

THE DEN

Project Clean Slate's Detroit Expungement Newsletter

hello!

Welcome to the first issue of The **DEN** - Project Clean Slate's newsletter. You can expect all sorts of goodies here, like being the first to find out about PCS offerings and events, community resources, and other updates to keep you in the loop on all things expungement.

The **DEN** will be an awesome way for us to build community, stay connected, and provide you with an opportunity to learn more about the PCS Team. We hope you enjoy!

first, a little update

Did you know that 168,000 Detroiters are eligible for expungement? Did you also know that Project Clean Slate is committed to supporting every expungement-eligible Detroiters through the expungement process - for free? Share this information with your family, friends, and coworkers; PCS needs your help to reach the 168,000 Detroiters eligible for expungement!

February

Michigan's new law regarding expunging Operating While Intoxicated or Impaired convictions took effect on February 19, 2022.

March

On March 9, 2022, PCS hosted our first **PCS PREP** workshop! These workshops will provide information on how to navigate common issues that may arise during the expungement process. During this session, participants met virtually with a PCS attorney to ask questions and have their record reviewed.

client corner

PCS recognizes that the expungement process is a serious commitment and can be lengthy at times. Clients may start to worry or question their continued participation in the program.

Client Corner is an opportunity to foster community among PCS clients, both prior and current. Client Corner will be a special section in the DEN to share words of encouragement, photos, success stories, or other information that may support another Detroiters during or after the expungement process.

**To submit an entry/photo for Client Corner please email:
