3 in secrecy. First and foremost, we can't just go out  
4 and buy millions of dollars worth of software and do it  
5 in secret. It was presented before the city council.  
6 There was a unanimous vote and during the vote or prior  
7 to the vote, I don't remember the type of conversation  
8 behind facial recognition but if we go back to 2017, it  
9 really wasn't even discussed. It wasn't even a concern.  
10 As I've indicated publically, the Michigan State Police  
11 have been using facial recognition for 17 or 18 years,  
12 as an example. A lot of other departments are using  
13 facial recognition. I cannot tell you why San Francisco  
14 or Oakland opted to stop it. Possibly that the way they  
15 were using it was problematic. There's been a lot of  
16 conversation surrounding live streaming and using the  
17 technology. So imagine, Commissioner, going into a  
18 doctor's office where they have a Green Light. This was  
19 written about in the Georgetown white paper and they  
20 suggested we got a Green Light on a medical clinic, so  
21 imagine that we have this technology in some way  
22 imbedded in those cameras as patients are going in it's  
23 reading each of their faces. We have never done that.  
24 Does it happen in other places, for example, if you take  
25 an overseas flight, we know that there's facial

1 recognition. We don't use it that way. Early on when  
2 we were talking about the policy that we were bringing  
3 to you, I had made an exception that in the event that  
4 there was a terror attack, credible threat terror attack  
5 someplace in Detroit to prevent that attack that would  
6 be the sole instance that I feel that we might consider  
7 using it. However, with all of the concern raised we've  
8 taken that out. We're not going to use it in any  
9 fashion where there's a live streaming video and so if  
10 there is a credible terror attack here in the city of  
11 Detroit, generally speaking it's going to be the FBI  
12 that's going to be the lead investigating agency and  
13 they may opt and do use facial recognition, so we don't  
14 need it. I mean, we have not in a couple years -- well  
15 year and a half or so that we've used it, we've never  
16 used it in that manner. I will tell you even before  
17 we've used it before we acquired our own software we  
18 were using it periodically with the Michigan State  
19 Police and I use the instance of that multiple five  
20 shooting as an example of how it worked successfully or  
21 a 29-year-old female victim at a McDonald's being beaten  
22 by a man with a hammer and it was through that still  
23 image that was placed into the technology the software  
24 that we were able to identify that suspect. So I'm very  
25 comfortable with the rigor, the process that we have in

1 place that it minimizes the chance of abuse.

2           Again, I don't know how San Francisco  
3 deployed the technology. I don't know if they had it  
4 live streaming, and that was one of the reasons why they  
5 abolished it but in Detroit we don't use it that way and  
6 that's why, again, I really think if you come up and you  
7 probably have additional questions, I think you'll have  
8 a greater appreciation of what and how we use the  
9 technology. I think Commissioner Holley last week  
10 brought up a great point said, you know, we trust that  
11 you would do the right thing but what happens you leave  
12 and someone else sitting in that seat, could there be  
13 abuses? And so the answer to that is that this body,  
14 the oversight body, certainly can prevent that but,  
15 secondly, one of the things that we baked into the new  
16 policy, and this was from one of the commissioners who  
17 was certainly very concerned about discipline and what  
18 does discipline look like relative to misuse. What it  
19 looks like if a member of this department were to misuse  
20 this technology, the response would be we'd open an  
21 internal investigation and if it was sustained, that  
22 person would be terminated and then possibly criminally  
23 charged for misusing a technology. We already have a  
24 data sharing agreement and I acknowledged in the press  
25 that if had I known today what I know now about the

1 reaction to this technology as it was brought out in a  
2 city council, I would have first drafted the policy,  
3 brought it to you and then made the request for the city  
4 council to, you know, grant the funds to purchase it. I  
5 would have done it that way. But I would have thought  
6 and I miscalculated that certainly Tasers would have had  
7 a more visceral response and it did. I mean, we were  
8 one of the last large cities so there was no effort to  
9 be secretive. There was no effort to use some nefarious  
10 technology in such a way that would violate individual's  
11 constitutional rights. That's very important to me and  
12 as you pointed out, Commissioner, this was a department  
13 that was under a 13 year consent judgment or oversight.  
14 This department did at one point arrest witnesses to  
15 homicides. And they were incarcerated. And so I agree.  
16 I mean, those are real concerns but that's not the  
17 department today.

18 CHAIRPERSON CARTER: Thank you, Chief we're  
19 going to move on to resolution to Officer -- Sergeant  
20 William Jackson. Commissioner Bell.

21 COMMISSIONER BELL: Is Sergeant William  
22 Jackson here? If not, I'm going -- we have several  
23 go-aheads but for the sake of time and entire resolution  
24 can be read as appropriate at his retirement but I'm  
25 going to condense it in terms of the resolution as I

1 stated to save time. William L. Jackson, Sergeant  
2 William L. Jackson appointed to Detroit Police  
3 Department on November 28th, 1994. And from the academy  
4 start his career at the 11th precinct and thereafter he  
5 was assigned to internal control. He was promoted to  
6 investigator and assigned to internal control. He also  
7 served at headquarters surveillance unit in 7th precinct  
8 and investigative operations unit.

9           Whereas Investigator Jackson displayed  
10 knowledge and skills and thereafter was promoted to rank  
11 of sergeant on March 1st, 2014 and he was reassigned to  
12 the 9th precinct internal control, investigative  
13 operations unit, armed robberies, invasion unit and  
14 chief neighborhood liaison where he served until his  
15 retirement. Sergeant Jackson received numerous awards  
16 over a period of time in his career. He has served this  
17 department for 24 plus years and citizens of Detroit  
18 with loyalty, professionalism, integrity, and dedication  
19 and is highly respected as the consummate professional  
20 in his career. Now therefore be it resolved that the  
21 board of police commissioners speaking on behalf of the  
22 citizens of the great city of Detroit recognize and  
23 honor the lifelong contribution and commitment to  
24 excellence in public service of Sergeant William L.  
25 Jackson. His display of courage and unwavering

1 community spirit has improve the quality of life for  
2 citizens of Detroit. We wish you all the best in your  
3 future endeavors. We congratulate Sergeant William L.  
4 Jackson. Madam Chair, I move that we accept the  
5 resolution for Sergeant William L. Jackson.

6 COMMISSIONER HOLT: Second.

7 CHAIRPERSON CARTER: Moved and supported  
8 that we adopt the resolution honoring Sergeant William  
9 L. Jackson. Is there any discussion? Those in favor?

10 ALL: Aye.

11 CHAIRPERSON CARTER: Those opposed? Motion  
12 carries. Thank you, commissioner Bell. At this time  
13 we're going to have our presentations from Chief Tony  
14 Holt and Chief Ricky Brown. So either one of you and  
15 there were two things that we were specifically looking  
16 for but you can tell us whatever you like to know.

17 CHIEF BROWN: Okay, Madam Chair. First and  
18 foremost I want to thank you for inviting us and I guess  
19 the concern is how are we working together as agencies  
20 within the boundaries of the city of Detroit. Excuse  
21 me. As you may or may not know the transit police was  
22 expanded to provide law enforcement for the DDOT buses  
23 that travel city wide, as well as the Rosa Parks transit  
24 center, State Fair transit center, and all DDOT  
25 facilities. We also are contracted to provide law

1 enforcement services for the QLine; they pay for our  
2 services. We provide services to the People Mover,  
3 which was our original parent company. We are sworn by  
4 the chief of police, city of Detroit and our authority  
5 and jurisdiction is solely for the transportation  
6 departments and facilities.

7 CHAIRPERSON CARTER: How many officers you  
8 have?

9 CHIEF BROWN: I currently don't have enough.  
10 Approximately 41 officers and supervisors.

11 CHAIRPERSON CARTER: Okay. And we're going  
12 to move on to Chief Holt and then we'll take questions  
13 from the commissioners.

14 CHIEF HOLT: Thank you, Madam Chair. Wayne  
15 State Police Department was established in 1966. At  
16 that time we were established with six officers. We  
17 were all sworn in by chief of police at that time. Our  
18 primary responsibility the university area and probably  
19 10.2 miles surrounding that area. We work with just  
20 about every agency in the city. Chief Craig has been  
21 generous enough to allow us to have an officer  
22 represented on the Detroit homicide section. We have  
23 officers on federal task force. We have an officer in  
24 the Mound (sic) section. Our canine works hand in hand  
25 with Detroit police canine and all officers are sworn

1 Detroit police officers. I tell everybody who asks  
2 there's a lot of different agencies in the city and it's  
3 probably about five different agency had the position of  
4 chief but only one chief in Detroit and we're sort of on  
5 that team.

6 CHAIRPERSON CARTER: Thank you, sir. Is  
7 there anybody, Chief, that's going to explain the  
8 collaboration or we're all set?

9 CHIEF CRAIG: Yes.

10 CHAIRPERSON CARTER: Thank you.

11 MR. GARDNER: Good afternoon Madam Board --  
12 Madam Chair and board, Chief James Craig.

13 AUDIENCE MEMBER: Can you speak loudly  
14 please so we can all hear you?

15 MR. GARDNER: Yes. Good afternoon. My name  
16 is Kenneth Gardner. I am with the homicide here in  
17 Detroit. I am here to speak about some of the  
18 collaborative law enforcement efforts that we have along  
19 with Chief Holt and other industries. The Detroit  
20 Police Department strives to work collaboratively with  
21 other partners in the furtherance of crime fighting  
22 strategies and community initiatives. Three partners  
23 that I will speak about today to highlight the efforts  
24 that -- to build relationships across agencies and  
25 boundaries are of course Wayne State University, the

1 Detroit public schools, and also the Wayne County  
2 Community College district. Certainly, on the Wayne  
3 State University, under the direction of Chief Tony Holt  
4 here, we patrol or assist in patrol in the downtown and  
5 mid town areas. We also have investigative  
6 collaborations, as mentioned by the chief, that we have  
7 a Wayne State officer that is imbedded right within the  
8 homicide task force. That officer also again was  
9 instrumental in bringing closure to the death of Wayne  
10 State police officer Collin Rose. We also have -- work  
11 collaboratively with them on -- with the commercial auto  
12 theft and we also work collaboratively with Wayne State  
13 in various executive trainings. The Wayne State  
14 leadership academy through the Mike Ilitch school of  
15 business in which we will be entering our third cycle of  
16 law enforcement leaders, which this allows for members  
17 to obtain an MBA certificate. There's also a  
18 scholarship program which allows two members to obtain  
19 an MBA certificate in criminal justice. And, finally,  
20 we also partner with Wayne State University and  
21 Community CompStat. For the Detroit public schools  
22 under the direction of Chief Ralph L. Godbee we have  
23 cease fire and gang initiatives, groups within the  
24 schools. We have the brotherhood and sisterhood which  
25 the brotherhood is funded by the Obama administration

1 and the sisterhood by Jet Blue. This is a program  
2 that's out of the 9th precinct in which we have youth  
3 violent prevention initiatives. We have annual summits  
4 and weekly mentoring for males and females. The females  
5 do weekly meetings inside of the schools. We have  
6 Crovewells (sic) 8th and 9th for our resource center.  
7 We have the Detroit public schools community district  
8 police. Where we have mentoring inside of the schools  
9 and we have six schools. We have Denby, Cody, Osborn,  
10 East English Village, Purdy, and Henry Ford. DPD also  
11 goes inside of the schools along with DPS to mentor  
12 boys, to do a mentorship with boys. The goal is to  
13 reduce crime through positive mentorship.

14 We also assist for future possible  
15 employment in law enforcement or other employment  
16 efforts or whether it's just for college career paths  
17 and/or are trade schools. We also have the city camp,  
18 which is the chief's initiative, which is dealing with  
19 troubled youths in middle schools. They participate in  
20 field trips and restorative practices. DPS also handles  
21 criminal cases that occur on Detroit public school  
22 grounds. We have the school threats and gang  
23 intelligence with crime Intel and finally, we have  
24 full-time -- a full-time DPS member who works within DPD  
25 as a crime analyst.

1           Finally, we have the Wayne County Community  
2 College district which is under the direction of Chief  
3 Darrick Muhammad. We have three campuses located in the  
4 city of Detroit: One eastern which is in the 5th  
5 precinct; one in downtown, which is the 3rd precinct;  
6 and one in the northwest, which is in the 8th precinct.  
7 With them we have a partnership with -- I'm sorry for  
8 alert and active shooter training on the northwest  
9 campus. We train with their officers to provide  
10 opportunity for them to also become trainers in that  
11 program. So thank you for this opportunity to present  
12 some of the things that Detroit is doing under the  
13 direction of our illustrious Chief James Craig and these  
14 collaborative efforts here in the city of Detroit.

15           CHAIRPERSON CARTER: Thank you, sir.  
16 Commissioners, do you have any questions? Commissioner  
17 Davis.

18           COMMISSIONER DAVIS: Yes.

19           COMMISSIONER BURCH: Can I go first? He  
20 said yes.

21           CHAIRPERSON CARTER: Commissioner Burch and  
22 then Davis.

23           COMMISSIONER BURCH: Awesome program. My  
24 question is Chief Brown said he had 41 officers how many  
25 Chief Holt do you have?

1 CHIEF HOLT: I have 82 officers.

2 COMMISSIONER BURCH: Spread in the community  
3 or just places that you mentioned?

4 CHIEF HOLT: We are in the Wayne State area  
5 and the area surrounding the campus. It would be the  
6 Woodbridge neighborhood, the cultural center and part of  
7 the downtown district due to our business school being  
8 at that location.

9 COMMISSIONER BURCH: So none of the services  
10 will be spread into neighborhoods, right?

11 CHIEF HOLT: Well, we're in the Woodbridge  
12 neighborhood, those are neighborhoods.

13 COMMISSIONER BURCH: Those are your  
14 neighborhoods?

15 CHIEF HOLT: That's our neighborhoods.

16 COMMISSIONER BURCH: Okay when you mentioned  
17 helping the youth that are in trouble, have you or will  
18 you consider the youth that are in the juvenile  
19 detention? When they come out is there a way that you  
20 could take them to help them not go back in there?

21 CHIEF HOLT: We have several different  
22 programs we run in the community. We run a huge program  
23 in the Woodbridge district. We run one in the medical  
24 center district, which goes all the way, covers the  
25 Diggs homes and medical center apartments. It has

1 several different programs.

2 COMMISSIONER BURCH: Well, still my  
3 question, Chief, can they go where they are?

4 CHIEF CRAIG: Through the chair I'm not  
5 tracking but I will tell you that we work together.  
6 They have a specific area that of a footprint in Wayne  
7 State area but Detroit police also patrol that area as  
8 well. It's not just Wayne State; they are in  
9 residential areas adjacent to the campus and that's not  
10 uncommon in cities where there are universities. They  
11 patrol neighborhoods where, frankly, some of the  
12 students reside.

13 CHAIRPERSON CARTER: Commissioner Davis.

14 COMMISSIONER DAVIS: Question. Chief Holt,  
15 at Wayne State do you all have students transitioning  
16 from Wayne into your program or how does that work?

17 CHIEF HOLT: Well, you need a college degree  
18 to work at our department. We do have I would say maybe  
19 30 percent of our officers come into our department. We  
20 don't really have a department where a guy comes in or a  
21 female officer that stay 30 years. They come in, get an  
22 advanced degree, get a lot of training and then they  
23 move on to other departments or other administrative  
24 roles here. I think the average length of time in our  
25 department is about six to eight years that an officer

1 will probably stay.

2 COMMISSIONER DAVIS: Chief Brown, how long  
3 does your officers usually stay?

4 CHIEF BROWN: Well, some of our older  
5 officers came aboard when they first developed the  
6 department when the People Mover was built in '89. We  
7 still have a couple from that era and then when it was  
8 expanded to cover the DDOT facilities, we have a younger  
9 group of officers. So far I'm talking them into staying  
10 at least five, six, seven years.

11 COMMISSIONER DAVIS: That's it.

12 COMMISSIONER BELL: Madam Chair, I just want  
13 to recognize that these are two veteran officer of DPD  
14 and Chief Holt, you extend your service to (inaudible)  
15 court and residents relied on you for many, many years.  
16 I've been serving on the board about 30 years and you  
17 really do an outstanding job. And I can't say going  
18 back to Blueburg (sic) that that responsibility  
19 (inaudible). You've been in transit with Chief Rick  
20 Brown and I know you had a distinguished career, and I  
21 just really appreciate the work that you're doing now,  
22 which is supplement DPD 'cause you understand the whole  
23 concept and that's getting back to the quality of life  
24 impact of public safety. Thank you for your  
25 participation and ongoing support. So you are in the

1 neighborhood; been in the neighborhood for a long time  
2 and without transit we're really stepping up and making  
3 people feel safe in terms of those who have to rely on  
4 transit system, so I just want to commend you.

5 CHIEF BROWN: Thank you, sir. And if I may  
6 through the chair. A lot of people may not be familiar  
7 with the Blueburg unit. Back in the day DPD had a  
8 dedicated unit solely for the buses. A lot of times  
9 they were plain clothes but they were dedicated to  
10 strictly working the buses, although they did respond to  
11 any calls for service, serious calls, if they were in  
12 the area. We are now basically replaced that unit.

13 CHAIRPERSON CARTER: Commissioner Brown.

14 COMMISSIONER BROWN: Chiefs, all of you  
15 together, Chief Holt I'm very familiar with Wayne State;  
16 I've been a former officer at DMC and everything that's  
17 provided down there but what I don't see with the rest  
18 of the public, what can we do to put out an announcement  
19 to explain the policing powers and the different  
20 agencies that are in the city of Detroit, especially  
21 residents coming from the west and east side coming down  
22 to the area like the authority of Wayne State and  
23 there's always questions the authority of DMC officers;  
24 there's questions of the authority of the transit  
25 officers when you see them out. And I guess there's a

1 misconception that at one point they just think that  
2 they're all security guards and they don't have policing  
3 powers that they have. So what can we do as a public  
4 service announcement to explain to the residents the  
5 policing agencies that are here. I mean, we have UD  
6 (sic) is still here. I don't know if Marygrove is on  
7 board or -- they're not? And I know we have, you know,  
8 Wayne County Community College they have an agency  
9 there. So what can we do to explain that to the  
10 residents in the city of Detroit? Is there any  
11 initiatives out there to get that information out to the  
12 public?

13 CHIEF BROWN: Through the chair, ma'am.  
14 DDOT has a monthly community input meeting. They were  
15 moving it around the city but now based on the request  
16 from the residents it's usually held at Rosa Parks  
17 transit center once a month and a lot of the riding  
18 public come, a lot of the transit agencies or activists  
19 groups come, and we definitely are there at every  
20 meeting and we present what our authority is at the  
21 meeting. We answer any questions they have or concerns  
22 and we also address the complaints that they have. So  
23 we are actively engaging in them. Our officers when  
24 they do the bus boardings, they engage in the riders on  
25 the bus and they explain why they're there and what

1 they're for and that's all over the city on a daily  
2 basis.

3 COMMISSIONER BROWN: And how can they get a  
4 job?

5 CHIEF BROWN: At [www.thepeplemover.com](http://www.thepeplemover.com)

6 COMMISSIONER BROWN: All right.

7 CHAIRPERSON CARTER: Commissioner Holley.

8 COMMISSIONER HOLLEY: Thank you, Madam  
9 Chair. Thank you so much for the report, and for you  
10 guys service. I'm kind of concerned about the other  
11 people who are not here, but you can let me know why --  
12 let us know why the other departments are not here that  
13 are supposed to be representing.

14 A number of years ago I was dispatched to  
15 Inkster to basically to negotiate a police officer that  
16 were kidnapped by a family. And when I was dispatched  
17 there to negotiate and when I got there I was so  
18 disgusted about the fact the federal government was  
19 there, FBI was there, police chiefs was there and the  
20 whole thing -- and of course you know we lost the three  
21 officers -- and the whole thing that really sticks in my  
22 mind, which I can't forget, is the fact there's the  
23 argument that was going on in terms of protocol. Who's  
24 in charge? I never will forget that. I mean, it had to  
25 go on maybe for an hour and a half to two hours. Who's

1 in charge; who's going to do arresting when they come  
2 out? I never will forget that. And so my question to  
3 -- perhaps to you Chief Tony is and of course the chief  
4 is here but for example, if police officer were -- my  
5 guys were basically kidnapped and was imbedded or kept  
6 in Wayne State campus, my guys but I mean the city of  
7 Detroit police officers are kidnapped for some reason  
8 and they were in one of your buildings at Wayne State,  
9 and of course would that also include the other agencies  
10 that would come in because of the kidnapping because of  
11 the violence that could have taken place? I guess my  
12 question then Chief is who's in charge?

13 CHIEF HOLT: I think the boundaries, the  
14 protocol is very clear that would be Chief Craig,  
15 whoever the current chief is in Detroit would be in  
16 charge of that situation. When you look at the larger  
17 picture a smaller department will never have the  
18 resources and expertise. For example, we have a  
19 reaction team to respond to active shooter, but it's a  
20 barricaded gunmen; we'd need a Detroit team to come in.  
21 They are specialists trained in hostage negotiations so  
22 chief of Detroit. Again, as I say previously we're in  
23 the city of Detroit. So the chief of Detroit would be  
24 responsible.

25 COMMISSIONER HOLLEY: But in Inkster the

1 chief in Inkster was not. Obviously there was an  
2 argument, and he was not in charge. And so my chief, I  
3 want to know -- I hear you loud and clear. But there  
4 are five agencies because of that kidnapping and these  
5 guys lost their lives. I'm just asking that -- and I'm  
6 not trying to be adversary or anything. It's just that  
7 I often wonder if it happens in the area and Wayne  
8 State's campus 'cause we've had, you know, homicide  
9 there one or two. I'm just asking -- go ahead, Chief.

10 CHIEF CRAIG: Through the chair. As Tony  
11 pointed out Detroit does have jurisdiction. Certainly,  
12 different situations would dictate the different kind of  
13 response, but let's talk about something that's  
14 contemporary that we see a lot happening in different  
15 places across the country, an active shooter situation.  
16 So for example, if there was an active shooter on the  
17 Wayne State campus, the first responders would more  
18 likely be Wayne State; they would try to isolate and  
19 secure the scene. The transition would take place where  
20 Detroit police would come in. Detroit would be the lead  
21 agency. If there's any critical instance, there are a  
22 lot of different law enforcement agencies that we  
23 collaborate and work with throughout the city. We talk  
24 about some of the community college police departments,  
25 you have hospitals that all have their security teams,

1 some armed. Again, they would first respond to a  
2 situation; could be a Detroit public school, they have a  
3 police department but, again, it would be a first  
4 responder and then we would come in and take control of  
5 the situation. That's the agreement that's in place.  
6 And it's worked out well. We have great working  
7 relationships with the chiefs and they work inside the  
8 city and sometimes when even outside the city if the  
9 city of Highland Park or Hamtramck who are outside the  
10 municipalities, many times they will call on us to  
11 assist them.

12 Now in the instance like that because it is  
13 an outside the city, we wouldn't take the lead unless  
14 they requested it. So if it was a barricaded suspect  
15 and they don't have the resources to manage it, then  
16 they may ask us to take the lead on resolving the  
17 conflict.

18 COMMISSIONER HOLLEY: Thank you very much.  
19 Thank you, Madam Chair.

20 CHAIRPERSON CARTER: Any other questions  
21 commissioners? Nope. Again, I'd like to thank you  
22 gentlemen for coming out and I want to say a special  
23 thank you to Chief Holt for all the support that you  
24 give to not only DPD but law enforcement in general  
25 whenever the need arises. And I know that through my

1 work at Wayne State I know the commitment that you have  
2 to the city of Detroit and although you work in your  
3 campus area since you've started the CompStat model ten  
4 years ago how much has crime been reduced in your  
5 general area?

6 CHIEF HOLT: 61 percent.

7 CHAIRPERSON CARTER: That just goes to show  
8 how collaboration works within the city of Detroit. 61  
9 percent is phenomenal and we appreciate you. Thank you  
10 very much.

11 COMMISSIONER HOLLEY: Looking forward to get  
12 some of that good food.

13 CHAIRPERSON CARTER: Thank you, gentlemen.  
14 At this time we are moving on to standing committee or  
15 ad hoc committee reports.

16 COMMISSIONER HOLLEY: No report.

17 CHAIRPERSON CARTER: We'll move on to the  
18 board secretary with communications.

19 MRS. HICKS: Thank you, Madam Chair. Again  
20 in light of the agenda I just want to briefly touch on a  
21 couple of things. What you have listed in front of you  
22 on the agenda are four items which is coming into the  
23 office. One of them of course is revised proposed  
24 directive from Chief Craig on facial recognition. We  
25 received that last Thursday after the close of our

1 meeting, therefore, it is in the report as an incoming  
2 for this meeting, and it will be referred to the policy  
3 committee.

4           Secondarily, I do want to note that there  
5 were a couple other communications that came in but also  
6 related to facial recognition we just received today at  
7 about I think it was about 12 or 1:00 and we thought it  
8 was important for that to be enclosed in your packet as  
9 well as. And unless you have a specific set of  
10 questions in the interest of time, that would be my  
11 report for the day.

12           CHAIRPERSON CARTER: Thank you, sir. Any  
13 old business, Commissioners?

14           COMMISSIONER BELL: Madam Chair, I just want  
15 to report out as you well know we need an opportunity  
16 (inaudible) academy class this past Friday 19-D and also  
17 19-E which 19-D would be graduating; is that right,  
18 Assistant Chief White, on Friday?

19           ASSISTANT CHIEF WHITE: That's correct.  
20 We're going to do two class.

21           COMMISSIONER BELL: That's what I thought.  
22 I heard that. Okay, two classes going to be graduating.  
23 It was like I guess over 40 collectively together. And  
24 the question come up how many Detroiters and I saw the  
25 poll there about 14, 15 say they live in the city of

1 Detroit. And also a question about how many southerners  
2 that we have from the south, posted that question, and I  
3 knew the answer already but we had one respond he's from  
4 South Carolina. So that myth about we recruiting from  
5 the south, that myth went out in the '50s and '60s  
6 because I was here in the '70s and I just want to  
7 clarify that, but it was an outstanding class, both  
8 classes were, and I want to thank Charlotte Jones senior  
9 investigator for participating in that forum. We hope  
10 to establish an early on time frame with the academy  
11 when it's convenient within the first three, four weeks  
12 we working out with Captain Russell on that issue but  
13 when we have a standing couple hour block in that early  
14 on that we can lock that in and commissioners know and  
15 note that in your calendar to participate. But I'm  
16 looking forward to the graduating class tomorrow. It's  
17 going to be a long morning but it's a worthwhile morning  
18 'cause they are eager to go and I want to say that the  
19 question we have opportunity to interact and explain the  
20 role of the board of the police commission and also  
21 office of the chief investigator and history about DPD  
22 that's not covered in the academy. We give them that  
23 history in terms of Malice Green. Historically, I just  
24 want to share that with you. It's a good exchange in  
25 terms of the board having the opportunity. I would hope

1 that other members would take advantage of the future  
2 that we lock in an early date and we'll know that it's  
3 going to be on the calendar early in that time frame.  
4 But I just want to commend the academy staff for making  
5 us available to have that opportunity to interact. I  
6 think it's only crucial that they understand the role of  
7 the board of police commissioners. Thank you, Madam  
8 Chair.

9 CHAIRPERSON CARTER: Thank you, Commissioner  
10 Bell. At this time we will have oral communications  
11 from the audience. Please give your name, if you'd  
12 like, for the record. And limit your comments to two  
13 minutes.

14 MR. BROWN: Madam Chair, I have ten  
15 speakers. I'll call them by five. Your first speaker  
16 will be Ms. Faith, followed by Mr. Scotty Boman, Ms.  
17 Valerie Glenn, Mr. Eric Blount and Lori Parks and before  
18 she speaks I'll call the next five.

19 MS. FAITH: Welcome to their honorable  
20 board. For the record my name is Ms. Faith. Good  
21 afternoon to everyone and welcome. I appreciate  
22 everyone as usual. And I'm just astounded the things  
23 I've heard this evening or this afternoon and also the  
24 thing that's been on my heart this week is the mothers,  
25 the carriers of the ones who are on the streets now who

1 are having a problem with trying to get a job because  
2 they can't pass their drug test and also with the crime  
3 that's in different areas in neighborhoods. I  
4 believable if the mamas was encouraged and supported a  
5 lot more that's the first one that the baby sees when  
6 they wake up after they've been born is mama. I read an  
7 article about the mamas who need more income to take  
8 care of the babies; there are single mamas all over the  
9 city and if they have the treasured daddys with the  
10 treasured babies and the mamas and they support each  
11 other that would help a lot I believe. So that was my  
12 comments this evening or this afternoon about the mamas  
13 being backed up and held up and encouraged more,  
14 supported more, given the things that they really do  
15 need because the children that are out there doing  
16 things they shouldn't do, they've been exposed to a lot  
17 things they shouldn't have been exposed to even in the  
18 womb and first conception because their senses are alive  
19 even in the womb. And when they're born they don't know  
20 what to do with those things they've sensed and heard.  
21 When they grow up it's still a foreign language to them.  
22 And after they've seen and heard the grown up sound then  
23 they understand some more but when they're corrected for  
24 things that they're imitating the parents doing that  
25 they've heard and since in the womb, it confuses them

1 and they become rebellious and disobedient. So I don't  
2 know motherhood that way; I didn't never have a child  
3 myself. Neither do I know drug addiction or alcoholism.  
4 And neither do I know transgenderism or anything that  
5 the drug caused the babies to be like they are. Because  
6 they are exposed to different parents that are like that  
7 particularly the mamas and the daddys. So if mama was  
8 supported more and daddy would support her and the  
9 babies, I believe that would turn around a lot of the  
10 crime in the streets, and a lot of the mental conditions  
11 that are the coming about, you know, the need for it.  
12 My time is up. But those are my thoughts. I commend  
13 you all for promoting the good.

14 CHAIRPERSON CARTER: Thank you.

15 MR. BROWN: Mr. Bowman.

16 MR. BOMAN: Hello. For the third time since  
17 you have been put on notice I was -- I witnessed and  
18 documented the violation of the Open Meetings Act,  
19 15.263 section three part four that reads: A person  
20 shall not be required as a condition of attendance at a  
21 meeting of a public body to register or otherwise  
22 provide his or her name or other information to fulfill  
23 condition precedence of attendance. What I would  
24 recommend is any member of this body that does not want  
25 to be charged with a misdemeanor at least as a good

1 defense might want to make a motion to comply with that  
2 sectio of the Open Meetings Act and no longer require  
3 people to identify themselves as a condition of  
4 attendance. There are teeth in the statute and all of  
5 you, even those who I like on this body, unfortunately  
6 all of you are subject to the law. And it says here a  
7 public official who intentionally violates this act is  
8 guilty of a misdemeanor punishable by a fine of not more  
9 than a thousand dollars and you are put on notice when  
10 Ralph Simpson came up here and told you about that back  
11 on I think it was the 11th. Two, a public official who  
12 is convicted of intentionally providing his provision  
13 for a second time, I think that applies here, within the  
14 same term shall be guilty of a misdemeanor and shall be  
15 fined not more than two thousand dollars or imprisoned  
16 for not more than one year or both. So right now any of  
17 you who want to have some defense to keep yourself out  
18 of jail and facing thousands of dollars in fines I  
19 suggest immediately make a motion to comply with the  
20 Open Meetings Act and no longer require identification  
21 for entry and if it is impossible to have that policy at  
22 this location, to move it to another location where you  
23 may stop committing crimes. You are already culpable.  
24 You are a criminal organization strangely in the role of  
25 overseeing those enforcing the law who should in the

1 course of enforcing the law arrest all of you. Thank  
2 you.

3 MR. BROWN: Ms. Glenn.

4 MS. GLENN: Good afternoon, commissioners  
5 and audience. I am concerned about the Detroit Police  
6 Department treatment and the methodology used on the  
7 citizens of Detroit. In my opinion the DPD is moving  
8 backwards instead of forwards and the treatment of the  
9 citizens, specifically the elimination of the citizens  
10 of civil liberties, which includes our first amendment  
11 rights and in growing numbers of their human rights  
12 being eliminated. I have lived here since 1950 since my  
13 birth. When children and adults of African American  
14 decent were confined to certain geographic areas I was  
15 going to use Chief Craig but I will use you Reverend  
16 Holley. People of your complexion were not allowed to  
17 move above Mack Avenue when I was born. The DPD police  
18 policies have targeted community meetings. In the last  
19 three weeks your message has been to over-police all  
20 community meetings, arrest unjustly targeted activists  
21 and usually those are people that speak up at meetings  
22 like myself, document issues and concerns in writing and  
23 follow-up -- and follow the charter.

24 In addition over the last three weeks we've  
25 had four community activists arrested for in my opinion

1 unduly and unnecessary reasons, multiple individuals  
2 have been harassed and intimidated and now no longer  
3 feel comfortable taking effect and part of their human  
4 rights, which they are supposed to be able to do, and  
5 multiple false police reports. I would like to say that  
6 we are going backwards, back to 1750s as opposed to the  
7 2020 that we are looking forward to. I'd like to refer  
8 you to the charter, 2012 charter, Open Meetings Act as  
9 well as the constitution for my documentation. Thank  
10 you.

11 MR. BROWN: Mr. Blount.

12 MR. BLOUNT: I thought I was fifth. I'll  
13 take it. Good afternoon. For the record my name is  
14 Eric Blount, a lifelong Detroiter. Again, I'd like to  
15 strongly encourage the board and the chief to list not  
16 only fallen and injured officers but also those officers  
17 that have been suspended with and without pay and the  
18 status of those officers. As far as racial -- I mean  
19 facial recognition is concerned the fact that it  
20 misidentifies anybody of a particular race is very  
21 troubling to me. I am a proud black Catholic but if  
22 this was against white people, I'd be against it; if it  
23 was against Jewish people, I would be against it. If it  
24 was against Muslims, I would be against it. This is  
25 wrong and evil.

1           As far as Commissioner Griffie is concerned,  
2 Madam Chair, if you would please allow her the  
3 opportunity to further explain her comments here at this  
4 meeting regarding facial recognition. For her to  
5 suggest the possibility that facial recognition might  
6 have changed the outcome of the Central Park Five is  
7 very troubling.

8           Lastly, there is good news on the justice  
9 front, although this board was against the changes in  
10 the forfeiture law, senate bill two, public act number  
11 seven has been approved by the state legislature. It is  
12 going to be effective August the 8th, so Attorney  
13 Wyrick, if you haven't already, please inform the board  
14 and the police commissioners that there are significant  
15 changes in the way that the forfeiture law is now  
16 encored. You cannot have title to any confiscated  
17 assets and once again, people who are innocent until  
18 proven guilty have the right to all of their resources.  
19 Thank you.

20           MR. BROWN: Ms. Parks. And before she  
21 speaks the next five will be Ms. Brenda Hill, Charlie  
22 LeDuff, Phillip Mayor, Tawana Petty and Joanne Warwick.

23           MS. PARKS: First of all, I want all the  
24 police commissioners meetings moved out of any police  
25 station. That's number one. And who will make the

1 motion to do that? And if the motion is made, will any  
2 of you guys support it, whoever makes the motion?

3           Number two, I want to know from each  
4 commissioner how many new officers were hired in their  
5 districts. I want to know how many were from the city  
6 of Detroit, how many were from any other city  
7 surrounding Detroit and how many were hired from the  
8 south. That's what I need to know. I done ask that  
9 like five or six times; I haven't gotten any response.  
10 What do I have to do, put it on paper somewhere else?  
11 Okay. And what duties does the officer who hit the  
12 naked mentally unstable woman where is he working now?  
13 Has he been fired; has he been reassigned? I mean, even  
14 desk duty for that officer I would be concerned about  
15 any of my citizens in Detroit having to go up and even  
16 speak with this person. So I need to know has he been  
17 fired; has he been reassigned, and where has he been  
18 reassigned? Thank you.

19           MR. BROWN: Ms. Hill.

20           MS. HILL: My name is Brenda Hill. I'd like  
21 to say first off I got a new detective; he called me  
22 this morning so that's a good sign. He says it's going  
23 to take him about a week and a half to get up to speed.  
24 So hopefully the next couple of weeks we'll be moving  
25 forward with the case of Brenda Rogers and Linda Goodwin

1 (sic). Also I'm here because of the over-policing of  
2 the community meetings. The intimidation. We've had  
3 several people who come to meetings all the time they're  
4 not even the ones you call agitators, those with the  
5 information. They're deciding that they're not coming  
6 to the meetings because they're being intimidated out of  
7 being good citizens of Detroit. We do have a first  
8 amendment right to speak up and speak out. I know  
9 there's an ordinance that says that there's not supposed  
10 to be disruptions in public meetings but if you read on  
11 that on to that ordinance it also says that it should  
12 not violate any civil liberties and our civil liberties  
13 are being violated. As well with the facial recognition  
14 technology I am wholeheartedly against it. It doesn't  
15 have anything to do with the chief's department per se.  
16 I did see the realtime crime center; it all makes sense  
17 until it doesn't. If, what's his name, LeValley gets a  
18 hold, he's the new police chief, 'cause the mayor's  
19 trying to put the chief out of his position, I am scared  
20 for my grandson. This city is turning into stress  
21 again. And under your auspices this is happening.  
22 There should not be one citizen, except for the  
23 criminals, scared of the police and we have absolutely  
24 older people, women, and children who are scared of the  
25 police today. That is unconscionable. You all need to

1 do something about it. Thank you.

2 MR. BROWN: Mr. LeDuff.

3 AUDIENCE MEMBER: He's outside with the  
4 police chief.

5 CHIEF BROWN: Mr. Mayor.

6 CHAIRPERSON CARTER: Step up, sir.

7 MR. BROWN: Mr. Mayor.

8 MR. MAYOR: Afternoon. My name is Phil  
9 Mayor. I'm a senior staff attorney at the ACLU of  
10 Michigan and a resident of district -- precinct 5 here  
11 in Detroit. This morning as you mentioned a coalition  
12 of 12 civil rights organizations, grass roots  
13 organizations, faith based groups and immigrant  
14 advocates sent this commission a letter opposing the use  
15 of facial recognition technology here in Detroit in any  
16 form. Our first coalition was able to come together  
17 precisely because facial recognition presents such a  
18 grave threat to so many different communities and  
19 interests. It's also why communities across the nation  
20 from Summerville, Massachusetts to Oakland, California  
21 have come together to ban facial recognition. And this  
22 commission should do the same thing for two reasons:

23 First, the harms resulting from the use of  
24 facial recognition as is acknowledged will fall  
25 disproportionately on communities of color and immigrant

1 communities who already bear the brunt of over-policing  
2 in the city. We also know that facial recognition  
3 technology yields racially biased results. A majority  
4 black city like ours should be taking the lead in  
5 resisting the use of racially bias surveillance  
6 technology not serving as a leading proponent. The  
7 trust between our communities and DPD is already badly  
8 frayed, using facial recognition technology even in a  
9 limited form will further erode that trust. Rather than  
10 investing millions of dollars in more policing in  
11 communities of color, we should be investing in the  
12 services and resources they need to prosper.

13           Second, the facial recognition technology  
14 that DPD already possesses has terrifying capabilities.  
15 The software has already purchased as you know allows it  
16 to run simultaneous realtime facial recognition scans on  
17 the hundreds of Green Light video feeds in this city.  
18 DPD says it doesn't plan to use these capabilities but  
19 in that case why did it buy them in the first place for  
20 a million dollars, over a million dollars? The DPD's  
21 history of acquiring this oppressive technology without  
22 first seeking public approval demonstrates why we can't  
23 let law enforcement officials start using facial  
24 recognition technology in the first place. The slippery  
25 slope to a surveillance state is simply too steep.

1 Please act now and tell the DPD that we neither need nor  
2 want facial recognition here in Detroit.

3 MR. BROWN: Ms. Petty.

4 MS. PETTY: The crimes of a few have been  
5 used as an excuse to violate the civil liberties of the  
6 whole. Yes, tensions are high in the city. Yes, crime  
7 is too high. The median income is 26 thousand dollars  
8 per year. 142 thousand people don't have water. Entire  
9 neighborhoods have low to no income or employment. We  
10 lack adequate transportation systems. We have schools  
11 with poisoned water. We have massive tax evictions even  
12 though it's been proven Detroiters are mis-taxed.  
13 Instead of leveraging city funds to rectify these  
14 issues, we are massively surveying the public. I do not  
15 know how a predominantly black city can choose to be an  
16 innovator in a public/private surveillance system  
17 instead of innovating solutions that truly make us  
18 safer. Instead of encouraging community members to come  
19 together and look out for one another we have defaulted  
20 to a culture of holding up in our homes and businesses  
21 and watching from behind our surveillance cameras. It  
22 is time we reversed this trend of watching each other  
23 and move back to seeing each other. Please acknowledge  
24 the 12 civil rights coalitions and organizations that I  
25 and my organization signed on to and vote no on facial

1 recognition technology. Thank you.

2 MR. BROWN: Mr. LeDuff.

3 MR. LEDUFF: Good afternoon. I thought I'd  
4 just try to get you all at once instead of calling each  
5 one of you but I just wanted to tell you and the public  
6 149 people were shot the first month of summer. That's  
7 twice the rate of Chicago and it raised holy hell in  
8 Chicago and it's normal here. In one week of making a  
9 movie, in one week about children, five children were  
10 shot. That's amazing. That should astound you.

11 Violent crime we were told today has flapped; no rise in  
12 violent crime. 149 shootings. It's up 50 percent from  
13 last year. Madam, you can't get an officer in the 12th;  
14 it's nice up in the 12th. There's no police. Cops tell  
15 me that. They know that. We need more. I've asked for  
16 the ages of all gunshot victims and have not received  
17 them. Why wouldn't they give something so simple? It's  
18 online in LA? We say we're doing it; we're not. We're  
19 failing each other.

20 Facial recognition software is nice.  
21 Detroit's been using it for a long time. They got it  
22 from the state police; they've been using it but what  
23 about preventing the crime so we wouldn't need it? The  
24 question is, and if you would like to call me you can  
25 find me and I'll call you and I'm not vicious; I

1 appreciate the volunteer work you're doing. Is there a  
2 comprehensive gun strategy and crime reduction strategy  
3 instead of, you know, relying on technology, should be  
4 an aid with service? Thank you for the work you do.  
5 And have an excellent rest of the summer.

6 MR. BROWN: Ms. Warwick and Madam Chair,  
7 that will be your last speaker.

8 MS. WARWICK: Well hello. I'm here cause  
9 I'm concerned about the facial recognition technology.  
10 I'm here because on July 24th I was the victim of police  
11 brutality at the K-Mack (sic) building, which is kind of  
12 sad that on the last day of the national NAACP  
13 conference that there was such a police abusive behavior  
14 and criminal assault down at the K-Mack building. It  
15 was clearly an illegal use of force, not necessary, not  
16 proportionate. I'm still waiting for the police report.  
17 So if there's something, I mean, shouldn't the police  
18 the first responder have a report by now?

19 Also it appears they haven't produced it or  
20 told me where it is that your police have stolen my  
21 medical marijuana and destroyed some evidence. They  
22 took some property from me at the Detroit detention  
23 facility where is it? I've been told differing stories.  
24 You don't have a right to destroy my medical marijuana  
25 when I have a recommendation under state law. Your

1 police officers are not federal officers. You know, I  
2 don't know maybe God wanted you to put an attorney into  
3 the jail so I can speak about some of this stuff. But I  
4 was told by my doctor the other day, and I'm just  
5 positive, that they did not follow proper procedure when  
6 I was forcibly stripped to be put into a bambam suit  
7 (sic) and I have an ankle injury; nobody cared about my  
8 ankle injury. And the officer on the outside refused to  
9 give me a chair. Oh by the way the lady doing my  
10 extensive fingerprints and mug shot told me, yeah, this  
11 is racial recognition, facial recognition technology.  
12 Why say no to facial profiling and racial profiling and  
13 I say no to Pro 2019 where's the report? I invite  
14 people to have a watch party. Where are those videos  
15 downtown? Don't destroy them or you'll be in more  
16 trouble. This better be the last time folks. It wasn't  
17 the first time they abused me down at city hall and it  
18 will be the last time which I'm still alive not because  
19 I get a bullet or get run off the road. Thank you.

20 CHAIRPERSON CARTER: At this time  
21 commissioners this concludes public comment. At this  
22 time we are going to have under announcement our next  
23 meeting will be Thursday, August 8th, 2019 fat 6:30 p.m.  
24 in the 5th precinct at the Carolyn Cheeks Kilpatrick  
25 Room at the Samaritan Center located at 5555 Conner.

1 Our next community meeting in September will be  
2 Thursday, September 12th, 2019 at 6:30 p.m. in the 4th  
3 precinct at the Kemeny Recreation Center located at 2260  
4 South Ford Street. At this time we will have under new  
5 business commissioners we will be going forward with a  
6 closed session, if there's a motion.

7 VICE CHAIR DEWAELSCHE: Motion to approve.

8 COMMISSIONER GRIFFIE: Second.

9 MR. WYRICK: Through the chair there has to  
10 be a specific motion to approve.

11 VICE CHAIR DEWAELSCHE: Motion to go into  
12 closed to consider change of duty suspension without pay  
13 but with medical benefits for PO Naim Brown, badge 498  
14 assigned to the 5th precinct.

15 MR. WYRICK: And there's a provision B as  
16 well.

17 VICE CHAIR DEWAELSCHE: Provision B to vote  
18 to go into closed session to ratify the chair's  
19 permission of attorney Jermaine Wyrick to prepare a  
20 response and represent the board at the OIG  
21 administrative hearing in OIG case number 2018-00050.

22 MR. WYRICK: And Mr. Hicks just said these  
23 motions have to be taken one at a time.

24 VICE CHAIR DEWAELSCHE: So a closed session  
25 to change of duty status.

1 COMMISSIONER GRIFFIE: Support.

2 CHAIRPERSON CARTER: Been moved and  
3 supported that we go into closed session to discuss the  
4 change of duty status suspension without pay but with  
5 medical benefits for PO Naim Brown badge 498. Is there  
6 any discussion? Those in favor?

7 ALL: Aye.

8 COMMISSIONER GRIFFIE: Madam Chair.

9 CHAIRPERSON CARTER: Those opposed? Motion  
10 carries.

11 COMMISSIONER GRIFFIE: Madam Chair, I move  
12 that we also in the same closed session vote to go into  
13 closed session in the ratification of chair the  
14 permission of Attorney Jermaine Wyrick to prepare a  
15 response and represent the board at OIG administrative  
16 hearing in OIG case number 2018-0050.

17 VICE CHAIR DEWAELESCHE: Support.

18 CHAIRPERSON CARTER: Been moved and  
19 supported that we go into closed session for the  
20 ratification of chair permission of Attorney Jermaine  
21 Wyrick to prepare a response and represent the board at  
22 OIG administrative hearing in OIG case 2018-0050 (sic).  
23 Is there any discussion? Those in favor?

24 ALL: Aye.

25 CHAIRPERSON CARTER: Those opposed? Motion

1 carries. We stand in recess. Adjourned.

2 COMMISSIONER HOLLEY: Madam Chair, can we  
3 just go and not linger?

4 CHAIRPERSON CARTER: Yes, sir, we can.

5 (Off the record at 4:45 p.m.)

6 (Back on the record at 5:40 p.m.)

7 COMMISSIONER BELL: Madam Chair, I move that  
8 we reconvene our meeting.

9 VICE CHAIR DEWAELESCHE: Support.

10 CHAIRPERSON CARTER: Moved and supported  
11 that we reconvene our meeting. Is there any discussion?  
12 Those in favor?

13 ALL: Aye.

14 CHAIRPERSON CARTER: Those opposed? Motion  
15 carries. At this time --

16 COMMISSIONER GRIFFIE: Madam Chair, I'd like  
17 to move that we based on the conversation that happened  
18 during our closed session that we deny the  
19 recommendation set forth --

20 CHAIRPERSON CARTER: We have another matter  
21 -- oh I'm sorry.

22 COMMISSIONER GRIFFIE: Okay. Sorry.

23 CHAIRPERSON CARTER: We have an A item.

24 COMMISSIONER GRIFFIE: Okay. Well, then I'd  
25 like to move that we move forward on suspending the

1 officer without pay, Officer Brown.

2 CHAIRPERSON CARTER: You want to follow the  
3 recommendation of the chief?

4 COMMISSIONER GRIFFIE: Yes, I move that we  
5 accept the chief's recommendation to suspend Officer  
6 Brown without pay.

7 VICE CHAIR DEWAEELSCHE: Support.

8 CHAIRPERSON CARTER: It's been moved and  
9 supported that we follow the recommendation of chief of  
10 police to suspend without pay but with medical benefits  
11 police officer Naim Brown. Is there any discussion?  
12 Those in favor?

13 COMMISSIONERS: Aye.

14 COMMISSIONER HOLLEY: Can we have a  
15 rollcall?

16 COMMISSIONER BELL: Let's have a vote first.

17 COMMISSIONER GRIFFIE: Yeah, we just did.

18 CHAIRPERSON CARTER: Those opposed?

19 COMMISSIONER HOLLEY: Nay.

20 CHAIRPERSON CARTER: One nay.

21 COMMISSIONER BELL: So there's no need for  
22 rollcall.

23 MRS. HICKS: The record will reflect  
24 unanimous approval with two exceptions and they both are  
25 recorded by Commissioner Holley and Commissioner Brown

1 -- I mean, Commissioner Burton who was here for the  
2 earlier and is not present at this session.

3 COMMISSIONER BELL: Say that again, sir.  
4 Madam Chair.

5 MRS. HICKS: Based upon your quorum, based  
6 upon your quorum, everyone is voting for the suspension  
7 with two exceptions.

8 CHAIRPERSON CARTER: There's only one  
9 exception and he's not here.

10 MRS. HICKS: Well the point is he is not  
11 here.

12 VICE CHAIR DEWAELESCHE: So we can't even  
13 count him?

14 MRS. HICKS: Right. One exception.

15 CHAIRPERSON CARTER: Thank you.

16 COMMISSIONER GRIFFIE: Madam Chair.

17 CHAIRPERSON CARTER: Yes, ma'am.

18 COMMISSIONER GRIFFIE: I would like to -- I  
19 move that we based on the discussion that happened  
20 during our closed session that we deny the OIG's  
21 recommendation.

22 COMMISSIONER BELL: Second.

23 CHAIRPERSON CARTER: With regards to what?

24 COMMISSIONER GRIFFIE: With regards to the  
25 matter...

1 CHAIRPERSON CARTER: Case number 2018 --

2 COMMISSIONER GRIFFIE: Where is the case  
3 number.

4 CHAIRPERSON CARTER: 00050.

5 COMMISSIONER GRIFFIE: Can you repeat that  
6 for me?

7 CHAIRPERSON CARTER: 2018-00050.

8 COMMISSIONER GRIFFIE: I just want to  
9 confirm with the attorney that that is in fact the case  
10 in question.

11 MR. WYRICK: Yes, it's the case number.

12 COMMISSIONER GRIFFIE: So I'd like to  
13 reframe my motion I'd like to move OIG's recommendation  
14 based on case number 2018-000050.

15 VICE CHAIR DEWAELESCHE: Support.

16 CHAIRPERSON CARTER: Been moved and  
17 supported we reject the recommendations of the OIG's  
18 office regarding case number 2018-00050. Is there any  
19 discussion? Those in favor?

20 COMMISSIONERS: Aye.

21 COMMISSIONER BROWN: Nay.

22 CHAIRPERSON CARTER: Those opposed? Nay,  
23 Commissioner Brown?

24 COMMISSIONER BROWN: That's correct.

25 CHAIRPERSON CARTER: Anybody else?

1 MRS. HICKS: Let the record reflect  
2 unanimous vote with the exception of commissioner --

3 COMMISSIONER BELL: It is not unanimous.

4 VICE CHAIR DEWAELSCHE: It's not unanimous.  
5 You have to have everybody.

6 MRS. HICKS: Excuse my wording. An  
7 affirmative vote by all members present with the  
8 exception of Commissioner Brown.

9 CHAIRPERSON CARTER: Thank you. Motion  
10 carried.

11 COMMISSIONER GRIFFIE: Ma'am president.  
12 Ma'am Chair. I'm giving you wrong titles. Ma'am Chair.

13 CHAIRPERSON CARTER: Yes, ma'am.

14 COMMISSIONER GRIFFIE: I'd like to make a  
15 second motion. I'd like to move that we go ahead and  
16 ratify the permission -- the chair's permission of  
17 Attorney Jermaine Wyrick to prepare a response and  
18 represent the board in the OIG administrative hearing in  
19 OIG case number 2018-00050.

20 MR. WYRICK: If I may interject that should  
21 actually be worded to ratify the decision of the chair  
22 to request an administrative hearing in the same case  
23 number.

24 COMMISSIONER GRIFFIE: Oh yes. Let me  
25 restate the motion. I'd like to move that we ratify the

1 chair's permission of Attorney Wyrick to request a  
2 hearing based on case number 2018-00050.

3 COMMISSIONER BELL: Second.

4 CHAIRPERSON CARTER: Been moved and  
5 supported that we ratify the chair's decision to  
6 allow...

7 MR. WYRICK: To request a hearing.

8 CHAIRPERSON CARTER: To request a hearing.

9 Thank you. Those in favor?

10 COMMISSIONERS: Aye.

11 COMMISSIONER BROWN: Nay.

12 CHAIRPERSON CARTER: Those opposed? Motion  
13 carries. Commissioner Brown is a nay. Motion carries.  
14 Thank you.

15 VICE CHAIR DEWAELSCHE: Madam Chair, I would  
16 like to make a motion that we ratify the response that  
17 has been submitted by Attorney Wyrick in response to  
18 case number 2018-00050.

19 COMMISSIONER GRIFFIE: Support.

20 CHAIRPERSON CARTER: Been moved and  
21 supported that we...

22 VICE CHAIR DEWAELSCHE: Ratify the response  
23 submitted.

24 CHAIRPERSON CARTER: Ratify the response  
25 submitted by Attorney Wyrick to the OIG's office

1 regarding case number 2018-00050. Is there any  
2 discussion?

3 MR. WYRICK: We're ratifying the chair's  
4 decision to allow me to be able to respond. Just to add  
5 a couple words.

6 COMMISSIONER BROWN: Madam Chair, this is  
7 the response that he's already sent out, what, a couple  
8 weeks ago?

9 CHAIRPERSON CARTER: We have to ratify it.

10 COMMISSIONER BROWN: But we're going to  
11 ratify something that he's already sent to us --

12 CHAIRPERSON CARTER: Yes.

13 COMMISSIONER BROWN: -- and also to the  
14 OIG's office?

15 CHAIRPERSON CARTER: Yes, sir.

16 MR. WYRICK: So it comports with the Open  
17 Meetings Act, Commissioner.

18 CHAIRPERSON CARTER: Is there any other  
19 discussion? Those in favor?

20 COMMISSIONERS: Aye.

21 COMMISSIONER BROWN: Nay.

22 CHAIRPERSON CARTER: The nay is Commissioner  
23 Brown?

24 COMMISSIONER BROWN: That is correct.

25 CHAIRPERSON CARTER: The ayes have it.

1 VICE CHAIR DEWAELSCHE: Madam Chair, I would  
2 also like to make another motion that we waive that  
3 Attorney Wyrick's representation conflicts with Michigan  
4 Rules of Professional Conduct.

5 COMMISSIONER GRIFFIE: Correction. That  
6 does not conflict.

7 MR. WYRICK: Correct.

8 CHAIRPERSON CARTER: So the motion is that  
9 Attorney Wyrick's...

10 VICE CHAIR DEWAELSCHE: Representation.

11 CHAIRPERSON CARTER: Representation does not  
12 conflict with the Michigan Rules of Professional  
13 Conduct. Is there -- it's been moved, is there a  
14 second?

15 COMMISSIONER GRIFFIE: Support.

16 CHAIRPERSON CARTER: Is there any  
17 discussion? Those in favor?

18 COMMISSIONERS: Aye.

19 COMMISSIONERS BROWN: Nay.

20 COMMISSIONER DAVIS: Nay.

21 CHAIRPERSON CARTER: Commissioner Brown and  
22 Commissioner Davis. The ayes have it. Motion carries.  
23 Thank you.

24 COMMISSIONER GRIFFIE: Madam Chair?

25 CHAIRPERSON CARTER: Yes, ma'am.

1 COMMISSIONER GRIFFIE: Finally, I'd like  
2 allow Attorney Wyrick to represent the board in a  
3 nonjudicial administrative hearing.

4 VICE CHAIR DEWAELSCHÉ: Support.

5 CHAIRPERSON CARTER: Been moved and  
6 supported that we allow Attorney Wyrick to represent us  
7 in a non...

8 COMMISSIONER GRIFFIE: Judicial.

9 CHAIRPERSON CARTER: Nonjudicial.

10 MR. WYRICK: Correct. Nonadjudicative  
11 administrative hearing.

12 CHAIRPERSON CARTER: Administrative hearing.  
13 Thank you. Is there any discussion? Those in favor?

14 COMMISSIONERS: Aye.

15 MR. BROWN: Nay.

16 COMMISSIONER DAVIS: Nay.

17 CHAIRPERSON CARTER: Commissioners Brown and  
18 Davis. The motion carries. Thank you. Thank you,  
19 Commissioners.

20 COMMISSIONER BELL: Madam Chair, if there's  
21 no other business, I move for adjournment.

22 COMMISSIONER BROWN: So Madam Chair, before  
23 we do that we're still under new business; am I correct?  
24 Just have a proposal to the board to allow me to contact  
25 the attorney general's office to see if our office can

1 come and do a workshop presentation for us on the Open  
2 Meetings Act since she is already authored a small  
3 pamphlet about it so that each commissioner can ask any  
4 questions we may have concerning the Open Meetings Act  
5 and the things we can and cannot do and what we should  
6 and should not do. And I would like to put that  
7 together as a motion before this board to move and to  
8 allow me to contact her office to see if we can set up  
9 some type of training for us.

10 COMMISSIONER GRIFFIE: Was that a motion?

11 COMMISSIONER BROWN: That's a motion.

12 COMMISSIONER GRIFFIE: Support.

13 COMMISSIONER HOLLEY: I --

14 CHAIRPERSON CARTER: It's been moved and  
15 supported that we allow Commissioner Brown to contact  
16 the OIG --

17 COMMISSIONER BROWN: No, the attorney  
18 general's office.

19 CHAIRPERSON CARTER: The attorney general's  
20 officer for the Open Meetings Act training. Is there  
21 any discussion?

22 COMMISSIONER HOLLEY: Just I'm not -- I  
23 don't mean no harm, Commissioner, but I think that ought  
24 to be the Chairman's request to do that rather than an  
25 individual board member. I think we ought to through

1 the Chairman rather than through a commissioner. I  
2 don't mind doing it --

3 COMMISSIONER BROWN: Is that an amendment to  
4 that motion? I don't have a problem with that.

5 COMMISSIONER HOLLEY: Yeah.

6 COMMISSIONER HOLT: Are you going to amend?

7 COMMISSIONER HOLLEY: Yep, I'd like to amend  
8 that we will -- the same motion but go through the  
9 Chairman rather than -- I think it's important we do  
10 that.

11 CHAIRPERSON CARTER: Is there support?

12 COMMISSIONER HOLT: I support.

13 COMMISSIONER BELL: I agree that is function  
14 of the chair.

15 CHAIRPERSON CARTER: Thank you. Is there  
16 any discussion, further discussion? Those in favor?

17 ALL: Aye.

18 CHAIRPERSON CARTER: Those opposed? Motion  
19 carries. Thank you, Commissioners.

20 COMMISSIONER HOLLEY: I think we need to get  
21 a raise or something.

22 COMMISSIONER BROWN: One more thing, Madam  
23 Chairman --

24 CHAIRPERSON CARTER: There's a motion on the  
25 floor. We have a motion on the floor.

1 COMMISSIONER BROWN: Oh I thought --

2 CHAIRPERSON CARTER: It was seconded, too.

3 COMMISSIONER GRIFFIE: For adjournment.

4 CHAIRPERSON CARTER: Those in favor of  
5 adjournment? Aye. The motion has already been made.

6 Those in favor of the motion?

7 ALL: Aye.

8 CHAIRPERSON CARTER: Motion carries. Have a  
9 good evening everyone. Thank you.
