

FAITH COMMUNITY & THE 2020 CENSUS

THE CENSUS MATTERS TO PEOPLE OF FAITH

- Having a complete Census count in the City of Detroit is a matter of justice and working together so we can make sure all Detroiters are counted regardless of their age, race, type of housing, or their immigration status.
- The Census count determines federal funding for critical programs that impact people in all our congregations, like Medicaid, Bridge Cards, Special Education, Student Financial Aid and more.
- Spreading the word to family and neighbors to fill out the Census form means more Detroit children and families will get a fairer share of federal funding and fairer representation in Congress.
- Census information is confidential. Federal law prohibits sharing personal Census data for 70 years.
- Census Count starts in March 2020. The Census form has less than 10 questions, takes 10 minutes and determines our population for 10 years.

Luke 2:1 In those days a decree went out from Caesar Augustus that a census be taken of the whole world.
