Re: Moratorium

To Whom it may concern:

As a precautionary measure to ensure no interruptions nor jeopardizing of the integrity of sidewalks and roadway surfaces during the 2024 NFL Draft and the 2024 Detroit Grand Prix, the City Engineering Division, Department of Public Works (DPW) has approved requests for a moratorium for the issuance of construction permits or construction activity in the Rights of Way (ROW) along the routes and the streets in the vicinity impacted by the subject events.

City Engineering Division, DPW, NFL and Detroit Grand Prix are also requesting the utility companies and agencies that have assets within the Right of Way, not to perform any maintenance work during the dates and along the boundaries impacted by this moratorium as indicated below.

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard Doherty".

Richard Doherty, P.E.

City Engineer
