

**NOTE: Based on the scope of work, additional documentation may be required. See [www.detroitmi.gov/hdc](http://www.detroitmi.gov/hdc) for scope-specific requirements.**

## PROJECT DETAILS – TELL US ABOUT YOUR PROJECT

**Instructions: Add project details using the text box in each section. If your details exceed the space provided, attach the details via the attachment icon for that section.**

### ePLANS PERMIT NUMBER:

(only applicable if you've already applied for permits through ePLANS)

N/A

## GENERAL

### 1. DESCRIPTION OF EXISTING CONDITION

*Please tell us about the current appearance and conditions of the areas you want to change. You may use a few sentences or attach a separate prepared document on the right. (For example, "existing roof on my garage is covered in gray asphalt shingles in poor condition.")*

Most of second floor is in burned/deteriorating condition, also the entire left side of the wall. Replace roof, and wood framing and staircase.

### 2. PHOTOGRAPHS

*Help us understand your project. Please attach photographs of all areas where work is proposed.*

### 3. DESCRIPTION OF PROJECT

*In this box, tell us about what you want to do at the areas described above in box #1. (For example, "Install new asphalt shingle roofing at garage.")*

Plan is to replace all the fire damage first. Install new roof and facade of the house. Also install new exterior wall along with siding and new windows.

### 4. DETAILED SCOPE OF WORK

*In this box, please describe all steps necessary to complete the work described in box #3. (For example, "remove existing shingles, replace wood deck as necessary, replace wood eaves, install roof vents, replace rotted fascia boards, paint, clean worksite.")*

Remove existing burned wood framing, remove most of the roof that was burned. Clean up work site and all the debris. Replace all wood framing and install new roof shingles along with new roof vents. Remove all broken windows and install new ones. Replace broken and rotted floor boards. Remove burned left side wall and install new wall. After that install siding on entire house.. Install sheet rock, paint and clean work site.

### 5. BROCHURES/CUT SHEETS

*Please provide information on the products or materials you are proposing to install. For example, a brochure on the brand and color of the shingles proposed.*

**ADDITIONAL DETAILS**

**6. WINDOWS/DOORS**

*Detailed photographs of window(s) and/or door(s) proposed for replacement showing the condition of the interior and exterior of the window(s) and/or door(s)*
