4 --- --- ---

5 CHAIRPERSON CARTER: Good afternoon. Welcome
6 to the Board of Police Commissioners weekly meeting.
7 My name is Lisa Carter and I will be conducting today's

12 our meeting. Commissioner Jim Holley and Evette
13 Griffie have asked to be excused today. Today I have
14 invited Chaplain Walker to provide the invocation.

20 CHAIRPERSON CARTER: Motion carries.

21 CHAIRPERSON CARTER: Mr. Hicks, do we need to
22 do those separately?

23 MR. HICKS: I don't think so. You included
24 that they were for both.

25 CHAIRPERSON CARTER: Okay. At this time,

1 Mr. Hicks, we'll have -- did we do introductions?

2 COMMISSIONER DAVIS: Not yet.

3 CHAIRPERSON CARTER: We'll start with

1 Coleman is the court reporter today. Of course, the
2 Board Attorney is Jermaine Wyrick. If you can
3 introduce yourself and we'll proceed in that fashion
4 and we'll go to the first row and we'll conclude with
5 Dr. Polly McCalister.

6 (Whereupon the Board staff introduced
7 themselves.)

8 CHAIRPERSON CARTER: At this time we'll
9 introduce Chief James Craig and Chief Craig introduce
10 anyone you have.

11 CHIEF CRAIG: Good afternoon, Madame Chair
12 and also the Board.

13 (Whereupon Chief Craig introduced his
14 staff.)

15 CHAIRPERSON CARTER: Thank you. At this time
16 if there are any elected officials or VIPs or civic
17 leaders or their representatives would you please stand
18 and give your name for the record, please.

19 (None responded.)

20 CHAIRPERSON CARTER: Seeing none, we're going
21 to move on to the Chair's Report. On behalf of the
22 Board I want to express our concern and support for
23 fallen and injured officers. Our concerns for officer
24 safety and citizen protection is ranked as two of the
25 most important priorities of the Board. Our Board

1 receives a weekly report from the Department listing
2 injured officers. I would ask that Chief Craig during
3 your remarks please provide us with any additional
4 information related to injured and fallen officers.

5 The Board of Police Commissioners meets every
6 week except for Thanksgiving and Christmas holiday
7 periods. We meet at Police Headquarters three weeks in
8 a month on Thursdays at 3 p.m. We also meet in the
9 community every second Thursday of the month at 6:30
10 p.m.

11 Under the Detroit City Charter Article 7
12 Chapter 8 Board of Police Commissioners is empowered to
13 provide civilian oversight and supervisory control of
14 the Police Department. Our citizens are justified in
15 asking how does civilian oversight of law enforcement
16 help you as a citizen within our community. Our answer
17 is we protect the civil rights of citizens. Oversight
18 organizations like the BOPC are at the forefront of
19 investigating, reviewing and auditing individual cases
20 of citizens' complaints and patterns of operation by
21 police agencies to eliminate misconduct, discriminatory
22 police practice and unnecessary use of force by police.

23 Our work is based on developing and
24 supporting effective policy. Mutual trust and respect
25 between the police and the community is critical toward

1 increasing the quality of life for residents and
2 visitors to Detroit. Board of Police Commissioners
3 exists to provide civilian oversight for the work of
4 the Detroit Police Department. As a Board we receive
5 and investigate non-criminal citizens' complaints,
6 monitor the operations of the Department and work with
7 the Mayor and the Chief to make or modify police
8 policy.

9 I want to point to several important items
10 for your consideration and information. The NACO
11 Conference is fastly (sic) approaching. I remind the
12 Board we are continuing to work with NACO, the National
13 Association for Civilian Oversight of Law Enforcement,
14 to host a conference on September 22nd through 26th in
15 Detroit. During this time Detroit will be celebrating
16 our 45th year as a civilian oversight organization.

17 The BOPC has secured an exciting keynote
18 speaker for the 45th anniversary dinner, Christie
19 Lopez. The 45th anniversary dinner is Tuesday,
20 September 24, 2019 from 5 p.m. to 7 p.m. at the
21 Marriott Hotel. Christie Lopez is a former member of
22 the U.S. Department of Justice in the Special
23 Litigation Section as well as a visiting professor at
24 the Georgetown Law School. Professor Lopez' work has
25 centered on criminal justice reform and constitutional

1 policing. Professor Lopez lead the DOJ in conducting
2 pattern of practice investigations of local police
3 departments and negotiated settlement agreements in
4 Chicago, New Orleans, Las Angeles, New York, New Jersey
5 and several other important oversight initiatives
6 across the country.

7 Again, the planning process is well under
8 way, and again, we invite your participation. We also
9 invite you to volunteer to help with the conference in
10 June. Volunteer forms are located on the back table.
11 The Chief of Police has transmitted to the Board three
12 recommendations for appointment to the command ranks of
13 the Department. The positions are for Deputy Chief,
14 Commander and Captain. Each Board member was
15 transmitted copies of the appointment packages on
16 Monday, August 26, 2019. We are currently conducting a
17 review of these recommendations.

18 Upon the completion of this review I will
19 schedule these appointments for approval on the
20 September 5, 2019 Board meeting. There continues to be
21 some confusion suggestion that the Board is in
22 violation of the Open Meetings Act. The Act is clear
23 that no persons shall be required to identify
24 themselves as a pre-condition to participate in a
25 meeting held by a public body. While the Act has some

1 exceptions to open meetings, the Board does not require
2 identification to participate in our meetings; however,
3 we continue to receive complaints that the Public
4 Safety Headquarters building requires identification
5 and also runs the identification through a machine
6 before they allow for entrance into the building.

7 I have asked Dan Davis, Director of Building
8 Security for the Public Safety Headquarters Building,
9 to appear to explain their policy and procedures in
10 connection with building operations. Again, the Board
11 does not run the Public Safety Headquarters building.
12 Again, it is my hope that this presentation will
13 address some of the concerns on the subject.

14 I also want to report that the next addition
15 of the Detroit Board of Police Commissioners Newsletter
16 has been printed and is scheduled to hit the mailboxes
17 immediately following the Labor Day Holiday. The
18 approximate printing run was one thousand -- I'm sorry
19 -- 160,000 copies. We are mailing directly to 150,000
20 households. We also provide copies of the newsletters
21 to the Detroit Public Library system and various
22 community centers that act as community hubs, including
23 workforce development sites, as well as direct mailing
24 to some 3,000 individuals who have indicated their
25 interest in the work with the BOPC.

1 Copies of the newsletter are also on-line at
2 our website, www.detroitmi/bopc. Today in addition to
3 the presentation of the building security, we have two
4 presentations; the 4th Quarter DPD Financial Advisor by
5 Nervus Nazarko of DPD finance, and the report from the
6 Chief Investigator Dr. Polly McCalister of the Office
7 of the Chief Investigator. Please note that staff of
8 the Board transmit questions to the Finance Section in
9 advance of our meeting. I hope these questions will
10 direct the presentation today. Copies of the questions
11 are included in your Board package. Under the Chief's
12 Report I'm requesting an update on our crime statistics
13 and any critical issues facing the Police Department.

14 Again, at the end of the meeting we will have
15 public comments from the audience. Please make sure
16 your name is printed on the speakers card. Cards are
17 located on the back table or can be obtained by seeing
18 Mr. Brown who is seated up here in the front. He will
19 need your card before the end of the Chief of Police
20 Report. We will hold each speaker to two minutes.

21 I ask that everyone place their cell phones
22 or electronic devices on vibrate to make sure that we
23 are not interrupting the meeting. Chief Craig, the
24 floor is yours. Thank you.

25 CHIEF CRAIG: Thank you, Madame Chair.

1 Again, Board, as I start my report I start with crime.
2 It seems like murders as well as non-fatal shootings
3 are starting to decline, which is good news. Again,
4 not waving the flag of success, but as of today we're
5 up five homicides as compared to this time last year.
6 Sexual assaults we're up 24 as compared to this time
7 last year. Aggravated assaults we're down 137.
8 Non-fatal shootings we're up ten. Robberies we're down
9 43. Carjackings we're down 155. Total 2 percent
10 overall reduction in violent crime. Property crime
11 we're down 3 percent.

12 So again, when we really look at this time
13 last year, we really ran very close to the same so our
14 work continues. I want to start by thanking Mr. Blunt,
15 Commissioner Carter and Bell and some Commission staff
16 who attended a presentation I held on the status of the
17 matter involving Corporal Jones. I want to also advise
18 you attend and participate in a forum Pure Heart
19 Foundation, a foundation developed for children of
20 incarcerated parents; and lastly, attend on Monday our
21 Cease Fire Call-in. We thought it was well attended;
22 great response by the participants. With that, I open
23 up for any questions you may have.

24 CHAIRPERSON CARTER: Commissioners, questions
25 for the Chief.

1 COMMISSIONER DAVIS: Yes.

2 CHAIRPERSON CARTER: Commissioner Davis.

3 COMMISSIONER DAVIS: Chief, I've been getting
4 a number of complaints over there in District 2 about a
5 flatbed truck. People have been complaining to me from
6 like McNichols area from like Pontchartrain to
7 Livernois about an ongoing flatbed truck that is parked
8 on Envious (ph) and McNichols. They've been
9 complaining to me for about two months. I drove past
10 there a number of times because I work not too far from
11 there and I see it's constantly parked there. I know
12 they said that they have talked to the 12th Precinct a
13 number of times. Could you have somebody look into it
14 and see if they can do something about it?

15 CHIEF CRAIG: You've been knowing about it
16 for two months?

17 COMMISSIONER DAVIS: People have been
18 complaining about it for two months.

19 CHIEF CRAIG: Complained to the police
20 station?

21 COMMISSIONER DAVIS: Yes.

22 CHIEF CRAIG: I see. Deputy Chief Fitzgerald
23 is here and I will ask if you would follow up. Is that
24 Number 12?

25 COMMISSIONER DAVIS: That's Number 12. I got

1 three separate calls on it and I decided to drive by
2 myself and went by there four different times and seen
3 it in the past two weeks.

4 CHIEF CRAIG: Thank you.

5 COMMISSIONER DAVIS: That's all I have.

6 COMMISSIONER BROWN: I have a few complaints
7 about the towing issues and the fees. And one of the
8 complaints discussed with me, which was something that
9 really was a common sense answer, I really couldn't
10 give it to him. I thought I'd let you respond to it;
11 that was if the towing yards are closed on Saturday and
12 Sunday and they can't get their cars out on those days
13 why are they being charged those extra fees when it is
14 something that we're doing to not give them access to
15 their vehicles. I guess what can we do about that?

16 CHIEF CRAIG: Through the Chair, I'm not
17 aware of that but certainly will look into it. That's
18 the first I'm hearing. One complaint that I did
19 receive, actually, from a detective who indicated that
20 vehicles that where a victim's vehicle was involved in
21 a drive-by shooting, as the victim, the vehicle was
22 towed and assessed tow fees. When it's a crime victim
23 vehicle we should treat that vehicle the same way. I
24 don't know what the logic. That's been a practice. I
25 told them I want that practice ceased; that a crime

1 victim is a crime victim. If you use that as some kind
2 of leverage to get a witness to come in and give a
3 statement that's not proper so that practice should
4 have ceased. If it doesn't someone can let me know.
5 I'd appreciate it. It should be treated the same
6 regardless of what the issue. But in terms of closed
7 tow yards, that's something I will have to look into.
8 Assistant Chief White -- in fact, Sergeant Hewitt (ph),
9 can you follow up on that issue and report back.

10 CHAIRPERSON CARTER: Commissioner Bell.

11 COMMISSIONER BELL: Yes, Madame Chair. I
12 just want to thank you, Chief, for hosting that forum,
13 Corporal Jones, for the opportunity for civilians to
14 participate. I thought it was very helpful in terms of
15 your continuations and transparencies to have dialogue.
16 I just want to give kudos to the Homicide Section. I
17 know they've been extremely hard working with the rash
18 of shootings and responding to the scene on call.
19 Sometimes I think you overlook the work of the Homicide
20 Division and also our neighborhood police officers for
21 the job they've been doing on abandoned houses. I know
22 its been a tedious process and one officer was hurt in
23 that process. I hope he's doing well and returned to
24 duty. That's going beyond the scope of duty and
25 responsibility. Thank you for that.

1 CHIEF CRAIG: Thank you for those comments.
2 I certainly appreciate that. And, yes, the Homicide
3 team has done phenomenal work this year. In fact, we
4 don't talk much about headquarters surveillance, which
5 is kind of the surveillance of Homicide, they really go
6 out and put in maximum effort in identifying the
7 location of homicide suspects. Sometimes, as you know,
8 we're waiting for arrest warrants to be signed by the
9 Prosecutor's Office so the suspect is not in custody
10 and so they try to monitor that person until it is
11 signed. And then when it is signed they go out and
12 pursue that suspect. So just great work. I know
13 Captain McGinnis (ph), I want to acknowledge him
14 personally. Job well done.

15 CHAIRPERSON CARTER: Any other questions,
16 comments for the Chief?

17 COMMISSIONER BURCH: Good afternoon. I want
18 to say in the 11th Precinct you hear me randomly,
19 almost every week, speaking about the speeding. At one
20 time we did have the rotating digital sign that would
21 be posted in certain areas. We haven't seen it in a
22 while. Is it you're using it somewhere else maybe?

23 CHIEF CRAIG: Through the Chair, I'm not sure
24 its current location. I know that Deputy Chief
25 Bettison has taken a keen interest in your traffic

1 complaints and we know it comes up every meeting, but
2 we want to be as responsive as possible. I'll make
3 sure we follow up on that. One thing I've neglected to
4 brief the Board on; I don't know if maybe someone is
5 going to ask questions. I'll report it out. We did
6 talk about it at the press conference. There was a
7 major violator seizure a week ago today.

8 COMMISSIONER BURTON: Through the Chair, I
9 have a few questions for the Chief. Question number
10 one is since you've been the Chief of Police here in
11 the City of Detroit how many officers been investigated
12 and charged since you've been here reflecting back on
13 what's happened with the Narcotics Unit? I believe a
14 couple years ago you renamed that unit to Major
15 Violators. How many officers been arrested? How many
16 been charged and how many more investigations going
17 forward?

18 CHIEF CRAIG: Through the Chair, I don't have
19 a hard number. If you're talking globally how many
20 officers have been charged, arrested, I don't have it
21 at my finger tips. I've been very transparent and at
22 times aggressive about when we learn about officer
23 misconduct. If it includes criminality we're not being
24 shy about taking appropriate swift action.

25 I just want to remind the Commissioners

1 relative to narcotics investigation. It started before
2 my appointment. The FBI opened an official probe in
3 2010; although the investigation did show that the
4 activities occurring there did pre-date even 2010. So
5 if you talk to some of the tenured officers that are in
6 the Department, they will tell you there have been off
7 again on again investigations. We try to make some
8 changes right after the investigation relative to
9 staffing. Some have spent long careers in Narcotics so
10 we put kind of a limit that we knew we couldn't just
11 designate the entire Narcotics Unit.

12 As I pointed out, relative to the one officer
13 who just got indicted, he had been there for a period
14 of time. He was also transferred out, came back. In
15 this incident it looks like it's isolated to just him.
16 For our seizure that we made on last week it's a
17 continuing part of our effort to make sure that we
18 don't have any additional or current issues in Major
19 Violators. In fact, a lot of what we learned through
20 the seizures had to do with the initial probe again
21 going back to 2010. So we're looking at areas to
22 address that.

23 We also indicated there was a civil lawsuit
24 that came about from that 2010 probe. Since there was
25 a civil lawsuit filed there is some allegation of false

1 statements, false affidavit. And so because of our
2 learning of that through the civil suit we have opened
3 an investigation dealing with that. So there's some
4 things that we're looking at going forward. We don't
5 have that plan yet. I can tell you that anything that
6 we seized the FBI has agreed to assist us in cataloging
7 every piece of record, and again, these records date
8 back many years before. We just want to know if
9 certainly the FBI is concerned and interested in civil
10 rights violations as I am interested in that.

11 Again, this is dated. Some of these people
12 are no longer with the Police Department; however, if
13 they're no longer employed here they still can be
14 subject to criminal prosecution unless there's a
15 statute of limitations. So again, this is a
16 continuation of fully eradicating any corruption.

17 COMMISSIONER BURTON: So since you renamed
18 the unit, restaffed the unit, things are still not
19 working well in that unit. What were your initial
20 plans as far as revamping that unit and what's not
21 working? How should that department or that unit work
22 compared to other cities and what is your plan going
23 forward turning that narcotics unit around?

24 CHIEF CRAIG: Through the Chair, I just want
25 Commissioner to understand that this is a continuation.

1 I made the statement clearly that when we move staff
2 out it would have been misguided for me to take
3 everyone in the unit and move them out and put new
4 people in. There's a learning curve in doing this
5 work. Again, this was isolated to one officer who
6 engaged in this type of criminal misconduct. And this
7 officer should have known he was there when the time --
8 well before 2010 -- so he understood some of the
9 activities. I anticipate as we catalog and continue to
10 probe into the files that we're going to find things.

11 Again, I stress to you, a lot of this
12 predates me. I can't control what happened in 2010.
13 In fact, I was in Portland, Maine. I just have to keep
14 plugging away and suggesting that it's not working now.
15 I am not going to sit here and tell you that every
16 member of Major Violators is corrupt because they are
17 not. There have been some management barriers from the
18 past. We know that that's why we changed leadership
19 but the work continues. Once we get -- we have never
20 done a whole seizure of records. That was a decision I
21 made because I want to know. So it's not over but it
22 also goes back.

23 We might go back as far as ten years or more.
24 We just want to root out whatever, and certainly if we
25 find that there is any criminality we're going to hold

1 people accountable.

2 COMMISSIONER BURTON: So should DPD be in
3 charge of the investigation or should the Feds be in
4 charge of the investigation?

5 CHIEF CRAIG: Preliminarily I can tell you in
6 terms of how we're approaching this Chris Garvin (ph),
7 which you know is a former U.S. Attorney, has been
8 involved in large scale probes. The FBI is involved in
9 assisting us so we have a cross section right now of
10 people who are conducting this probe. This Department
11 under this administration has not had any issues
12 relative to not being transparent and being able to
13 investigate itself or hold us accountable.

14 COMMISSIONER BURTON: So if this was New York
15 or Chicago or LA would a Chief be in charge of the
16 investigation there or would it be the Feds would come
17 in and do this if this was New York or Chicago?

18 CHIEF CRAIG: Through the Chair, just a
19 matter of my own personal experience, I was involved
20 investigatively in one of the largest corruption
21 scandals in the United States in Los Angeles. LA did
22 their investigation. Sometimes it's an investigation
23 that runs concurrent. There are things the Feds can do
24 in an investigation. As you know, if it's a civil
25 rights or color of law investigation, the FBI will take

1 the lead. We don't know yet if that's going to emerge
2 in this probe that we're doing so part would be
3 their's.

4 Certainly if we find out that there was some
5 tampering with evidence, the affidavits were falsely
6 prepared, that might fall more under Wayne County
7 Prosecutor's jurisdiction. So very soon I'm going to
8 be asking Prosecutor Worthy to come in and get involved
9 in that. So that's generally how investigations work,
10 particularly when you talk about a Federal case, State
11 case.

12 In the end we might find out that there is no
13 criminality because of the statute of limitations. But
14 then we would have to approach it administratively and
15 impose discipline that way. And, for those members who
16 are no longer with the Detroit Police Department, if
17 there's no criminality then there's no administrative
18 sanction; they're retired or resign from the Police
19 Department.

20 CHAIRPERSON CARTER: Any other questions,
21 Commissioners?

22 (Non responded.)

23 CHAIRPERSON CARTER: Thank you, Chief. At
24 this time we will hear from Mr. Dan Davis from Building
25 Security.

1 MR. DAVIS: Good afternoon, Madame
2 Chairperson, Board, Chief Craig and staff, all you
3 visitors here today. My name is Dan Davis. I'm the
4 Director of Security here at DPHS. I've been asked to
5 speak. I've been asked to speak to some of the
6 concerns basically about our policy for access control
7 here in this facility. I will tell you we take
8 security here very seriously as we do your concerns.
9 The ID policies that we currently enforce for the most
10 part have been in place for six years since the
11 facility did open. We do normally review these
12 procedures annually. That review process is not just
13 security. It involves representatives of the Detroit
14 Police Department, Detroit Fire Department. Michigan
15 State Police do it; Detroit Building Authority,
16 Property Management.

17 Anyone who has some say in how we operate in
18 this facility we invite you to participate. We are
19 considered critical infrastructure and under the
20 Patriot Act are required to identify personnel entering
21 this facility. Also, based on the nature of this
22 facility, we are governed by what's called CJIS,
23 Criminal Justice Information Security, protocol and
24 I'll give you a little security procedure. It's not
25 very thick.

1 We're required under that to also identify,
2 and that's under the U.S. Department of Justice and the
3 Federal Bureau of Investigation, we're required to
4 identify everyone coming into this facility; so to put
5 this in a little bit of a bind with respect to the Open
6 Meetings Act. But I will tell you even in this
7 facility uniformed police officers and firefighters
8 that access this facility are required to show photo
9 identification whether they're in uniform or not. So
10 if they don't have a building badge we've issued they
11 have to show us typically their DPD ID cards,
12 credentials.

13 So we do not -- I want to make sure everybody
14 understands that any information we obtain downstairs
15 when you sign in as a visitor is never ever shared with
16 the Board of Police Commissioners. No offense to these
17 folks. They're good people. But we don't share that
18 information with anyone relative to the BOPC. That is
19 just for the internal use for this facility for
20 security and just for security purposes only. No one
21 will ever ask you to show ID when you're upstairs
22 coming into the Michigan Room for the meeting. No one
23 will ask you to sign something to prove your identity.
24 That would be a violation of the law.

25 We considered different locations. This is

1 the venue for the meeting here. Downstairs is the
2 entry point to this campus. This facility is a focal
3 point. It's no different than if you came to the
4 Abbott Street facility or some other. We're going to
5 screen people and check IDs. That is basically the
6 protocol we follow. It's pretty short and simple and
7 sweet but we do have other regulations federally that
8 we are mandated to comply with as well.

9 CHAIRPERSON CARTER: Commissioners, do you
10 have any questions?

11 COMMISSIONER DAVIS: Yes.

12 CHAIRPERSON CARTER: Commissioner Davis.

13 COMMISSIONER DAVIS: So I attend a lot of
14 stuff -- a number of things at the federal courts. I
15 never had to show my ID there.

16 MR. DAVIS: I can't speak to the Federal
17 Court. They don't run our security program. I can
18 only speak to what we do here at this facility and what
19 rules we have to follow here.

20 COMMISSIONER DAVIS: Who operates this
21 building?

22 MR. DAVIS: As far as property management,
23 JLL.

24 COMMISSIONER DAVIS: And who operates the
25 Coleman A. Young Building?

1 MR. DAVIS: I believe that's MYND Property
2 Management. It used to be. I don't work there either.
3 I believe that's MYND Property Management.

4 COMMISSIONER DAVIS: Okay.

5 MR. DAVIS: It's a different security. I
6 don't know what protocols they're following over there.
7 I do know we're obligated under the Patriot Act and
8 also under CJIS, again, our policies as far as what
9 security enforces is typically ruled once a year with
10 Detroit Police Detroit Fire and representatives who
11 come down and we ask all procedures and protocols who
12 have any issues or problems and we try to address those
13 to see if we can find a way to fix it.

14 COMMISSIONER DAVIS: So if you was in
15 violation of State Law would that effect some of your
16 decisions?

17 MR. DAVIS: I can't change our policy as
18 director. I can't just arbitrarily say yes he's
19 threatening me. I'm already told they wanted me
20 arrested but I'm here today, but I have to enforce what
21 we are obligated to enforce. I have to follow the
22 policies that are set forth for this facility. They're
23 not things I arbitrarily write down. This isn't Dan
24 Davis' policy. That's why we have a review process in
25 this building so that no one person is going to

1 arbitrarily write a bunch of rules and insist everyone
2 follows those.

3 So security and safety of everyone in this
4 building is paramount to me. It is my daily
5 consideration every time I come in here everything I do
6 is predicated around the security of the people that
7 work here and the people that visit here.

8 COMMISSIONER BROWN: Madame Chair.

9 CHAIRPERSON CARTER: Commissioner Brown.

10 COMMISSIONER BROWN: Mr. Davis, I guess what
11 Commissioner Davis was eluding to was that 36 District
12 Court, Recorder's Court, City County Building has just
13 as much security personnel and things as any building
14 and no one is ever asked to submit or surrender any
15 type of ID to come in there. Only thing they're asked
16 to do is submit to some type of preliminary search;
17 whether it is going through a metal detector. And the
18 only thing we're asking is on these days -- because I'm
19 of the opinion that we are in violation of the Open
20 Meetings Act; how ever you stretch it. We are in
21 violation of it because you are asking people on this
22 particular day, even though it's a practice you do
23 every day, that on this day we're asking you what is
24 the problem. They can go no further than this third
25 floor. They can go no further than this third floor.

1 If they come in this building, come in this meeting,
2 they're still being asked to surrender ID and if they
3 don't have it they're being turned away. The
4 responsibility of that falls on us.

5 MR. DAVIS: I can't speak to whether other
6 facilities if they fall under the Patriot Act or CJIS
7 rights. I know we do so we are obligated to follow the
8 protocol that's outlined in this process. Background
9 checks, people being issued badges to identify people
10 that enter the facility. That's what we follow. So
11 with respect to people not being able to go any further
12 in the building that's not necessarily true. We have
13 had people try to breach the facility. I don't want to
14 be in, I'm going to BOPC meeting. You can't check my
15 ID. And then they try to access our facility and find
16 a way to piggy back into the building in some other
17 way. We can't watch everybody 24/7. It's just not
18 possible for our staff.

19 COMMISSIONER BROWN: Is it possible that the
20 screening process is set up in addition to what you
21 have downstairs can be moved to the third floor on
22 Thursdays as a preliminary check for people coming into
23 the building?

24 MR. DAVIS: If we move the process and
25 identify people here now we're violating the law. If I

1 check your ID at the door I'm clearly in violation of
2 the Public Meetings Act. I'm checking your ID to enter
3 the facility.

4 If a police officer stops you in the parking
5 lot you can't say well I'm here. I'm going to BOPC
6 meeting. I don't have to show you my ID. You still
7 have to show the officer your ID. We're checking IDs
8 for people entering the facility, the campus,
9 irrespective of where they're going in the building.
10 We don't care if it's the BOPC meeting or something
11 else. That's not what we're trying to ascertain and
12 that's not what the process is for.

13 COMMISSIONER BROWN: That's not really what I
14 was eluding to. If the problem is them getting past
15 the bathrooms maybe there can be a check point for
16 employees to go past that point. You can't group the
17 public in a group with employees coming into the
18 building such as police and firefighters when they're
19 off duty because they're employees. They know they
20 have to show ID to come into the building or go any
21 place else to get a pass.

22 What I'm saying is that if the problem is we
23 think of people coming into and accessing the facility
24 past this third floor can there be some other check
25 point set up for employees to go through where they can

1 scan their badges and come through on the third floor
2 just beyond that restroom right there and that way on
3 Thursdays when we meet here and the public wouldn't
4 have any issues. You're saying that the Federal
5 Patriot Act is trumping the State Law. That question
6 is where we're stuck at with your opinion of it. And
7 what my opinion on it -- and early on I asked Madame
8 Chair if we could get the opinion of the Attorney
9 General who wrote a brief on the Open Meetings Act --
10 that if we can't come to some amenable agreement that
11 maybe the public is right; that we need to move this
12 meeting to some other location.

13 MR. DAVIS: Thank you. I appreciate that.

14 CHAIRPERSON CARTER: Any other questions?

15 COMMISSIONER BROOKS: I don't have a
16 question. I have a statement. Any building I've been
17 in in Detroit, 36th District Court, any place, I have
18 had to show ID. I feel comfortable doing it. I feel
19 safe and I think it's a good thing. When I travel any
20 place I go in I have to use ID. You're not going to
21 sit there and tell me what I do. But I just want to
22 let you know that I feel safe and I'm glad that you
23 have to show ID.

24 CHAIRPERSON CARTER: Any other questions?

25 COMMISSIONER DAVIS: I have another question.

1 Mr. Davis, how long do ya'll maintain to keep the
2 records of the scanned information for individuals
3 that's coming?

4 MR. DAVIS: Downstairs that was another issue
5 that popped up someone asked about. We had people who
6 didn't want to have their ID cards scanned. So we do
7 have a process where if someone asked us not to scan
8 the ID we would just record the information, that kind
9 of thing, basic information. As long as we can verify
10 it's them. We record the name. We don't have to
11 necessarily scan it, but as far as, honestly, I think
12 two years-

13 COMMISSIONER DAVIS: You keep it two years?

14 MR. DAVIS: We get asked on other cases for
15 information.

16 CHAIRPERSON CARTER: Any other questions,
17 Commissioner Davis?

18 COMMISSIONER DAVIS: That's it.

19 COMMISSIONER BELL: I just want to say
20 Mr. Davis, I have been coming to this building as an
21 elected official to the Board for six years and we all
22 should be security conscious about reality of what
23 we're dealing with not just in Detroit but in this
24 country. And I just want to appreciate the effort that
25 you go through to make everybody safe. And also-

1 COMMISSIONER BURTON: Commissioner Bell, this
2 is the public-

3 COMMISSIONER BELL: Excuse me. I'm speaking,
4 sir.

5 COMMISSIONER BURTON: You have to be
6 respectful.

7 CHAIRPERSON CARTER: You don't have the
8 floor.

9 COMMISSIONER BELL: I just want to say as an
10 elected official for the last six years when I'm in the
11 Coleman A. Young Building I have to show ID, which
12 consistently even prior to being an elected official I
13 have to show ID and go through the process. I just
14 want to say that we all -- I think majority of the
15 people want us to be safe and I think majority of the
16 commissioners have held accord that we want you to have
17 a process where everybody is safe in the building
18 because that is an issue. But recently we know what
19 we're dealing with and now with reference to the whole
20 concern but basically hold. We can resolve the issue
21 but continue on unless we get a different ruling on
22 that but federal law is federal law. It supersedes
23 State law. I'm not the attorney.

24 COMMISSIONER BURTON: Through the Chair.

25 CHAIRPERSON CARTER: Commissioner Burton.

1 COMMISSIONER BURTON: I just want the -- I'd
2 like for you all to have the same love and respect for
3 the public for coming here. The public should be able
4 to weigh in and have discussions with someone sitting
5 on the side of them; especially if it's something
6 that's being discussed here that they may be in a
7 disagreement with. I actually agree with them and I
8 also agree with former vice chair Darryl Brown. We
9 are -- we are in violation of the Open Meetings Act.

10 I put a motion out there a week ago, last
11 week, that we should move our meetings to the public so
12 the public won't have to be able to show identification
13 as they're coming in. Just like Commissioner Willie
14 Davis out of District 6 -- I mean, out of District 7,
15 you know, just listening to some of the things he's
16 saying. When you go to the City County Building or a
17 courthouse you don't have to show ID to go into those
18 places. You know, why do we have -- why does the
19 public has to be able to show identification when they
20 come in here? What makes this building different from
21 36th District Court, Frank Murphy or City County
22 Building or any of these other buildings?

23 Even if you go into the McNamara Building you
24 don't have to show ID there. I mean, I think that when
25 the public, you know, comes to our meeting, they listen

1 to this body for two hours, sometimes three hours or
2 whatever, just like they listen to us. We should
3 listen to them. They are the ones that making the
4 sacrifice arranging their schedule to come down here.

5 CHAIRPERSON CARTER: Any other questions?

6 COMMISSIONER BURCH: Comment, Madame Chair.
7 Just a comment that we live in the City of Detroit.
8 You hear almost every day of unexpected people that
9 come in a building and do mass shootings. I have no
10 problem with showing my ID. I want to know who's in
11 the room with me and whether you're coming in here to
12 harm anybody in here, not us the Board, but you might
13 harm anybody. So what are you hiding that you can't
14 show your ID? What's wrong? Because of the violence
15 in this world. Think about that instead of yourself.
16 Thank you. Thank you, Madame Chair.

17 CHAIRPERSON CARTER: Thank you,
18 Commissioners. Thank you, Mr. Davis. I think that the
19 subject warrants additional conversation and I think
20 that we will do that. Mr. Hicks, I also would like
21 something from the corporation counsel, an Opinion. If
22 you could work that up for me, please. Thank you.
23 We're going to move on to the budget report from the
24 DPD Fiscal Financial.

25 MR. NAZARKO: Good afternoon, Madame Chair.

1 Good afternoon, Board. Today I'm presenting to you
2 four financial reports -- actually six. I added two
3 just before the meeting started. Unfortunately, I do
4 not have a Power Pointe; however, I will go over the
5 questions that the Board asked verbally and next I will
6 work on a Power Pointe presentation. The reason for
7 not having one today is because the questions came
8 Tuesday afternoon and the reports that I provided to
9 you yesterday afternoon are hot off the press. They
10 are coming from -- I opened it up yesterday because we
11 are in the process of closing the year. I wanted to
12 get as accurate information as possible to you.

13 I met with your Board CPA, I think it was a
14 month ago, and we had a good conversation because my
15 understanding is that the Board in the past has not
16 been satisfied with the type of reports, financial
17 reports, that you have been seeing so I tried to put
18 together some reports, financial reports, that are
19 useful to the Board and this is a work in progress.

20 As we move forward our work, again, with Ms.
21 Johnson to see if she or the Board actually would like
22 to be provided with different types of reports. I
23 think that the change that I made this quarter should
24 be a welcomed changed and should give you some
25 information that probably again you did not have

1 before. There were several questions that were asked
2 by the Board and I'll read the question and the
3 response.

4 The first question when was your final budget
5 and revenues expenditures for the fiscal year 2018 and
6 2019. The total expenditure budget was approximately-

7 COMMISSIONER DEWAELESCHE: Excuse me. Can I
8 let them know it's in the packet?

9 MR. NAZARKO: And I will point on the first
10 page number when response number one answer. The
11 budget for the Police Department for fiscal year 2018
12 and 2019 across all the funds was \$321,681,000. When
13 you see the report on the second page it shows three
14 out of ten million dollars; however, the difference
15 between 310 million that is the general fund portion of
16 the expenditures. The 11 million dollars are grants
17 and special revenue funds; namely, trading funds as we
18 call them and the E911 funds. So the total budget,
19 again, between the general fund and all grants and
20 special revenue fund is \$321,681,000.

21 The revenues that the Police Department
22 receives through various sources, but majority of them
23 from income tax and excise tax was budgeted to be 58
24 1/2 million dollars approximately; however, the number
25 I just got couple of hours ago it looks like the income

1 tax and the excise tax came to almost four million
2 dollars over that. So the final figure when I present
3 to you next time the final numbers for the year 2019
4 fiscal year that it will be the revenues will exceed 62
5 million dollars. The reason why we present or we give
6 that figure the revenues is because we take the
7 revenues out of the expenditures and try to find the
8 net cost of the Police Department. And in this case
9 the net cost of the Police Department was budgeted at
10 252 million dollars. However, the final figure will be
11 a little bit less than that.

12 Question number two was you had a question
13 about the revenues and expenditures that I presented to
14 you two months ago on the code ending March 31, 2019.
15 Those figures -- I understand the confusion, however,
16 those figures are estimates; actuals and estimates. We
17 provide both but the budgeted figures are estimates
18 because what we do at that time or what the budget
19 office does is kind of like evenly dividing the
20 expenditures throughout the course of the year in four
21 quarters.

22 Unless we know of a major expenditure the
23 rest of them we kind of divide by four and give you
24 those expenditures budgeted for that particular
25 quarter. Needless to say, those expenditures have

1 estimates at best they are different than what they end
2 up being. So I would not put a lot of weight on the
3 budgeted figures to see on the quarterly basis because,
4 again, some expenditures tend to be even throughout the
5 year and some other expenditures tend to be happening
6 in a particular point in time. For example, purchase
7 tasers the second quarter I believe of 2019 in the
8 amount of 4.4 million dollars and that expenditure
9 obviously did not make it to the third quarter. As a
10 matter of fact, when I render reports today they have
11 not booked that. It's in the budget but it has not
12 been booked in the general ledger.

13 So, just to give you a flavor, an idea as to
14 why some of those reports in the middle of the year are
15 different, what is not cannot change and the report is
16 when we close the books and that was one of your other
17 questions. When we close the books around, I say mid
18 October, but that's a little bit optimistic. October
19 is the end of October, mid November for sure, and at
20 that time I will provide some figures to you about the
21 revenues and expenditures that will not change because
22 those are the figures that are stipulated and verified
23 by the auditors.

24 Question number three was how much receiving
25 grants for fiscal year 2019. Again, number three on

1 the first page the grants were \$7,157,000 the fiscal
2 year 2019. Question number four had to do with
3 forfeited funds. The revenues. The Federal
4 forfeiture, the State forfeiture brought in \$689,000 in
5 forfeited funds and the federal forfeiture brought in
6 \$153,000. Now, this amount may change because, as I
7 say, we're in the process of recording -- there is a
8 rule in recording. We receive nine days after the
9 close of the fiscal year, which the fiscal year ends on
10 June 30th. We may accrue and book references back to
11 2019 even if we get there by the end of September, in
12 some cases usually sixty days, but this not unusual
13 ninety days as well.

14 Question number five had to do with amounts
15 of overtime spent during the fiscal year 2018. That
16 amount is 43.8 million dollars. Question number six
17 asked about towing revenue that we booked during the
18 fiscal year and that amount is \$1,785,000. Keep in
19 mind that's the towing revenue in October 2018 so it's
20 not a full year. And the last question was if the DPD
21 was unable to make the major purchases during the
22 fiscal year and my response to that was yes. Case in
23 point on the tasers in the amount 4.4 million dollars
24 the report that I provided today to Ms. Johnson shows
25 that we were able to purchase 143 vehicles for the

1 Police Department.

2 And, furthermore, two additional reports, and
3 the first one is on the last page of the packet you
4 received that shows that DPD capitol improvements and
5 repairs and maintenance for the fiscal year 2019
6 provided by GSD and that amount is 2.8 million dollars.
7 And I from last meeting a few of the board members
8 asked me they want that broken down by district and
9 that's what you have on that sheet of paper. I broke
10 those expenses down by district.

11 Then today I received -- actually, yesterday
12 late afternoon -- I received one from the d/b/a and
13 d/b/a spent another 2.6 million dollars on capitol
14 improvements and repair maintenance, which also in that
15 two-page report that was handed today is broken down by
16 place. The majority of that, as you can see, is on the
17 second page of the report -- actually, the first page.
18 The full reports that I'm look forward to give you
19 every quarter and I'll add to that and a Power Point of
20 the budget versus actual grant funds available,
21 forfeiture activity, and the DPD facilities cost by
22 location report just like the one that I included in
23 the package and summarized to you this afternoon. So
24 with that, that ends the portion of my presentation and
25 I'd be happy to answer any questions.

1 CHAIRPERSON CARTER: Commissioners, any
2 questions?

3 COMMISSIONER DAVIS: Yes.

4 CHAIRPERSON CARTER: Commissioner Davis.

5 COMMISSIONER DAVIS: Question. Can you
6 provide us with an executive summary? I know you do it
7 for the general fund. Can you provide it for like say
8 drug funds and forfeiture funds, an executive summary
9 for those also?

10 MR. NAZARKO: Through the Chair, executive
11 summary meaning a narrative or just the numbers?

12 COMMISSIONER DAVIS: Narrative and the
13 numbers.

14 MR. NAZARKO: The numbers are on the second
15 page. General fund is on the second page of your
16 packet.

17 COMMISSIONER DAVIS: Can you also provide a
18 narrative.

19 MR. NAZARKO: Yes, I'll do that.

20 COMMISSIONER DAVIS: Also, didn't the budget
21 have like 20 million for overtime and you ended up
22 allocating more? Did some additional money come in
23 from somewhere?

24 MR. NAZARKO: Actually, no additional money.
25 Out of the ones that I told you about; the income tax

1 and the utility tax. However, the Department was short
2 staffed. We had close to 150 vacancies throughout the
3 year, and the Chief can correct me if I'm wrong, and
4 that amount, that high number of vacancies, caused
5 along with other factors, which I'm not going to go
6 into those factors, but because of height number of
7 vacancies and other initiatives throughout the City,
8 the overtime tends to increase and be higher than under
9 normal circumstances when the Department is fully
10 staffed.

11 So, to answer your question directly, is that
12 the savings from the vacancies were transferred into
13 the overtime amount that was exceeded the budget
14 amount.

15 COMMISSIONER DAVIS: So that came to over 20
16 million dollars?

17 MR. NAZARKO: Correct.

18 COMMISSIONER DAVIS: Where is the tow
19 revenues posted at?

20 MR. NAZARAKO: Tow revenues for the fiscal
21 year 2019 is posted as a part of the general fund;
22 however, the physical year that we are currently now
23 2020 we are trying not -- trying but we are going to
24 show a special revenue fund called towing fund and it
25 will be easier to identify and easier to provide those

1 reports to you. But remember, the towing as a process
2 started late last year middle of the year and it was
3 all over. So we're trying to make improvements and
4 segregate that for the rest of the funds.

5 COMMISSIONER DAVIS: Also, last thing, can
6 you provide us with a grant schedule? I know it
7 appears like received three million more than the
8 original budget.

9 MR. NAZARKO: Through the Chair, again, I do
10 have a detailed report on the grant and the grants are
11 by, let's say, a PA grant 2018/2019 it's a big report.
12 So I'll provide that to Ms. Johnson and she can, but I
13 do have the totals by the separate grants and it's
14 recorded. It's like 25 pages.

15 COMMISSIONER DAVIS: Okay. Thank you.

16 CHAIRPERSON CARTER: Any other questions,
17 Commissioners? Commissioner Dewaelsche.

18 COMMISSIONER DEWAEELSCHÉ: Thank you. This
19 report is very, very good. It's easy to read, very
20 user friendly from what I can see. I just have some
21 questions and I want to be able to understand how to
22 read it but it is just a wonderful report. Thank you
23 so much. And so much detail that we have not gotten in
24 the past so thank you for that. I did have the
25 question, it's the year end report so it would be June

1 30th; ending June 30th the fiscal year. But you did
2 indicate that it could be changed because you really
3 close out in ninety days after?

4 MR. NAZARKO: Yes.

5 COMMISSIONER DEWAELESCHE: So I just want to
6 understand that. And you also mentioned the grants.
7 You provided a separate listing of the grants and the
8 amounts. Where can I find that amount on this report?
9 I looked under grants and other revenues and it is
10 blank.

11 MR. NAZARKO: Because the grants and other
12 revenues on the second page you're looking only the
13 general fund. So I provided only general fund. The
14 grant summary is on the other pages but not in that
15 format because do not come from the same. I will try,
16 however, in the future to provide you some type of
17 report that resembles the general fund that you see on
18 Page 2 for the grants. But the more detail on the
19 grants, again, the 25 page report I referred earlier,
20 I'll provide it to Ms. Johnson this week.

21 COMMISSIONER DEWAELESCHE: So this one page
22 report that's the general fund and the difference
23 between the general fund or the expenditures and the
24 revenue is the police budget; is that what you were
25 trying to say?

1 MR. NAZARKO: The police budget entirely,
2 yes, out of that 310. All of that is the general fund
3 and 11 million dollars are grants and special fund.

4 COMMISSIONER DEWAELESCHE: So that was the
5 question I had and I noticed in this report that one
6 page summary, and I want to just understand how to read
7 it, that the revenues are down by about 3 million and
8 the expenses are down by 18.5 million-

9 MR. NAZARKO: Not exactly.

10 COMMISSIONER DEWAELESCHE: -which accounts for
11 the variance of 12.5 million that you have listed?

12 MR. NAZARKO: Actually, the one that I'm
13 looking at, the column on the right, the second column
14 on the right, the total combined revenues and
15 expenditures is a difference of what 9.3 million
16 dollars if you look at the bottom number on the second
17 column from the right.

18 COMMISSIONER DEWAELESCHE: What I'm looking at
19 is the variance budget versus actual year to date. And
20 you have 31 million as a total for revenue. Then you
21 have 18.5 million as a total for expenditures. One is
22 a deficit. One is a positive, which came up to the
23 difference of about 12-

24 MR. NAZARKO: Yes. However, that amount does
25 not include the accruals and the final amount, which

1 again, is not final because we're still working on but
2 it's more close to like nine and a half.

3 COMMISSIONER DEWAELESCHE: All right. And
4 does the forfeiture fund net balance get rolled over
5 into the next fiscal year, the amount?

6 MR. NAZARKO: Yes.

7 COMMISSIONER DEWAELESCHE: So it's always
8 added to the next fiscal year?

9 MR. NAZARKO: Yes. The unspent amount for
10 forfeiture funds and other special revenue funds roles
11 over to the following year. The general fund does not.

12 COMMISSIONER DEWAELESCHE: Thank you. So you
13 also included as a supplement on the sheet that shows
14 d/b/a capitol improvements in the amount -- well,
15 various amount. Are those amounts included in the line
16 item general fund report under capitol improvements?

17 MR. NAZARKO: Most of them, yes, however,
18 they are scattered around the various call centers are
19 what we call them depending on where they were
20 budgeted. So majority of that should be on capitol
21 improvement, but some of those coming out from
22 different sources within that general fund or special
23 area funds or grant funds.

24 COMMISSIONER DEWAELESCHE: So when you do the
25 DPD budget report or financial report and it looks like

1 this will we be able to pinpoint those line items once
2 you do that or is it still going to be scattered?

3 MR. NAZARKO: It's still going to be
4 scattered and that report is a very condensed report so
5 you're talking about 321 million dollars worth of
6 expenditures and thousands of line items that I
7 condensed into 25 or 30 lines. However, going forward,
8 if you do have a question, let's say that you say in
9 that 7th Precinct spent \$1,908,000, where did those
10 funds come from, and I can tell you the exact place
11 where that came from. But it's difficult to get all
12 this and kind of point to one account alone.

13 COMMISSIONER DEWAELESCHE: It's just that when
14 I read financial reports and I get supplements that
15 have amounts I like to match those amounts with the
16 financial report line item. That's how I read
17 financial reports. But then my final question is you
18 also included a listing of vehicles that we had
19 acquired in fiscal year '19; it's 143 vehicles. Is
20 there an amount that is tied to these vehicles shown in
21 the revenue section?

22 MR. NAZARKO: That's a good question.
23 Through the Chair, again, those vehicles were purchased
24 by City funds but not from the funds that I'm showing
25 you in the report because the fleet management comes

1 out of a different source. It's not part of the police
2 budget; therefore, I don't have the amount but I can
3 get it for you how much we paid for those vehicles.
4 However, that number as you set apply that to the other
5 reports does not tie anywhere in those reports that I
6 presented.

7 CHAIRPERSON CARTER: Any other questions,
8 Commissioners?

9 COMMISSIONER BROWN: Madame Chair, I have a
10 question. I apologize. I had to step out and
11 apologize for my phone. Just one question concerning
12 overtime and how this is being tracked and reported. I
13 know that some officers do secondary unemployment are
14 paid overtime. Is that paid through that or is it paid
15 through a separate budget or is it all lumped into that
16 one sum? And maybe it's police recording the numbers.
17 I know that we're reimbursed by that when those
18 officers are paying for those officers to be there.

19 MR. NAZARKO: My understanding is that
20 secondary employment gets paid through a different
21 source. So we build the company; however, I don't
22 think that goes to our books.

23 COMMISSIONER BROWN: So, you're saying that
24 our overtime that we spent, are these numbers that are
25 just here that are on duty in uniform get overtime?

1 MR. NAZARKO: Yes. And secondary employment;
2 whatever the officers earned at those places are fully
3 reimbursed back to the City but has nothing to do with
4 the expenditure that shows up. The expenditure you see
5 is for City purposes only; not for other entities.

6 CHAIRPERSON CARTER: Any other questions?

7 COMMISSIONER BELL: Yes, Madame Chair, a
8 little housekeeping, sir. Did you indicate that you
9 received these questions in the last 24 hours?

10 MR. NAZARKO: No, actually on Tuesday.

11 COMMISSIONER BELL: You need a little bit
12 more time?

13 MR. NAZARKO: I'd like a little bit more
14 time; however, I was very pleased to receive those
15 questions because at least I can prepare myself to
16 answer and not go around.

17 COMMISSIONER BELL: Good. I know sometimes
18 there's a tendency for our staff to draft questions in
19 a short period of time. I know we don't want to
20 receive something last minute. I think it would be
21 more appropriate if we know this is coming up,
22 especially the financial report, that we should be more
23 diligent in reference to getting these questions out to
24 you. I heard that before in reference to the
25 Department reporting out we got late questions. I want

1 us to continue that -- cease that habit. I want -- I
2 appreciate you responding to them. As we go forward
3 make the staff notice of that fact that we need to do
4 things in a little bit more timely manner because this
5 is something that's very crucial and I know we want the
6 answer because we was not even familiar with the
7 question too. So thank you.

8 CHAIRPERSON CARTER: Thank you for a very
9 thorough report and I am a visual person so I would
10 appreciate at Power Point next time.

11 MR. NAZARKO: Work in progress. Thank you.

12 COMMISSIONER DAVIS: That would be good for
13 the audience too.

14 CHAIRPERSON CARTER: At this time we'll have
15 the monthly OCI Report from Dr. Polly McCalister.

16 DR. MCCALISTER: Good afternoon again. I
17 will be giving you the July Office of the Chief
18 Investigator Report. So we started to keep the year
19 today as requested so for January to July from 20 --
20 from 2018 to 2019 for CCRs filed within our office we
21 had an 87 percent increase which totaled 14 percent.
22 For the CCRs closed from 2019 versus 2018 we had 124
23 increase as far as closures so that was a 21 percent
24 increase and CCRs that are pending which means cases
25 that are still open, we had a 7 percent decrease.

1 And as always we have the chart that shows
2 each precinct as far as how many complaints they
3 actually have so this is our chart that tells each
4 precinct each command what type of complaint they've
5 actually received as far as numbers. So the 5th and
6 the 8th Precinct actually have eight. 9th Precinct has
7 seven and the 2nd Precinct actually has six. And it's
8 always -- the unknowns are always high.

9 We're still trying to figure out a method to
10 reduce those and for the citizens complaints regarding
11 alleged use of profanity for June. We had five uses of
12 profanity and one use of the F word and two offensive
13 slurs. For July we had four uses of profanity and
14 three uses of the F word and four offensive slurs. If
15 you would like to know what those offensive slurs were
16 I can tell you after the meeting. And these are our
17 citizens complaints that were closed for July 2019.
18 For procedure we had 82; demeanor, 53 and service was
19 26. As always , demeanor, procedure and service are
20 always our highest categories.

21 And, then for our electronic evidence, 57 out
22 of 678 incidents were captured on body worn camera. We
23 had ten that were not. Out of the ten six complaints
24 were filed after the ninety days and we were not able
25 to pull the video. I think one was it extended over

1 two years when they filed the complaint. We had one
2 complaint that came from a young man that was
3 incarcerated so we really weren't able to handle his
4 complaint.

5 And these are our DPD members by seniority
6 and rank for lieutenant. We had an increase by 2
7 complaints. For police officers we had an increase by
8 46. For detectives we had an increase by 7. And with
9 members who had 10 to 19 years on the job we increased
10 by 3. Sworn members with 20 to 29 years up 15 and
11 sworn members with 30 years and up we increased by 6.
12 And in your packet it's not portrayed because it's
13 sensitive data on there. You have two reports from the
14 Disciplinary Unit regarding, I guess, the closure thing
15 for the officers that have been under investigation.

16 Mr. Hicks, I gave you a packet in case you
17 want to start keeping your own data. It's over there
18 and I will give it to you after the meeting. It's June
19 and July. I have not received August yet but when I
20 receive August I'll give it to you prior to the
21 meeting. But because the names of the officers are
22 listed it won't be up on the screen. You have two
23 months worth for your review. If you look at it and
24 you see there's some additional information you would
25 like captured let me know and we can sit down and

1 redraft how it looks for you.

2 And how to file a complaint; you can either
3 come by our office, you could call us, you can fax the
4 information or you can access us on-line or you can go
5 to any DPD precinct and file your complaint. Any
6 questions?

7 CHAIRPERSON CARTER: Commissioners, questions
8 for Dr. McCalister?

9 COMMISSIONER DAVIS: Question as relates to
10 the unknown.

11 CHAIRPERSON CARTER: Commissioner Davis.

12 COMMISSIONER DAVIS: Question as relates to
13 the unknowns, are those more prevalent in certain
14 precincts or is it spread out evenly?

15 DR. MCCALISTER: No precinct has any more
16 than anybody else. It increases at different times.
17 We don't have the ability to identify those officers so
18 it goes under the unknown. No precinct is higher than
19 the other.

20 COMMISSIONER DAVIS: Okay. Good.

21 CHAIRPERSON CARTER: Any other questions,
22 Commissioners? Commissioner Dewaelsche.

23 COMMISSIONER DEWAEELSCH: Yes.
24 Dr. McCalister, as always, this is a great report. I
25 like the visual. Very nice. I'm a little confused

1 about the periods, however, that you're reporting and
2 here's why. We have a fiscal year of July through
3 June, and I don't know, but at some point I thought we
4 were reporting following that period when we report OCI
5 numbers. Are we not doing that anymore?

6 DR. MCCALISTER: We had a January to January.
7 When you requested the information you weren't here
8 that week. That's why we extended it to July.

9 COMMISSIONER DEWAELESCHE: So when will you
10 start your new year of reporting? I guess that's my
11 question.

12 DR. MCCALISTER: January.

13 COMMISSIONER DEWAELESCHE: So you went to a
14 calendar reporting is what you're saying?

15 DR. MCCALISTER: Yes.

16 COMMISSIONER DEWAELESCHE: Instead of a fiscal
17 year?

18 DR. MCCALISTER: Right. But we expanded it
19 to capture the information from last month and this
20 year just for the Commissioners that were not here.

21 COMMISSIONER DEWAELESCHE: Okay. And so I
22 guess if we're going to tie OCI Operations to our
23 finances I would think that we should use the period
24 that our fiscal year is. I could be wrong, but I would
25 think that that's what we would use as our new year of

1 numbers would begin July. That's what we do with our
2 work.

3 All our reports are tied into the fiscal
4 year. I can understand where you went from January to
5 June because all the Commissioners are requesting
6 different things. I can understand why that would
7 happen but that's just my recommendation.

8 DR. MCCALISTER: We can switch that over.

9 COMMISSIONER DEWAELESCHE: Because I would
10 like to know from one year to the next from July to
11 June tied through our budget how many complaints did we
12 have, how many were closed, how many were investigated,
13 all that, but tie it to our finances. That's my
14 recommendation.

15 CHAIRPERSON CARTER: I agree, because we also
16 have to do our annual report, which is the fiscal year.

17 CHAIRPERSON CARTER: Commissioner Burch.

18 COMMISSIONER BURCH: Thank you. You and I
19 have spoken before and I just want to reiterate to you
20 again and see what you think, okay. Now, we receive a
21 lot of complaints about far as the demeanor of the
22 officers, you know, you're back and forth with the
23 citizens saying they disrespected them. So again, they
24 will say what about the body cam and all that kind of
25 thing. I thought of this idea; why not do like a

1 refresher when we have the new recruits that go out on
2 duty with the senior officer hopefully. And even
3 within a six-month period go to each precinct and just
4 have a little gathering, friendly talk, and ask them
5 how they're doing.

6 Maybe that would help them curtail. I'm not
7 saying all officers do it because the citizens also
8 speak not kind, right. So just check with the officers
9 to see how they're feeling when they do that
10 face-to-face one-on-one with the citizens. Can we do
11 that?

12 DR. MCCALISTER: I know DPD sends out a
13 teletype of different types to address the demeanor and
14 procedure just as reminders for the staff and that
15 always helps.

16 COMMISSIONER BURCH: Can we do a pallet at
17 number 11 and just try it out?

18 DR. MCCALISTER: Sure, we can.

19 COMMISSIONER HOLT: Through the Chair, thank
20 you, Dr. McCalister. Here, though, with the 8th
21 Precinct the numbers went down, right?

22 COMMISSIONER BROWN: That's right.

23 DR. MCCALISTER: But they just had eight and
24 we do the highest ones.

25 COMMISSIONER HOLT: But it was 11.

1 COMMISSIONER BROWN: That excellent
2 leadership.

3 COMMISSIONER HOLT: Progress is progress.
4 Thank you.

5 CHAIRPERSON CARTER: Any other questions,
6 comments?

7 COMMISSIONER BROWN: Madame Chair.

8 CHAIRPERSON CARTER: Commissioner Brown.

9 COMMISSIONER BROWN: My question is,
10 Dr. McCalister, thank you for reporting the numbers you
11 put up for us but have you -- how are you settling in
12 the building now? Do you have all the tools needed to
13 do your job? I know at one point you didn't have all
14 the audio visual equipment there for you guys to hold
15 your meetings and things like that. Has that been
16 resolved -- and the cameras outside of your building
17 for your personal securities? Has that been resolved?

18 DR. MCCALISTER: No. We're waiting. AC
19 White said they were in the works so it's in the
20 workings.

21 COMMISSIONER BROWN: Thank you.

22 COMMISSIONER BURTON: Through the Chair.

23 CHAIRPERSON CARTER: Commissioner Burton.

24 COMMISSIONER BURTON: So question for
25 Dr. Polly McCalister. I know prior to before you

1 arrived many of your investigators that are assigned to
2 your unit, a lot of them felt unsafe when they went out
3 in the community because their weapons was taken away
4 from them way before your arrival. Are there been any
5 discussions about your investigators getting their
6 weapons back so they can, you know, for their safety
7 when they're out? Because that pepper spray, whatever
8 they're using, you know, you know, as we go into Fall
9 that's going to, you know, it's going to be getting
10 darker early. Police response time still a problem in
11 the City of Detroit, but more importantly you've got
12 investigators that are assigned to your unit. So for
13 their safety have there been any discussions on getting
14 them their weapons back?

15 DR. MCCALISTER: Yes. When Commissioner Bell
16 was the Chair we sent several letters to the Chief and
17 we talked about it. It was sent over to the Law
18 Department and it really has not been resolved because
19 of the policy issues as far as different buildings.
20 What we do now is we go out in pairs and we do
21 canvassing during the day so there's no evening
22 canvassing. So we try to make it work.

23 CHAIRPERSON CARTER: Any other questions,
24 Commissioners?

25 COMMISSIONER BELL: Yes, Madame Chair,

1 briefly. Dr. McCalister, what is the common
2 denominator for seizures in terms of the numbers? Is
3 there a basic thing that we can perhaps make the
4 Department aware in reference to this being an on-going
5 in the City to be rectified? Is that something that
6 you looked at?

7 DR. MCCALISTER: Yeah. So the biggest issues
8 with procedure is that one they may forget to give a
9 person back their driver's license. They may forget to
10 -- like we just had one he left the guy's phone on top
11 of the car and when he pulled off it got broke. So
12 small instances like that. And I think just a
13 refresher type will address it. We get a lot of
14 complaints about tows because citizens don't fully
15 understand when an officer can tow, why they're towing
16 my car. So it increases the procedure complaint level
17 but a lot of times they are in violation and sometimes
18 they're not.

19 COMMISSIONER BELL: Thank you.

20 CHAIRPERSON CARTER: Any other questions,
21 comments, Commissioners?

22 (None responded.)

23 CHAIRPERSON CARTER: Thank you,
24 Dr. McCalister. At this time any Standing Reports or
25 Ad hoc Committee?

1 (None responded.)

2 CHAIRPERSON CARTER: If not we'll move on to
3 the report from the Board Secretary.

4 MR. HICKS: Thank you, Madame Chair. I want
5 to call your attention to items that are already posted
6 on the Agenda. There were three items that had come
7 into the office. One of them of course that you've
8 mentioned in your Chair's Report was a recommendation
9 for appointments/promotions to the three command
10 positions; deputy chief, commander and captain. That
11 information has been shared with the Board.

12 Secondly, we have received a use for the BOPC
13 Subpoena and this involves a Force Investigation and
14 you have the case number in front of you. And then
15 lastly, we did receive yesterday, I think it was like
16 after 4 o'clock, Quarterly Reports from DPD Finance and
17 that information was transmitted to you all
18 electronically and put into your packages Tuesday as
19 well. Unless there is a specific question from the
20 Board that would conclude my report today.

21 CHAIRPERSON CARTER: Thank you.
22 Commissioners, any Old Business?

23 (None responded.)

24 CHAIRPERSON CARTER: New business.

25 COMMISSIONER BURTON: I have something for

1 Old Business.

2 CHAIRPERSON CARTER: Go ahead.

3 COMMISSIONER BURTON: So question for the
4 Chief under Old Business. Under the situation with
5 Corporal Officer Duane Jones, when the Board -- when it
6 was a hearing before the Board regarding Corporal
7 Officer Duane Jones I raised a question about video,
8 body worn cam, dashboard cam. The only video that we
9 saw was the hospital video as well as, I think there
10 may have been a video inside the patrol car, the scout
11 car.

12 When a -- in the near future -- not the near
13 future, but going forward, when a Commissioner raise
14 questions pertaining video, dashboard cam, body cam, is
15 the Department going to honor our request? Because
16 that was a question that was raised in closed session,
17 you know, that was raised at the table; where is the
18 body cam? Where is the dashboard footage? There was
19 no dashboard footage shown. There was no body worn
20 camera shown. Only -- it was only maybe two videos was
21 shown inside the hospital as well as inside the squad
22 car.

23 Also, we wanted to know, a question was
24 raised, how many citizens complaints did the officer
25 have. All of that information was kept hidden from

1 Commissioners. So when Commissioners bring these
2 questions going forward is our questions is going to be
3 honored?

4 CHIEF CRAIG: Through the Chair, I don't
5 disagree with you, Commissioner. In fact, I made a
6 point during my presentation there was information I
7 didn't have that I should have had so I could conduct a
8 total review. And so one of the things that I've
9 directed professional standards that you, the Board,
10 the Union and myself will get everything that we can
11 give you as long as it doesn't violate some CJIS issue.
12 But when we talk about video footage you should have
13 that. I should have it and the Union should have it.
14 So going forward that is the direction.

15 CHAIRPERSON CARTER: Any other Old Business?

16 (None responded.)

17 CHAIRPERSON CARTER: New business.

18 COMMISSIONER DAVIS: New business.

19 COMMISSIONER BURCH: Madame Chair.

20 CHAIRPERSON CARTER: Yes.

21 COMMISSIONER BURCH: New Business. I want to
22 make this announcement for the 3rd District -- but
23 matter of fact, the first statement I'm going to make
24 is for all children. We know that our public schools
25 all schools are going to be opening this coming

1 Tuesday. We want to wish them the very best success
2 and a safe learning experience. I also want to ask
3 your help with Pershing High School. They need water.
4 So if you could drop by a case of water at Ryan and 7
5 Mile Pershing High School, that's this Tuesday. I
6 thank you.

7 COMMISSIONER DAVIS: Question. I don't know
8 if it should go to the Chief or the HR Director. As
9 relates to the Detroit Public Schools I know at one
10 time we had like maybe three schools that was doing law
11 enforcement type activities and programs and stuff. I
12 understand its been reduced. Is it going to be an
13 effort to try to expand that?

14 CHIEF CRAIG: Through the Chair, it has been
15 our commitment to do so. It was our idea to go into
16 the schools and start a law enforcement program as a
17 mechanism for recruitment. We started with two. One
18 school decided to go in another direction. We still
19 have one, University Prep. We thought we had Cass
20 Tech. That didn't work out and so we are still very
21 much interested in using that as a mechanism for
22 recruiting Detroiters.

23 COMMISSIONER DAVIS: Okay. I'd like to see
24 it expanded as much as possible.

25 CHIEF CRAIG: We could certainly use your

1 help if you're aware of a school.

2 COMMISSIONER DAVIS: In fact, I just talked
3 to Superintendent Vitti about that.

4 CHIEF CRAIG: If there's a school that's
5 interested we'll certainly support that.

6 COMMISSIONER DEWAELESCHE: Could I ask a
7 follow up question with relation to that? Chief, what
8 does the school have to commit to in order to be a
9 partner in that venture?

10 CHIEF CRAIG: Through the Chair, I don't have
11 the full details. It's really up to the school
12 administrator that we do a school. We don't control
13 that. That's a conversation between the school
14 administrator, the principal and the superintendent.
15 We make the offer like we did in the past and the
16 schools decide.

17 COMMISSIONER DEWAELESCHE: I guess my question
18 is it would be space? It would be recruiting the
19 students? Would there be like times that the space
20 would have -- or is it a full day program?

21 CHIEF CRAIG: It's a full curriculum. We
22 call it Police Magnet. I hate to say the word Las
23 Angeles -- and it was very effective. So when we
24 thought about the LA model, which was a school in the
25 district, commanding officer was very effective.

1 That's why we brought it here. We got some interest.
2 Again, it really comes down to the school administrator
3 saying yes this is what we're going to do.

4 COMMISSIONER DEWAELESCHE: Thank you.

5 COMMISSIONER BROWN: Just to give a point of
6 information, it is space and also transportation. So
7 DFD has to bring it over to service the space. I think
8 we have two kids now that was in the program that are
9 successfully on the Detroit Fire Department. And it's
10 space and the Department will provide the instructors
11 and the training. They just need space and equipment.

12 COMMISSIONER DEWAELESCHE: Thank you.

13 CHAIRPERSON CARTER: Any other questions,
14 Commissioners?

15 COMMISSIONER BROOKS: I just wanted to ask
16 the Chief do we still have the old two schools that we
17 did a lot of recruiting from?

18 CHIEF CRAIG: As I indicated, just one
19 school.

20 COMMISSIONER BROOKS: Which school is that?

21 CHIEF CRAIG: University Prep.

22 COMMISSIONER BROOKS: So we lost the other?

23 CHIEF CRAIG: The other thing is we staff it.
24 Whenever we go into a school we staff the police
25 officers, which is no problem. We're committed to the

1 effort. It's just the school's decision.

2 COMMISSIONER BROOKS: This might not be the
3 time to ask this question, but I work with raising
4 money for students to get their driver's license-

5 COMMISSIONER BURTON: I'm sorry. You didn't
6 have permission from the Chair.

7 COMMISSIONER BROOKS: I help to raise money
8 for the students to get driver's license. General
9 Motors gave us a ton of money. Does the Police
10 Foundation have that now or where did all that money
11 go?

12 CHIEF CRAIG: I'm pretty sure -- I don't know
13 who has it. I know we work with Drive to Thrive. We
14 also have candidates apply from the Police Department.
15 As you probably know, some candidates come and apply
16 without a driver's license. We help facilitate them
17 getting and obtaining their driver's license. We've
18 done that as well.

19 COMMISSIONER BROOKS: Okay. I'm checking
20 with the Police Foundation Board.

21 CHAIRPERSON CARTER: Deputy Chief Bettison.

22 DEPUTY CHIEF BETTISON: The grant money
23 definitely went to the Detroit Public Safety Foundation
24 and the Thrive to Drive Foundation is still in effect
25 and very successful.

1 CHAIRPERSON CARTER: Any other new business?

2 COMMISSIONER BURTON: New business, Madame
3 Chair.

4 CHAIRPERSON CARTER: Mr. Burton.

5 COMMISSIONER BURTON: You know, in the past,
6 you know, its been an ongoing situation where many of
7 Detroit citizens come down to the Board of Police
8 Commissioners and being turned away because they have
9 to show identification. So in order to for this body
10 to be in compliance, you know, I move that that we move
11 our meetings outside of Headquarters and move them to
12 the community and move them to the City County Building
13 so this Board can operate in compliance but also show
14 respect to the community.

15 We've got members of the community comes down
16 here each week and they hear us for two, three hours
17 but we cannot hear them for two seconds. So -- but and
18 they come here and they tell us every time that we are
19 operating in violation of the Open Meetings Act. So,
20 you know, I want the record to reflect that-

21 CHAIRPERSON CARTER: Do you have a motion you
22 want to put on the record?

23 COMMISSIONER BURTON: That -- a motion is
24 about to be made.

25 CHAIRPERSON CARTER: What is the motion?

1 COMMISSIONER BURTON: That I move that we
2 follow the Open Meetings Act, move our meetings outside
3 of Headquarters, move them to the community or City
4 County Building so we can be operating accordingly to
5 the Open Meetings Act without asking citizens to show
6 their ID during -- prior to entry.

7 COMMISSIONER BROWN: I second the motion.

8 CHAIRPERSON CARTER: Its been moved and
9 supported that we-

10 COMMISSIONER BURTON: And also call for
11 division of house record roll call vote, Madame Chair.

12 CHAIRPERSON CARTER: -move the meeting
13 outside of Detroit Public Safety Headquarters. Is
14 there any discussion?

15 COMMISSIONER HOLT: Through the Chair,
16 Commissioner Burton, when you talk about moving it down
17 to the Coleman A. Young Municipal, that's going to pose
18 a problem, you are aware, as relates to parking? Are
19 there some specific locations that you think would be
20 in line to support or to alleviate some of the concerns
21 we have about this building?

22 COMMISSIONER BURTON: You know, you know, we
23 -- you know, if it's -- if it's move it over to CAYMC,
24 many Detroiters are using meters. You are parking at
25 meters. Parking is going to be an issue, but the

1 biggest problem right now is we have to be in
2 compliance, and right now the Board is operating out of
3 compliance. So we must operate accordingly to the City
4 Charter, also to the Open Meetings Act, and we have to
5 move these meetings from here.

6 CAYMC with the City County Building, that's a
7 opportunity where we can move into and have our
8 meetings there. That's one opportunity -- not to say
9 that it is the ultimate opportunity, but we also have
10 the Northwest Activity Center. We got Coleman Young
11 Recreation Centers. We have other facilities wouldn't
12 mind allowing this body to meet. We got -- what's the
13 one -- what's the one on Warren and Conner? The
14 Samaritan Center. There are other locations that this
15 body can meet, but right now we meeting in violation
16 and we cannot afford to continue to be operating like
17 this.

18 CHAIRPERSON CARTER: Do we have discussion?

19 COMMISSIONER BELL: Madame Chair, I don't
20 think we can just casually approve a motion to move
21 anywhere. There are certain stipulations that we can't
22 just casually move into the Coleman Young Building
23 because we desire to move. There's a lot of issues
24 financially. And the bottom line is I don't think, in
25 my opinion, that we are in violation of the Open

1 Meeting Act. That hasn't been determined. There is
2 research feasibility which you already asked for in
3 reference to that particular Act, Corporation Counsel
4 Attorney General, but I don't think we can say that we
5 are in violation contrary to the Commissioner's
6 viewpoint on that.

7 COMMISSIONER BURTON: Madame Chair, real
8 quick-

9 COMMISSIONER BELL: I move for order. The
10 Commissioner has spoken two or three times on the
11 motion.

12 COMMISSIONER BURTON: Just real quick, I just
13 wanted to know-

14 CHAIRPERSON CARTER: The vote on the matter
15 is if we are going to -- I'm sorry. Mr. Hicks, can you
16 repeat that, please.

17 MR. HICKS: The motion that's on the floor is
18 that the Board move this meeting, meaning our regular
19 meetings, out of the Public Safety Headquarters to
20 another location within the City of Detroit to avoid
21 conflict with the Open Meetings Act.

22 CHAIRPERSON CARTER: Those in favor of the
23 motion.

24 COMMISSIONER BURTON: I did call for a
25 division of the house record roll call vote.

1 COMMISSIONER BELL: That would not be
2 appropriate.

3 CHAIRPERSON CARTER: Those in favor of the-

4 COMMISSIONER BURTON: No. Point of order.
5 Bell, you're speaking out of turn. You didn't get
6 recognized by the Chair.

7 COMMISSIONER DEWAELESCHE: You didn't get
8 recognized.

9 COMMISSIONER BURTON: No, but I did put the
10 division of the house out there.

11 CHAIRPERSON CARTER: Those in favor of the
12 vote.

13 (Three Commissioners voted by indicating
14 aye.)

15 CHAIRPERSON CARTER: Those opposed.

16 (The remainder of the Commissioners
17 voted by indicating nay.)

18 MR. HICKS: Madame Chair, motion fails.

19 CHAIRPERSON CARTER: Thank you.

20 COMMISSIONER BURTON: Madame Chair, when the
21 division of the house is called a record roll call vote
22 that must be honored, Madame Chair, according to
23 Robert's Rules.

24 CHAIRPERSON CARTER: I'm moving on to-

25 COMMISSIONER BURTON: You're in violation of

1 the Robert's Rules, Madame Chair.

2 COMMISSIONER DEWAELESCHE: You were not
3 recognized, sir.

4 COMMISSIONER BURTON: You're not following
5 Robert's Rules of Order.

6 CHAIRPERSON CARTER: We're going to move on.
7 I've already asked for an Opinion from the Legal
8 Department. I think that we should wait until we hear
9 from the Legal Department as to where we're going to
10 move or if we're going to move or if anything is going
11 forward. And, with that, we're moving on to
12 Announcements.

13 COMMISSIONER BURCH: Excuse me. May I speak?

14 CHAIRPERSON CARTER: We're going on to
15 Announcements. Our next meeting will be Thursday,
16 September 5, 2019 at 3 p.m. here at Detroit Public
17 Safety Headquarters located at 1301 Third Street. Our
18 next community meeting will be Thursday, September 12,
19 2019 at 6:30 p.m. in the 4th Precinct at the Kennedy
20 Recreation Center located at 2260 South Fort Street.

21 At this time we'll have Oral Communications
22 from the audience. Please give your name and limit
23 your comments to two minutes and I have seven cards
24 here.

25 I'm going to ask that the three people that I

1 call come and have a seat on the first row. Actually,
2 I'm going to call four. The first person can step to
3 the microphone, which will be Bernice Smith, and I need
4 Mr. Eric Blunt, Ms. Marie Thorton and Ms. Valerie Glenn
5 to have a seat on the first row, please. Thank you.

6 MS. SMITH: Good afternoon. I'm going to be
7 very brief as I am very bored and what they have been
8 talking for the last two hours you have taken enough
9 time to get it over with whatever you have to say. And
10 it's horrible that we have a Commissioner that
11 continues to keep this abreast going on and on and on
12 and I am very frustrated.

13 I have notified the Attorney, the Inspector
14 General, in regards to what's going on at these
15 meetings. Not only are they out of control, you have
16 the audience that's out of control and you do not have
17 any sergeant of arms that can take control and put
18 these people out when they go off course.

19 Now, this is something that has been going on
20 for the last three months and I think we should put a
21 stop to it. We are very disgusted with what's going on
22 at these meetings. We used to come here and it was
23 quiet and consumed. We said what we had to say. That
24 was the end of that. But since we have this
25 Commissioner who has taken over every meeting, and I

1 don't think that it's right, and I think we should put
2 a stop to it not next week, not next month but
3 immediately. I am tired of it.

4 We have other things to talk about when we
5 come to this meeting. I have the squatter situation
6 I've been dealing with. I've got the Police Chaplain
7 Hope, she's doing a wonderful job and Sergeant Hewitt.
8 Those are things that involve the public and the people
9 in the neighborhoods; not this personal animosity
10 that's going back and forth with this Commissioner and
11 I'm sick and tired of it. I have a dope house that
12 I've been reporting. We have dope houses in this City.
13 You need to go and see what's going on in your
14 neighborhoods and help the people in the neighborhoods.

15 This is such petty -- it's petty what we're
16 doing down here and I don't see why the Commissioners
17 do not take advantage and do something about it and
18 stop it. You need a sergeant at arms. That's what I
19 gotta say. Take care. Thank you. Chief, good luck to
20 you.

21 CHAIRPERSON CARTER: Mr. Blunt.

22 MR. BLUNT: Good afternoon, Board and Chief.
23 For the record, my name is Eric Blunt. Chief, I want
24 to echo your compliment to me. I'll give it back to
25 you. Thank you for meeting with concerned citizens

1 regarding brutality against women. I thank you but at
2 the same time the news article in today's newspaper was
3 very fair, I think, in describing the fact that we
4 agreed on very few points. It is what it is and we
5 respected each other's opinion and moved on.

6 The thing that concerns me the most is Judge
7 Miller heavily leaned on the before and after of what
8 the officer did; how nice he was before the attack took
9 place and how calm he was after the attack was over.
10 This is an old diversion but it's in reverse. We've
11 seen it before when Stephen Clark (ph) was murdered.
12 The first thing they want to say was oh he was a
13 vandal. And even going back to the most tragic one of
14 all is Travon Martin. As soon as he was murdered they
15 want to talk about his drug problem in high school.

16 No, the issue is what about the attack and
17 what penalty and punishment should be had. As I left
18 the meeting yesterday I did take a tour of the Real
19 Time Crime Center. I'm still demanding that all people
20 be treated equally. As long as people of color are
21 unfortunately misidentified I will never stop
22 complaining about this system.

23 Lastly, on the financials; the tasers were
24 bought in the third quarter but still not recorded. Is
25 there some type of accrual method of accounting that's

1 been violated? Thank you.

2 CHAIRPERSON CARTER: Marie Thorton followed
3 by Ms. Valerie Glenn.

4 MS. THORTON: For the record, my name is
5 Marie Thorton and please consider this letter as my
6 official request under the Michigan Freedom of
7 Information Act for a copy of the budget report that
8 was read today and that was presented in today's
9 meeting. I'm going to make sure you have a copy of
10 that.

11 I am what you call a court watcher so I'm
12 constantly in and out of 36th District Court. I'm also
13 in and out of 3rd Circuit Court. And at no point have
14 I ever had to show ID. In fact, my son works for
15 Probate Court as a Wayne County Deputy Sheriff and I
16 never had to show ID in that particular Court. So when
17 I hear Commissioners saying that everywhere you go you
18 show ID, that is a false statement and you should be
19 operating better than that.

20 I did write to the State Attorney General
21 regarding violation of the Open Meetings Act. I take
22 this very serious. I commend Commissioner Willie
23 Burton for addressing the community concern and this is
24 an issue that has now gone up to the State Attorney
25 General for her opinion.

1 Also, I noticed yesterday and the day before
2 that police officers are soliciting apartment managers
3 to participate in the Green Light Program. They're
4 operating like they're sales people. Who assigned them
5 to go in and out of these buildings asking or
6 soliciting for that program and what is the cost? And
7 then my concern, Judge Greg Mathis assault -- alleged
8 assault, is that under investigation? And if so how?
9 I watched you all today. Chief Craig says crime is
10 down but I watch you all say it's up. That's why we
11 have to have everybody to show ID. Who's lying? Who's
12 telling the truth? And as far as Bernice, if
13 Mr. Burton asked 59 times, make the same motion, he's
14 entitled to as an elected official.

15 COMMISSIONER BURTON: Thank you.

16 MS. GLENN: Good afternoon. Valerie Glenn.
17 Several things. With the Detroit NACO 45th anniversary
18 meeting it's a \$600 cost associated with attending that
19 particular meeting. If you are volunteering it's
20 impossible to volunteer and actually participate and
21 hear what's going on with the meeting. So I'm trying
22 to find out how we can get scholarships and be able to
23 attend that meeting as opposed to sitting outside and
24 doing other things.

25 Number two, the ID situation is unheard of.

1 We definitely need to make sure that people don't need
2 to show State issued ID. That's an income situation.
3 Number three, Ms. Bernice Smith needs to quit. Now,
4 it's about time that all of you, every last one of you,
5 stop having her talk about Mr. Burton, stop having her
6 talk about those of us that's in the community. It's
7 disrespectful. You can stop looking over there too
8 because that's disrespectful.

9 You looked at her as if you were trying to
10 figure out what I was saying. I don't know your name.
11 I'm sorry. But the bottom line is she said that we
12 shouldn't be at the meeting. The last time I checked
13 everyone in here is a person that should be at the
14 meetings. Why have you allowed her to talk about
15 individuals? When she's been taken out of this meeting
16 she's not being escorted off the property because when
17 we get downstairs she's still downstairs in the parking
18 lot, so that's ridiculous. Last but not least, I have
19 one other thing. Perimeters of the charter-

20 CHAIRPERSON CARTER: Your time is up, ma'am.

21 MS. GLENN: Thank you. Well, I guess my time
22 was probably of before I started to speak. Thank you.

23 CHAIRPERSON CARTER: Ms. Brenda Hill, Ms.
24 Faith and Ms. Joann Warwick.

25 COMMISSIONER BURTON: I want to personally

1 say thank you, ma'am.

2 MS. HILL: My name is Brenda Hill. I want to
3 speak on the IDs as well. I paid about \$45 every three
4 years for an ID. I know I get the enhanced ID, but I
5 know that's a problem for some people. That's against
6 Open Meetings Act to ask for ID. We can just simply
7 move these meetings. Put it in the budget if there's a
8 cost to have those meetings elsewhere. Every citizen
9 of this City should be allowed to be at a public
10 meeting, which it is.

11 I don't have a problem with the building
12 manager saying what they need to come in this building.
13 What we need to do is not be in this building for this
14 meeting. Also, they need to post what they need
15 downstairs. That's against the Patriot Act and they
16 don't have that posted. And the guard down there is
17 very nasty. He's very nasty. He doesn't like us
18 asking for IDs not to be scanned or any questions. And
19 last week he took my ID and wrote down my name and my
20 driver's license number on a business card. Where does
21 that go? Somebody could have my information and think
22 they're me. So I have a problem with that.

23 I wonder if the neighborhood police officers
24 could help with the dog situation while they're out and
25 about. Maybe the dogs that are outside, inquire if

1 they're registered or not, let us know. If they can
2 help Animal Control. Animal control has an issue. I
3 got 30 seconds.

4 I was on Let It Rip last night and Nasser
5 Beydoun, one of the architects of the Green Light
6 Program, stated he is not for facial recognition. He's
7 for Green Light but not for facial recognition
8 technology as I am not for facial recognition
9 technology. I think that's a big deal that one of the
10 architects of the Green Light Program is against facial
11 recognition technology as well.

12 CHAIRPERSON CARTER: Ms. Faith followed by
13 Ms. Joann Warwick.

14 MS. FAITH: Welcome to this honorable Board
15 and welcome to the audience as well. For the record,
16 my name is Ms. Faith and I have something that I wrote
17 yesterday and it's called Nine Months Crime Prevention
18 question mark. My parents are addicted to drugs and
19 alcohol. They're promiscuous, not celibate, but
20 wandering from boutonniere and flower to boutonniere
21 and flour. Now I'm pregnant with half brothers and
22 sisters.

23 While my central nervous system is picking
24 all this up and mom and dad are fussing and fighting
25 over drugs, money, extra affairs on the side, and I'm

1 the result of an affair, or they wouldn't have fussed
2 over extra affairs beside the one I came from, or it
3 would have been only one family tie and bond just for
4 me.

5 Now I'm three months old inside mamma and the
6 doctor bills are increasing and we can't keep them
7 paid. So daddy gets him a job selling drugs to support
8 my momma's and his and my drug and alcohol and gambling
9 habits to feed, clothe and shelter all of us. Now I'm
10 six months inside mamma and daddy decides this is too
11 much so in a stupor he vents on mamma and whips her
12 repeatedly. By this I'm learning violence to settle
13 any arguments without control. This causes me to wet
14 my pants in practice before ever born; and don't
15 mention disobedience and rebellion to authority. They
16 are two authorities over me. They can't teach-

17 CHAIRPERSON CARTER: Your time is up, ma'am.

18 MS. FAITH: Okay. But this is what I was
19 thinking, we must protect our babies.

20 CHAIRPERSON CARTER: Ms. Joann Warwick.

21 MS. WARWICK: Yes, my name is Joann Warwick.
22 There were some mistakes made in the notes of August
23 8th. I was talking about the country of Norway that
24 had a brutal dictatorship and now they changed around
25 and they changed a prison into a shopping mall where

1 they held people in solitary confinement for long
2 times.

3 Anyway, for the Open Meetings Act, if you
4 want to have the meetings in this building then lobby
5 the Legislature to change the law. Again, about this
6 policy of cutting off public comment, I think -- I find
7 it extremely disrespectful to the public. If you don't
8 want to listen to people for two minutes each please
9 resign. I do agree with the Commissioner's suggestion
10 about civility training. I think that's an excellent
11 idea.

12 Also, a lot of people need some training on
13 the 1st Amendment and the 14th Amendment. Some people
14 don't seem to know the difference between the right to
15 protest and the right to petition Government for
16 redress of grievances. Also, deescalation; I think
17 everybody should be deescalating now, even the
18 democrats with their rhetoric. I think we all need to
19 deescalate, get along and figure out how to survive on
20 the planet and leave it safer for future generations.

21 Integrity and sufficiency. Wow, so I'm being
22 prosecuted. The report does mention some of the
23 officers that were there. There's supposedly only one
24 body worn camera. There's missing evidence. They
25 found a pill but where's the smashed pill bottle? It's

1 evidence. It's evidence because it shows how hard the
2 police officer threw me down. And when he made a
3 comment about that in the detention facility the police
4 officer went and took it over and put it with the
5 medical marijuana. He doesn't even mention, okay, it
6 said medical. Most people understand that as medical.
7 So there's missing evidence, folks. So how am I
8 supposed to trust the police force when these kinds of
9 things are going on?

10 CHAIRPERSON CARTER: Thank you. At this time
11 we're going to hear from Mark Young.

12 COMMISSIONER BELL: Mark, I apologize. I
13 know I promised you early on. I know you came
14 prepared. Thank you.

15 COMMISSIONER BURTON: Did he get permission
16 from the Chair?

17 MR. YOUNG: First of all, I'd like to thank
18 you Commissioner Carter and the Board of Police
19 Commissioners and of course Chief Craig. I appreciate
20 you guys. I'll be brief. I have a tremendous respect
21 for each one of you individuals and your oversight
22 role. I have attended many, many meetings at the Board
23 of Police Commissioners, and while I sat in the back I
24 tried not to disturb anybody and I tried to listen and
25 be a partnership in the great efforts of our Department

1 and our great city and I respect everybody's opinion
2 and I've never disrespected anybody's opinion and I
3 have an opinion on facial recognition or the men and
4 women that I represent.

5 While I have listened over the last few
6 months I've heard some very valid points and the
7 safeguard civil rights of all is important. In fact,
8 they're so important that the men and women that I
9 represent risk their lives and give their lives for
10 that very cause. I wholeheartedly support facial
11 recognition on behalf of the men and women that I
12 represent. The criminal element is evolving.
13 Criminals are so bold they no longer wear masks nor do
14 they fear police or prosecution.

15 We send law enforcement out to combat crime
16 all the while we handcuff them and lay kryptonite at
17 their very feet. The men and women at the Department
18 care deeply about this great City. They care so much
19 that they hurt when they can't bring justice to an
20 individual that they're serving. They care so much
21 that on the walls of Lansing the newly Michigan Law
22 Enforcement Officers Memorial, that's where 588 names
23 are on their panels, over half of them are members of
24 the Detroit Police Department.

25 While facial recognition is a reality of our

1 world that's not going to change, it's not the end all
2 of all and we don't claim it to be. In my 32 years on
3 the Department we lacked a lot of technology. Now
4 we're on the cutting edge. I'm not naive and I
5 understand that this is not perfect nor was it meant to
6 be. This we can agree and what we should be working on
7 is the policy to make sure that no violations are made.
8 I know of no law enforcement officer who wants to see
9 someone unjustly prosecuted or incarcerated. I know of
10 no one that wants that. But many law enforcement
11 officers are devastated and frustrated that they cannot
12 bring justice to victims.

13 I heard someone state during one of the
14 meetings that our police are underpaid and a lack of
15 benefits that they deserve. I agree. And the use of
16 this technology and somewhere might help us reduce
17 crime to make our City a great and safer place to live,
18 work, play and socialize while creating a stronger tax
19 base to be able to afford the men and women that I
20 represent better pay and benefits.

21 Lastly, I ask that everyone support the men
22 and women of law enforcement not only for our
23 department but everywhere. Technology is affording law
24 enforcement the tools to help make society safe just
25 like any other tools that we need to reduce the

1 criminal element that seems to be embolden. We just
2 want the deterrent. We just want to make it available
3 to be a deterrent. Hopefully as a deterrent many
4 individuals will not do the crime that they're doing
5 knowing that this technology is available.

6 I'd also remind you all that the Prosecutor's
7 Office is demanding more than just testimony. And
8 while facial recognition is not an end to all means it
9 creates leads where there are none to afford those who
10 seek justice. I would like to remind everyone that
11 there's a criminal element that's out there that go to
12 work every day like we do. This issue is not going to
13 change, and if you were affected by a crime, instead of
14 being an adversary you would be an advocate if this
15 facial technology software could help solve the crime
16 of the loss of your loved one.

17 I just got one more point. I'd like to thank
18 you for allowing me to speak. I think that the voices
19 of men and women that go out here and risk their lives
20 every day, and while we appreciate you Chief speaking
21 on our behalf, the men and women that's out there every
22 day that risk their lives deserve every to bring the
23 citizens justice. What a lot of people don't
24 understand is that we too are devastated that they
25 cannot bring closure to people that are suffering every

1 day. Thank you. I appreciate you all.

2 COMMISSIONER DEWAELESCHE: Madame Chair, move
3 for adjournment.

4 COMMISSIONER BELL: Second that motion.

5 CHAIRPERSON CARTER: Its been moved and
6 supported that we adjourn. Those in favor.

7 (Several Commissioners responded by
8 indicating aye.)

9 CHAIRPERSON CARTER: Those opposed.

10 (None responded.)

11 CHAIRPERSON CARTER: We stand adjourned.

12 Thank you all for attending today's meeting.

13 (The proceedings concluded at 5:04 p.m.)
