RE: **Recreation Centers currently managed by third party entities**

Council member Castaneda-Lopez asked the Legislative Policy Division if it had a response from the Administration on file from last year's Budget cycle, responding to her inquiry, which reported on the number of Recreation Centers that were managed by third party entities. We determined that there was no such report on file in our office. However, with the assistance of the Office of Procurement, the General Services Department responded to our inquiry, a follow up to Council member Castaneda-Lopez's initial request.

LPD: How many Recreation Centers are currently managed by third party entities?

GSD: Below are the 3rd Party Recreation Centers:

- 1) Tindal Recreation Center***
- 2) Considine Little Rock***
- 3) Lipkey/Say Detroit***
- 4) Clark Park Collation***
- 5) Del Ray Community Center***

These five locations are under agreement with the city of Detroit. The agreement states that the 3rd parties are responsible for operation and maintenance of the facility, but in the past the City has provided capital dollars for improvements.

Please contact us if we can be of any further assistance.
