

DDOT IS MAKING SERVICE CHANGES.

New Schedules Start November 15, 2021

Today, DDOT bus service is scheduled to be frequent, convenient, and reliable, but we have not been able to meet that promise.

WE ARE HERE TO CHANGE THAT.

DDOT is right-sizing service schedules for current ridership, buses, and operators. Even though buses may be scheduled to come less often, the result will be service that is reliable and comes when expected.

WE ARE PLANNING TO START RESTORING SERVICE LEVELS IN EARLY 2022 AS A FIRST STEP IN A COMPLETE REIMAGINING OF PUBLIC TRANSIT IN DETROIT.

Get ready to share your ideas on how to improve public transit. We will be starting community conversations in early 2022.

Please visit detroitmi.gov/ddot for more information on the November 2021 service changes.

The deadline to submit public comments is **September 15, 2021.**

Please submit comments by emailing DDOTComments@detroitmi.gov or call customer service stating you are making a public comment at **(313) 933-1300.**

The following service changes are planned for November 15, 2021. Unless noted, all routes will continue to operate their current schedules which reflect the 2020 Emergency Changes due to the COVID-19 pandemic.
