

THE CITY OF DETROIT
DEPARTMENT OF
NEIGHBORHOODS
WANTS TO ...

Help You Stay Safe This Winter!

If you are a **Detroit senior or individual with a disability, then you may qualify to have a volunteer help with snow removal.** The free service is open to Detroit seniors who live alone or residents who cannot physically remove snow from their property.

NOTE: Volunteers will only help with snow removal when 6 inches or more fall in Detroit and the City of Detroit activates its snow contractors.
