

# HELPFUL HINTS for returning to the CAYMC

#### **Employees: Prior to arrival:**

- 1. Complete your online health screening survey provided by your employer
- 2. Organize carry-in items for ease of security screening
- 3. Wear a face mask or covering or access will be denied

# **Employee Access:**

- 1. Employee entry is limited to the Randolph entrance
- 2. Awnings and tents have been erected for temperature screening
- 3. Lines form from two directions: At the east end at the Randolph Guard House and at the west side from the Larned circular driveway.

## **Upon Arrival:**

- 1. Line up and social distance for temperature screening
- 2. Prior to reaching the screening tent place pocketed items (keys, cellphones, etc.) in the plastic bag provided
- 3. If your temperature is acceptable you will be allowed to enter
- 4. If your temperature exceeds established limits, access will be denied
- 5. After temperature screening, enter and swipe your badge on the turnstiles
- 6. Place bags directly on the x-ray belt and retrieve after clearance
- 7. Place your plastic bag on the metal table to the left of the security portal

**Employee Badges**: We are transiting to new employee badges that are required to activate the turnstiles at the Randolph entrance and are requesting that employees come to Room 156 between 8:30AM and 4:30PM Mon-Fri for a new photo and badge.

## **Elevators & Staircases:**

- 1. Social distance as your approach the elevators
- 2. Elevators are limited to 2 passengers per cab
- 3. Prefer to walk; Staircases A & C are unlocked; use B, D and E to go down

<u>Visitor Entrance:</u> The Woodward Avenue entrance is open for visitors and temperature screening and face coverings are required.

**Remember:** Follow all of the City of Detroit requirements and practices regarding workplace safety including but not limited to the proper use of Personal Protective Equipment (PPE) and supplies
